[11] What About Such As Obstinately Insists On His Oath

2114- It is narrated on the authority of Abu Hurairah that he said: Abu Al-Qasim (Muhammad, the Messenger of Allah "Allah's blessing and peace be upon him") said: "He, who obstinately insists on (fulfilling) his oath (even though he finds it better to do something different and make expiation for his oath), it becomes more sinful for him in the Sight of Allah than to make the expiation he is commanded to make."

(...) The same is narrated on the authority of Abu Hurairah from the Messenger of Allah "Allah's blessing and peace be upon him", through another chain of transmitters.

[12] Fulfilling The Oath Of Such As Takes An Oath

2115- It is narrated on the authority of Al-Bara Ibn Azib that he said: The Messenger of Allah "Allah's blessing and peace be upon him" commanded us to fulfill the oath of such as takes an oath (by carrying on that for which he takes an oath as possible as is within our capacity).

2116- It is narrated on the authority of Abd Ar-Rahman Ibn Safwan or Safwan Ibn Abd Ar-Rahman Al-Qurashi that when it was the day of the conquest of Mecca, he brought his father to the Messenger of Allah "Allah's blessing and peace be upon him" and said: "O Messenger of Allah! Assign to our father a portion in the migration." The Messenger of Allah "Allah's blessing and peace be upon him" said: "There has no longer been migration (from Mecca to anywhere else, or to Medina from anywhere else afterwards)." He went and came direct to visit Al-Abbas and said: "Have you recognized me?" he answered in the affirmative. He set out wearing a shirt with no upper garment, and said: "O Messenger of Allah! You've recognized so and so, and how good the relation between both us and him is: he brought his father to you so that you would accept from him the pledge of allegiance for migration." On that the Messenger of Allah "Allah's blessing and peace be upon him" said: "There is no migration (to be accepted afterwards)." Al-Abbas said: "I swear (by Allah) that you should do." The Messenger of Allah "Allah's blessing and peace be upon him" stretched his hand and touched his hand and said: "I've fulfilled the oath of my paternal uncle, even though there is no migration (to be accepted afterwards)."

[13] It Is Forbidden To Say (In Your Oath): "As Allah And You Will"

2117- It is narrated on the authority of Ibn Abbas that he said: Allah's Apostle "Allah's blessing and peace be upon him" said: "When anyone of you takes an oath, let not him say: "As Allah and you will"; but let him say: "As Allah wills, and your will (is subject to His).""

2118- It is narrated on the authority of Hudhaifah Ibn Al-Yaman that a man from amongst the Muslims saw in a dream a man from those of Scripture, who said to him: "How good you (Muslims) are, but for the fact that you are about to say (in your oath): "As Allah and Muhammad will". He made a mention of that to the Messenger of Allah "Allah's blessing and peace be upon him" who said: "By Allah! I do not know you say it (otherwise, I would have forbidden you to do so). You might say: "As Allah wills, and Muhammad's will is (subject to His).""

(...) The same is narrated on the authority of At-Tufail Ibn Sakhbarah, the half-brother of A'ishah from the side of her mother, from the Messenger of Allah "Allah's blessing and peace be upon him", through a different chain of transmitters.

[14] When One Makes Equivocation In His Oath

2119- It is narrated on the authority of Suwaid Ibn Hanzalah that he said: We set out with the intention to go to the Messenger of Allah "Allah's blessing and peace be upon him", and we had Wa'il Ibn Hujr among us, whom an enemy of us seized; and the people became embarrassed to swear (that he was the brother of anyone of them so that the enemy would leave him), thereupon I swore (by Allah) that he was my brother; and he was released. When we came to the Messenger of Allah "Allah's blessing and peace be upon him", and I told him (of the story and) that the people got embarrassed to swear (that he was the brother of anyone of them), and that I took an oath that he was my brother, he said: "You've told the truth: (Any) Muslim (person) is a brother of the Muslim (in the religion of Allah)."

2120- It is narrated on the authority of Abu Hurairah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "Verily, the oath (one takes) should be regarded on the basis of the intention of such as asks him to take it."

I said: "I could do. But I will not recite the charm for you unless you fix for us some wages for it." They agreed to pay us thirty goats (as fees). We accepted it, and I recited for him (the Surah of Al-Fatihah in which Allah is) praised seven times, thereupon he recovered. We received the sheep, but we felt something in ourselves because of that, and we said: "Do not make haste (to distribute that) until we go to The Prophet "Allah's blessing and peace be upon him"." When we went to Allah's Apostle "Allah's blessing and peace be upon him" I made a mention to him of what I've done. He said: "Bring them to me." He did accordingly, and the Messenger of Allah "Allah's blessing and peace be upon him" took them with his hand and said: "Who does buy those?" a man said: "I take them for a Dirham." He said: "Who will add to a Dirham?" he said it twice or thrice, after which another man said: "I take them for two Dirhams." He gave them to him, and took both Dirhams, which he gave to the Ansari one and said: "By one of them, buy some food and give it to your family and by the other, buy an adze, and bring it to me." On that he (the Prophet) said to him: "Buy food by some of them, and a garment by some." He further said: "This is much better for you than to come (and beg from others), for begging will be a spot on your face on the Day of Judgement. No doubt, begging is not fitting but only for one of severe poverty, or one of grievous debt, or one who has (to pay a) blood (money, and in case he fails to do, he will be killed; and this is) painful."

[33]What About Selling The Fruits Of The Coming Years; And The Blighted Fruits

2218- It is narrated on the authority of Jabir Ibn Abdullah that the Messenger of Allah "Allah's blessing and peace be upon him" forbade selling (the fruits of trees of date-palms of the coming) years.

Comment: (The forbiddance depends upon the fact that in this case, one sells something which has no actual existence once he contracts for the transaction; and thus, it is of those things, whose nature is unknown)

2219- It is narrated on the authority of Jabir Ibn Abdullah that the Messenger of Allah "Allah's blessing and peace be upon him" said: "If one sold fruits (in advance) which then came to be affected by a blight, let him take nothing from the property of his brother (the purchaser): What right then should anyone of you have to take the property of his Muslim brother (seeing that the fruits he sold were blighted)?"

[35] The Necessity Of Being Careful In Both Measure And Weight

2223- It is narrated on the authority of Ibn Abbas that he said: The Messenger of Allah "Allah's blessing and peace be upon him" came to Medina, and they (its inhabitants) had been the worst from amongst the people to deal with others in fraud concerning measure and weight; and when Allah revealed: "Woe to those that deal in fraud, Those who, when they have to receive by measure, from men, exact full measure, But when they have to give by measure or weight to men, give less than due" (Al-Mutaffifin 1:3) thereupon, they made good their measure and weight.

[36] It Is Forbidden To Cheat (Others)

2224- It is narrated on the authority of Abu Hurairah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" came upon a man who was selling food, into which he got his hand, and behold! It was cheated. On that the Messenger of Allah "Allah's blessing and peace be upon him" said: "Such as cheats (others) does not belong to us."

2225- It is narrated on the authority of Abu Al-Hamra' that he said: I saw the Messenger of Allah "Allah's blessing and peace be upon him" having passed by the side of a man who had food in a container, into which he got his hand, and then he said: "Perhaps, you've cheated: no doubt, such as cheats us does not belong to us."

2229- It is narrated on the authority of Ibn Umar that he said: We used to purchase food from the caravans without measuring, thereupon the Messenger of Allah "Allah's blessing and peace be upon him" forbade us to sell it until we would transfer it from its place (to the market, to be easy to measure and weigh for the buyers).

2230- It is narrated on the authority of Uthman Ibn Affan that he said: I used to sell the dates in the market, and say (to the purchasers): "I have such and such a weight in this Wasaq of mine." In this way, I used to give the Wasaqs of dates (to the purchasers) depending upon their weights (mentioned to me by the first seller from whom I bought them without measuring), and take my profit. I had some doubt in that, and I asked the Messenger of Allah "Allah's blessing and peace be upon him" about that, and he said: "If you assign a certain measure (to the purchaser), then, you should measure it (to be sure of it)."

There was (the following): "This is what Al-Adda' Ibn Khalid Ibn Hawdhah bought from Muhammad, the Messenger of Allah "Allah's blessing and peace be upon him": (he bought) a slave or a slave-girl; and there is no visible defect in body and character, nor hidden blemish (in manners and conduct), nor there is (anything in this transaction) unlawful: as such a transaction between a Muslim and another should be."

2252- It is narrated on the authority of Amr Ibn Shu'aib from his father from his grandfather that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "When anyone of you buys a slave-girl, let him say: "O Allah! I ask You (to make me benefit from) her goodness, and the best (conduct) on which You have created her; and I seek refuge with You from her evil, and from the worst (conduct) on which You have created her"; and let him further invoke for (Allah's) Blessing; and when anyone of you buys a camel, let him catch hold of the upper portion of its hump, and invoke for (Allah's) Blessing, and say the same."

[48] What About Exchange

2253- It is narrated on the authority of Umar Ibn Al-Khattab that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "The (exchange of) gold for gold (is usury) except if it is from hand to hand (and equal in amount); and wheat grain for wheat grain (is usury) except if it is from hand to hand (and equal in amount); and dates for dates (is usury) except if it is from hand to hand (and equal in amount); and barley for barley (is usury) except if it is from hand to hand (and equal in amount)."

2254- It is narrated on the authority of both Muslim Ibn Yasar and Abdullah Ibn Ubaid that they said: Both Ubadah Ibn As-Samit and Mu'awiyah met in a gathering, whether in a church or in a synagogue, and Ubadah Ibn As-Samit said: "The Messenger of Allah "Allah's blessing and peace be upon him" forbade us to sell silver for silver, gold for gold, wheat for wheat, parley for parley, and dates for dates (One of both (narrators) said: "And further salt for salt" and the other did not say that) and he (the Prophet) permitted us to sell wheat for parley, or parley for wheat, from hand to hand, as we like."

2255- It is narrated on the authority of Abu Hurairah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "Silver (might be sold) for silver, gold for gold, parley for parley, and wheat for wheat, but like by like (on the spot)."

2256- It is narrated on the authority of Abu Sa'id that he said: The Messenger of Allah "Allah's blessing and peace be upon him" used to give

us out of the dates of different mixtures, which we would exchange for a better kind, and raise its price, thereupon the Messenger of Allah "Allah's blessing and peace be upon him" said: "It is not fitting to sell a Sa' of dates for two, nor (to exchange) a Dirham for two: the Dirham (should be exchanged) for a Dirham, a Dinar for a Dinar, with no (difference on account of) superiority between them except in weight."

[49] What About The Opinion That There Is No Usury (In Money Exchange) Except When It Is Done On Credit

2257- It is narrated on the authority of Abu Sa'id Al-Khudri: "Selling a Dinar for a Dinar and a Dirham for a Dirham (is permissible)." It was said to him: "But Ibn Abbas does not say the same." Abu Sa'id replied: "I asked Ibn Abbas whether he had heard it from The Prophet or seen it in the Holy Book. Ibn Abbas replied: "I do not claim that I have found it in Allah's Holy Book, nor have I heard it from Allah's Apostle "Allah's blessing and peace be upon him", but Usamah Ibn Zaid informed me that The Prophet "Allah's blessing and peace be upon him" had said: "There is no usury (in money exchange) except when it is done on credit."" (That is, not from hand to hand with the result that there is delay in payment).

2258- It is narrated on the authority of Abu Al-Jawza' that he said: I heard that he (Ibn Abbas) made permissible (for the people) to exchange (money for money, gold for gold, etc with no necessity for being from hand to hand nor like by like), and the people narrated that from him. Later on, I was reported that he had retracted (from that opinion). When I met him in Mecca, I said to him: "I was reported that you had retracted (from your opinion)." On that he said: "Yes: this (old statement) was (no more than) an opinion of mine; and this is Abu Sa'id: he relates from the Messenger of Allah "Allah's blessing and peace be upon him" that he forbade the exchange (of gold for gold, silver for silver, etc unless it is from hand to hand, on the spot, like by like)."

[50] The Exchange Of Gold For Silver

2259- It is narrated on the authority of Umar that he said: Allah's Apostle "Allah's blessing and peace be upon him" said: "(The barter of) gold for silver is usury, unless it is on the spot." Abu Bakr Ibn Abu Shaibah said: I heard Sufyan saying: Gold for silver: retain it in memory.

2260- It is narrated on the authority of Malik Ibn Aws Ibn Al-Hadthan that he said: I came saying: Who could exchange (my gold Dinars for) Dirhams? Talhah Ibn Ubaidullah, who was sitting with Umar Ibn Al-Khattab, said: "Show us your (Dinars of) gold! (He took it and then said)

قَالَ أَبُو بَكْرِ بْنُ أَبِي شَيْبَةَ: سَمِعْتُ سُفْيَانَ يَقُولُ: الذَّهَبُ بِالْوَرِقِ. احْفَظُوا.

فَقَالَ عُمَرُ: كَلاَّ، وَاللَّهِ، لَتُعْطِيَنَّهُ وَرِقَهُ أَوْ لَتَرُدَّنَّ إِلَيْهِ ذَهَبَهُ. فَإِنَّ رَسُولَ اللَّهِ ﷺ قَالَ: «**الْوَرِقُ بِالذَّهَبِ رِباً، إِلاَّ هَاءَ وَهَاءَ**».

Come to us to give you your silver (Dirhams) when our storekeeper comes." On that Umar said: "Nay! By Allah: either you should give him the silver now, otherwise, you should return to him his gold. The Messenger of Allah "Allah's blessing and peace be upon him" said: "(The exchange of) gold for silver is usury unless it is on the spot (from hand to hand).""

2261- It is narrated on the authority of Ali Ibn Abu Talib that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "(It is permissible to exchange) a Dinar for a Dinar, a Dirham for a Dirham, with no (difference of) superiority between them. Whoever is in need of silver, let him exchange gold for it; and whoever is in need of gold, let him exchange silver for it, provided that the exchange should be on the spot (from hand to hand)."

[51] Taking Silver Instead Of Gold, And Gold Instead Of Silver

2262- It is narrated on the authority of Ibn Umar that he said: I used to sell camels, and take gold in return for silver, and silver in return for gold, Dinars in return for Dirhams, and Dirhams in return for Dinars. I asked the Messenger of Allah "Allah's blessing and peace be upon him" about that, and he said: "If you take any of both and give the other (in return for it), do not leave your companion (with whom you make such exchange) and there is anything (of debt) between you."

(...) The same is narrated on the authority of Ibn Umar from the Messenger of Allah "Allah's blessing and peace be upon him", through another chain of transmitters.

[52] It Is Forbidden To Break Dinars Or Dirhams

2263- It is narrated on the authority of Alqamah Ibn Abdullah from his father that he said: The Messenger of Allah "Allah's blessing and peace be upon him" forbade breaking the coins current among the Muslims unless there is necessity.

[53] Selling Fresh Dates For Dry Dates

2264- It is narrated on the authority of Zaid Abu Ayyash, a freed slave belonging to Banu Zuhrah that he asked Sa'd Ibn Abu Waqqas about purchasing parley by Sult (a kind of grains between parley and wheat), thereupon Sa'd asked him: "Which of both is better?" he said: "The parley." On that he forbade me to do so and said: I heard the Messenger of Allah "Allah's blessing and peace be upon him" having said, when he was asked about buying fresh dates by dry dates: "Do the fresh dates decrease after being dried?" they answered in the affirmative, thereupon he forbade it.

thereupon he said: "No doubt, those camels belong to a family of Muslims, and they constitute their provisions and blessing after (the blessing of) Allah Almighty. Are you pleased that when you go back to the containers of your journey provisions you find whatever (food) they contain having been taken? Do you see that out of justice?" we answered in the negative, and he said: "This (which you were about to do) is like that (which you reject)." We said: "Then, tell us: if we are in need of food and drink (what should we do?)" on that he said: "You could eat and drink, but without carrying anything more."

[1] What About Judges

2310- It is narrated on the authority of Ali that he said: The Messenger of Allah "Allah's blessing and peace be upon him" sent to me to Yemen, thereupon I said: "O Messenger of Allah! Would you send me to judge between them, and I'm still a young man, and do not know what judgement is?" he struck his hand in my chest and said: "O Allah! Guide his heart (to the truth), and make firm his tongue!" afterwards, never have I doubted in a judgement I passed between two persons.

[2] The Severe Punishment Of Committing Injustice And (Accepting Or Giving) Bribe

2311- It is narrated on the authority of Abdullah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "There is no ruler who judges between the people (with falsehood) but that on the Day of Resurrection, he will come, with an angel catching hold of him from the nape of his head, and he will raise his sight up to the sky: and when it is said: "Throw him", he will be thrown in a pitfall for forty autumns."

2312- It is narrated on the authority of Abdullah Ibn Abu Awfa that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "Allah keeps (helping and supporting) the judge as long as he is just: but once he is unjust, his matter will be entrusted to his own self."

having said: "If a judge passes a judgement in which he does his best (to get the truth) and he is right, he will receive a double reward; and if he passes a judgement, in which he does his best (to get the truth, even though) he is mistaken, he will receive a reward." Yazid said: I related it to Abu Bakr Ibn Amr Ibn Hazm who said: As such Abu Salamah related it to me from Abu Hurairah.

2315- It is narrated on the authority of Abu Hashim that he said: Had it not been for the narration of Ibn Buraidah from his father from the Messenger of Allah "Allah's blessing and peace be upon him" in which he said: "The judges are of three types, two of whom will be admitted to the fire (of Hell) and one to the Garden: a man who knows the truth with the help of which he passes his judgements will be admitted to the Garden; a man who judges between the people while being ignorant will be admitted to the fire (of Hell); and a man who is unjust in his judgements will be admitted to the fire" we would have said that if a judge does his best (to get the truth, whether he succeeds or fails) he will be admitted to the Garden.

[4] The Judge Should Not Pass A Judgement While Being In The State Of Anger

2316- It is narrated on the authority of Abd Ar-Rahman Ibn Abu Bakrah from his father that he heard the Messenger of Allah "Allah's blessing and peace be upon him" having said: "The judge should not judge between two persons while he is angry." In the narration of Hisham: "It is not fitting for a judge to judge between two persons while being in the state of anger."

[5] The Commandment Of The Judgement Never Makes Lawful What Is Unlawful, Nor Does It Make Unlawful What Is Lawful

2317- It is narrated on the authority of Umm Salamah that she said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "You people present your cases to me and I'm (no more than) a human being; and some of you may be more eloquent and persuasive in presenting their argument; and I judge your cases depending upon what I hear from you. So, if I give some one's right to another (wrongly because of the latter's tricky presentation of the case), he should not take it for indeed, I am really giving him a piece of fire, with which he will come on the Day of Judgement."

2318- It is narrated on the authority of Abu Hurairah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "I'm (no more than) a human being; and some of you may be more eloquent and persuasive in presenting their argument. So, if I give some one's right to another (by mistake), I am really giving him a piece of fire."

2315 ـ **حدّثنا** إِسْمَاعِيلُ بْنُ تَوْبَةَ. حَدَّثَنَا خَلَفُ بْنُ خَلِيفَةَ. حَدَّثَنَا أَبُو هَاشِمٍ؛ قَالَ: لَوْلاَ حَدِيثُ ابْنِ بُرَيْدَةَ عَنْ أَبِيهِ عَنْ رَسُولِ اللَّهِ ﷺ قَالَ: «**الْقُضَاةُ ثَلاَثَةٌ. اثْنَانِ فِي النَّارِ، وَوَاحِدٌ فِي الْجَنَّةِ: رَجُلٌ عَلِمَ الْحَقَّ فَقَضَى بِهِ فَهُوَ فِي الْجَنَّةِ. وَرَجُلٌ قَضَى لِلنَّاسِ عَلَى جَهْلٍ فَهُوَ فِي النَّارِ. وَرَجُلٌ جَارَ فِي الْحُكْمِ فَهُوَ فِي النَّارِ**»؛ لَقُلْنَا: إِنَّ الْقَاضِيَ إِذَا اجْتَهَدَ فَهُوَ فِي الْجَنَّةِ.

4 ـ بابٌ لا يَحْكُمُ الحَاكِمُ وهُوَ غَضْبَانُ

2316 ـ **حدّثنا** هِشَامُ بْنُ عَمَّارٍ، وَمُحَمَّدُ بْنُ عَبْدِ اللَّهِ بْنِ يَزِيدَ، وَأَحْمَدُ بْنُ ثَابِتٍ الْجَحْدَرِيُّ قَالُوا: حَدَّثَنَا سُفْيَانُ بْنُ عُيَيْنَةَ، عَنْ عَبْدِ الْمَلِكِ بْنِ عُمَيْرٍ؛ أَنَّهُ سَمِعَ عَبْدَ الرَّحْمٰنِ بْنَ أَبِي بَكْرَةَ، عَنْ أَبِيهِ؛ أَنَّ رَسُولَ اللَّهِ ﷺ قَالَ: «**لاَ يَقْضِي الْقَاضِي بَيْنَ اثْنَيْنِ وَهُوَ غَضْبَانُ**».

قَالَ هِشَامٌ، فِي حَدِيثِهِ: لاَ يَنْبَغِي لِلْحَاكِمِ أَنْ يَقْضِيَ بَيْنَ اثْنَيْنِ وَهُوَ غَضْبَانُ.

5 ـ بابٌ قَضِيَّةُ الحَاكِمِ لا تُحِلُّ حَرَاماً ولا تُحَرِّمُ حَلالاً

2317 ـ **حدّثنا** أَبُو بَكْرِ بْنُ أَبِي شَيْبَةَ. حَدَّثَنَا وَكِيعٌ. حَدَّثَنَا هِشَامُ بْنُ عُرْوَةَ عَنْ أَبِيهِ، عَنْ زَيْنَبَ بِنْتِ أُمِّ سَلَمَةَ، عَنْ أُمِّ سَلَمَةَ؛ قَالَتْ: قَالَ رَسُولُ اللَّهِ ﷺ: «**إِنَّكُمْ تَخْتَصِمُونَ إِلَيَّ وَإِنَّمَا أَنَا بَشَرٌ. وَلَعَلَّ بَعْضَكُمْ أَنْ يَكُونَ أَلْحَنَ بِحُجَّتِهِ مِنْ بَعْضٍ. وَإِنَّمَا أَقْضِي لَكُمْ عَلَى نَحْوِ مِمَّا أَسْمَعُ مِنْكُمْ. فَمَنْ قَضَيْتُ لَهُ مِنْ حَقِّ أَخِيهِ شَيْئاً، فَلاَ يَأْخُذْهُ. فَإِنَّمَا أَقْطَعُ لَهُ قِطْعَةً مِنَ النَّارِ. يَأْتِي بِهَا يَوْمَ الْقِيَامَةِ**».

2318 ـ **حدّثنا** أَبُو بَكْرِ بْنُ أَبِي شَيْبَةَ. حَدَّثَنَا مُحَمَّدُ بْنُ بِشْرٍ. حَدَّثَنَا مُحَمَّدُ بْنُ عَمْرٍو، عَنْ أَبِي سَلَمَةَ بْنِ عَبْدِ الرَّحْمٰنِ، عَنْ أَبِي هُرَيْرَةَ؛ قَالَ: قَالَ رَسُولُ اللَّهِ ﷺ: «**إِنَّمَا أَنَا بَشَرٌ. وَلَعَلَّ بَعْضَكُمْ أَنْ يَكُونَ أَلْحَنَ بِحُجَّتِهِ مِنْ بَعْضٍ. فَمَنْ قَطَعْتُ لَهُ مِنْ حَقِّ أَخِيهِ قِطْعَةً. فَإِنَّمَا أَقْطَعُ لَهُ قِطْعَةً مِنَ النَّارِ**».

[6] When One Claims That, In Which He Has No Right

2319- It is narrated on the authority of Abu Dharr that he said: I heard the Messenger of Allah "Allah's blessing and peace be upon him" having said: "He, who claims that, in which he has no right, does not belong to us (Muslims), and rather let him occupy his seat in the fire (of Hell)."

2320- It is narrated on the authority of Ibn Umar that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "He, who helps an opponent (to affirm his claim) wrongfully, (or whoever helps in injustice) becomes in the Displeasure of Allah till he desists (from that)."

[7] The Evidence Should Be Brought By The Claimant, And The Oath Should Be Taken By The Defendant

2321- It is narrated on the authority of Ibn Abbas that the Messenger of Allah "Allah's blessing and peace be upon him" said: "Had the plaintiffs been given (what they claim) just depending upon their claims, (a lot of) people would have claimed the blood and property of men; but, the oath should be taken by the defendant (to refute the claim in case the claimant fails to have an evidence to affirm his claim)."

2322- It is narrated on the authority of Al-Ash'ath Ibn Qais that he said: I had common land with a Jew, who later denied my ownership, so I took him to The Prophet "Allah's blessing and peace be upon him" who asked me whether I had a proof of my ownership. When I replied in the negative, The Prophet "Allah's blessing and peace be upon him" asked the Jew to take an oath. I said: "O Allah's Apostle! He will take an oath and deprive me of my property." So, Allah revealed the following verse: " As for those who sell the Faith they own to Allah and their own plighted word for a small price, they shall have no portion in the Hereafter: nor will Allah (deign to) speak to them or look at them on the day of judgment, nor will he cleanse them (of sin): they shall have a grievous penalty." (Al Imran 77)

[8] When One Takes A False Oath To Usurp The Property (Of Another Unlawfully)

2323- It is narrated on the authority of Abdullah Ibn Mas'ud that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "He, who takes an oath, in which he tells a lie, therewith to usurp unlawfully the property of another Muslim, will meet Allah while being angry with him."

2324- It is narrated on the authority of Abu Umamah Al-Harithi that he said: I heard the Messenger of Allah "Allah's blessing and peace be upon

He said: "Have you given all of your sons the same as you've given An-Nu'man?" he answered in the negative, he said: "Then, make anyone else other than me witness to that." He further asked him: "Would you not be pleased to have all of them (i.e. your sons) equally dutiful and kind to you?" he answered in the affirmative. On that the Messenger of Allah "Allah's blessing and peace be upon him" said: "Then, it is not" (i.e. do not give him anything apart from them).

2376- It is narrated on the authority of An-Nu'man Ibn Bashir that his father gave him a slave as a gift, and he went to the Messenger of Allah "Allah's blessing and peace be upon him" to make him witness to that, thereupon the Messenger of Allah "Allah's blessing and peace be upon him" asked him: "Have you given all of your sons the same?" he answered in the negative. On that he said to him: "Then, take him (the slave) back."

[2] When A Father Gives A Gift To His Son, And Takes It Back

2377- It is narrated on the authority of both Ibn Abbas and Ibn Umar, tracing it up to the Messenger of Allah "Allah's blessing and peace be upon him" that he said: "It is unlawful for a man to give a gift and then take it back, except when a father gives a gift to his son" (in this case he has the right to take it back).

2378- It is narrated on the authority of Amr Ibn Shu'aib from his father from his grandfather that the Messenger of Allah "Allah's blessing and peace be upon him" said: "It is unlawful for anyone to take back what he gives as a gift, except when a father gives a gift to his son" (for he has the right to take it back if he so likes).

[3] The Lifetime Gift

Comment: (It is that a man gives a gift to another, stipulating the condition that it is for him as long as he is alive; and in some cases, it is made permanent, i.e. to be taken also by his offspring after his death)

2380- It is narrated on the authority of Jabir that he said: I heard the Messenger of Allah "Allah's blessing and peace be upon him" having said: "If one gives a lifetime gift to a man and his offspring (after him), his statement has, indeed, abrogated his right (to take it back), and it then should be for such as to whom it is given and his offspring (after him)."

2381- It is narrated on the authority of Zaid Ibn Thabit that the Messenger of Allah "Allah's blessing and peace be upon him" gave the (right of the) lifetime gift to the heir.

[4] The Gift In Connection With Which Watching Death Is Observed

This kind of giving is that a man says to another: Get benefit from this thing of me, and if I die before you, it should be for you; and if you die before me, it should be brought back to me. In this case, each of them watches (and expects) the death of the other)

2382- It is narrated on the authority of Ibn Umar that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "No gift in connection with which watching death is observed is (fitting for the interests of the people); and if one is given such, it should be for him during his lifetime and after his death." He said: The gift in connection with which watching death is observed is that a man says to another: This will be from me (to you as a gift) and from you (again to me) by the death (of any of us).

2383- It is narrated on the authority of Jabir Ibn Abdullah that the Messenger of Allah "Allah's blessing and peace be upon him" said: "The gift in connection with which watching death is observed is permissible for such as given it (to accept); and the lifetime gift is also permissible for such as given it (to accept)."

[5] What About Taking Back The Gift

2384- It is narrated on the authority of Abu Hurairah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "The example of such as takes back his gift is like the example of a dog, which eats, and when it is satisfied, it vomits, and then returns to eat its vomit once again."

On that the Messenger of Allah "Allah's blessing and peace be upon him" said: "It is unlawful for a woman to dispose of her property without the leave of her husband: have you taken the permission of Ka'b?" she answered in the affirmative. The Messenger of Allah "Allah's blessing and peace be upon him" sent to Ka'b Ibn Malik, her husband, asking him: "Have you given permission to Khairah to give her ornaments in charity?" he answered in the affirmative, thereupon the Messenger of Allah "Allah's blessing and peace be upon him" accepted it from her.

[4] What About Endowments

2396- It is narrated on the authority of Nafi' from Ibn Umar: Umar Ibn Al-Khattab got some land in Khaibar and he went to The Prophet "Allah's blessing and peace be upon him" to consult him about it saying: "O Messenger of Allah! I got some land in Khaibar better than which I have never had, what do you suggest for me to do with it?" The Prophet "Allah's blessing and peace be upon him" said: "If you like you can give the land as endowment and give its yield in charity." So Umar gave it in charity as an endowment on the condition that it should neither be sold, nor given to anybody as a gift, nor be inherited. However, its yield would be given in charity to the poor people, to the Kith and kin, for manumitting slaves, in Allah's Cause, to the travellers and guests. But there would be no harm if the administrator of the endowment ate from it, according to his need, and fed others without the intention of getting wealthy from it.

2397- It is narrated on the authority of Ibn Umar that Umar Ibn Al-Khattab said: "O Messenger of Allah! I've never got a property much dearer to me than The (piece of land which is) one hundred shares I have in Khaibar; and I like to give it in charity." On that the Messenger of Allah "Allah's blessing and peace be upon him" said: "Give the land as endowment, and give its yields in the Cause of Allah." Ibn Abu Umar said: I found this narration in another place of my book I related from Sufyan from Abdullah from Nafi' from Ibn Umar that Umar Ibn Al-Khattab said...and he mentioned the same.

His (the Prophet's) companions scolded him and said: "Woe to you! Do you know with whom you speak?" he said: "I just demand my right." On that the Messenger of Allah "Allah's blessing and peace be upon him" said: "Is not (better for) you to take the side of the right petitioner?" he sent to Khawlah Bint Qais saying: "If you have dates, lend us (some of that) and when our dates come, we would give it back to you." She said: "Yes (I have) let my father be sacrificed for you O Messenger of Allah!" she lent him, and he fulfilled to the Bedouin his right,

2427- It is narrated on the authority of Amr Ibn Ash-Sharid from his father that the Messenger of Allah "Allah's blessing and peace be upon him" said: "The procrastination of such as able (to fulfill his debt) makes lawful both his honour and punishment." 2428- It is narrated on the authority of Al-Hirmas Ibn Habib from his father from his grandfather that he said: I brought my debtor to the Messenger of Allah "Allah's blessing and peace be upon him", who told me to stick to him (until he would fulfill his debt). At the last portion of the day, he came upon me and said: "What has your captive (debtor) done O brother of Banu Tamim?"

2429- It is narrated on the authority of Abdullah Ibn Ka'b Ibn Malik from his father: Ka'b demanded his debt back from Ibn Abu Hadrad in the Mosque and their voices grew louder till The Messenger of Allah "Allah's blessing and peace be upon him" heard them while he was in his home. He came out to them, raising the curtain of his room, addressing Ka'b: "O Ka'b!" Ka'b replied: "Here I'm responding to your call, O Allah's Apostle!" He (The Prophet) said (to him): "Reduce your debt" gesturing with his hand to one half. Ka'b said: "I have done so, O Allah's Apostle!" On that The Prophet "Allah's blessing and peace be upon him" said to Ibn Abu Hadrad: "Get up and fulfill the debt to him."

[19] What About The Loan

2430- It is narrated on the authority of Qais Ibn Rumi that he said: Sulaiman Ibn Udhunan lent Alqamah one thousand Dirhams (provided that it would be fulfilled) when he would receive his yearly salary. When it came to him, he (the lender) demanded his money, and was hard on him, and he fulfilled it to him; but Alqamah seemed to have become angry (for that). Several months later, he came to him once again, and asked him to lend him one thousand Dirhams (to be fulfilled) when his yearly salary would come. He said to him: "With all pleasure! O Umm Utbah! Bring me this closed box which is with you!" when she brought it, he said to him:

What led you to do with me that which you had done?" he said: "What I heard from you." He said: "What did you hear from me?" he said: "I heard you relating from Ibn Mas'ud that the Messenger of Allah "Allah's blessing and peace be upon him" said: "There is no Muslim who gives loan to another Muslim twice, but that he will receive (in the second time) the like of (the reward of) its being charity (besides that he receives) in the first one." He said: "As such Ibn Mas'ud told me."

2431- It is narrated on the authority of Anas Ibn Malik that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "On my Night Journey, I saw (the following statement being) written on the gate of the Garden: "The (object of) charity will be (rewarded with) ten times the like of it, and the loan with eighteen." I asked: "O Gabriel! Why is the loan better (in reward) than the charity?" he said: "That's because the beggar asks (to be given) while he has (what he spends), and the loan-invoker does not take it except on account of his need of it.""

2432- It is narrated on the authority of Yahya Ibn Abu Ishaq Al-Huna'i that he said: I asked Anas Ibn Malik: "When anyone of us gives a loan to his (Muslim) brother, and he gives a gift to him (what will he do?)" he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "If anyone of you gives a loan (to another), who gives him a gift or even (offers to him to) carry him on the mount, let not him ride it, nor accept that (gift), unless it was his habit before this (loan)."

[20] Fulfilling The Debt On Behalf Of A Deceased

2433- It is narrated on the authority of Sa'd Ibn Al-Atwal that his brother died, and left three hundred Dirhams: I intended to spend it on his dependents, thereupon the Messenger of Allah "Allah's blessing and peace be upon him" said: "Your brother is detained (from being admitted to the Garden) on account of his debt: so, fulfill his debt on behalf of him." I said: "O Messenger of Allah! I've fulfill his debts barring two Dinars, over which a woman has a claim, even though she has no evidence." On that the Messenger of Allah "Allah's blessing and peace be upon him" said: "Give that to her, for she is right."

He watered (his garden) in return for (as much dates as) nearly two Sa's, which he brought to the Messenger of Allah "Allah's blessing and peace be upon him".

[7] Sharecropping For One-Third Or One-Fourth

2449- It is narrated on the authority of Rafi' Ibn Khadij that he said: The Messenger of Allah "Allah's blessing and peace be upon him" forbade Muhaqalah (renting the field in return for a measured amount of the yield), and Muzabanah (selling fresh fruits on the trees for a measured amount of fruits of the same kind), and he said: "Three (types of people are permitted to) cultivate (their land): a man who has a (piece of) land in his possession, which he cultivates by himself; a man who is granted a (piece of) land, and he cultivates whatever gift he is given; and a man who takes on lease a (piece of) land, which he cultivates in return for (coins of) gold and silver."

2450- It is narrated on the authority of Ibn Umar that he said: We used to practice Mukhabarah (to rent the land for cultivation in return for a specific share of its yield) during the lifetime of the Messenger of Allah "Allah's blessing and peace be upon him"), seeing no harm in it until we heard Rafi' Ibn Khadij having said: "The Messenger of Allah "Allah's blessing and peace be upon him" forbade it". Then, we left it on account of his statement.

2451- It is narrated on the authority of Jabir Ibn Abdullah that he said: Some men of us had surplus (pieces of their) land, which they used to rent in return for one-third or one-fourth the yield, thereupon the Messenger of Allah "Allah's blessing and peace be upon him" said: "He, who has surplus (piece of) land, let him cultivate it for himself, or enable his (Muslim) brother to cultivate it (for no charge), otherwise, let him keep his land uncultivated!"

2452- It is narrated on the authority of Abu Hurairah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "He, who has (a piece of) land, let him cultivate it, or enable his (Muslim)

[8] Renting The Land

2453- It is narrated on the authority of Nafi' that he said: Ibn Umar used to rent his farms until a man came to him, and related to him from Rafi' Ibn Khadij that the Messenger of Allah "Allah's blessing and peace be upon him" forbade renting the farms. Ibn Umar went to Rafi' and I went with him until he came to him in the area covered with stones (near the mosque of the Messenger of Allah "Allah's blessing and peace be upon him"), and enquired from him about that, and he told him that the Messenger of Allah "Allah's blessing and peace be upon him" forbade renting the farms, thereupon Abdullah abandoned (the habit of) renting them.

2454- It is narrated on the authority of Jabir Ibn Abdullah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" addressed us saying: "He, who has (a piece of) land, let him cultivate it or enable (his Muslim brother) to cultivate it (for no charge), and let not him rent it (for a specific share of its yields)!"

2455- It is narrated on the authority of Abu Sa'id Al-Khudri that he said: The Messenger of Allah "Allah's blessing and peace be upon him" forbade Muhaqalah, and Muhaqalah is to rent the field (for a measured amount of its yields).

[9] The Concession To Rent The Unfarmed Land For (Coins Of) Gold And Silver

2456- It is narrated on the authority of Ibn Abbas that when he heard the people talking so much about the matter of renting the land, he said: "Glory be to Allah! Verily, the Messenger of Allah "Allah's blessing and peace be upon him" said: "Is it not (better that) anyone of you should grant it to his (Muslim) brother (to cultivate for himself for no charge)?" thus, he did not forbid renting it" (so much as he exhorted the people to give it to the Muslims as gratis).

2457- It is narrated on the authority of Ibn Abbas that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "If anyone of you gives as gratis his (surplus) land to his brother (to cultivate for no charge) it will be much better for him than to take such and such specific share (of its yields)." Ibn Abbas said: This is the Haql, or the Muhaqalah in the Medinian dialect.

2458- It is narrated on the authority of Hanzalah Ibn Qais that he said: I asked Rafi' Ibn Khadij (about the matter of renting the land), thereupon he said: We used to rent the land (for cultivation) on the condition that you (the tenant) should have whatever this (portion of it) would yield, and I (the owner) should have whatever that (portion of it) would yield. But we were forbidden to rent it in return for whatever it yielded, and we were not forbidden to rent the land in return for (the coins of) silver.

[10] Renting Farms For A Specific Share Of Their Yields

2459- It is narrated on the authority of Rafi' Ibn Khadij from Zuhair, his paternal uncle that he said to him: "The Messenger of Allah "Allah's blessing and peace be upon him" forbade us to do a thing, which had been (a source) of benefit for us." I said: "What is that? Whatever Allah's Apostle "Allah's blessing and peace be upon him" says is right." He said: "Allah's Apostle "Allah's blessing and peace be upon him" asked: "What do you do with your farms?" We replied: "We get our farms rented on the basis that we get one-third or one-fourth (its yields), or for (a fixed number of) Wasaqs of wheat and parley." Allah's Apostle "Allah's blessing and peace be upon him" said: "Do not do so, but cultivate them yourselves or let them be cultivated by others as gratis."

2460- It is narrated on the authority of Usaid Ibn Zuhair, the nephew of Rafi' Ibn Khadij that he said: Whenever anyone of us dispensed with his land, he would give it (to be cultivated by another) for one-third or one-fourth (its yield), on the condition that he should have three (portions from what grows on the banks of) the brook, what remains in the ears, and what is watered by the stream. At that time, the living was hard, and they used to work in this (land) with iron and what Allah willed (them to use), and get benefit from it. Then, Rafi' Ibn Khadij came to us and said: "Verily, the Messenger of Allah "Allah's blessing and peace be upon him" forbade you to do a thing, which had been (a source) of benefit to you, even though the obedience of Allah and His Messenger is more beneficial to you: no doubt, the Messenger of Allah "Allah's blessing and peace be upon him" forbade you to rent your land in return for a specific share of its yield, and said: "He, who dispenses with his land, let him give it to his (Muslim) brother (to cultivate it) as gratis, or leave it (uncultivated)."

2461- It is narrated on the authority of Urwah Ibn Az-Zubair that Zaid Ibn Thabit said: Might Allah forgive Rafi' Ibn Khadij! By Allah! I have more knowledge of the narration than him. Two men came to the Messenger of Allah "Allah's blessing and peace be upon him", and they

[11] The Concession To Be Engaged In Sharecropping For One-Third And One-Fourth

2462- It is narrated on the authority of Amr Ibn Dinar that he said: I said to Tawus: "O Abu Abd Ar-Rahman! Would that you leave (the habit of practicing) Mukhabarah (renting the farm for a fixed share of its yield), for they pretend that the Messenger of Allah "Allah's blessing and peace be upon him" forbade it!" he said: "O Amr! I help them (the farmers get benefit from that), and (at the same time) I give them; and Mu'adh Ibn Jabal gave concession to the people, and exhorted them to do it in our town; and the most knowledgeable of them, i.e. Ibn Abbas told that the Messenger of Allah "Allah's blessing and peace be upon him" did not forbid it, but he said: "If anyone of you gives his brother as gratis (his land to cultivate) it will be much better for him than to take a fixed charge for that.""

2463- It is narrated on the authority of Tawus that Mu'adh Ibn Jabal rented the land for one-third or one-fourth (of its yield) during the lifetime of the Messenger of Allah "Allah's blessing and peace be upon him", then (the caliphate of) Abu Bakr, Umar and Uthman; and it is still put to practice up to this day of yours.

2464- It is narrated on the authority of Ibn Abbas that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "If anyone of you gives his brother as gratis the land (to cultivate) it will be much better for him than to take a specific rental fee (for that)."

[12] Renting The Land For Food

2465- It is narrated on the authority of Rafi' Ibn Khadij that he said: We used to rent the fields for a specific share of their yields during the lifetime of the Messenger of Allah "Allah's blessing and peace be upon him"; and then he (Rafi') pretended that one of his paternal uncles came to them and said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "He, who has (a piece of) land, let not him rent it for a measured amount of food!"

It was said: "They are taking (some seeds) from the male (shoots) and placing them in the female (shoots among them)." On that he said: "I do not think this could avail them aught." When this news reached them, they left that, and descended (without doing it). When the Messenger of Allah "Allah's blessing and peace be upon him" was informed of that, he said: "This (which I have said) is just out of my thought: if it is of any benefit, then do it. No doubt, I'm a human being like you, and the thought (of any human being) might fail (sometimes) and succeed to get the truth (sometimes). But, I did not say to you that Allah had said (so), for I would never tell a lie about Allah."

This is the water which we know (the reason for the prohibition of withholding it): what is then the matter with both salt and fire?" on that he said: "O white-complexioned woman! Whoever gives fire (to anyone) it is as if he has given in charity all that is cooked by this fire; and whoever gives salt, it is as if he has given in charity all that is made by this salt; and whoever gives a Muslim (even no more than) a sip of water, where there is water, it is as if he has emancipated a slave; and whoever gives a Muslim (even no more than) a sip of water, where there is no water, it is as if he has given life to him."

If it is recognized correctly (by somebody during that period, give it to him); otherwise, mix it with your property."

[2] What About Picking Up A Fallen Thing

2505- It is narrated on the authority of Iyad Ibn Himar that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "He, who finds a fallen thing and he picks it up, let him take one or two just witnesses to that, and make no change in it, nor should he conceal it: if its lord comes (and claims it), he is more entitled to get it, otherwise, it is Allah's property, which He bestows upon such as He pleases."

2506- It is narrated on the authority of Suwaid Ibn Ghafalah that he said: I set out in the company of Zaid Ibn Suhan and Salman Ibn Rabie'ah, until when we were at Udhaib, I picked a whip, and they ordered me to throw it, but I rejected. When we came to Medina, I went to Ubai Ibn Ka'b and made a mention of that to him, thereupon he said: You have done right! During the lifetime of the Messenger of Allah "Allah's blessing and peace be upon him", I found a purse containing one hundred Dinars. So I asked him about it, and he said: "Make public announcement about it for one year." I did so, but nobody turned up to claim it, so I again went to The Prophet "Allah's blessing and peace be upon him" who said: "Make public announcement of it (for another year)." I did, but none turned up to claim it. I asked him (for the third time) and he said: "Remember its container and the string with which it is tied and count the money it contains and make a public announcement of it for one year: if its owner comes, give it to him; otherwise, (utilize it) as your property."

2507- It is narrated on the authority of Zaid Ibn Khalid Al-Juhani that he said: The Messenger of Allah "Allah's blessing and peace be upon him" was asked about picking up a fallen thing, thereupon he said: "Make public announcement of it for a year: if it is (claimed and) recognized correctly (by anyone) give it to him, otherwise, remember its container and the string with which it is tied, and then utilize it; and if its owner comes, give it to him."

[3] Picking Up What Is Brought Out By A Rat

2508- It is narrated on the authority of Al-Miqdad Ibn Amr that one day, he set out to Baqi', the near the graves in order to answer the call of nature; and (at that time) anyone of them would not set out to answer the call of nature for two or three days, since their excrement was as (dry and few in quantity as) the dung of camels. He entered into a dump, and while he was sitting for excretion, he saw a rat having brought out a Dinar from a hole; and then it got in and brought out another Dinar (and it kept doing so) till it brought out seventeen Dinars. Then, it brought out the edge of a red cloth. Al-Miqdad further said: I drew the cloth and behold! It had a Dinar, and thus the total was eighteen Dinars. I came out with it, and brought it to the Messenger of Allah, and made a mention of that to him, and said: "Take whatever charity is due upon it O Messenger of Allah!" he said: "Go back with it: there is no charity due upon it: might Allah bless you in it!" then, he said: "Perhaps you have pulled it out of the hole with your hand!" I said: "No, by Him Who has honoured you with the truth!" however, the last

He said (to the seller): "Indeed, I've bought from you only the estate and I have not bought the jar." The seller said: "I've sold you the estate, with what it contains." They sought the judgement of a man, who said to them: "Do you have offspring?" one of them said: "I have a young man." The other said: "I have a girl." On that he said: "Then, let the young man marry the girl, and spend on themselves from that (gold), and give in charity!"

(19) THE BOOK OF EMANCIPATION

[1] What About The Mudabbar

(A slave promised by his master to get free after his (master's) death)

2512- It is narrated on the authority of Jabir that the Messenger of Allah "Allah's blessing and peace be upon him" sold a Mudabbar (on behalf of his master who was still living and in need of money).

2513- It is narrated on the authority of Jabir Ibn Abdullah that he said: A man from amongst us gave promise to his slave that he should become free after his death; and he had no property other than that (slave), whom the Messenger of Allah "Allah's blessing and peace be upon him" sold (on behalf of him on account of being in need of money), and Ibn An-Nahham, a man belonging to Banu Adi bought him.

2514- It is narrated on the authority of Ibn Umar that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "The Mudabbar (i.e. the slave who has a promise from his master to become free after his (the latter's) death) should be regarded as a part of one-third (the heritage, with which one is free to bequeath however and to whomever he likes)." Ibn Majah said: I heard Uthman Ibn Abu Shaibah having said that this narration is false. Abu Abdullah said: It has no authentic reference.

[2] The (Slave-Girl Who Becomes A) Child's Mother

2515- It is narrated on the authority of Ibn Abbas that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "If a man has his slave-girl give birth to a child from him, she should be emancipated on account of his (birth)."

2516- It is narrated on the authority of Ibn Abbas that he said: A mention was made of the mother of Ibrahim in the presence of the Messenger of Allah "Allah's blessing and peace be upon him", thereupon he said: "(The birth of) her child led to her emancipation."

2517- It is narrated on the authority of Jabir Ibn Abdullah that he said: We used to sell our slave-women and the mothers of our children from amongst them, while the Messenger of Allah "Allah's blessing and peace be upon him" was still living among us, seeing no harm in that.

Comment: (It is well-established that this was practiced during the early days of Islam. But towards the end of the lifetime of the Messenger of Allah "Allah's blessing and peace be upon him", he forbade that, and this was concurred by Umar when he became caliph. As to Abu Bakr, the time

of his caliphate was very short, and he was mainly concerned with getting the Muslim nation on the track after the emergence of the apostates and renegades from Islam, who withheld the obligatory charity, and the appearance of such as falsely alleged Prophethood; and it seemed that he made no sense during that short time to what the people did in that respect.)

[3] What About The Mukatab

(The slave who was given the deed of writing for his emancipation in return for a certain sum to be paid to his master)

2518- It is narrated on the authority of Abu Hurairah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "Allah assures his aid to three persons: the fighter in the Cause of Allah; the slave who has a deed from his master to be emancipated in return for a certain sum, who seeks to afford (for his manumission); and such as marries, with the intention to abstain from doing what is forbidden."

2519- It is narrated on the authority of Amr Ibn Shu'aib from his father from his grandfather that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "If a slave has a deed from his master to be emancipated in return for paying one hundred ounces (i.e. forty Dirhams), which he pays with only ten ounces remaining, he is still a slave (until he fulfills the whole sum agreed upon)."

2520- It is narrated on the authority of Umm Salamah that she related from the Messenger of Allah "Allah's blessing and peace be upon him" his saying: "Whoever of you (O women) has a slave, who is given a deed from her to be emancipated in return for paying a certain sum agreed upon between them, and he (at the same time) has got that which he could pay, let her then screen herself from him (for he is then a would-be free person)."

2521- It is narrated on the authority of A'ishah, the wife of the Messenger of Allah "Allah's blessing and peace be upon him", that Barirah came to her after her masters had given her a deed that she should be emancipated in return for paying nine ounces (of gold). A'ishah said: "If your masters agree, I will pay them the sum at once (and free you) provided that your allegiance will be to me." Barirah went to her masters and made a mention of that to them, but they refused that offer and insisted on the condition that her allegiance should be to them. Then, A'ishah told the Messenger of Allah "Allah's blessing and peace be upon him" about that. On that he said: "Buy (and manumit her)." The Messenger of Allah "Allah's blessing and peace be upon him" then got up amongst the people,

So, any condition, which is not present in Allah's Book (Laws), is invalid even if there were one hundred conditions. 2538- It is narrated on the authority of Abu Hurairah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "To have a legal punishment established in the earth is much better for the inhabitants of the earth than to have rainfall for forty mornings."

2539- It is narrated on the authority of Ibn Abbas that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "He, who rejects (even) a single Holy Verse in Allah's Book (i.e. the Qur'an), then, it has become lawful to chop off his head (for by doing so, he ahs renegaded from Islam); and he, who bears testimony to the fact that there is no god (to be worshipped) but Allah, the One and Only, with Whom there is no partner, and that Muhammad is His servant and Messenger, there is no way for anyone to punish him, unless he does (what leads to) a legal punishment, which then should be implemented on him."

2540- It is narrated on the authority of Ubadah Ibn As-Samit that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "Establish Allah's legal punishments upon (the sinful who deserves them from amongst) the near as well as the far (of kin), and let not the blame of any blamer divert you (from establishing them) in (the religion of) Allah."

[4] Such As Upon Whom The Legal Punishment Is Not Executed

2541- It is narrated on the authority of Atiyyah Al-Qurzhi that he said: On the day of (killing the Jews of) Quraizhah, we (the Jews) were displayed to the Messenger of Allah "Allah's blessing and peace be upon him" (to decided which of us should be killed): (when the hair of the pubic area of) anyone (of us was seen to) have grown (a portent of attaining the age of puberty) he was killed, and (when it was seen to) have not grown, he was left alive; and I was of those (whose hair of the pubic area) had not grown, and thus, I was left alive.

2542- The same is narrated on the authority of Atiyyah Al-Qurdhi, in which he added: And here I'm living among you.

2543- It is narrated on the authority of Ibn Umar that he said: I was shown to the Messenger of Allah "Allah's blessing and peace be upon him" on the day of (the holy battle of) Uhud, and I was still fourteen years old, and he did not accept me (as a fighter); and I was shown to him on the day of (the holy battle of) the Trench, and I was fifteen years old, and he

[5] Concealing (The Sins Of) A Faithful Believer, And Averting The Legal Punishment With Suspicions

2544- It is narrated on the authority of Abu Hurairah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "He, who conceals (the sins or privates of) a Muslim, Allah conceals (his sins) in the world and the hereafter."

2545- It is narrated on the authority of Abu Hurairah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "Avert the legal punishment (before being confirmed) as much as you find it possible to do."

2546- It is narrated on the authority of Ibn Abbas that the Messenger of Allah "Allah's blessing and peace be upon him" said: "He, who conceals the privates of his Muslim brother, Allah conceals his privates on the Day of Judgement; and he, who discloses the privates of his Muslim brother, Allah discloses his privates until He puts him to shame because of it in his house."

[6] The Intercession For The Legal Punishments

2547- It is narrated on the authority of A'ishah: The people of Quraish worried about the lady from Banu Makhzum who had committed theft. They asked: "Who will intercede for her with Allah's Apostle?" One said: "No one could dare to do so except Usamah Ibn Zaid, the beloved one to The Messenger of Allah "Allah's blessing and peace be upon him"." When Usamah spoke about that to The Messenger of Allah "Allah's blessing and peace be upon him", The Messenger of Allah "Allah's blessing and peace be upon him" said: "Do you intercede for somebody in a case connected with Allah's Prescribed Punishments?" Then he got up and delivered a sermon saying: "What destroyed the nations before you, was that if a noble amongst them stole, they would forgive him, and if a poor person amongst them stole, they would execute Allah's Legal punishment on him. By Allah, if Fatimah, the daughter of Muhammad stole, I would cut off her hand." (Even though, according to the statement of Al-Laith Ibn Sa'd, Allah Almighty forbade her from committing theft; but every true Muslim should say the same (as the Messenger of Allah "Allah's blessing and peace be upon him" had said)).

2548- It is narrated on the authority of A'ishah, daughter of Mas'ud Ibn Al-Aswad from her father: When this woman (Fatimah Bint Al-Aswad)

stole the (piece of) amaranth from the house of the Messenger of Allah "Allah's blessing and peace be upon him", we regarded the matter (of executing the legal punishment on her) as grievous, and she was a woman from the Quraish. We came to the Messenger of Allah "Allah's blessing and peace be upon him" to talk to him (to relieve her of that), offering to ransom her with forty ounces (of gold). On that the Messenger of Allah "Allah's blessing and peace be upon him" said: "Her being purified (by the legal punishment) is much better for her." When we heard how lenient the Messenger of Allah "Allah's blessing and peace be upon him" was in his speech, we went to Usamah and asked him to speak with the Messenger of Allah "Allah's blessing and peace be upon him" concerning the matter. When the Messenger of Allah "Allah's blessing and peace be upon him" saw that, he got up and addressed the people saying: "Why do you speak with me so much pressingly concerning one of the legal punishments stipulated by Allah Almighty, which should be implemented on one of Allah's slave-girls? By Him with Whose Hand is the soul of Muhammad! If Fatimah, the daughter of the Messenger of Allah "Allah's blessing and peace be upon him" had committed the same, surely, Muhammad would have cut off her hand."

[7] The Legal Punishment Of Adultery

2549- It is narrated on the authority of Abu Hurairah, Zaid Ibn Khalid and Shibl that they said: We were with Allah's Apostle "Allah's blessing and peace be upon him" when a man came to him and said: "O Allah's apostle! I beseech you by Allah to judge between us (him and his opponent) according to Allah's Laws." His opponent, who was more learned than him, said: "Yes, judge between us according to Allah's Laws, and allow me to speak." Allah's Apostle "Allah's blessing and peace be upon him" said: "Speak." He said: "My son was working as a labourer for this (man) and he committed adultery with his wife. (In lieu of stoning my son to death) I ransomed my son by paying one hundred sheep and a slave-girl. Then I asked the religious scholars about it, and they informed me that my son must be whipped one hundred lashes, and be exiled for one year, and the wife of this (man) must be stoned to death." Allah's Apostle "Allah's blessing and peace be upon him" said: "By Him, in Whose Hands my soul is, I will judge between you according to Allah's Laws. The slave-girl and the sheep are to be returned to you, your son is to receive a hundred lashes and be exiled for one year. You, Unais, go to the wife of this (man) and if she confesses her guilt, stone her to death." Hisham said: Unais went to that woman next morning and she confessed. Then he stoned her to death.

قَالَ هِشَامٌ: فَغَدَا عَلَيْهَا، فَاعْتَرَفَتْ، فَرَجَمَهَا.

2550- It is narrated on the authority of Ubadah Ibn As-Samit that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "Take (and learn) from me: no doubt, Allah has made a way out for those (women who commit adultery): (If a (male) unmarried (commits adultery) with a (female) unmarried, each should have one hundred lashes and one-year exile; and if a (male) married (commits adultery) with a (female) married, each should have one hundred lashes, and then be stoned to death."

[8] When One Has Sexual Relation With The Slave-Girl Of His Wife

2551- It is narrated on the authority of Habib Ibn Salim that he said: A man who committed sexual intercourse with the slave-girl of his wife was brought to An-Nu'man Ibn Bashir who said: "I do not pass but a judgement similar to that of the Messenger of Allah "Allah's blessing and peace be upon him": if his wife has given him permission, I then will lash him one hundred lashes; and if she has not given him permission, I will stone him to death."

2552- It is narrated on the authority of Salamah Ibn Al-Muhabbiq that a man who had sexual relation with his wife's slave-girl was brought to the Messenger of Allah, who gave him no legal punishment (for that).

[9] What About Stoning To Death

2553- It is narrated on the authority of Ibn Abbas that he said: Umar Ibn Al-Khattab said: I fear that after a long time come upon the people one might say: "I do not find (the judgement of) stoning to death (the married adulterer or adulteress) in Allah's Book!" in this way, he will go astray by leaving one of the obligations set by Allah Almighty. Indeed, stoning to death is a true (legal punishment which should be implemented) if (the adulterer) man is married, an evidence is established, there is pregnancy, or confession (from the part of each of both). I read it (the Holy Verse which was abrogated, even though its commandment remains): "As to the old man or woman (who are married), stone them to death if they commit fornication." Of a surety, the Messenger of Allah "Allah's blessing and peace be upon him" (passed the judgements pertaining to) stoning to death and we did after him.

2554- It is narrated on the authority of Abu Hurairah that he said: Ma'iz Ibn Malik came to the Messenger of Allah "Allah's blessing and peace be upon him" and said: "I've committed adultery." He turned away from him; and he said once again: "I've committed adultery." He turned away from him; and he said (for the third time): "I've committed adultery." He turned

away from him; but he said (for the fourth time): "I've committed adultery." He turned away from him. When he decided that (he had committed adultery) four times, he ordered that he should be stoned to death. When the stones harmed him, he ran in flight thereupon a man met him, and he had a jawbone of a camel in his hand, with which he struck him to death. A mention of his flight when the stones harmed him was made to the Messenger of Allah "Allah's blessing and peace be upon him", thereupon he said: "Why did you not leave him?"

2555- It is narrated on the authority of Imran Ibn Al-Husain that a woman came to the Messenger of Allah "Allah's blessing and peace be upon him" and confessed that she had committed adultery, thereupon he ordered that (she should be stoned to death): her garments were then tied up on her (lest her privates would be disclosed during the operation of stoning), and she was stoned to death; and he led the funeral prayer for her.

[10] Stoning Both Jewish Adulterer And Adulteress To Death

2556- It is narrated on the authority of Ibn Umar that the Messenger of Allah "Allah's blessing and peace be upon him" ordered that both Jewish adulterer and adulteress should be stoned to death; and I was among those who took part in the operation of stoning, and I saw him (the man) screening her from the stones (on account of his great love and kindness he had for her).

2557- It is narrated on the authority of Jabir Ibn Samurah that the Messenger of Allah "Allah's blessing and peace be upon him" ordered that both Jewish adulterer and adulteress be stoned to death.

2558- It is narrated on the authority of Al-Bara Ibn Azib: The Messenger of Allah "Allah's blessing and peace be upon him" came upon a Jew whose face was charcoaled, and he was being whipped. The Messenger of Allah "Allah's blessing and peace be upon him" called those (Jews who were punishing him) and asked: "Is it thus that you find the legal punishment of adulterer in your Book (of Torah)?" they answered in the affirmative. he called one of their learnt men and asked him: "I beseech you by Allah Who sent down the Torah upon (The Prophet) Moses to tell me: Is it thus that you find the legal punishment of the adulterer in your Book (of Torah)?" He said: "No, and had you not besought me by Allah, I would never have told you. We find that it is the stoning to death. But it (the practice of adultery) became prevalent among our great men. So, it became a habit that whenever we took one belonging to a high social class from among us, (who had committed adultery), we would leave him (without executing

such a legal punishment), and whenever we took a poor one (in such a state), we would execute such a legal punishment on him. So, we said: Let's agree upon something, which we could execute, on both the rich and the poor one. Then, we substituted (the punishment of) charcoaling the face and lashing for (the punishment of) stoning to death." Upon this The Messenger of Allah "Allah's blessing and peace be upon him" said: "O Allah! I would be the first to revive a tradition which they (abandoned and subsequently) caused to die." He ordered (that he should be stoned) and he was stoned to death.

[11] When One Commits What Is Shameful In Public

2559- It is narrated on the authority of Ibn Abbas that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "Had I to stone to death anyone with no clear evidence, surely, I would have stoned to death such and such a woman, for suspicion arises in her (way of) speech, appearance and such (men) as enter upon her."

2560- It is narrated on the authority of Muhammad Ibn Al-Qasim that Ibn Abbas made a mention of (the story of) the couple that carried out (the measures of) invoking Allah's curse upon the liar of them. Ibn Shaddad asked Ibn Abbas: "Was she the same lady in connection with whom The Prophet "Allah's blessing and peace be upon him" had said: "If I were to stone to death someone without witness, I would have stoned this lady?" Ibn Abbas said: "No, that was another lady who, though being a Muslim, used to arouse suspicion by her transparent misbehavior."

[12] What About Such As Practices Sodomy

2561- It is narrated on the authority of Ibn Abbas that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "Whomever you see committing (sodomy) like that which the people of Lut used to do, then, kill both the doer, and such as with whom it is done."

2562- It is narrated on the authority of Abu Hurairah that the Messenger of Allah "Allah's blessing and peace be upon him" said pertaining to such as commits (sodomy) the same as the people of Lut used to do: "Stone to death both the upper and the lower: stone them to death altogether."

2563- It is narrated on the authority of Jabir Ibn Samurah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "The thing which I fear most for my nation is the doing of the people of Lut (i.e. sodomy)."

2564- It is narrated on the authority of Ibn Abbas that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "Whoever has sexual relation with such as unlawful for him to marry (e.g. one's mother, sister, daughter, etc), you should kill him; and whoever has sexual relation with a female beast, you should kill him in addition to the female beast."

[14] Implementing The Legal Punishments On The Slave-Girls

2565- It is narrated on the authority of Abu Hurairah, Zaid Ibn Khalid and Shibl that they said: We were sitting with the Messenger of Allah "Allah's blessing and peace be upon him" when a man asked him about a slave-girl who commits adultery before being married, thereupon the Messenger of Allah "Allah's blessing and peace be upon him" said to him: "Whip her; and when she commits adultery once again whip her." Then, he said in the third or the fourth time: "Then, sell her for (as little as) even a hair rope."

2566- It is narrated on the authority of A'ishah that the Messenger of Allah "Allah's blessing and peace be upon him" said: "If a slave-girl commits adultery, you should lash her; and if she commits adultery once again, you should lash her; and if she commits adultery (for the third time), you should lash her; and if she commits adultery (for the fourth time) you should lash her, and then sell her for (as little as) even a twine, i.e. a rope."

[15] The Legal Punishment Of Launching A False Charge Against Women

2567- It is narrated on the authority of A'ishah that she said: When my innocence (of committing what is shameful) was revealed (in the Qur'an), the Messenger of Allah "Allah's blessing and peace be upon him" stood on the pulpit, made a mention of that, and recite the Qur'an; and when he descended, he ordered that two men (Hassan and Mistah) and a woman (Hamnah) should be lashed in accordance with the legal punishment (stipulated for launching a false charge of adultery against chaste women).

2568- It is narrated on the authority of Ibn Abbas that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "If a man says to another "O effeminate one!" lash him twenty lashes; and if a man says to another "O one who does the doing of those of Lut!" lash him twenty lashes."

[16] The Legal Punishment Of The Drunk

2569- It is narrated on the authority of Umair Ibn Sa'id that he said: Ali Ibn Abu Talib said: I'm not to give a blood-money to such as dies on account of executing the legal punishment upon him barring the drunk (who dies because of receiving more than forty lashes), in connection with whom the Messenger of Allah "Allah's blessing and peace be upon him" did not stipulate a legal punishment (more than forty lashes), for indeed, that (legal punishment of eighty lashes) was something we laid down (during the caliphate of Umar, when the people became more engaged in getting alcoholic drinks).

2570- It is narrated on the authority of Anas Ibn Malik that he said: The Messenger of Allah "Allah's blessing and peace be upon him" used to strike with sandals and leaf stalks (in implementation of the legal punishment against the drinker of) wine.

2571- It is narrated on the authority of Hudain Ibn Al-Mundhir Ar-Raqashi that when Al-Walid Ibn Uqbah was brought to Uthman, and they bore witness against him that he had got alcoholic drinks, Uthman said to Ali: "Take this cousin of yours, and establish the legal punishment on him!" Ali lashed him (forty lashes) and said: The Messenger of Allah "Allah's blessing and peace be upon him" used to give forty lashes, Abu Bakr used to give forty lashes, and Umar used to give eighty lashes; and both are out of the sunnah. (i.e. that sometimes the Messenger of Allah "Allah's blessing and peace be upon him" gave eighty lashes, though forty lashes were more prevalent)

[17] When One Drinks Wine Repeatedly

2572- It is narrated on the authority of Abu Hurairah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "When becomes drunk, lash him; and if he returns (to drinking once again), lash him; and if he returns to that (for the third time) lash him"; and in the fourth time he said: "If he returns to that, then, chop off his head."

[38] What About The Effeminate Ones

2613- It is narrated on the authority of Safwan Ibn Umayyah that he said: We were sitting with the Messenger of Allah "Allah's blessing and peace be upon him" when Amr Ibn Murrah came to him and said: "O Messenger of Allah! Allah has decreed adversity for me, in such a way that I could get no earnings but from striking the tambourine with my hand: so, please, give me permission to practice singing what is not shameful." On that the Messenger of Allah "Allah's blessing and peace be upon him" said: "I do not give you permission (to do so), and I do not sanctify that for you, nor do I cool your eyes with it; and indeed, you've told a lie, O Allah's enemy: although Allah Almighty has bestowed upon you what is good and lawful, you've chosen such sustenance as He has forbidden (which you've given preference) over what Allah Almighty has made lawful for you; and had I forbidden you to do so earlier, surely, I would done such and such (grievous punishment) to you! Get up (and turn away) from me, and turn to Allah in repentance! No doubt, if you do that (which I've prevented you to do) after I had forbidden you, I would punish you severely, and got your head shaved by way of example (to others to see and receive admonition), and I would further expel you from (the homeland of) your tribe, and make your belongings lawful for the young men of Medina to take." Amr got up, while being given to such shame and disgrace as none knew but Allah Almighty. When he turned away, the Messenger of Allah "Allah's blessing and peace be upon him" said: "Those are the disobedient; and whoever of them dies without turning to Allah in repentance, Allah Almighty will gather him in the very state in which he was in the world, effeminate and naked, unable to screen himself with even the edge of a garment from the people: whenever he stood up, he would be knocked down (to the ground)."

2614- It is narrated on the authority of Umm Salamah that once, the Messenger of Allah "Allah's blessing and peace be upon him" entered into her, and heard an effeminate person saying to Abdullah Ibn Abu Umayyah: "If Allah helps you conquer Ta'if tomorrow, I'm going to lead you to a woman (to take as captive), who comes with four folds, and returns with eight folds (of flesh)." On that Allah's Apostle "Allah's blessing and peace be upon him" said (to his wives): "Drive those (types of persons) out of your houses."

2616- It is narrated on the authority of Abdullah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "No soul is killed wrongfully (i.e. with no just cause) but that the son of Adam who was the first (killer) will carry a portion of its blood, because he was the first to lay the foundation of murder."

2617- It is narrated on the authority of Abdullah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "The first cases to be judged among the people on the Day of Judgement will be the (shedding of their) blood."

2619- It is narrated on the authority of Al-Bara Ibn Azib that the Messenger of Allah "Allah's blessing and peace be upon him" said: "No doubt, the vanishing of the whole world is much easier in the Sight of Allah than the killing of a faithful believer with no just cause."

2620- It is narrated on the authority of Abu Hurairah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "He, who helps in killing a faithful believer even with (as little aid as) half a word, will meet Allah Almighty, having (the phrase) "he is despaired from Allah's Mercy" written in between his eyes."

[2] Is There Any Repentance To Be Accepted From The Killer Of A Believer

2621- It is narrated on the authority of Ibn Abbas that he was asked about such as kills a faithful believer intentionally, and then turns to Allah in repentance, affirms his faith (in Allah and His Messenger), does righteous deeds, and is guided aright, thereupon he said: "Woe to him! How

should he be guided aright? I heard your Prophet "Allah's blessing and peace be upon him" having said: "The killer will come on the Day of Judgement, with the one whom he killed hung to the head of his killer, saying: "O Lord! Ask that (killer) why he killed me!" by Allah! Allah Almighty revealed it unto His Prophet, and He did not abrogate it after He had revealed it." (He refers here to Allah's saying: "If a man kills a Believer intentionally, his recompense is Hell, to abide therein (forever): and the wrath and the curse of Allah are upon him, and a dreadful penalty is prepared for him." (An-Nisa 93))

2622- It is narrated on the authority of Abu Sa'id Al-Khudri that he said: Should I not tell you what I heard from the Messenger of Allah "Allah's blessing and peace be upon him"? Verily, my ears heard it, and my mind kept it: There was a servant (of Allah) who killed ninety-nine persons, and then, it seemed to him to turn to Allah in repentance. He asked about the most knowledgeable man from amongst the inhabitants of the earth, and one was pointed out to him, and he came to him and said: "I've killed ninety-nine persons: is there any repentance to be accepted from me?" he said: "(Is there any repentance to be accepted from you) after (killing) ninety-nine persons?" on that he unsheathed his sword and killed him, therewith he completed one hundred. Then, it seemed to him to turn to Allah in repentance, and he enquired about the most learnt man from the inhabitants of the earth, and a man was pointed out of him, to whom he went and asked: "I've killed one hundred persons: is there any repentance to be accepted from me?" he said: "Woe to you! Who could prevent you from repentance? Set out from the wicked village in which you are to the good village, such and such village, and worship your Lord in it." He set out with the intention to go to the good village, and on the way death overtook him. The angels of mercy and the angels of torment quarreled over him. Iblis said: "I have more claim over him, for he has never disobeyed me even for a single moment." The angels of mercy said: "But, he set out as repenting (to Allah)." Abu Rafi' told: Allah Almighty sent an angel, whose decision they sought to judge between them, and then he said: "Look at which of both village is closer (to his dead body),and join him to its inhabitants." Al-Hasan reported: when death approached him, he kept himself closer to the good village, and made the wicked one far from him. In this way, he was joined to the inhabitants of the good village.

[3] He, Who Comes To Be A Claimant Of The Blood Has The Freedom To Choose One Of Three Options

2623- It is narrated on the authority of Abu Shuraih Al-Khuza'i that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "He, who is afflicted with blood (i.e. killing anyone of his kinship), or a damage, i.e. a wound, he has the freedom to choose one of three; and if he chooses the fourth one, you should struggle him, i.e., to kill (the murderer in implementation of the law of equality), to forgive, or to accept the blood-money; and if anyone (chooses to) do anyone of those (three) and then he returns (to killing), the fire of Hell will be then assured to him, in which he will abide forever."

2624- It is narrated on the authority of Abu Hurairah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "Whoever has anyone (of his kinship) murdered (of whose blood he is claimant), he has the freedom to choose anyone of the following two that is better (in his sight): either to kill (in retaliation) or receive the remuneration."

[4] When One Is Killed Intentionally, And His Heirs Accept The Blood-Wet

2625- It is narrated on the authority of Zaid Ibn Dumaira from his father and paternal uncle, and they attended the (holy battle of) Hunain with the Messenger of Allah "Allah's blessing and peace be upon him" that they said: The Messenger of Allah "Allah's blessing and peace be upon him" offered the Zhuhr prayer, and then sat under a tree. Then Al-Aqra' Ibn Habis, the chief of Khindaf got up to him and refuted the claim over the blood of Muhallim Ibn Jaththamah, and then Uyainah Ibn Hisn got up and affirmed his claim over the blood of Amir Ibn Al-Adbat Al-Ashja'i (whom Muhallim had killed). On that the Messenger of Allah "Allah's blessing and peace be upon him" said to them: "Do you accept the blood-money?" they rejected. Then, a man from the sons of Laith called Mukaitil got up and said: "O Messenger of Allah! I have no example for this who was murdered in the early days of Islam but that of a herd of sheep, and when the first of them was thrown, the last of them ran away." (i.e. that the murderer should be killed in retaliation for his killing) On that the Messenger of Allah "Allah's blessing and peace be upon him" said: "You shall have (as blood-money) fifty (camels) on our journey, and further fifty when we return." They then accepted the blood-money.

2626- It is narrated on the authority of Amr Ibn Shu'aib from his father from his grandfather that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "He, who kills (a Muslim) intentionally, should be brought to the heirs of the murdered one, and they (have the freedom to choose to) kill him if they so like, or accept the blood-money if they so like, i.e. thirty three-year-old she-camels, thirty-four-year old she-camels, and forty pregnant she-camels: this is the blood-wet of a (killed) person, and if they agree on it, it should be given to them: this (portion) is to make grievous the blood-wet."

[5] The Blood-Money Of (Killing) In Which The Possibility Of Intention Is Probable Should Be Grievous

2627- It is narrated on the authority of Abdullah Ibn Amr that the Messenger of Allah "Allah's blessing and peace be upon him" said: "The (blood-money of a) person killed with a whip or a stick by mistake, in which the possibility of intention is probable should be one hundred camels, forty of which should be pregnant, i.e. having their babes evident in their wombs."

(...) The same is narrated on the authority of Abdullah Ibn Amr from the Messenger of Allah "Allah's blessing and peace be upon him" through another chain of transmitters.

2628- It is narrated on the authority of Ibn Umar that on the day of the conquest of Mecca, the Messenger of Allah "Allah's blessing and peace be upon him" stood up while being on the stairs of the Ka'bah, and praised Allah and lauded him, saying: "Praise be to Allah Who has proved true to His Promise, helped His servant, and defeated the confederates Alone (with no aid from others): beware! The (blood-money of a person) killed by mistake, i.e. with a whip or a stick should be one hundred camels, forty of which should be pregnant, i.e. having their babes in their wombs. Beware! Any deed (used to be practiced out of showing pride) and any (claim of) blood during the pre-Islamic period of ignorance has come to be underneath those feet of mine (i.e. has been cancelled), barring the custodianship of the House, and supplying the pilgrims with water, which I've affirmed to their doers as they were."

[6] The Blood-Money Of The Killing By Mistake

2629- It is narrated on the authority of Ibn Abbas that the Messenger of Allah "Allah's blessing and peace be upon him" had made the blood-money (as much as) twelve thousand (Dirhams).

6 ـ بابُ دِيَةِ الخَطَإِ

2629 ـ **حدّثنا** مُحَمَّدُ بْنُ بَشَّارٍ. حَدَّثَنَا مُعَاذُ بْنُ هَانِىءٍ. حَدَّثَنَا مُحَمَّدُ بْنُ مُسْلِمٍ، عَنْ عَمْرِو بْنِ دِينَارٍ، عَنْ عِكْرِمَةَ، عَنِ ابْنِ عَبَّاسٍ، عَنِ النَّبِيِّ ﷺ أَنَّهُ جَعَلَ الدِّيَةَ اثْنَيْ عَشَرَ أَلْفاً.

2630- It is narrated on the authority of Amr Ibn Shu'aib from his father from his grandfather that the Messenger of Allah "Allah's blessing and peace be upon him" said: "He, who is killed by mistake, his blood-money should be thirty one-year-old she-camels, thirty two-year-old she-camels, thirty three-year-old she-camels, and ten two-year-old he-camels." The Messenger of Allah "Allah's blessing and peace be upon him" estimated it as four hundred Dinars (of gold) or what is equal to that from (Dirhams of) silver for the town residents; and this amount differed in accordance with the difference of the prices of camels from time to time: when the price was high, the amount would increase, and when it was low, it would decrease. In this way, it (the blood-money) was between four hundred and eight hundred Dinars (of gold) or what is equal from (Dirhams of) silver, i.e. eight thousand Dirhams during the lifetime of the Messenger of Allah "Allah's blessing and peace be upon him". Furthermore, the Messenger of Allah "Allah's blessing and peace be upon him" judged that if one's blood-wet should be paid from cows, one hundred cows would be due upon the owners of cows; and if one's blood-wet should be paid from sheep, two thousand sheep would be due upon the owners of sheep.

2631- It is narrated on the authority of Abdullah Ibn Mas'ud that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said, concerning the blood-money of (killing by) mistake: "It is of twenty three-year-old she-camels, twenty four-year-old she-camels, twenty one-year-old she-camels, twenty two-year-old she-camels, and twenty one-year-old he-camels."

2632- It is narrated on the authority of Ibn Abbas that the Messenger of Allah "Allah's blessing and peace be upon him" made the blood-money (of killing by mistake) twelve thousand (Dirhams); and this is the explanation of Allah's saying: "this revenge of theirs was (their) only return for the bounty with which Allah and His Messenger had enriched them!" (At-Tawbah 74) i.e. when they received the blood-money.

[7] The Blood-Money Is Due Upon The Killer's Family From The Side Of His Father, And If He Has Not, It Is Due Upon The Treasury

2633- It is narrated on the authority of Al-Mughirah Ibn Shu'bah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" judged that the blood-money should be due upon the killer's family from the side of his father.

2634- It is narrated on the authority of Al-Miqdam Ash-Shami that he said: The Messenger of Allah "Allah's blessing and peace be upon him"

[8] When One Holds Back The Claimant Of The Blood Of The Murdered From Retaliation Or Even Taking The Blood-Wet

2635- It is narrated on the authority of Ibn Abbas, tracing it up to the Messenger of Allah "Allah's blessing and peace be upon him", that he said: "He, who kills out of falsehood or fanaticism by a stone, a whip or a stick, the blood-money of (killing by) mistake becomes due upon him; and he, who kills intentionally, should be killed in retaliation (according to the law of equality); and whoever withholds such (killing) from him incurs upon himself the curse of Allah, the angels and all the people, and no repentance nor ransom will be accepted from him."

[9] When There Is No Retaliation

2636- It is narrated on the authority of Nimran Ibn Jariyah that a man struck another with the sword on his forearm, and cut it without the joint, thereupon he asked the Messenger of Allah "Allah's blessing and peace be upon him" to help him take reprisal from him, who ordered that the blood-money should be given to him. He said: "O Messenger of Allah! I would like to take reprisal, equal for equal." On that the Messenger of Allah "Allah's blessing and peace be upon him" said: "Accept the blood-money, might Allah bless you in it!" thus, he gave him no judgement to take retaliation equal for equal.

2637- It is narrated on the authority of Al-Abbas Ibn Abd Al-Muttalib that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "There is no retaliation to be exacted in the slight wound of the head, the superficial pierce (which does not go through the inside of the body or the head), or the break that dislocates the bones" (and rather the blood-money should be accepted).

[10] The Causer Of Injury Is Ransomed From The Retaliation

2638- It is narrated on the authority of A'ishah that the Messenger of Allah "Allah's blessing and peace be upon him" sent Abu Jahm Ibn Hudhaifah to collect alms, thereupon a man quarreled him over his charity, and Abu Jahm struck him and caused injury to him. They (his people) came to the Messenger of Allah "Allah's blessing and peace be upon him" and

On that the Messenger of Allah "Allah's blessing and peace be upon him" said to them: "Take such and such (property as blood-money)" but they rejected, and he said once again: "Take further such and such (property instead of retaliation)." And they accepted. The Messenger of Allah "Allah's blessing and peace be upon him" said: "Then, I'm going to address the people, and informing them of your approval." They said: "Yes." The Messenger of Allah "Allah's blessing and peace be upon him" addressed the people saying: "Those people belonging to (the sons of) Laith asked me for retaliation (from Abu Jahm), and I offered to them such and such (property as blood-money): have you accepted?" they answered in the negative, thereupon the Emigrants intended to harm them, but the Messenger of Allah "Allah's blessing and peace be upon him" ordered them to desist, and they did accordingly. Then, the Messenger of Allah "Allah's blessing and peace be upon him" invited them, and offered to them an increase (of property) and asked them: "Have you accepted?" they answered in the affirmative. The Messenger of Allah "Allah's blessing and peace be upon him" said: "Then, I'm going to address the people, and informing them of your approval." They said: "Yes." The Messenger of Allah "Allah's blessing and peace be upon him" addressed the people (and informed them of that) and said: "Have you accepted?" they answered in the affirmative. Ibn Majah said: I heard Muhammad Ibn Yahya having said: Only Ma'mar relates this narration, and I do not know anyone other than him having related it.

[11] The Blood-Money Of The Fetus

2639- It is narrated on the authority of Abu Hurairah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" judged that the blood-money of a fetus is to emancipate a slave or a slave-girl. On that he, against whom the judgement was passed said: "Should we give a blood-money for such as has not (been born in order to get) food or drink, nor has he cried nor has he screamed (at birth for he ahs not come out alive from the womb of his mother)? Such a thing should be then cancelled!" on that the Messenger of Allah "Allah's blessing and peace be upon him" said: "This (man) says like the saying of a poet! A slave or a slave-girl (should be given as the blood-money of the fetus)."

2640- It is narrated on the authority of Al-Miswar Ibn Makhramah that he said: Umar Ibn Al-Khattab consulted the people in the matter of causing the woman to have abortion, i.e. to have miscarriage, thereupon Al-Mughirah Ibn Shu'bah said: I witnessed the Messenger of Allah "Allah's blessing and peace be upon him" when he judged that a slave or a slave-girl

2641- It is narrated on the authority of Ibn Abbas that Umar Ibn Al-Khattab called upon the people (to tell him of) the judgement of the Messenger of Allah "Allah's blessing and peace be upon him" pertaining to that, i.e. (causing miscarriage of) the fetus, thereupon Hammal Ibn Malik Ibn An-Nabighah stood up and said: I had two wives, one of whom struck the other with a heavy stick, and killed her, and caused her fetus to die, thereupon the Messenger of Allah "Allah's blessing and peace be upon him" judged that a slave should be given (as a blood-money) for the fetus, and that she should be killed (in retaliation) for her (whom she murdered).

[12] One's (Portion Of) Heritage From The Blood-Money

2642- It is narrated on the authority of Sa'id Ibn Al-Musayyab that Umar used to say: "The blood-money should be inherited by one's close relative from the side of his father, and the woman inherits nothing from the blood-money of her husband" until Ad-Dahhak Ibn Sufyan wrote to him (a message in which he told him) that the Messenger of Allah "Allah's blessing and peace be upon him" made the wife of Ashyam Ad-Dibabi inherit from the blood-money of her husband.

2643- It is narrated on the authority of Ubadah Ibn As-Samit that the Messenger of Allah "Allah's blessing and peace be upon him" gave Hammal Ibn Malik Al-Hudhali Al-Lihyani a judgement to receive his (portion of) heritage from the blood-money of his wife, whom his another wife had killed.

[13] The Blood-Money Of The Infidel

2644- It is narrated on the authority of Amr Ibn Shu'aib from his father from his grandfather that the Messenger of Allah "Allah's blessing and peace be upon him" judged that the blood-money of the people of both Scriptures, the Jews and the Christians should be half that of the Muslims.

[14] The Killer Never Inherits

2645- It is narrated on the authority of Abu Hurairah that the Messenger of Allah "Allah's blessing and peace be upon him" said: "No doubt, the killer never inherits."

2646- It is narrated on the authority of Amr Ibn Shu'aib that Abu Qatadah, a man from Banu Mudlij killed his son, thereupon Umar took him (a blood-money consisting of) one hundred camels: thirty three-year-old she-camels, thirty four-year-old she-camels, and forty pregnant she-camels.

Then, he said: Where is the brother of the murdered one? No doubt, I heard the Messenger of Allah "Allah's blessing and peace be upon him" having said: "The killer has no heritage."

[15] The Blood-Money Is Due Upon The Close Relatives From The Side Of The Father Of The Woman (Who Kills); And Her Property Should Be Inherited By Her Offspring

2647- It is narrated on the authority of Amr Ibn Shu'aib from his father from his grandfather that the Messenger of Allah "Allah's blessing and peace be upon him" judged that the blood-money due upon the woman should be given by her close relatives from the side of her father as long as they live, even though they inherit nothing from her except what remains beyond (the portions of) her heirs; and in case she is killed, her blood-money should be inherited (as a part of her property) by her heirs, who (have the right, by their claim over her blood, to) kill her murderer.

2648- It is narrated on the authority of Jabir that he said: The Messenger of Allah "Allah's blessing and peace be upon him" made the blood-money due upon the close relative from the side of the father of the woman who killed. The close relatives of the killed woman said: "O Messenger of Allah! Should her property be given to us?" on that the Messenger of Allah "Allah's blessing and peace be upon him" said: "No! Her property is inherited by her husband and offspring."

[16] The Retaliation Concerning The Teeth

2649- It is narrated on the authority of Anas Ibn Malik that he said: Ar-Rubaiy, Anas's aunt, broke the tooth of a girl. They (the relatives of Ar-Rubaiy) requested them (the girl's relatives) to forgive, but they rejected; and they asked them to accept the compensation for the wound, but they refused. So, they went to The Prophet "Allah's blessing and peace be upon him" who ordered them to bring about retaliation. Anas Ibn An-Nadr asked: "O Messenger of Allah! Would the tooth of Ar-Rubaiy be broken? No, by Him, Who has sent you with the Truth, her tooth will not be broken." The Prophet "Allah's blessing and peace be upon him" said: "O Anas! Allah's law ordains the equality of retaliation." Later the relatives of the girl agreed and forgave her. The Prophet "Allah's blessing and peace be upon him" said: "From amongst Allah's servants, There are some who, if they take an oath by Allah, He will fulfill it."

[17] The Remuneration For (Breaking) The Teeth

and thrown in a pit or a spring of those of Khaibar. Muhaiyyisah went to the Jews and said: "By Allah, you have killed my companion." The Jews said: "By Allah, we have not killed him." Muhaiyyisah then came back to his people and told them the story. He, his elder brother Huwaiyyisah and Abd Ar-Rahman Ibn Sahl came (to the Messenger of Allah "Allah's blessing and peace be upon him") and Muhaiyyisah who had been at Khaibar, proceeded to speak, but The Prophet "Allah's blessing and peace be upon him" said to him: "The eldest! The eldest!" meaning: "Let the eldest of you speak." So Huwaiyyisah spoke first and then Muhaiyyisah did. Allah's Apostle "Allah's blessing and peace be upon him" said: "The Jews should either pay the blood money of your (deceased) companion or be ready for war." The Messenger of Allah "Allah's blessing and peace be upon him" wrote a letter to the Jews in that respect, who replied that they had not killed him. Then The Messenger of Allah "Allah's blessing and peace be upon him" said to Huwaiyyisah, Muhaiyyisah, and Abd Ar-Rahman: "Can you take an oath by which you will have the right to take the blood money?" They said: "No." He said : "Shall we ask the Jews to take an oath (to deny the charge) before you?" They replied: "But the Jews are not Muslims." So The Messenger of Allah "Allah's blessing and peace be upon him" gave them the blood money from his own property. The Messenger of Allah "Allah's blessing and peace be upon him" sent to them one-hundred she-camels and they were made to enter the house. Sahl further said:, a red one of them kicked me.

2678- It is narrated on the authority of Amr Ibn Shu'aib from his father from his grandfather that Huwaiyyisah and Muhaiyyisah, sons of Mas'ud, and Abd Ar-Rahman and Abdullah, sons of Sahl went to Khaibar in order to get provisions, thereupon Abdullah was attacked and killed. A mention of that was made to the Messenger of Allah "Allah's blessing and peace be upon him", who said: "Should you take an oath by which you will have the right (to get the blood money of your deceased companion)?" they said: "O Messenger of Allah! How should we take an oath since we saw nothing (with our eyes)?" he said: "Then, the Jews should acquit you (from your convicting them)." On that they said: "O Messenger of Allah! they then will ruin us (by their false oath)." On that the Messenger of Allah "Allah's blessing and peace be upon him" gave the blood-money for him from his own property.

"Allah's blessing and peace be upon him" in which he said: "If a man places his confidence in you to keep him alive, do not kill him." This is what prevented me from killing him.

[34] When The Killer Is Forgiven

2690- It is narrated on the authority of Abu Hurairah that he said: During the lifetime of the Messenger of Allah "Allah's blessing and peace be upon him", a man killed another, and he was brought to the Messenger of Allah "Allah's blessing and peace be upon him", who gave him to the heir of the murdered person. The killer said: "By Allah, O Messenger of Allah, I've not intended to kill him." On that the Messenger of Allah "Allah's blessing and peace be upon him" said to the heir of the murdered person: "No doubt, if he is true in what he says, and you kill him, you will be admitted to the fire." He then released him. He was fastened by a leather strap, and when he came out, he was dragging it, thereupon he was called the man of the leather strap.

2691- It is narrated on the authority of Anas Ibn Malik that he said: An heir of a killed man brought the killer to the Messenger of Allah "Allah's blessing and peace be upon him", thereupon the Messenger of Allah "Allah's blessing and peace be upon him" said to him: "Forgive him." But he rejected. He further asked him to accept the blood-money, but he refused. On that the Messenger of Allah "Allah's blessing and peace be upon him" said to him: "Go and kill him: indeed, (if you do so) you will be like him (in the sin of killing for the killer pretended he had no real intention to kill the deceased)." He (the heir of the deceased) was caught up with and it was said to him: The Messenger of Allah "Allah's blessing and peace be upon him" said to him: "Go and kill him: indeed, (if you do so) you will be like him (in the sin of killing)." Then, he released him. While he was going to his family, he was seen dragging a leather strap, with which the heir (of the deceased) was thought to have fastened him. According to the narration of Abu Umair, Abd Ar-Rahman Ibn Al-Qasim said: No one, after the Messenger of Allah "Allah's blessing and peace be upon him", has the right to say (to the claimant of the blood): "Kill him (the killer) (and if you do so) you will be like him."

[35] The Forgiveness Concerning The Retaliation

2692- It is narrated on the authority of Anas Ibn Malik that he said: No case pertaining to retaliation was brought to the Messenger of Allah "Allah's blessing and peace be upon him" but that he would exhort (the claimant) to forgive (the criminal).

2693- It is narrated on the authority of Abu Ad-Darda' that he said: I heard the Messenger of Allah "Allah's blessing and peace be upon him" having said: "No man is harmed in any part of his body (by anyone), which he gives in charity (by leaving retaliation) but that Allah elevates him a degree, and plots out a sin from him."

2694- It is narrated on the authority of Mu'adh Ibn Jabal, Abu Ubaidah Ibn Al-Jarrah, Ubadah Ibn As-Samit and Shaddad Ibn Aws that the Messenger of Allah "Allah's blessing and peace be upon him" said: "If a woman kills anyone intentionally, and she is pregnant, she should not be killed (in retaliation) until she delivers her burden and takes care of her babe; and if a (married) woman commits adultery and she is pregnant, she should not be stoned to death until she delivers her burden and takes care of her babe."

(22) THE BOOK OF BEQUESTS

[1] Did The Messenger Of Allah Make A Bequest

2695- It is narrated on the authority of A'ishah that she said: The Messenger of Allah "Allah's blessing and peace be upon him" left no Dinar nor Dirham nor sheep nor camel (i.e. nothing to be inherited), nor did he make a bequest (pertaining to property).

2696- It is narrated on the authority of Talhah Ibn Musarrif that he said: I asked Abdullah Ibn Abu Awfa: "Did the Messenger of Allah "Allah's blessing and peace be upon him" make a bequest pertaining to anything?" he answered in the negative, thereupon I asked him: "Then, how did he order the Muslims to make bequest?" he said: "He made a bequest to stick to Allah's Book (and his sunnah)."

It is further narrated on the authority of Talhah Ibn Musarrif: Al-Hudhail Ibn Shurahbil said: Was Abu Bakr to be a ruler over such as had a bequest from the Messenger of Allah "Allah's blessing and peace be upon him" (to become the ruler, i.e. Ali as the Rejecters alleged)? No doubt, had Abu Bakr found a pledge from the Messenger of Allah "Allah's blessing and peace be upon him" (to anyone that he should be the ruler), he would have followed him (like a camel which is driven by his lord).

2697- It is narrated on the authority of Anas Ibn Malik that he said: The general bequest of the Messenger of Allah "Allah's blessing and peace be upon him" when death approached him while he was gargling: "(I advise you to guard strictly) the prayer, and adhere to giving the right of your property and be kind to) such as your right hand possess."

2698- It is narrated on the authority of Ali Ibn Abu Talib that he said: The last statement which the Messenger of Allah "Allah's blessing and peace be upon him" said (pertaining to the commandments just before his death) was: "(I advise you to guard strictly) the prayer, and adhere to giving the right of your property and be kind to) such as your right hand possess."

[2] The Exhortation To Make Bequest

2699- It is narrated on the authority of Ibn Umar: The Messenger of Allah "Allah's blessing and peace be upon him" said: "No Muslim who has got anything of which he should make a bequest, has the right to spend two successive nights without his bequest being written with him."

2700- It is narrated on the authority of Anas Ibn Malik that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "Such

[3] What About The Unfairness In The Bequest

2703- It is narrated on the authority of Anas Ibn Malik that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "He, who flees from the heritage which his heir should receive (by forbidding it to him), Allah will deduct from him his heritage in the Garden on the Day of Judgement."

2704- It is narrated on the authority of Abu Hurairah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "A man might do the doing of the people of goodness for (as long as) seventy years, and then, when he makes a bequest, in which he proves unfair, his deeds will be concluded with the most evil of them, therewith he will admitted to the fire (of Hell); and a man might do the doing of the people of evil for (as long as) seventy years, and when he proves fair in his bequest, his deeds will be concluded with the best of them all, therewith he will be admitted to the Garden."

2705- It is narrated on the authority of Mu'awiyah Ibn Qurrah from his father that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "When death approaches anyone, and he makes a bequest in accordance with (the laws and commandments of) Allah's Book, it will act as expiation for whatever obligatory charity he has left during his life." Abu Hurairah said: Recite, if you so like, Allah's saying: "Those are limits set by Allah; those who obey Allah and His Messenger will be admitted to Gardens with rivers flowing beneath, to abide therein (forever) and that will be the Supreme achievement. But those who disobey Allah and His Messenger and transgress His limits will be admitted to a Fire, to abide therein: and they shall have a humiliating punishment." (An-Nisa 13:14)

[4] It Is Forbidden To Withhold From Spending During One's Lifetime, And Spend Extravagantly At The Time Of Death

2706- It is narrated on the authority of Abu Hurairah that he said: A man came to the Messenger of Allah "Allah's blessing and peace be upon him" and said: "O Messenger of Allah! Tell me: Who of the people has more right to have the best companionship of me?" he said: "Yes, by your father, you will be told (the truth): it is your mother." He asked: "Who is next?" he said: "Your mother." He asked: "Who is next?" he said: "Your mother." Then he asked: "Who is next?" he said: "Your father." Then, he said: "O Messenger of Allah! Tell me, how should I give in charity out of my property?" the Messenger of Allah "Allah's blessing and peace be upon him" said: "Yes, by Allah, you will be told (the truth): If you give in charity while being healthy, thrifty, hoping for life (as long as you could) and fear poverty (to afflict you), and do not wait until your soul reach here (pointing to the throat at the moment of death) and then say: My property should be given to so and so, and so and so; and surely it will be for them (by way of inheritance) even though you dislike that."

2707- It is narrated on the authority of Busr Ibn Jahhash Al-Qurashi that he said: Once, the Messenger of Allah "Allah's blessing and peace be upon him" spat in his palm, and then he put his index finger (on it) and said: Allah Almighty says: "How should you frustrate me, O son of Adam, since I created you from the like of that (water), and when your soul reaches here (and he pointed to his throat), you say: Let me give in charity! But how should the time of charity come?"

[5] The Bequest Should Be Made Of (No More Than) One-Third (The Property)

2708- It is narrated on the authority of Amir Ibn Sa'd from his father that he said: I fell sick in the year of the conquest (of Mecca), and I was at the brim of death; and when the Messenger of Allah "Allah's blessing and peace be upon him" came to visit me and enquire about my health, I said to him: "O Messenger of Allah! I have much property, and I have no heir barring my daughter: should I give two-thirds my property in charity?" he said: "No." I said: "Then, the half (of it)." He said: "No." I said: "Then, one-third (my property)." On that he said: "Let be one-third (your property), even though one-third is so much. Indeed, to leave your heirs free of want is much better than to leave them poor, begging the people."

2709- It is narrated on the authority of Abu Hurairah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "No

doubt, Allah gives you at your death (out of His Bounty) in charity (the freedom to dispose of) one-third of your property (even though against the will of the heirs), by way of increasing your (good) deeds."

2710- It is narrated on the authority of Ibn Umar that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "(Allah says) O son of Adam! There are two (things), and you are not worthy of anyone of them (except by Allah's Mercy): when I take up your soul (by death) I assign to you a portion of your property (i.e. one-third the property to dispose of it however and wherever you are), therewith to cleanse you (from sins) and purify you; and the prayer of My servants upon you after the conclusion of your term (i.e. after your death)."

2711- It is narrated on the authority of Ibn Abbas that he said: Would that the people should cut down the one-third (pertaining to the bequest) to one-fourth, for the Messenger of Allah "Allah's blessing and peace be upon him" said: "The one-third (is possible) even though the one-third is so much."

[6] There Is No Bequest (Of Inheritance) For An Heir

2712- It is narrated on the authority of Amr Ibn Kharijah that the Messenger of Allah "Allah's blessing and peace be upon him" addressed them while being on his mount, and his mount was taking the bit (of its rein) out of its mouth, and its saliva was flowing on between my shoulders, saying: "No doubt, Allah has assigned to every heir his portion of the heritage; and it is for this that it is impermissible to make a bequest for an heir. Furthermore, the child (born out of illegal sexual intercourse) should go to the (owner of the) bed (on which he is born), and disappointment and depravation should be the portion of the prostitute (who gives birth to him). Whoever claims to belong to anyone other than his real father, or claims to belong to a people other than his real people, has incurred upon himself the Curse of Allah, the angels and all the people, and no ransom nor repentance, or no repentance nor ransom will be accepted from him."

2713- It is narrated on the authority of Abu Umamah Al-Bahili that he said: I heard The Messenger of Allah "Allah's blessing and peace be upon him" having said in the year of the Farewell Hajj: "No doubt, Allah has given such (of the heirs) as has a right (of heritage) his own right. For this reason, there is no bequest (to be made) for an heir."

2714- It is narrated on the authority of Anas Ibn Malik that he said: I was underneath the she-camel of the Messenger of Allah "Allah's blessing and peace be upon him", and its saliva was flowing over me, when I heard

him having said: "No doubt, Allah has given such (of the heirs) as has a right (of heritage) his own right. For this reason, there is no bequest (to be made) for an heir."

[7] The Debt Should Be Fulfilled Before Carrying Out The Bequest

2715- It is narrated on the authority of Ali that he said: The Messenger of Allah "Allah's blessing and peace be upon him" judged that the debt should be fulfilled before carrying out the bequest, even though you recite it (in the Qur'an): "(The distribution in all cases is) after the payment of legacies and debts." Furthermore, the full brothers (from the same father and mother) should inherit one another on the exclusion of the half brothers from (one father and) different mothers.

[8] If One Dies Without Making A Legacy: Is It Necessary To Give In Charity On His Behalf

2716- It is narrated on the authority of Abu Hurairah that he said: A man asked the Messenger of Allah "Allah's blessing and peace be upon him": "My father died, and made no bequest: if I give in charity on behalf of him, would it act as expiation for that?" the Messenger of Allah "Allah's blessing and peace be upon him" answered in the affirmative.

2717- It is narrated on the authority of A'ishah that a man came to the Messenger of Allah "Allah's blessing and peace be upon him" and said: "My mother was struck by a sudden death without making a bequest; and I think that had she been able to speak, surely, she would have given in charity: if I give in charity on her behalf, would both she and I receive a reward for that?" the Messenger of Allah "Allah's blessing and peace be upon him" answered in the affirmative.

[9] His Saying: "But If He Is Poor, Let Him Have For Himself What Is Just And Reasonable"

2718- It is narrated on the authority of Amr Ibn Shu'aib from his father from his grandfather that a man came to the Messenger of Allah "Allah's blessing and peace be upon him" said: "I have nothing (to spend), and I have no property, but there is an orphan having property under my guardianship (what should I do?)" on that the Messenger of Allah "Allah's blessing and peace be upon him" said: "Eat of the property of the orphan under your guardianship, but reasonably and fairly, without the intention of getting wealthy from it." I think he further said: "And without the intention of saving your own property on the exclusion of his property."

(23) THE BOOK OF THE OBLIGATORY SHARES OF INHERITANCE

[1] You Should Learn The Obligatory Shares Of Inheritance

2719- It is narrated on the authority of Abu Hurairah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "O Abu Hurairah! You should learn the obligatory shares of inheritance, and instruct others in them, for (learning them) constitutes half the knowledge, and it is inclined to be forgotten, and it will be the first (portion of knowledge) to be taken away from my nation."

[2] The Obligatory Shares Of The Offspring

2720- It is narrated on the authority of Jabir Ibn Abdullah that he said: The wife of Sa'd Ibn Ar-Rabie brought his two daughters to the Messenger of Allah "Allah's blessing and peace be upon him" and said: "O Messenger of Allah! Both are the daughters of Sa'd, who was killed when he was fighting beside you in (the holy battle of) Uhud; and their uncle usurped all that has been left by their father, and a woman would not be married (in most cases) but on account of her property." The Messenger of Allah "Allah's blessing and peace be upon him" gave her no reply until the Holy Verse of the inheritance, thereupon the Messenger of Allah "Allah's blessing and peace be upon him" invited the brother of Sa'd Ibn Ar-Rabie and said to him: "Give the daughters of Sa'd two-thirds his property, his wife one-eighth, and take the remaining portion."

2721- It is narrated on the authority of Al- Huzail Ibn Shurahbil: A man came to both Abu Musa and Salman Ibn Rabie'ah and asked them about (the inheritance of) a daughter, a son's daughter, and a full sister. He said: "The daughter will take a half and the sister will take the other half. If you go to Ibn Mas'ud, he will tell you the same." The man went to Ibn Mas'ud and told him of what he (Abu Musa) had said. On that Ibn Mas'ud said: "If I give the same verdict, I will go astray and will not be of the rightly-guided people. The verdict I will give in this case, will be the same as The Prophet "Allah's blessing and peace be upon him" did. That is, One-half is for the daughter, and one-sixth for the son's daughter, with the result that Both shares make two-thirds of the total property; and the rest is for the sister."

[3] The Obligatory Shares Of The Grandfather

2722- It is narrated on the authority of Ma'qil Ibn Yasar that he said: I

heard the Messenger of Allah "Allah's blessing and peace be upon him", when an obligation (of heritage) including a grandfather was brought to him, having given him one-third or one-sixth.

2723- It is narrated on the authority of Ma'qil Ibn Yasar that he said: The Messenger of Allah "Allah's blessing and peace be upon him" gave a judgement of one-sixth (the property) to be given to a grandfather who was (one of the heirs) among us.

[4] The Heritage Of The Grandmother

2724- It is narrated on the authority of Qabisah Ibn Dhu'aib that he said: A grandmother came to Abu Bakr to ask for her heritage, thereupon he said: "Nothing is fixed for you (to inherit) in Allah's Book, nor have I known that there is anything for you in the sunnah of the Messenger of Allah "Allah's blessing and peace be upon him": so, go back (and give me respite) until I ask the people (about that)." When he asked the people, Al-Mughirah Ibn Shu'bah said: "I was attendant when the Messenger of Allah "Allah's blessing and peace be upon him" gave her one-sixth (the property)." Abu Bakr said: "Do you have another (to support your witness)?" Muhammad Ibn Maslamah Al-Ansari got up and said the same as Al-Mughirah Ibn Shu'bah had said, thereupon Abu Bakr decided it for her. Then, the other grandmother from the side of the father came to Umar to ask him for her heritage, thereupon he said: "I have no knowledge that you have anything (to inherit) in Allah's Book, and the judgement that was passed earlier was but in favour of another grandmother (from the side of the mother), and I'm not to add anything to the obligatory shares of inheritance. But, here it is the one-sixth: if you both join in it, let it be divided between you, and if anyone of you takes it alone, it will be for her."

2725- It is narrated on the authority of Ibn Abbas that the Messenger of Allah "Allah's blessing and peace be upon him" made a grandmother inherit one-six (the property).

[5] The One Who Leaves No Descendants Nor Ascendants

2726- It is narrated on the authority of Ma'dan Ibn Abu Talhah Al-Ya'muri that Umar Ibn Al-Khattab got up and addressed the people on Friday, or he delivered a sermon on Friday, in which he praised Allah and lauded Him. Then he said: "By Allah, I never leave anything after me more important than the (matter of) the deceased person, who leaves neither ascendants nor descendants as heirs. I asked the Messenger of Allah "Allah's blessing and peace be upon him" about that, and he (the Prophet) never showed annoyance to me on anything more than he did on this, to the

extent that he struck his fingers on my flank or on my chest and said to me: "O Umar! Does this Holy Verse, at the end of The Surah of Women, revealed in the summer, not suffice you (to make clear the matter)?""

2727- It is narrated on the authority of Murrah Ibn Sharahil that Umar Ibn Al-Khattab said: There are three (things), and had the Messenger of Allah "Allah's blessing and peace be upon him" showed them clearly, it would have been much dearer to me than the world and what it contains: the deceased who has neither ascendants nor descendants (to inherit him), the usury, and the (matter of) caliphate.

2728- It is narrated on the authority of Jabir Ibn Abdullah that he said: I fell ill, and the Messenger of Allah "Allah's blessing and peace be upon him" and Abu Bakr came on foot to pay me a visit; and I was unconscious, so the Prophet "Allah's blessing and peace be upon him" asked for water from which he performed ablution and sprinkled some water over me. I came to my senses and said: "O Allah's Apostle! What do (you order me) to do? How do I dispose of my wealth?" So there was revealed at the conclusion of (the Surah of) Women: " They ask you for a legal decision. Say: Allah directs (thus) about those who leave no descendants or ascendants as heirs."

[6] The Heritage Of Muslims From The Pagans

2729- It is narrated on the authority of Usamah Ibn Zaid, tracing it up to the Messenger of Allah "Allah's blessing and peace be upon him" that he said: "No Muslim should inherit (the property of) an infidel, nor should an infidel inherit (the property of) a Muslim."

2730- It is narrated on the authority of Usamah Ibn Zaid that he asked the Messenger of Allah "Allah's blessing and peace be upon him": "O Messenger of Allah! Are you going to descend at your dwelling place in Mecca?" the Messenger of Allah "Allah's blessing and peace be upon him" said: "Has Aqil left any houses or homes for us (to descend in them)?" both Aqil and Talib inherited the property of Abu Talib on the exclusion of Ja'far and Ali, for both were Muslims, while Aqil and Talib were pagans. For this reason, Umar used to say: "No believer should inherit (the property of) an infidel." Usamah told that the Messenger of Allah "Allah's blessing and peace be upon him" said: "No Muslim should inherit (the property of) an infidel, nor should an infidel inherit (the property of) a Muslim."

2731- It is narrated on the authority of Amr Ibn Shu'aib from his father

from his grandfather that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "No people belonging to different religions should inherit (the property of) one another."

[7] The Heritage Settled On Account Of Allegiance

2732- It is narrated on the authority of Amr Ibn Shu'aib from his father from his grandfather that he said: Rabab Ibn Hudhaifah Ibn Sa'id Ibn Sahm got married to Umm Wa'il Bint Ma'mar Al-Jumahiyyah, and she gave birth to three children for him, and when she died, her sons inherited her property and the allegiance of her allies. Then, Amr Ibn Al-As accompanied him to Sham, where they died among those who died because of the plague of Amwas; and he inherited them, and he was their closest relative from the side of their father. When Amr Ibn Al-As returned (to Medina) the sons of Ma'mar carried on a lawsuit against him before Umar Ibn Al-Khattab over the allegiance of their sister (which he inherited from their sons), thereupon Umar said: I'm going to decide between you with what I heard from the Messenger of Allah "Allah's blessing and peace be upon him": No doubt, I heard the Messenger of Allah "Allah's blessing and peace be upon him" having said: "Whatever both the son and the father gain should go to their closest relative from the side of the father." He then gave a judgement in our favour, and wrote to us a document, having the witness of Abd Ar-Rahman Ibn Awf, Zaid Ibn Thabit, and a third one. when Abd Al-Malik Ibn Marwan became the caliph, one of her (Umm Wa'il's) allegiants died, and left two thousand Dinars. I then was reported that the judgement (given by Umar) was changed, thereupon they brought the case to Hisham Ibn Isma'il, who raised it up to Abd Al-Malik, to whom we brought the document of Umar. On that he said: "I think this is of the judgements in which there should be no doubt, and I do not think that the inhabitants of Medina would go as far as to have doubt in that judgement." Thus, he gave a judgement in our favour concerning it; and we still get benefit from it.

2733- It is narrated on the authority of A'ishah that an allegiant to the Messenger of Allah "Allah's blessing and peace be upon him" fell down from a date-palm and died; and he had property, but there was no heir nor relative belonging to him. On that the Messenger of Allah "Allah's blessing and peace be upon him" said: "Give his heritage to one of the inhabitants of his village."

2734- It is narrated on the authority of the daughter of Hamzah, the sister of Shaddad Ibn Aws from the side of his mother that she said: my adherent died, and he left a daughter, thereupon the Messenger of Allah "Allah's

[8] The Inheritance Of The Killer

2735- It is narrated on the authority of Abu Hurairah that the Messenger of Allah "Allah's blessing and peace be upon him" said: "The killer never inherits."

2736- It is narrated on the authority of Amr Ibn Shu'aib: My father told me from my grandfather Abdullah Ibn Amr that the Messenger of Allah "Allah's blessing and peace be upon him" got up on the day of the conquest of Mecca and said: "The woman should inherit (her portion) from the blood-money and property of her husband, as well as the man should inherit (his portion) from the blood-money and property of his wife, unless anyone of them killed the other: if anyone of them kills the other intentionally, he should inherit nothing from his blood-money and property; and if anyone of them kills the other by mistake, he should inherit (his portion) from his property but not from his blood-money."

[9] The Blood-Relations

2737- It is narrated on the authority of Abu Umamah Ibn Sahl Ibn Hunaif that a man arched another with an arrow and killed him, and he had no heir barring his maternal uncle. Abu Ubaidah Ibn Al-Jarrah wrote to Umar concerning that matter, and Umar wrote to him that the Messenger of Allah "Allah's blessing and peace be upon him" said: "Allah and His Messenger are the devotee of such as no devotee; and one's maternal uncle is the heir of such as no heir (from the side of his father)."

2738- It is narrated on the authority of Al-Miqdam: Abu Karimah, a man from the inhabitants of Sham, and he was one of the companions of Allah's Apostle "Allah's blessing and peace be upon him", that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "He, who left property, it should go to his heirs; and he, who left dependents (or debts to be fulfilled), it should be referred to us (or to Allah and His Messenger to fulfill);and I'm the heir of such as no heir, to give the blood-wet on his behalf (if he has to give it), and inherit his property (if he dies); and the maternal uncle is the heir of such as no heir, to give the blood-wet on his behalf (if he has to give it), and inherit his property (if he dies)."

[10] The Heritage Of The Closest Relative From The Side Of The Father

2739- It is narrated on the authority of Ali Ibn Abu Talib that he said: The Messenger of Allah "Allah's blessing and peace be upon him" judged that the full brothers (from the same father and mother) inherit one another on the exclusion of the half brothers (from different mothers): a man inherits (the property of) his full brother from his father and mother, on the exclusion of his half brothers from his father.

2740- It is narrated on the authority of Ibn Abbas that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "Distribute the property (of the deceased) among the holders of the obligatory shares of inheritance, and what remains after the obligatory shares should be given to the next of kin from amongst the men."

[11] Who had heir

2741- It is narrated on the authority of Ibn Abbas that he said: During the lifetime of the Messenger of Allah "Allah's blessing and peace be upon him", a man died, and he had no heir barring a slave whom he had emancipated, thereupon the Messenger of Allah "Allah's blessing and peace be upon him" gave his heritage to him.

[12] The Woman Combines Heritage From Three Persons

2742- It is narrated on the authority of Wathilah Ibn Al-Asqa' that the Messenger of Allah "Allah's blessing and peace be upon him" said: "The woman combines heritage from three persons: the slave whom she emancipates, the foundling whom she picks up (and raises), and her child, in connection with whom she is (convicted by her husband of committing adultery and thus she is) involved in invoking Allah's Curse upon the liar of both." Muhammad Ibn Yazid said: None other than Hisham narrates this Hadith.

[13] When One Denies His Child

2743-It is narrated on the authority of Abu Hurairah that when the Holy Verse of carrying out the measures of invoking Allah's Curse upon the liar of the couple (when the husband accuses his wife of committing adultery), the Messenger of Allah "Allah's blessing and peace be upon him" said: "Any woman joins to a people such as does not belong to them is far from (the Mercy of) Allah, and He will never admit her to His Garden; and any man denies his son, even though he knows he (is his son), Allah will screen that from him, and put him to shame before the witnesses on the Day of Judgement."

[14] When One Has Claim Over A Child

2745- It is narrated on the authority of Amr Ibn Shu'aib from his father from his grandfather that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "He, who commits adultery with a slave-girl or a free woman, their child becomes illegal, who should neither inherit (his property) nor should his property be inherited (by him)."

2746- It is narrated on the authority of Amr Ibn Shu'aib from his father from his grandfather that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "Everyone over whom the heirs have claim after the death of his father to whom he belongs should adhere to such (of the heirs) as has claim over him." He judged that whoever is begotten from a slave-girl who was in his (the father's) possession when he had sexual relation with her, the child then would be joined to such as has claim over him, and he has no portion of the heritage that was distributed earlier (before his being claimed); and he should have portion from whatever heritage he caught up with which has not yet been distributed; but if his father to whom he belongs denies him, he should not be joined (to such of heirs as has claim over him); and in case he (the child) is born from a slave-girl who was not in his (the father's) possession when he had sexual relation with her, or from a free woman with whom he (the father) committed adultery, he should not be joined, nor should he (inherited nor) be inherited; and if he, to whom he belongs, has claim over him, he should be regarded as illegal child, who should belong to the family of his mother, be she free or slave-girl. Muhammad Ibn Rashid said: He refers to what was distributed in the pre-Islamic period of ignorance.

[17] If A Babe Cries At His Birth, The Right Of Inheritance Is Assured To Him

2750- It is narrated on the authority of Jabir that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "If a babe cries at his birth (i.e. he is born alive), the (funeral) prayer should be offered for him (if he dies) and the right of inheritance is assured to him."

(24) THE BOOK OF JIHAD

[1] The Superiority Of Jihad In The Cause Of Allah

2753- It is narrated on the authority of Abu Hurairah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "Allah has prepared (a great reward) for such as sets out in His Cause (He Almighty says) "and nothing causes him to set out but for Jihad in My Cause, and out of faith in Me, and belief in My Messengers, I assure to admit him to the Garden or bring him back to his house, from which he set out, with whatever reward or war booty he gains."" Then, he (the Prophet) said: "By Him, in Whose Hand is my soul! But for fear that I would make things difficult for the Muslims, I would never have remained behind any detachment setting out in the Cause of Allah, but I have no convenience to afford for carrying them, and they have no convenience to follow me, and they will not be pleased to remain behind me. By Him in Whose Hand is the soul of Muhammad! I like to fight in the Way of Allah and then be killed; and then (be brought to life to) fight (in the Way of Allah once again) and be killed; and then (be brought to life to) fight and be killed (on account of the superiority of the martyrdom in Allah's Cause)."

2754- It is narrated on the authority of Abu Sa'id Al-Khudri that the Messenger of Allah "Allah's blessing and peace be upon him" said: "Allah assures to the fighter in His Cause either to join him to His Forgiveness and Mercy or bring him back with reward and booty; and the example of such as fights in the Way of Allah is like a fasting person who is standing (for supererogatory prayer at night), who remains constant until he returns (after finishing)."

[2] The Superiority Of Setting Out In The Morning And In The Evening In The Way Of Allah Almighty

2755- It is narrated on the authority of Abu Hurairah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "To set out in the morning or in the evening in the Cause of Allah is much better than this world and what it contains."

2756- It is narrated on the authority of Sahl Ibn Sa'd As-Sa'idi that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "To set out in the morning or in the evening in the Cause of Allah is much better than this world and what it contains."

2757- It is narrated on the authority of Anas Ibn Malik that he said: The

inhabitants of Medina were scared (by a loud voice) and when they went towards the (source of the) sound, the Messenger of Allah "Allah's blessing and peace be upon him" met them and he had preceded them towards the direction of the sound, while riding a horse belonging to Abu Talhah, with no saddle, having the sword hung in his neck, and he was saying (by way of removing terror from them and) bringing them back : "O people! Do not worry!" then, he said about the horse: "We have found it (as energetic and inexhaustible as) the sea." According to Thabit and others, it was a horse belonging to Abu Talhah, and it was regarded as slow; but after that day, no horse was seen as faster than it.

2773- It is narrated on the authority of Ibn Abbas that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "If you asked to go forth (in Allah's Cause), you should go forth."

2774- It is narrated on the authority of Abu Hurairah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "The dust raised (by horses) in Allah's Cause and the smoke of (the fire of) Hell could not gather inside the same Muslim servant."

2775- It is narrated on the authority of Anas Ibn Malik that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "He, who sets out in the evening in Allah's Cause, will have on the Day of Judgement as much musk as the dust he receives."

[10] The Excellence Of The Naval War

2776- It is narrated on the authority of Anas Ibn Malik from his maternal aunt Umm Haram Bint Milhan that she said: One day The Messenger of Allah "Allah's blessing and peace be upon him" slept (at a place) near me. He woke up smiling. I said: "O Messenger of Allah! What makes you laugh?" He said: "Some people from my followers were presented to me. They were sailing on the surface of the sea (looking) like kings (sitting) on their thrones." I said: "Invoke Allah for me to be among them." He invoked (Allah for her to be among them). He had another nap, after which he (woke up and) did the same, and when she raised the same question, he gave her the same answer. I said: "Invoke Allah for me to be among them." He said: "You are among the first patch." She set out in the company of her husband Ubadah Ibn As-Samit in the first naval expedition made by the Muslims under the leadership of Mu'awiyah Ibn Abu Sufyan. When they finished from fighting, and on their return they descended in Sham, a mule was brought for her to ride, thereupon it caused her to fall dead.

2777- It is narrated on the authority of Abu Ad-Darda' that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "A naval expedition is (in reward) like ten expeditions in the land; and such as affected by seasickness is like him, who is adulated in his blood (in the land) in the Way of Allah Almighty."

2778- It is narrated on the authority of Abu Umamah that he said: I heard the Messenger of Allah "Allah's blessing and peace be upon him" having said: "The martyr in the sea is (in reward) like two martyrs in the land, and such as affected by seasickness is like him, who is adulated in his blood in the land; and such as covers (a distance in the sea) between two barriers is like him who covers the (whole) world in obedience of Allah Almighty. No doubt, Allah Almighty has entrusted to the angel of death to take up the souls (of all the people) barring the martyrs of the sea, whose souls He Almighty takes up by Himself; and He further forgives for the martyr in the land all of his sins except (his keeping from fulfilling) the debt, and He Almighty forgives for the martyr of the sea all of his sins, even though (he did not fulfill) the debt."

2779- It is narrated on the authority of Abu Hurairah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "Had there not remained but one day from (the days of) this world, Allah Almighty would have made it long until one of my family would have power, i.e. would have power over the mountain of Dailam and Constantinople."

2780- It is narrated on the authority of Anas Ibn Malik that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "The (different) ends (of this world) will be opened for you, and a city called as Qazwin will be opened for you, and whoever stands for guard in it for (no more than) forty days or nights, he will have in the Garden a pillar of gold, having a green aquamarine on it, over which there will be a tent made of red pearl, having seventy thousand doors of gold, at each of which there will be a wife from amongst those beautiful girls of big lustrious eyes."

2788- It is narrated on the authority of Abu Hurairah: Allah's Apostle "Allah's blessing and peace be upon him" said: "Horses have the good in their forelocks" or he said: "Horses have the goodness tied in their forelocks (Suhail said: I have doubt) to the Day of Judgement. (Keeping) horses is for three (purposes): they may be a source of reward to somebody, a shelter to another (as Means of earning one's living), or a burden to a third. He to whom they will be a source of reward is the one who keeps them in Allah's Cause and prepares them (for holy war) and they never get anything in their bellies but that a reward will be written for him in return for it and if he grazes them in a pasture, they never eat anything but that a reward will be written for him in return for it,, and if he waters them from a flowing river, then in return for every drop of water they get in their bellies a reward will be written for him (and he also made a mention of the reward their owner will receive in their urine and dung); and if they cover one or two hills, for every step they take, a reward will be written for him. As for him, to whom horses are a shelter from poverty it is him, who keeps them for earning his living so as not to ask others, and at the same time he does not forget the right due upon their backs and bellies, at both times of adversity and prosperity. As for him to whom they are (a cause of) burden it is that who keeps horses just out of arrogance, pride, luxury and to be seen of men: it is he, to whom they are (a cause of) sin to him.

2789- It is narrated on the authority of Abu Qatadah Al-Ansari that the Messenger of Allah "Allah's blessing and peace be upon him" said: "The

2792- It is narrated on the authority of Mu'adh Ibn Jabal that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "Whoever among the Muslims fights in the Cause of Allah for even (a period as short as is equal to) milking a she-camel, the Garden becomes assured to him."

2793- It is narrated on the authority of Anas Ibn Malik that he said: I attended a battle, in which Abdullah Ibn Rawahah said: "O my soul! Why do I see that you dislike (death because of which you will be admitted to) the Garden? I swear by Allah: either you should taste it (death) in willing obedience or you will be forced to receive it under compulsion."

2794- It is narrated on the authority of Amr Ibn Abasah that he said: I came to the Messenger of Allah "Allah's blessing and peace be upon him" and asked him: "O Messenger of Allah! Which (type of) Jihad is best?" he said: "It is that, in which one (strives with main and might until his) blood is shed, and his horse is slain."

2795- It is narrated on the authority of Abu Hurairah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "No one is wounded in Allah's Cause, and Allah knows best who is wounded in His Cause, but that on the Day of Judgement he will come with his wound in the very state (of flowing blood) it was on the day he was wounded, having the colour of blood, and the smell of musk."

[16] The Superiority Of Martyrdom In Allah's Cause

2798- It is narrated on the authority of Abu Hurairah that he said: A mention of the martyrs was made to the Messenger of Allah "Allah's blessing and peace be upon him", thereupon he said: "The earth does not drain of the blood of a martyr before his two wives (from amongst those of the Garden) hasten to receive him (as kindly and compassionately) as if they are antelopes shading their babes in a space of land, while each of them having a suit in her hand, much better than the world and what it contains."

2799- It is narrated on the authority of Al-Miqdam Ibn Ma'di-karib that the Messenger of Allah "Allah's blessing and peace be upon him" said: "No doubt, the martyr will receive six good things, (which he will find) with Allah: he will have (his sins) forgiven for him just with the first quantity of his blood flowing from him; he will be made to see his seat in the Garden; he will be delivered from the torture of the grave; he will be saved from the great terror; he will be adorned with the suit of faith; he will get married to the prettiest women of big lustrious eyes; and he will be permitted to intercede for seventy men of his kith and kin."

2800- It is narrated on the authority of Talhah Ibn Khirash: I heard Jabir Ibn Abdullah having said: When Abdullah Ibn Amr Ibn Haram (Jabir's father) was killed on the day of (the holy battle of) Uhud, the Messenger of Allah "Allah's blessing and peace be upon him" met me and said: "O Jabir! Would I not tell you what Allah said to your father?" I said: "Yes, O Messenger of Allah (tell me)!" he said: "Never has Allah spoken to anyone (in the world) but from behind a screen; and He spoke direct to your father. He said: "O my servant! Ask for (whatever you like) so that I would give it to you." He said: "O Lord! Bring me to life so that I would be killed in Your Cause once again." The Lord Almighty said: "It has been decreed earlier by Me that to it (the life of world) those (who die) never return." He

said: "O Lord! Tell those behind me (from amongst the living, how happy and blessed we are, so that they would be prompted to sacrifice their own souls in Your Cause)." On that Allah revealed: "Think not of those who are slain in Allah's Way as dead. Nay, they live, finding their sustenance in the Presence of their Lord." (Al Imran 169)

2801- It is narrated on the authority of Masruq from Abdullah (Ibn Mas'ud) that he said concerning Allah's saying: "Think not of those who are slain in Allah's way as dead. Nay, they are living, given their sustenance in the presence of their Lord": We asked (The Prophet) about that; and he said: "The souls of them (the martyrs) are like green birds. They eat the fruits of Paradise from wherever they like and then nestle in chandeliers hung to the Throne (of Allah Almighty). While being in such a state, their Lord cast a glance at them and said: "Ask me for whatever you like (so that I would give it to you)." They said: "What more shall we ask You for? We eat the fruits of Paradise from wherever we like." When they saw that they (will remain to be asked and) not be left (without answering His question), they said: "O Lord, we wish that You might return our souls to our bodies to (return to) the world, so that we may be slain in Your Cause once again." When He saw that they had nothing to ask for other than that, they were left (to their bliss)."

2802- It is narrated on the authority of Abu Hurairah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "Whatever (pain) the martyr feels from killing is no more than what he feels from a clinch."

[17] What About Such As In Which Martyrdom Is Expected

2803- It is narrated on the authority of Abdullah Ibn Abdullah Ibn Jabr Ibn Atik from his father from his grandfather that he fell ill, and the Messenger of Allah "Allah's blessing and peace be upon him" came to visit him and enquire about his health. One of his family said: "We hoped he would die because of killing as a martyr in the Cause of Allah." On that the Messenger of Allah "Allah's blessing and peace be upon him" said: "Then, (if martyrdom comes only from killing in wars) the martyrs of my nation would be very little in number! being killed in Allah's Cause is martyrdom; (the death because of) plague is martyrdom; the death of a woman with what is her womb i.e. the pregnant (or as being virgin) is martyrdom, the (death because of) drowning, burning, or pleurisy is martyrdom."

2804- It is narrated on the authority of Abu Hurairah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "What

[19] The Archery In Allah's Cause

2811- It is narrated on the authority of Uqbah Ibn Amir Al-Juhani that the Messenger of Allah "Allah's blessing and peace be upon him" said: "Verily, Allah admits three persons to the Garden because of a single arrow: such as makes it, when he expects the good (of using it against the enemy); such as shoots it; and such as provides the archer with it." The Messenger of Allah "Allah's blessing and peace be upon him" further said: "Practice archery and riding (horses), even though to practice archery is much dearer to me than to ride (horses). 2844- It is narrated on the authority of Ibn Umar that the Messenger of Allah "Allah's blessing and peace be upon him" burned and cut down the date-palms of Banu An-Nadir, known as Al-Buwairah, thereupon Allah Almighty revealed: "Whether you cut down (O you Muslims!) the tender palm-trees, or you left them standing on their roots, it was by leave of Allah, and in order that He might cover with shame the rebellious transgressors." (Al-Hashr 5)

2845- It is narrated on the authority of Nafi from Ibn Umar that the Prophet "Allah's blessing and peace be upon him" had the date-palm trees of Banu An-Nadir burnt and cut down. She was wearing a leather coat, and I did not disrupt her until I came to Medina, where the Messenger of Allah "Allah's blessing and peace be upon him" met me in the market and said to me: "I beseech you by Allah to grant her to me." I granted her to him, thereupon he sent her as a ransom for some Muslim captives who were in Mecca.

[34] What About Misappropriation

2848- It is narrated on the authority of Zaid Ibn Khalid Al-Juhani that he said: A man from Ashja' in Khaibar died, thereupon the Messenger of Allah "Allah's blessing and peace be upon him" said: "Offer the funeral prayer for your companion." On that the people disapproved of that, and (the colour of) their faces changed (out of estrangement). When he saw that, he said: "Indeed, your companion has misappropriated (while he was fighting) in Allah's Cause." Zaid said: They searched in his luggage, and found some beads from those of the Jews, at a value of less than two Dirhams.

2849- It is narrated on the authority of Abdullah Ibn Amr: There was a man called Karkarah, who looked after the family and the belongings of The Prophet "Allah's blessing and peace be upon him". The man died and Allah's Apostle "Allah's blessing and peace be upon him" said: "He is in the (Hell) Fire." The people then went to look at him. They found on him a garment or a cloak he had misappropriated (from the war booty).

2850- It is narrated on the authority of Ubadah Ibn As-Samit that he said: Once, the Messenger of Allah "Allah's blessing and peace be upon him" led the prayer facing (the Qiblah, and there was in front of him) a camel from those of the war booty. When he finished he got up, took hold of something from the camel, from which he picked up a hair which he grasped with his fingertips and then said: "No doubt, this (single hair) is a part of your war booty. So, you should fulfill whatever (booty you have, even though) a needle and a string, and what is more or lesser (in value). Do not misappropriate anything, for the misappropriation is a (cause of) shame and dishonour in the world, and in the hereafter, (it leads one to the) fire (of Hell)."

2853- It is narrated on the authority of Amr Ibn Shu'aib from his father from his grandfather that he said: There is no giving beyond one's share after the Messenger of Allah "Allah's blessing and peace be upon him", for the strongest among Muslims should make the weakest among them share the war spoils with them.

It is narrated on the authority of Raja' that he said: I heard Sulaiman Ibn Musa having said to him (Amr): Makhul related to me from Habib Ibn Maslamah that the Messenger of Allah "Allah's blessing and peace be upon him" gave one-fourth (the war spoils to the soldiers) in the first portion of the battle, and then the one-third on their return. He would say: "Fight in the name of Allah and in the cause of Allah. Fight against those who disbelieve in Allah. Fight and do not misappropriate (the spoils). You should neither break your pledge, nor should you mutilate (the dead) bodies. You should not also kill the children. When you meet your enemies from amongst the pagans, call them to three things. If they respond to any one of them, you should accept it and keep yourself from causing any harm to them. Call them to (embrace) Islam. If they respond to you, you should accept it from them and withhold yourself from fighting them. Then call them to emigrate from their land to the land of the Emigrants, and tell them that if they do that, they will have all the privileges and obligations of the Emigrants. If they refuse to emigrate (from their land), inform them that they will become as the Bedouin Muslims and will be subject to the orders of Allah like other believers, but they will not share the spoils of war or booty with them unless they take part with the Muslims in fighting (the unbelievers). If they refuse to embrace Islam, ask them to give Jizyah. If they agree to give it, accept it from them and keep yourself from (fighting) them. If they refuse to give Jizyah, seek for Allah's help and fight them. When you besiege a fort whose people appeal to you for protection granted in the name of Allah and His Messenger, do not give them the guarantee of Allah and His Messenger, but give them your own guarantee and that of your father and companions, for in case (it happens that) the protection given by you, or your fathers is disregarded, it will be a lesser sin than that (you will commit) in case the protection guaranteed in the name of Allah and His Messenger is disregarded. If you besiege a fort whose people ask you to let them out according to Allah's Command, do not let them out according to Allah's Command, but do that according to your own command, for you do not know whether you will be able to implement Allah's command regarding them."

[39] The (right of) Obedience to The Imam

2859- It is narrated on the authority of Abu Hurairah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "He, who obeys me has, indeed, obeyed Allah, and he who disobeys me has,

2860- It is narrated on the authority of Anas Ibn Malik that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "Listen and obey (your ruler) even though an Abyssinian slave is appointed to rule over you, whose head is (as small) as a raisin."

2861- It is narrated on the authority of Umm Al-Husain that she said: I heard the Messenger of Allah "Allah's blessing and peace be upon him" having said: "If an Abyssinian slave whose limbs are cut off is appointed to rule over you, you should listen and obey him as long as he leads you in accordance with (the laws and judgements of) Allah's Book."

2862- It is narrated on the authority of Ubadah Ibn As-Samit that Abu Dharr reached Ar-Rabdhah by the time the prayer had been established, and behold! A slave was leading it. It was said: "This Abu Dharr (and he has just arrived)." He (the imam) intended to go backward (to give room for Abu Dharr to lead the prayer), thereupon Abu Dharr said: My friend (the Messenger of Allah "Allah's blessing and peace be upon him") to listen and obey even though he (the imam) is an Abyssinian slave, whose limbs are cut off.

[40] There Is No Obedience (To Anyone Which Might Leads To The) Disobedience To Allah

2863- It is narrated on the authority of Abu Sa'id Al-Khudri that he said: The Messenger of Allah "Allah's blessing and peace be upon him" sent Alqamah Ibn Mujazzaz on the head of a detachment and I was in it. When he was at the head of (the way to the area of) his battlefield, or was midway to it, a group of the army took his leave (to go further), and he gave them permission, appointing Abdullah Ibn Hudhafah Ibn Qais As-Sahmi as their leader; and I was among those who took part in the fight with him. When he was on the way, the people kindled fire to warm up their bodies, or to prepare some (food for them) on it. Abdullah, and he was a joking man, said to them: "Do I not have (the right) upon you to listen and obey me?" they answered in the affirmative. He said: "Then, is it not that whatever I order you to do you would do it?" they answered in the affirmative. On that he said: "Then, I make binding upon you but to jump into that fire." Some people stood up and got themselves ready (to jump into it), and when he thought they were going to jump in it, he said: "Keep yourselves! I'm just joking with you." When they returned, they made a mention of that to the Messenger of Allah "Allah's blessing and peace be upon him", thereupon

the Messenger of Allah "Allah's blessing and peace be upon him" said: "Whomever among those (rulers and chiefs) orders you to do (what leads to the) disobedience to Allah, do not obey him."

2864- It is narrated on the authority of Ibn Umar that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "It is binding upon a Muslim to obey(his ruler) whether in what he likes or what he dislikes, unless he is ordered to do (what leads to the) disobedience (to Allah): and if he is ordered to do (what leads to the) disobedience, there is no (right upon him from the part of the ruler to) listen or obey."

2865- It is narrated on the authority of Abdullah Ibn Mas'ud that the Messenger of Allah "Allah's blessing and peace be upon him" said: "After me, there will rule over you people, who will extinguish the (light of the) sunnah, act upon their innovations, and delay the (obligatory) prayer from its due time." I asked: "O Messenger of Allah! If I catch up with their time: what should I do?" on that the Messenger of Allah "Allah's blessing and peace be upon him" said: "Do you ask me O Ibn Umm Abd (the nickname of Ibn Mas'ud) what to do? There is no obedience (to be observed) for such as disobeys Allah."

[41] What About Giving The Pledge Of Allegiance (To The Imam)

2866- It is narrated on the authority of Ubadah Ibn As-Samit: The Messenger of Allah "Allah's blessing and peace be upon him" took an oath of allegiance from us to listen to the ruler and obey him in adversity and prosperity, in pleasure and displeasure, even when another person is given preference over us, to avoid disputing over the matter (of ruling) with those who are more fitting for it, and to tell the truth in whatever position we be without fearing in the matter of Allah the reproach of the blamer.

2867- It is narrated on the authority of Awf Ibn Malik Al-Ashja'i that he said: We were seven, eight or nine with the Messenger of Allah "Allah's blessing and peace be upon him", and he said to us: "Should you not give the pledge allegiance to the Messenger of Allah "Allah's blessing and peace be upon him"?" we stretched our hands and one (of us) said: "O Messenger of Allah! We have given you the pledge of allegiance (earlier): then, for which (more) should we give you the pledge of allegiance (once again)?" on that he said: "To worship Allah (Alone) and not ascribe anything to Him (in worship), to establish the five (obligatory) prayers (in congregation), to listen and obey (your rulers), (and he said a word in secrecy after which he said) and to ask nothing from the people." He (the narrator) said: I saw that

if the whip fell down from anyone of those group, he would not ask anyone to bring it to him.

2868- It is narrated on the authority of Anas Ibn Malik that he said: We gave the pledge of allegiance to the Messenger of Allah "Allah's blessing and peace be upon him" to listen and obey (our rulers), thereupon he said: "As much as is within your capacity."

2869- It is narrated on the authority of Jabir that he said: A slave came and gave the pledge of allegiance to the Messenger of Allah "Allah's blessing and peace be upon him" for Migration, and the Messenger of Allah "Allah's blessing and peace be upon him" (accepted his allegiance and) did not know that he was a slave. Later on, his master came and wanted to take him back, thereupon the Messenger of Allah "Allah's blessing and peace be upon him" said to him: "Sell him to me." He bought him for two black slaves, and he never accepted the pledge of allegiance from anyone afterwards before he asked him whether he was a slave.

[42] Fulfilling The Pledge Of Allegiance

2870- It is narrated on the authority of Abu Hurairah that he said: Allah's Apostle "Allah's blessing and peace be upon him" said: "There are three persons whom Allah will never speak on the Day of Judgement, nor will He look at, nor will He purify and theirs shall be a severe punishment. They are: A man possesses superfluous water on a way, which he withholds from wayfarers. A man displays his goods for sale after the Asr prayer and he takes an oath By Allah that he has bought it for such and such (money); and somebody believes him (and buys that), even though he has told a lie. A man who gives a pledge of allegiance to a ruler and he gives it only for worldly benefits. If the ruler gives him something he proves true to his pledge to him, and if the ruler withholds something from him, he retracts from his allegiance to him."

2871- It is narrated on the authority of Abu Hurairah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: The children of Israel were ruled by their Prophets: if a Prophet went away (by death), another one would come to be his successor; and no doubt, there would be no Prophet among you after me." They said: "What would there be O Messenger of Allah?" he said: "There would be rulers; and they would be more than one." They asked: "Then, what should we do with them O Messenger of Allah?" he said: "Prove true to the pledge of allegiance you would give to the first of them. Fulfill what is due upon you, for Allah will ask them about what is due upon them."

2871 ـ حدّثنا أَبُو بَكْرِ بْنُ أَبِي شَيْبَةَ. حَدَّثَنَا عَبْدُ اللَّهِ بْنُ إِدْرِيسَ عَنْ حَسَنِ بْنِ فُرَاتٍ، عَنْ أَبِيهِ، عَنْ أَبِي حَازِمٍ، عَنْ أَبِي هُرَيْرَةَ؛ قَالَ: قَالَ رَسُولُ اللَّهِ ﷺ: «**إِنَّ بَنِي إِسْرَائِيلَ كَانَتْ تَسُوسُهُمْ أَنْبِيَاؤُهُمْ. كُلَّمَا ذَهَبَ نَبِيٌّ خَلَفَهُ نَبِيٌّ. وَأَنَّهُ لَيْسَ كَائِنٌ بَعْدِي نَبِيٌّ فِيكُمْ**» قَالُوا: فَمَا يَكُونُ يَا رَسُولَ اللَّهِ؟ قَالَ: «**تَكُونُ خُلَفَاءُ فَيَكْثُرُوا**» قَالُوا: فَكَيْفَ نَصْنَعُ؟ قَالَ: «**أَوْفُوا بِبَيْعَةِ الأَوَّلِ فَالأَوَّلِ. أَدُّوا الَّذِي عَلَيْكُمْ فَسَيَسْأَلُهُمُ اللَّهُ عَزَّ وَجَلَّ عَنِ الَّذِي عَلَيْهِمْ**».

2872- It is narrated on the authority of Abdullah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "On the Day of Judgement, a flag (of treachery) will be set up for such as breaks his pledge, and it will be said: "This is the (flag of the) treachery of so and so."

2873- It is narrated on the authority of Abu Sa'id Al-Khudri that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "Beware! On the Day of Judgement, a flag will be set up for such as breaks his pledge, as long as his treachery, and it will be said: "This is the (flag of the) treachery of so and so."

[43] The Pledge Of Allegiance Given By Women

2874- It is narrated on the authority of Umaimah Bint Ruqaiqah that she said: I came to the Messenger of Allah "Allah's blessing and peace be upon him" in the company of some women in order to give him the pledge of allegiance, thereupon he said to us: "As much as is within your capacity and power: no doubt, I never shake hands with women (who are unlawful for me)."

2875- It is narrated on the authority of A'ishah, the wife of The Prophet "Allah's blessing and peace be upon him": Whenever the believing women came to The Prophet "Allah's blessing and peace be upon him" as emigrants, he used to examine them with the following Holy Verse: "O you who believe! When there come to you believing women refugees, examine (and test) them: Allah knows best as to their Faith: if you ascertain that they are Believers, then send them not back to the Unbelievers. They are not lawful (wives) for the Unbelievers, nor are the (Unbelievers) lawful (husbands) for them. But pay the Unbelievers what they have spent (on their dower). And there will be no blame on you if you marry them on payment of their dower to them. But hold not to the guardianship of Unbelieving women: ask for what you have spent on their dowers, and let the (Unbelievers) ask for what they have spent (on the dowers of women who come over to you). Such is the command of Allah: He judges (with justice) between you. And Allah is Full of Knowledge and Wisdom." (Al-Mumtahanah 12) So if anyone of those believing women accepted the above-mentioned conditions, she accepted the conditions of faith. When they agreed on those conditions and confessed that with their tongues, The Messenger of Allah "Allah's blessing and peace be upon him" would say to them: "Go, I accepted your oath of fealty." By Allah, the hand of The Messenger of Allah "Allah's blessing and peace be upon him" never touched the hand of any woman, but he only used to take their pledge of

A'ishah further said: By Allah, The Messenger of Allah "Allah's blessing and peace be upon him" did not take the pledge of allegiance from the women except according to what Allah had ordered him. Whenever he accepted their pledge of allegiance he would say to them: "I accepted your oath of fealty."

[44] Being Engaged In Races And Stakes

2876- It is narrated on the authority of Abu Hurairah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "If one gets his horse into (the competition) between two race horses (to make it lawful), and he is not sure his will win the race, this is not regarded as (a kind of) gambling; and if one gets his horse into (the competition) between two race horses (to make it lawful), and he is sure that his will win the race, this is then (a kind of) gambling."

2877- It is narrated on the authority of Ibn Umar: The Prophet "Allah's blessing and peace be upon him" made lean some horses; and he sent such as made lean (to take part in the race) from Al-Hafya to Thaniyyat Al-Wada (two places, five or six miles far from one another); and the horses which had not been made lean from Thaniyyat Al-Wada to the mosque of Banu-Zuraiq (a mile far from one another).

2878- It is narrated on the authority of Abu Hurairah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "No race (for money is lawful) unless it is among camels or horses."

[45] It Is Forbidden To Travel With Copies Of The Qur'an To The Land Of The Enemy

2879- It is narrated on the authority of Ibn Umar that the Messenger of Allah "Allah's blessing and peace be upon him" forbade to travel with the copies of the Qur'an (i.e. the Mushaf) to the land of enemy, for fear the enemy would touch it with harm.

Comment: (Consider how valid the forbiddance of the Messenger of Allah "Allah's blessing and peace be upon him" is, and how right the prediction it has is, and how it has proved true fourteen hundred later: do you not remember how the American soldiers dishonoured the Mushaf when they trampled it with their feet in Guantánamo, paying no attention to its sanctity and holiness?)

2881- It is narrated on the authority of Jubair Ibn Mut'im that he told that both he and Uthman Ibn Affan went to the Messenger of Allah "Allah's blessing and peace be upon him", to talk to him about his distributing one-fifth (the property of) Khaibar among Banu Hashim and Banu Al-Muttalib, saying: "You have distributed it among our brothers from Banu Hashim and Banu Al-Muttalib, even though we (Banu Abd Shams) are of the same (degree of) kinship." (25) THE BOOK OF CEREMONIES

[1] Setting Out To Perform Hajj

2882- It is narrated on the authority of Abu Hurairah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "(Setting out on) journey is a portion of torment, which forbids one (to enjoy well) his sleep, food and drink. So, once anyone of you achieves his mission from his journey, let him hasten to return to his family."

(...) The same is narrated on the authority of Abu Hurairah from the Messenger of Allah "Allah's blessing and peace be upon him", through another chain of transmitters.

2883- It is narrated on the authority of Ibn Abbas from Al-Fadl, or one of them from the other that the Messenger of Allah "Allah's blessing and peace be upon him" said: "He, who intends to perform Hajj, let him hasten (to do so), for (such as decreed to be) sick might become sick, (such as decreed to be) lost might be lost, and (if one is decreed to have a need, his) need might appear (to him to achieve)."

[2] The Obligation Of Hajj

2884- It is narrated on the authority of Ali that he said: When it was revealed: "pilgrimage thereto is a duty men owe to Allah, those who can afford the journey" (Al Imran 97), the people asked the Messenger of Allah "Allah's blessing and peace be upon him": "O Messenger of Allah! Is Hajj (obligatory upon Muslims) every year?" he kept silent. They said once again: "Is it (obligatory) every year?" on that he said: "No, and if I say yes, it would be affirmed (as obligatory every year)." On that occasion, it was revealed: "O you who believe! ask not questions about things which, if made plain to you, may cause you trouble. But if you ask about things when the Qur'an is being revealed, they will be made plain to you, Allah will forgive those: for Allah is Oft-Forgiving, Most Forbearing." (Al-Ma'idah 101)

2885- It is narrated on the authority of Anas Ibn Malik that he said: They asked: "O Messenger of Allah! Is Hajj (obligatory) every year?" he said: "If I say yes, it would be affirmed; and if it is affirmed, you would have no power to do it; and if you do not do it, you would be punished (for your indulgence)."

2886- It is narrated on the authority of Ibn Abbas that Al-Aqra' Ibn Habis asked the Messenger of Allah "Allah's blessing and peace be upon him": "O Messenger of Allah! Is Hajj (binding upon Muslims) every year or once (at least during one's lifetime)?" he said: "It is (obligatory) once (at

That was when Banu Kinanah made alliance with the Quraish against Banu Hashim not to marry from them, nor to enter into transactions with them.

[27] Touching The Stone (Corner)

2943- It is narrated on the authority of Abdullah Ibn Sarjis that he said: I saw Umar Ibn Al-Khattab, and he was bold-headed, having kissed the (Black) Stone, while saying: "I'm kissing you, even though I know you are but a stone, which could neither do harm nor benefit; and had it not been for the fact that I saw the Messenger of Allah "Allah's blessing and peace be upon him" having kissed you, surely, I would not have kissed you."

2944- It is narrated on the authority of Ibn Abbas that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "On the Day of Judgement, this (Black) Stone will come, having two eyes therewith to see, and a tongue therewith to speak, in order to bear witness to such as touches it with truth (during the ceremonies of both Hajj and Umrah, i.e. such as is true to his faith in Islam, and his obedience to Allah and His Messenger)."

2945- It is narrated on the authority of Ibn Umar that the Messenger of Allah "Allah's blessing and peace be upon him" touched the (Black) Stone, and then placed his lips on it, and went on a long weeping. Then, he turned and behold! Umar Ibn Al-Khattab was weeping, thereupon he said to him:

"O Umar! It is here that one's tears should be poured (in longing for or fear and shyness of Allah Almighty)."

2946- It is narrated on the authority of Salim Ibn Abdullah from his father that he said: From amongst the corners of the House, the Messenger of Allah "Allah's blessing and peace be upon him" did not touch but the corner of the Black (Stone), and that next to him from the direction of the houses of Banu Jumah (i.e. the Yemenite Corner).

[28] When One Points To The Corner With A Bent-Headed Stick

2947- It is narrated on the authority of Safiyyah Bint Shaibah that she said: When the Messenger of Allah "Allah's blessing and peace be upon him" felt rest in the year of the conquest (of Mecca), he circumambulated the House while riding a camel, pointing to the corner (the Black Stone) with a bent-headed stick in his hand. Then, he entered the Ka'bah, and found a (figure of) pigeon made of wood sticks, which he broke and stood at the gate of the Ka'bah and threw it, and I was looking at him.

2948- It is narrated on the authority of Ibn Abbas that the Messenger of Allah "Allah's blessing and peace be upon him" circumambulated the House in his farewell Hajj while riding a camel, pointing to the corner (Black Stone) with a bent-headed stick in his hand.

2949- It is narrated on the authority of Abu At-Tufail: Amir Ibn Wathilah that he said: I saw the Messenger of Allah "Allah's blessing and peace be upon him" circumambulating the House while being on his mount, pointing to the corner (the Black Stone) with his bent-headed stick, which he was kissing.

[29] What About Ramal

(Walking fast, with moving the shoulders)

2950- It is narrated on the authority of Abdullah Ibn Umar that whenever the Messenger of Allah "Allah's blessing and peace be upon him" offered the first circumambulation (just before compassing Safa and Marwah round), he would walk fast with moving his shoulders in (first) three rounds and walk (normally) in the remaining four, from the Hijr to the Hijr; and Ibn Umar used to do the same.

2951- It is narrated on the authority of Jabir that the Messenger of Allah "Allah's blessing and peace be upon him" circumambulated fast, moving his shoulders in the (first) three rounds beginning from the corner (of the Black Stone) and ending to the (same) corner, and walked with normal pace in the remaining four rounds.

2952- It is narrated on the authority of Umar that he said: "What is the reason for offering (the first three rounds of circumambulation) fast with moving the shoulders since Allah well-established Islam in power, and removed infidelity? But even though, by Allah, we never leave a thing we used to do during the lifetime of the Messenger of Allah "Allah's blessing and peace be upon him"!"

Comment: (It is well-known that the reason for setting Ramal in the circumambulation round the House was that When Allah's Apostle "Allah's blessing and peace be upon him" and his companions came to Mecca, the pagans circulated the news that a group of people were coming to them and they had been weakened by the Fever of Yathrib (Medina). So The Prophet "Allah's blessing and peace be upon him" ordered his companions to walk fast with moving their shoulders in the first three rounds of circumambulation and to walk between the two corners (The Black Stone and Yemenite corner). The Prophet "Allah's blessing and peace be upon him" did not order them to walk fast with moving the shoulders in all the rounds of circumambulation out of pity for them)

2953- It is narrated on the authority of Ibn Abbas that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said to his companions when they intended Mecca to perform the Umrah in lieu of that of Al-Hudaibiyah: "Your people (from amongst the pagans) will see you tomorrow: so, let them see you as strong and hardy (while offering circumambulation)." When they entered the mosque, they touched the corner (of the Black Stone) and walked fast, moving their shoulders, and the Messenger of Allah "Allah's blessing and peace be upon him" was with them, until when they reached the Yemenite corner they walked with normal pace to the corner of the Black (Stone); and then they walked fast moving their shoulders (in the beginning of the second round) until when they reached the Yemenite corner, they walked with normal pace to the corner of the Black (Stone); and they did the same in the third time; and then, they walked with normal pace in the (remaining) four rounds (of circumambulation).

[30] Uncovering The Right Shoulder And Gathering The (Ends Of The) Upper Garment On The Left Shoulder

2954- It is narrated on the authority of Ya'li Ibn Umayyah that the Messenger of Allah "Allah's blessing and peace be upon him" circumambulated (the House) while his right shoulder was naked, and (the ends of) his upper garment were gathered on his left shoulder. Qabisah said that he had a cloak on him.

فَلَمَّا دَخَلُوا الْمَسْجِدَ اسْتَلَمُوا الرُّكْنَ وَرَمَلُوا. وَالنَّبِيُّ ﷺ مَعَهُمْ. حَتَّى إِذَا بَلَغُوا الرُّكْنَ الْيَمَانِيَّ مَشَوْا إِلَى الرُّكْنِ الأَسْوَدِ. ثُمَّ رَمَلُوا حَتَّى بَلَغُوا الرُّكْنَ الْيَمَانِيَّ. ثُمَّ مَشَوْا إِلَى الرُّكْنِ الأَسْوَدِ. فَفَعَلَ ذٰلِكَ ثَلاَثَ مَرَّاتٍ، ثُمَّ مَشَىٰ الأَرْبَعَ.

قَالَ قَبِيصَةُ: وَعَلَيْهِ بُرْدٌ.

[31] What About Including The Round Wall In Circumambulation

2955- It is narrated on the authority of A'ishah: I asked The Prophet "Allah's blessing and peace be upon him" about the round wall (near Ka'bah), thereupon the Prophet "Allah's blessing and peace be upon him" said: "It is a part of the Ka'bah." I further said: "What prevented them from including it in the building of the Ka'bah?" He said: "They (your people of Quraish) ran short of money (so they could not include it inside the building of Ka'bah)." I asked: "What about its gate? Why is it so high that none could ascend to it but with the help of stairs?" He replied: "Your people did so as to admit into it whomever they liked and prevent whomever they liked. Had your people not been close to the Pre-Islamic Period of ignorance and had I not been afraid that they would dislike it, surely I would have decided to include (the area) that was reduced from it and I would have lowered its gate to the level of the ground."

[32] The Excellence Of Circumambulation

2956- It is narrated on the authority of Ibn Umar that he said: I heard the Messenger of Allah "Allah's blessing and peace be upon him" having said: "He, who circumambulates the House and then offers a two-rak'ah prayer, will receive (a reward) like that of emancipating a slave."

2957- It is narrated on the authority of Ibn Hisham that he asked Ata Ibn Abu Rabah about the Yemenite corner while he was circumambulating the House, thereupon Ata said: Abu Hurairah told me that the Messenger of Allah "Allah's blessing and peace be upon him" said: "Seventy angels were entrusted to (say Amen) at it; and thus, whoever says: "O Allah! I ask you (to give me) forgiveness and power in both the world and the hereafter; O Allah! Give us a good deed in the world, and a good deed in the hereafter, and deliver me from the punishment of the fire (of Hell)" they will say: "Amen" (in confirmation to his invocation)."when he reached the corner of the Black (Stone), he asked him: "O Abu Muhammad! What has reached you concerning that corner of the Black (Stone)?" Ata said: Abu Hurairah told me that he heard the Messenger of Allah "Allah's blessing and peace be upon him" having said: "He, who faces it, seems to face the Hand of (Allah) Most Gracious." He said to him: "O Abu Muhammad! What about circumambulation?" Ata said: Abu Hurairah told me that he heard the Messenger of Allah "Allah's blessing and peace be upon him" having said: "He, who circumambulates the House seven rounds, in which he does not say but "Glory be to Allah", "Praise be to Allah", "There is no god but Allah", "Allah is Greater", and "There is neither might nor power but with Allah", ten evil deeds are plotted out from him, and ten good deeds are

Then, everyone adopted whatever he regarded (as valid) out of his own opinion.

2979- It is narrated on the authority of Abu Musa Al-Ash'ari that he used to give a religious verdict regarding as valid Hajj At-Tamattu (i.e. to assume Ihram for Umrah and Hajj separately). A man said to him: "Stick to restraint in giving some religious verdicts of yours, for you do not know what the Commander of the Believers has presented in the ceremonies (of Hajj) after you." Later on, he (Abu Musa) met and asked Umar about that. Umar said: "I know that The Messenger of Allah "Allah's blessing and peace be upon him" and his Companions did that (Hajj At-Tamattu), but I dislike that they (men) might have sexual intercourse with their wives under

[41] Dissolving (Ihram Of) Hajj

2980- It is narrated on the authority of Jabir Ibn Abdullah that he said: We assumed Ihram with the Messenger of Allah "Allah's blessing and peace be upon him" for Hajj only, without being mixed up with Umrah. We came to Mecca when four nights had passed of Dhul-Hijjah. When we circumambulated round the House, and compassed Safa and Marwah round, the Messenger of Allah "Allah's blessing and peace be upon him" ordered us to make it Umrah, and put off Ihram and to go to our wives (for sexual intercourse). We said: "It is only five days for us to go to Arafat: should we then set out to it just after having sexual intercourse (with our wives)?" The Messenger of Allah "Allah's blessing and peace be upon him" said: "I am the most pious, and the most truthful among you. Had I not brought the sacrificial animals with me, I would also have put off Ihram." Suraqah Ibn Malik Ibn Ju'shum said: "O Messenger of Allah! Is this continuing Umrah on to Hajj as we have done to be held valid only this year, or is it held valid perpetually?" He said: "It is held valid perpetually."

2981- It is narrated on the authority of A'ishah that she said: We set out with the Messenger of Allah "Allah's blessing and peace be upon him" five days to the end of Dhul-Qa'dah, with the intention to offer Hajj only, and when we arrived and became near (to the day of Arafat after offering the ceremonies of Umrah), the Messenger of Allah "Allah's blessing and peace be upon him" ordered that such as had no sacrificial animals to put off Ihram. All the people put off Ihram barring those who had sacrificial animals with them. When it was the day of Nahr, the meat of cows was brought to us, and it was said that the Messenger of Allah "Allah's blessing and peace be upon him" had slaughtered (cows) on behalf of his wives.

2982- It is narrated on the authority of Al-Bara' Ibn Azib that he said: The Messenger of Allah "Allah's blessing and peace be upon him" and his companions set out to us, and we all assumed Ihram for Hajj, and when we reached Mecca, he said: "Change your (Ihram you've assumed for) Hajj into Umrah." The people said: "O Messenger of Allah! We've assumed Ihram for Hajj: how should we change it into Umrah?" he said: "Consider what I'm ordering you to do, and do accordingly." But they replied to him (that they liked to imitate him since he did not put off Ihram), thereupon he grew angry, and went and entered into A'ishah in a state of anger. When she saw the (traces of) anger in his face, she said: "Who did cause you to become angry? Might Allah make him angry!" on that he said: "Why

2982 ـ **حدّثنا** مُحَمَّدُ بْنُ الصَّبَّاحِ. حَدَّثَنَا أَبُو بَكْرِ بْنُ عَيَّاشٍ عَنْ أَبِي إِسْحَاقَ، عَنِ الْبَرَاءِ بْنِ عَازِبٍ؛ قَالَ: خَرَجَ عَلَيْنَا رَسُولُ اللَّهِ ﷺ وَأَصْحَابُهُ. فَأَحْرَمْنَا بِالْحَجِّ. فَلَمَّا قَدِمْنَا مَكَّةَ قَالَ: «**اجْعَلُوا حِجَّتَكُمْ عُمْرَةً**» فَقَالَ النَّاسُ: يَا رَسُولَ اللَّهِ قَدْ أَحْرَمْنَا بِالْحَجِّ. فَكَيْفَ نَجْعَلُهَا عُمْرَةً. قَالَ: «**انْظُرُوا مَا آمُرُكُمْ بِهِ، فَافْعَلُوا**» فَرَدُّوا عَلَيْهِ الْقَوْلَ. فَغَضِبَ. فَانْطَلَقَ. ثُمَّ دَخَلَ عَلَى عَائِشَةَ غَضْبَانَ. فَرَأَتِ الْغَضَبَ فِي وَجْهِهِ،

should I not become angry, since I give an order and they do not hasten to do it?"

2983- It is narrated on the authority of Safiyyah Bint Shaibah: Asma Bint Abu Bakr said: We set out with the Messenger of Allah "Allah's blessing and peace be upon him" while being in the state of Ihram. The Messenger of Allah "Allah's blessing and peace be upon him" said: "Whoever has sacrificial animals with him should keep on his state of Ihram, and whoever has no sacrificial animals with him should put off Ihram." Since I had no sacrificial animals with me, I put off Ihram. But Az-Zubair had sacrificial animals with him. So, he did not put off Ihram. She (Asma) said: I put on my clothes and then went out and sat beside Az-Zubair who said: "Go away from me!" I said: "Do you fear that I would jump upon you?"

[42] What About The Opinion That Dissolving (The Ihram Of) Hajj Was (A Privilege Given) To Them In Particular

2984- It is narrated on he authority of Al-Harith Ibn Bilal Ibn Al-Harith from his father that he said: I said to the Messenger of Allah "Allah's blessing and peace be upon him": "O Messenger of Allah! Tell me about dissolving (the Ihram of) Hajj (and changing it) into Umrah: is it (a privilege given) to us in particular or common to all the people in general?" on that the Messenger of Allah "Allah's blessing and peace be upon him" said: "It is (a privilege given) to us in particular."

2985- It is narrated on the authority of Abu Dharr that he said: continuing Umrah on to Hajj was (a privilege given) to the companions of Muhammad (the Messenger of Allah "Allah's blessing and peace be upon him") in particular.

[43] Compassing Safa And Marwah Round

2986- It is narrated on the authority of Hisham Ibn Urwah from his father that he said: I said to A'ishah: I think there is no harm on me if I do not compass Safa and Marwah round. On that she said: Allah Almighty says: "Behold! Safa and Marwah are among the Symbols of Allah. So if those who visit the House in the Season or at other times, should compass them round, there is no sin in them." (Al-Baqarah 158) had it been as you think, it (the Holy Statement) should have been: "if those who visit the House in the Season or at other times, should not compass them round, there is no sin in them." Verily, this Holy Verse was revealed in connection with some people from amongst the Ansar: whenever they assumed Ihram

فَقَالَتْ: مَنْ أَغْضَبَكَ؟ أَغْضَبَهُ اللَّهُ قَالَ: «**وَمَا لِي لاَ أَغْضَبُ وَأَنَا آمُرُ أَمْراً فَلاَ أُتْبَعُ؟**».

42 ـ بابُ مَنْ قَالَ كَانَ فَسْخُ الحَجِّ لهم خَاصَّةً

2984 ـ **حدّثنا** أَبُو مُصْعَبٍ. حَدَّثَنَا عَبْدُ الْعَزِيزِ بْنُ مُحَمَّدٍ الدَّرَاوَرْدِيُّ عَنْ رَبِيعَةَ بْنِ أَبِي عَبْدِ الرَّحْمٰنِ، عَنِ الْحٰرِثِ بْنِ بِلاَلِ بْنِ الْحٰرِثِ، عَنْ أَبِيهِ؛ قَالَ: قُلْتُ: يَا رَسُولَ اللَّهِ! أَرَأَيْتَ فَسْخَ الْحَجِّ فِي الْعُمْرَةِ، لَنَا خَاصَّةً؟ أَمْ لِلنَّاسِ عَامَّةً؟ فَقَالَ رَسُولُ اللَّهِ ﷺ: «**بَلْ لَنَا خَاصَّةً**».

2985 ـ **حدّثنا** عَلِيُّ بْنُ مُحَمَّدٍ. حَدَّثَنَا أَبُو مُعَاوِيَةَ عَنِ الأَعْمَشِ، عَنْ إِبْرَاهِيمَ التَّيْمِيِّ، عَنْ أَبِيهِ، عَنْ أَبِي ذَرٍّ؛ قَالَ: كَانَتِ الْمُتْعَةُ فِي الْحَجِّ لِأَصْحَابِ مُحَمَّدٍ ﷺ خَاصَّةً.

43 ـ بابُ السَّعْيِ بَيْنَ الصَّفَا والمَرْوَةِ

2986 ـ **حدّثنا** أَبُو بَكْرِ بْنُ أَبِي شَيْبَةَ. حَدَّثَنَا أَبُو أُسَامَةَ عَنْ هِشَامِ بْنِ عُرْوَةَ؛ قَالَ: أَخْبَرَنِي أَبِي، قَالَ: قُلْتُ لِعَائِشَةَ: مَا أَرَىٰ عَلَيَّ جُنَاحاً أَنْ لاَ أَطَّوَّفَ بَيْنَ الصَّفَا وَالْمَرْوَةِ. قَالَتْ: إِنَّ اللَّهَ يَقُولُ: ﴿إِنَّ ٱلصَّفَا وَٱلْمَرْوَةَ مِن شَعَآئِرِ ٱللَّهِ فَمَنْ حَجَّ ٱلْبَيْتَ أَوِ ٱعْتَمَرَ فَلَا جُنَاحَ عَلَيْهِ أَن يَطَّوَّفَ بِهِمَا﴾ [البقرة: 158] وَلَوْ كَانَ كَمَا تَقُولُ، لَكَانَ: فَلاَ جُنَاحَ عَلَيْهِ أَنْ لاَ يَطَّوَّفَ بِهِمَا، إِنَّمَا أُنْزِلَ هٰذَا فِي نَاسٍ مِنَ الأَنْصَارِ. كَانُوا إِذَا أَهَلُّوا، أَهَلُّوا لِمَنَاةَ. فَلاَ يَحِلُّ لَهُمْ أَنْ يَطَّوَّفُوا بَيْنَ الصَّفَا وَالْمَرْوَةِ. فَلَمَّا قَدِمُوا مَعَ النَّبِيِّ ﷺ فِي الحَجِّ، ذَكَرُوا ذٰلِكَ لَهُ. فَأَنْزَلَهَا اللَّهُ. فَلَعَمْرِي مَا أَتَمَّ اللَّهُ، عَزَّ وَجَلَّ، حَجَّ مَنْ لَمْ يَطُفْ بَيْنَ الصَّفَا وَالْمَرْوَةِ.

(for Hajj), they would do for (a god they used to worship before Islam called) Manat, according to which they thought it unlawful for them to compass Safa and Marwah round. When they (embraced Islam and) came with the Messenger of Allah "Allah's blessing and peace be upon him" to perform Hajj, they made a mention of that to him, thereupon Allah Almighty revealed that. Indeed, Allah never regards as complete the Hajj of such as does not compass Safa and Marwah round.

2987- It is narrated on the authority of Safiyyah Bint Shaibah from a child's mother belonging to Shaibah that he said: I saw the Messenger of Allah "Allah's blessing and peace be upon him" compassing Safa and Marwah round, and he was saying: "The Abtah should not be covered but as running."

2988- It is narrated on the authority of Ibn Umar that he said: If I compass Safa and Marwah round as running, no doubt, I saw the Messenger of Allah "Allah's blessing and peace be upon him" having compassed them round as running; and if I walk between them, no doubt, I saw the Messenger of Allah "Allah's blessing and peace be upon him" having walked between them; and I am now an old man (unable to compass them round as running).

[44] What About Umrah

2989- It is narrated on the authority of Talhah Ibn Ubaidullah that he heard the Messenger of Allah "Allah's blessing and peace be upon him" having said: "(Performing) Hajj is (obligatory upon Muslims like) Jihad, and Umrah is voluntary."

2990- It is narrated on the authority of Abdullah Ibn Abu Awfa that he said: We were with the Messenger of Allah "Allah's blessing and peace be upon him" when he offered the Umrah (in lieu of that of Hudaibiyah): he circumambulated (the House), and we did so with him, and he offered prayer, and we did so with him; and we screened him from the people (pagans) of Mecca, lest anyone might touch him with harm.

[45] Performing The Umrah In (The Month Of) Ramadan

2991- It is narrated on the authority of Wahb Ibn Khanbash that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "(Performing) Umrah in (the month of) Ramadan is equal (in reward) to (performing) Hajj" (even though it does not cancel out the obligation).

2992- It is narrated on the authority of Harem Ibn Khanbash that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said:

2993- It is narrated on the authority of Abu Ma'qil that the Messenger of Allah "Allah's blessing and peace be upon him" said: "(Performing) Umrah in (the month of) Ramadan is equal (in reward) to (performing) Hajj" (even though it does not cancel out the obligation).

month of Dhul-Hijjah and he said to us: "Whoever wants to assume Ihram for Hajj may do so, and whoever wants to assume Ihram for Umrah may do so. Had I not brought the sacrifice (with me), I would have assumed Ihram for Umrah." So some of us assumed Ihram for Umrah while the others for Hajj. I was amongst those who assumed Ihram for Umrah. We set out until the day of Arafat came upon me while I was still menstruating. I complained to the Messenger of Allah “Allah’s blessing and peace be upon him” (about that) and he said: "Abandon your Umrah, undo and comb your hair, and assume Ihram for Hajj." When it was the night of Hasba, and Allah has helped us complete our Hajj, he sent Abd Ar-Rahman Ibn Abu Bakr with me. He made me ride behind him and he set out to Tan’im and I assumed Ihram for Umrah (and performed it). Thus, Allah enabled us to complete our Hajj and Umrah; and neither sacrifice, nor charity, nor fasting was due.

[54] Descending On Arafat

3009- It is narrated on the authority of Ibn Umar that the Messenger of Allah "Allah's blessing and peace be upon him" used to descend in Arafat at the valley of Namirah. 3011- It is narrated on the authority of Yazid Ibn Shaiban that he said: We were standing at a place, far from the place of stay (of the imam), thereupon Ibn Mirba' came to us and said: "I'm Allah's Apostle to you, and he tells you to keep on your places, for now (by your standing at this place which is a part of Arafat) you stand on a portion of the heritage of Abraham, (who laid the foundation of staying at Arafat)."

3012- It is narrated on the authority of Jabir Ibn Abdullah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "The whole (area of) Arafat is fitting for a place of stay, and you should move away from the middle of Arafat; and the whole (area of) Muzdalifah is fitting for a place of stay, and you should move away from the middle of Muhassir; and the whole (area of) Mina is fitting for a place of slaughtering (sacrifice) except what is behind Aqabah."

[56] The Supplication In Arafat

3013- It is narrated on the authority of Abbas Ibn Mirdas As-Sulaim that the Messenger of Allah invoked forgiveness for his nation in the evening (prior to the day) of Arafat, and he was responded to (by Allah saying): "I've forgiven for them barring the wrongdoer, from whom I take up the right of the wronged one." He said: "O Lord! If You so like, you could give the wronged one from the Garden, and forgive the wrongdoer!" but he was not responded to in this evening. When morning came upon him and he was at Muzdalifah, he repeated the invocation, he received the answer for what he asked. On that the Messenger of Allah "Allah's blessing and peace be upon him" laughed (or smiled). Abu Bakr and Umar said: "Let my father be sacrificed for you! You've never used to laugh at that hour: what has caused you to laugh, might Allah keep you cheerful?" on that he said: "When Iblis, Allah's enemy, came to know that Allah Almighty responded to my invocation of forgiveness for all of my nation, he took dust and started throwing it over his head, invoking destruction and perdition upon himself. Thus, I laughed on account of seeing him having been scared."

3014- It is narrated on the authority of A'ishah that the Messenger of Allah "Allah's blessing and peace be upon him" said: "There is no day, on which Allah Almighty is more ready to release a servant from the fire (of Hell) than the day of Arafah. He Almighty comes near them (with His Mercy and Forgiveness), and then vie in glory with the angels because of them, saying: "What do those want?"

[57] When One Comes To Arafah Before Dawn On The Night Of Mina

3015- It is narrated on the authority of Abd Ar-Rahman Ibn Ya'mur Ad-Daili: I was attendant when the Messenger of Allah "Allah's blessing and peace be upon him" was standing at Arafah, and some people from Najd came to him and asked: "O Messenger of Allah! How should Hajj (be achieved)?" he said: "The (most fundamental portion of) Hajj is (to stand at) Arafah. Whoever could manage to reach Arafah before the rise of the dawn, no doubt, he has caught (Hajj). Moreover, the days of Mina are three, But if any one hastens to leave in two days, there is no blame on him, and whoever stays more, there is no harm to him." Then, he made somebody behind him announce that publicly.

(...)It is narrated on the authority of Abd Ar-Rahman Ibn Ya'mur Ad-Daili that he said: I went to the Messenger of Allah "Allah's blessing and peace be upon him" at Arafah, and some people from Najd came to him...and the rest is the same.

He said: I came to the Messenger of Allah "Allah's blessing and peace be upon him" and said to him: "O Messenger of Allah! (I've come from the mountains of Tai so much quickly that) I troubled my mount and tired myself. By Allah! I've left no elevated tract of sand but I stood upon it. So, should my Hajj be considered as valid?" upon this the Messenger of Allah "Allah's blessing and peace be upon him" said: "He, who attends this prayer of ours, keeps staying with us until we move, and he has stood at Arafah by day or at night earlier, then, he has completed his Hajj, and fulfilled his holy ceremonies."

[58] The Departure From Arafat

3017- It is narrated on the authority of Usamah Ibn Zaid that he was asked: "How was the speed of (the camel of) Allah's Apostle "Allah's blessing and peace be upon him" while leaving Arafat?" No criminal draws (the sin of his crime) but on himself: no father draws (the sin of his crime) on his son, nor does a son draw (the sin of his crime) on his father! Behold! Satan has despaired to be worshipped in this town of yours, but he will be obeyed in some of your deeds, which you look down, and he will approve of them. Behold! Every (claim over) blood belonging to the pre-Islamic period of ignorance should be cancelled out, and the first, which I cancel out is the (claim over the) blood of Al-Harith Ibn Abd Al-Muttalib, who was brought up in (the tribe of) Banu Laith, and then he was killed by (those of) Hudhail. Behold! Any usury belonging to the pre-Islamic period of ignorance should be cancelled out; and you have only your assets: neither you should be unjust, nor should you be dealt unjustly. Behold! was in a state of sadness (and anxiety). I asked him: "O Messenger of Allah! You have come out from me in a state of pleasure and cheerfulness, and when you returned, you were in a state of sadness (and anxiety: what is the reason for that?)." on that he said: "I've entered the Ka'bah (and offered prayer in it), and indeed, would that I did not do so, for fear I might put (the generations of) my nation after me to trouble" (for they would strive their utmost to enter the Ka'bah and pray in it, in imitation of his guidance).

[80] The Stay In Mecca During The Nights Of Mina

3065- It is narrated on the authority of Ibn Umar that he said: Al-Abbas Ibn Abd Al-Muttalib asked for the permission of the Messenger of Allah "Allah's blessing and peace be upon him" to spend the night in Mecca during the days of Mina, for his (task of) providing the pilgrims with water; and the Messenger of Allah "Allah's blessing and peace be upon him" gave him permission.

3066- It is narrated on the authority of Ibn Abbas that he said: Never did the Messenger of Allah "Allah's blessing and peace be upon him" give concession to anyone to spend the night in Mecca (during the days of Mina) barring Al-Abbas for his (task of) providing the pilgrims with water.

[81] Descending On Al-Muhassab

3067- It is narrated on the authority of A'ishah that she said: It is not out of the sunnah to halt at Al-Abtah; even though the Messenger of Allah "Allah's blessing and peace be upon him" halted at it in order to make easier (the operation of) his setting out.

3068- It is narrated on the authority of A'ishah that she said: On the night of departure, the Messenger of Allah "Allah's blessing and peace be upon him" proceeded on from Batha' at the last portion of the night.

3069- It is narrated on the authority of Ibn Umar that he said: The Messenger of Allah "Allah's blessing and peace be upon him", then Abu Bakr, then Umar and then Uthman used to descend at Al-Abtah.

[82] The Farewell Circumambulation

3070- It is narrated on the authority of Ibn Abbas that he said: The people used to turn away to everywhere (after finishing from the ceremonies), thereupon the Messenger of Allah "Allah's blessing and peace be upon him" said: "Let none depart until the last thing he does is (to circumambulate) the House."

3071- It is narrated on the authority of Ibn Umar that the Messenger of Allah "Allah's blessing and peace be upon him" forbade that one should depart until the last thing he does is (to circumambulate) the House.

[83] The Menstruating Woman Departs Before She Bids Farewell (To The House)

3072- It is narrated on the authority of A'ishah that she said: Safiyyah Bint Huyai got her menses after she had offered the Ifadah circumambulation, and when I made a mention of that to the Messenger of Allah "Allah's blessing and peace be upon him" he said: "Would she detain us?" I said: "She offered the Ifadah circumambulation, and then she got her menses." On that the Messenger of Allah "Allah's blessing and peace be upon him" said: "Then, let her depart."

3073- It is narrated on the authority of A'ishah that she said: The Messenger of Allah "Allah's blessing and peace be upon him" mentioned Safiyyah and we said to him that she had got her menses. On that he said: "Let her be unsuccessful hairless woman! She seems to detain us (from departure to Medina)!" I said: "O Messenger of Allah! She offered the (Ifadah) circumambulation on the day of Sacrifice." On that he said: "No (she will not detain us) then: order her to depart (with us)."

[84] The Greater Pilgrimage Of The Messenger Of Allah

3074- It is narrated on the authority of Ja'far Ibn Muhammad from his father: We went to visit Jabir Ibn Abdullah and when we entered into him, he started inquiring about the people (who came with me) till he reached me. I said: "I am Muhammad Ibn Ali Ibn Al-Husain." He placed his hand upon my head and opened my upper button and then the lower one. Then he placed his palm between my breasts (out of compassion). I was still a young man. He said: "You are welcome, O my nephew. Ask about whatever you want." I asked him. indeed, he was blind, and the time of prayer came. He stood up wrapping himself in a mantle, which was so short that whenever he placed its ends upon his shoulders they slipped down. His garment was hanging on the clothes rack beside him. He led us in the prayer.

(After he had finished the prayer) I said to him: "Tell me about the Hajj of The Messenger of Allah "Allah's blessing and peace be upon him"." He pointed nine with his hand, and said: The Messenger of Allah "Allah's blessing and peace be upon him" stayed in (Medina) for nine years without offering Hajj. Then he announced publicly in the tenth year that The Messenger of Allah "Allah's blessing and peace be upon him" was going to

offer Hajj. A great number of people came to Medina, all of whom were eager to follow The Messenger of Allah "Allah's blessing and peace be upon him" and do the same as his doing. We set out with him till we reached Dhul-Hulaifah. Asma Bint Umais delivered Muhammad Ibn Abu Bakr. She sent to The Messenger of Allah "Allah's blessing and peace be upon him" asking him: "What should I do?" He said: "Take a bath, bandage your privates and assume Ihram (for Hajj)." The Messenger of Allah "Allah's blessing and peace be upon him" offered prayer in the mosque and then rode (his she-camel known as) Al-Qaswa. When it stood upright with him at Al-Baida, I stretched my sight as far as it could reach, and I couldn't see in front of me but riders and pedestrians. (I saw also) on my right like this, on my left like this, and behind me like this. The Messenger of Allah "Allah's blessing and peace be upon him" was among us, on whom The Holy Qur'an was being sent down; and he knew well its (truly right) interpretation. Whatever he did, we also did. He uttered the (statement affirming the) Oneness of Allah: "I'm responding to Your call, O Allah, I'm responding to Your call, You have no partner with You, I'm responding to Your call. All the praises and blessings be to You, All the dominion be for You. You have no partner with You." (LabbaikAllahumma labbaik. Labbaika la sharika laka labbaik. Innalhamda wan-ni'mata laka walmulk. La sharika lak). The people also pronounced their Talbiyah, which they used to pronounce, from which The Messenger of Allah "Allah's blessing and peace be upon him" did not reject anything. But The Messenger of Allah "Allah's blessing and peace be upon him" stuck to his own Talbiyah.

Jabir said: We did neither have any intention but that of Hajj only, nor did we know (that we would assume Ihram for) the Umrah. When we came with him to the House, he touched the corner and circumambulated (the Ka'bah seven times), three of which as running and four as walking. Then he went to the Station of Abraham, and recited: "And take the Station of Abraham as a place of prayer." He made the Station between him and the Qiblah.

(The narrator said): My father said (and I do not know except that he had mentioned it from The Messenger of Allah "Allah's blessing and peace be upon him") that he recited in the two Rak'ahs (he offered): "Say: He is Allah, The One and Only" and "say: O you who reject faith!" He then returned to the corner (of the Black Stone) and touched it. He went out of the gate to Safa. When he came near it he recited: " Safa and Marwah are from amongst the signs appointed by Allah." (He said): "I start with what Allah (ordered me to) start." He first ascended Safa till he saw the House.

Then, he magnified Allah, declared His Oneness, and praised Him, and said: "There is no god but Allah, The One and Only, with Whom there is no partner. To Him be the Dominion, and to Him be the praise, and He has Power over everything. There is no god but Allah The One and Only, Who accomplished His promise, enabled His servant to emerge victorious, and (He) Alone defeated the confederates." He invoked (Allah) in that way, reciting such statements thrice. He then descended and walked towards Marwah. When his feet came down in the bottom of the valley, he walked fast. When he started to ascend he walked normally till he reached Marwah, where he did as he had done at Safa.

When it was his last round at Marwah he said: "Had I known earlier what I have come to know later, I would not have driven the sacrificial animals and would have made it Umrah. So, whoever among you does not have the sacrificial animal with him should put off Ihram and make it Umrah." In this way, all the people put off their Ihram and cut short their hair except the Messenger of Allah "Allah's blessing and peace be upon him" and such as had their sacrificial animals with them. Suraqah Ibn Malik Ibn Ju'shum got up and said: "O Messenger of Allah! Does it apply only to this year or perpetually?" The Messenger of Allah "Allah's blessing and peace be upon him" intertwined the fingers (of one hand) into the other and said twice: "The (ceremonies of) Umrah became included in the (ceremonies of) Hajj" (adding): "No, but perpetually and everlastingly."

Ali came with the sacrificial animals of The Prophet "Allah's blessing and peace be upon him" and found (his wife) Fatimah among those who had put off Ihram. She put on dyed clothes and put kohl (in her eyes). He denied that from her. But, she said: "It is my father who ordered me to do so." (He (the narrator) said that Ali used to say in Iraq: I went to The Messenger of Allah "Allah's blessing and peace be upon him" showing my disturbance from Fatimah for what she had done, in order to ask about the religious verdict of The Messenger of Allah "Allah's blessing and peace be upon him" concerning what she had told about him, which I rejected from her. He said: "She has told the truth; she has told the truth. Anyway, what did you say when you intended to perform Hajj?" I (Ali) said: "O Allah! I assume Ihram with the same intention as that of Your Messenger." He said: "I have the sacrificial animals with me, so do not put off Ihram."

He (Jabir) said: The number of those sacrificial animals brought by Ali from Yemen and of those brought by The Prophet "Allah's blessing and peace be upon him" was one hundred. Then all the people put off Ihram, and cut short their hair, except The Prophet "Allah's blessing and peace be

upon him" and those who had the sacrificial animals with them. When it was the day of Tarwiyah (eighth of Dhul-Hijjah) they went to Mina and assumed Ihram for Hajj. The Messenger of Allah "Allah's blessing and peace be upon him" rode and led the Zhuhr, Asr, Maghrib, Isha and Fajr prayers. He waited a little until the sun rose, and ordered that a tent of hair should be pitched for him at (the area of) Namirah. The Messenger of Allah "Allah's blessing and peace be upon him" proceeded on, and (the people of) Quraish had no doubt that he would halt at the sacred site "Al-Mash'ar Al-Haram" as they used to do in the pre-Islamic period of ignorance. The Messenger of Allah "Allah's blessing and peace be upon him" proceeded on till he came to Arafat where he found that the tent had been pitched for him at Namirah. He halted till the sun had declined. He ordered that (his she-camel) Al-Qaswa should be brought and saddled for him. Then he came to the bottom of the valley, and addressed the people saying:

"Verily your blood and property have the same sanctity of this day of yours, in this month of yours, in this town of yours. Behold! Everything belonging to the Days of pre-Islamic period of Ignorance is to be under my feet, fully abolished. The blood (claims) of retaliations of the Days of the pre-Islamic period of Ignorance are to be annulled. The first claim of ours on blood of retaliation, which I abolish, is that of Rabie'ah Ibn Al-Harith, who was nursed in the tribe of Sa'd and then killed by (the tribe of) Hudhail. The usury of the pre-Islamic period of ignorance is also to be abolished. The first usury of ours I abolish is that of Abbas Ibn Abd Al-Muttalib, for it is entirely abolished. Fear Allah concerning women! Verily you have taken them under the protection of Allah, and sexual intercourse with them has been made lawful for you by words of Allah. You also have right over them, i.e. they should not allow anyone whom you do not like to sit on your bed. But if they do that, you can chastise them but not severely. Their rights upon you are that you should fairly provide them with food and clothing. I have left among you the Book of Allah, and if you hold fast to it, you would never go astray. You would be asked about me (on the Day of Judgement): Then, what would you say?" They (the people) said: "We will testify that you reported (Allah's message), fulfilled (the duties of Prophethood) and presented good (sincere) advice." He (The Prophet) lifted his index finger towards the sky and pointed it at the people, (saying): "O Allah! be witness! O Allah! be witness!" he said it thrice. Then, he (The Prophet ordered Bilal to pronounce Adhan, and he) pronounced Adhan and then pronounced the prayer establishment. He (The Prophet) led the Zhuhr prayer. He (Bilal) then pronounced the prayer establishment once again and he (The Prophet) led the Asr prayer. He offered no other prayer in between them.

الشَّمْسُ. وَأَمَرَ بِقُبَّةٍ مِنْ شَعَرٍ فَضُرِبَتْ لَهُ بِنَمِرَةَ. فَسَارَ رَسُولُ اللَّهِ ﷺ لاَ تَشُكُّ قُرَيْشٌ إِلاَّ أَنَّهُ وَاقِفٌ عِنْدَ الْمَشْعَرِ الْحَرَامِ أَوِ الْمُزْدَلِفَةِ، كَمَا كَانَتْ قُرَيْشٌ تَصْنَعُ فِي الْجَاهِلِيَّةِ. فَأَجَازَ رَسُولُ اللَّهِ ﷺ حَتَّى أَتَىٰ عَرَفَةَ. فَوَجَدَ الْقُبَّةَ قَدْ ضُرِبَتْ لَهُ بِنَمِرَةَ. فَنَزَلَ بِهَا. حَتَّى إِذَا زَاغَتِ الشَّمْسُ، أَمَرَ بِالْقَصْوَاءِ فَرُحِلَتْ لَهُ. فَرَكِبَ حَتَّى أَتَىٰ بَطْنَ الْوَادِي. فَخَطَبَ النَّاسَ فَقَالَ: «**إِنَّ دِمَاءَكُمْ وَأَمْوَالَكُمْ عَلَيْكُمْ حَرَامٌ كَحُرْمَةِ يَوْمِكُمْ هٰذَا، فِي شَهْرِكُمْ هٰذَا، فِي بَلَدِكُمْ هٰذَا. أَلاَ وَإِنَّ كُلَّ شَيْءٍ مِنْ أَمْرِ الْجَاهِلِيَّةِ مَوْضُوعٌ تَحْتَ قَدَمَيَّ هَاتَيْنِ. وَدِمَاءُ الْجَاهِلِيَّةِ مَوْضُوعَةٌ. وَأَوَّلُ دَمٍ أَضَعُهُ دَمُ رَبِيعَةَ بْنِ الْحٰـرِثِ.** (كَانَ مُسْتَرْضِعاً فِي بَنِي سَعْدٍ، **فَقَتَلَتْهُ هُذَيْلٌ**). **وَرِبَا الْجَاهِلِيَّةِ مَوْضُوعٌ. وَأَوَّلُ رِباً أَضَعُهُ رِبَانَا. رِبَا الْعَبَّاسِ بْنِ عَبْدِ الْمُطَّلِبِ، فَإِنَّهُ مَوْضُوعٌ كُلُّهُ. فَاتَّقُوا اللَّهَ فِي النِّسَاءِ. فَإِنَّكُمْ أَخَذْتُمُوهُنَّ بِأَمَانَةِ اللَّهِ. وَاسْتَحْلَلْتُمْ فُرُوجَهُنَّ بِكَلِمَةِ اللَّهِ. وَإِنَّ لَكُمْ عَلَيْهِنَّ أَنْ لاَ يُوطِئْنَ فُرُشَكُمْ أَحَداً تَكْرَهُونَهُ. فَإِنْ فَعَلْنَ ذٰلِكَ فَاضْرِبُوهُنَّ ضَرْباً غَيْرَ مُبَرِّحٍ. وَلَهُنَّ عَلَيْكُمْ رِزْقُهُنَّ وَكِسْوَتُهُنَّ بِالْمَعْرُوفِ. وَقَدْ تَرَكْتُ فِيكُمْ مَا لَمْ تَضِلُّوا إِنِ اعْتَصَمْتُمْ بِهِ: كِتَابُ اللَّهِ. وَأَنْتُمْ مَسْؤُولُونَ عَنِّي. فَمَا أَنْتُمْ قَائِلُونَ؟**» قَالُوا: نَشْهَدُ أَنَّكَ قَدْ بَلَّغْتَ وَأَدَّيْتَ وَنَصَحْتَ. فَقَالَ بِإِصْبَعِهِ السَّبَّابَةِ إِلَى السَّمَاءِ، وَيَنْكُبُهَا إِلَى النَّاسِ: «**اللَّهُمَّ اشْهَدْ. اللَّهُمَّ اشْهَدْ**» ثَلاَثَ مَرَّاتٍ. ثُمَّ أَذَّنَ بِلاَلٌ. ثُمَّ أَقَامَ فَصَلَّى الظُّهْرَ. ثُمَّ أَقَامَ فَصَلَّى الْعَصْرَ. وَلَمْ يُصَلِّ بَيْنَهُمَا شَيْئاً. ثُمَّ رَكِبَ رَسُولُ اللَّهِ ﷺ حَتَّى أَتَىٰ الْمَوْقِفَ. فَجَعَلَ بَطْنَ نَاقَتِهِ إِلَى الصَّخَرَاتِ.

The Messenger of Allah "Allah's blessing and peace be upon him" then rode his she-camel and came to the place of stay, making his she-camel Al-Qaswa turn towards the direction of the rocks, having the path of walkers in front of him, and he was facing the Qiblah. He kept staying there till the sun set, the yellow light had gone a little, and the disc of the sun had disappeared. He made Usamah ride behind him. Then, The Messenger of Allah "Allah's blessing and peace be upon him" pulled the noseband of Al-Qaswa so forcefully that its head touched the saddle (in order to have complete control over it). He pointed out to the people with his right hand to be calm (and moderate in speed). Whenever he happened to pass over an elevated tract of sand, he slightly loosened it (the noseband of his she-camel) till it climbed up. He kept doing so until he reached Al-Muzdalifah, where he led the Maghrib and Isha prayers with one Adhan and two calls for prayer establishment. He did not offer (supererogatory) prayers in between them.

The Messenger of Allah "Allah's blessing and peace be upon him" then lay down till the dawn appeared. He offered the Fajr prayer with an Adhan and Iqamah when the light of the morning was clear. He rode Al-Qaswa (and proceeded on). When he came to the Sacred Site (Al-Mash'ar Al-Haram), he ascended it, praised Allah, magnified Him, and pronounced His Uniqueness and Oneness (i.e. There is no god but Allah). He kept standing till the daylight was very clear. He then proceeded on quickly before the sun rose, and made Al-Fadl Ibn Al-Abbas ride behind him, who was a man of beautiful hair, fair complexion and handsome face. While The Messenger of Allah "Allah's blessing and peace be upon him" was advancing, there was a group of women (walking side by side with them). Al-Fadl started looking at them. The Messenger of Allah "Allah's blessing and peace be upon him" put his hand on the face of Al-Fadl who turned his face to the other side, and started looking, but The Messenger of Allah "Allah's blessing and peace be upon him" turned his hand to the other side and put it on the face of Al-Fadl. He turned his face to the other side till he came to the bottom of Muhassir. He (The Prophet) urged it (al-Qaswa) a little. Taking his way through the middle road, which comes out at the greatest Jamrah, he came to the Jamrah near the tree, which he threw with seven small pebbles, magnifying Allah on (throwing) every pebble of them (and they were too small to be thrown) with fingers and he did so in the bottom of the valley. He then went to the place of sacrifice, and sacrificed sixty-three (camels) with his own hand, and confided to Ali to slaughter the rest, whom he made share sacrifice with him. He then ordered that a piece of flesh from each sacrificial animal should be put in a pot. Then, it was

cooked, from which both of them (The Prophet and Ali) ate some meat and drank its soup. The Messenger of Allah "Allah's blessing and peace be upon him" rode and came to the House, and offered the Zhuhr prayer at Mecca. He came to the sons of Abd Al-Muttalib, who were supplying water (to the people) at Zamzam. He said (to them): "Draw water O sons of Abd Al-Muttalib! Had it not been for fear that the people would overpower you in your right of supplying water, I would have drawn it with you." They gave him a bucket (full of water) from which he drank.

3075- It is narrated on the authority of A'ishah that she said: We set out with the Messenger of Allah "Allah's blessing and peace be upon him" and we were three types (as far as assuming Ihram is concerned): some of us assumed Ihram for both Umrah and Hajj jointly, others for Hajj solely, and some for Umrah solely. Whoever assumed Ihram for both Umrah and Hajj jointly did not put off Ihram until he fulfilled the all ceremonies of Hajj; and whoever assumed Ihram for Hajj solely did not also put off Ihram until he fulfilled all ceremonies of Hajj; and whoever assumed Ihram for Umrah solely circumambulated the House and compassed Safa and Marwah round, and then he put off Ihram in order to assume a new Ihram for Hajj.

3076- It is narrated on the authority of Sufyan that he said: The Messenger of Allah "Allah's blessing and peace be upon him" performed Hajj three times: two before his Migration, and the third after his Migration, i.e. he performed it from Medina, jointly with Umrah. Furthermore, the number of the sacrificial animals brought by the Messenger of Allah "Allah's blessing and peace be upon him" and those brought by Ali was one hundred camels, including one belonging to Abu Jahl, in whose nose there was a ring of silver. The Messenger of Allah "Allah's blessing and peace be upon him" slaughtered sixty-three ones with his own hand, and Ali slaughtered the remaining (thirty-seven). It was to him: Who related that narration? He said: Ja'far from his father from Jabir Ibn Abdullah, and Ibn Abu Laila from Al-Hakam from Miqsam from Ibn Abbas.

3077- It is narrated on the authority of Al-Hajjaj Ibn Amr Al-Ansari that he said: I heard the Messenger of Allah "Allah's blessing and peace be upon him" having said: "He, who (has any part of his body) broken or who becomes lame (which hinders him from completing his Hajj) has indeed, put off Ihram, and another Hajj becomes due upon him." I narrated it to Abu Hurairah and Ibn Abbas and they said: He has told the truth.

(26) THE BOOK OF SACRIFICE

[1] The Sacrifices Of The Messenger Of Allah

3120- It is narrated on the authority of Anas Ibn Malik that he said: The Messenger of Allah "Allah's blessing and peace be upon him" used to sacrifice two horned rams, while and black in colour, mentioning Allah's Name and magnifying Him (on slaughtering them); and I saw him slaughtering them with his own hand, placing his foot on their sides.

3121- It is narrated on the authority of Jabir Ibn Abdullah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" sacrificed on the Id (of Al-Adha) two rams; and he said when he turned them (to be slaughtered): "For me, I have set my face, firmly and truly, towards Him Who created the heavens and the earth, and never shall I give partners to Allah." (Al-An'am 79) "Truly, my prayer and my service of sacrifice, my life and my death, are (all) for Allah, the Cherisher of the Worlds; No partner has He: this am I commanded, and I am the first of those who bow to His Will." (162:163) (Then he said) "O Allah! from You it is, and to You it is (slaughtered) on behalf of Muhammad and his nation."

3122- It is narrated on the authority of both A'ishah and Abu Hurairah that whenever the Messenger of Allah "Allah's blessing and peace be upon him" intended to sacrifice, he would buy two huge fat horned rams white and black in colour, with their testicles removed, and he would slaughter one of them on behalf of those among his nation who bear testimony to the fact that Allah is One and Only, and that he (Muhammad) has conveyed (His Message), and the other on behalf of Muhammad and the family of Muhammad "Allah's blessing and peace be upon him".

[2] What About The Obligation Of Sacrifice

3123- It is narrated on the authority of Abu Hurairah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "He, who lives at convenience (of wealth) and, at the same time, he offers no sacrifice, let not him approach this praying place of ours."

3124- It is narrated on the authority of Muhammad Ibn Sirin that he said: I asked Ibn Umar whether sacrifice was obligatory or not, thereupon he said: The Messenger of Allah "Allah's blessing and peace be upon him" offered sacrifice, and so did the Muslims after him, and thus it has become out of the sunnah.

(...) It is narrated on the authority of Jabalah Ibn Suhaim that he said: I asked Ibn Umar...and he mentioned the same.

[3] The Reward Of Sacrifice

3126- It is narrated on the authority of A'ishah that she said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "No deed one does on the day of Sacrifice much dearer in Allah's Sight than to shed the blood (of sacrifice): on the Day of Judgement, its horns, hoofs and hair will be brought (to be placed in the weight of his good deeds), and before the blood fall down on the ground, (the reward of) it is kept in the Presence of Allah Almighty." So (A'ishah resumed) be cheerful on account of it!

3127- It is narrated on the authority of Zaid Ibn Arqam that he said: The companions of the Messenger of Allah "Allah's blessing and peace be upon him" said to him: "O Messenger of Allah! What about sacrifice?" he said: "It is (in imitation) of the way of your father Abraham." They asked: "What (reward) shall we get from that O Messenger of Allah?" he said: "By each single hair, (you get) a good deed." [4] Mentioning The Name Of Allah On Slaughtering

3173- It is narrated on the authority of Ibn Abbas that he said: Satans used to reveal to their devotees, saying: "Do not eat of such as Allah's Name is mentioned on (slaughtering) it (out of glorifying Him), and eat of such as Allah's Name is not mentioned on (slaughtering) it." On that occasion, Allah Almighty said: "And do not eat of such as Allah's Name is not mentioned on (slaughtering) it."

3174- It is narrated on the authority of A'ishah, the Mother of the Believers that some people said to the Messenger of Allah "Allah's blessing and peace be upon him": "O Messenger of Allah! Some people bring us meat, and we do not know whether Allah's Name is mentioned on (slaughtering) it." On that he said to them: "You should mention Allah's Name (on it), and then eat it." They were still close to the time of infidelity.

[5] The Instrument Of Slaughtering

3177- It is narrated on the authority of Adi Ibn Hatim that he said: I said: "O Messenger of Allah! (Sometimes) we catch a game and find no knife (to slaughter it) but the sharp stone or the side of the stick." On that he said: "Make the blood (of it) run with whatever (instruments) you like, and mention Allah's Name on (slaughtering) it."

3178- It is narrated on the authority of Rafi' Ibn Khadij that he said: We were on journey in the company of the Messenger of Allah "Allah's blessing and peace be upon him" when I said: "O Messenger of Allah! We go to the holy battle, having no knives with us (what instrument should we use in slaughtering?)" on that The Prophet "Allah's blessing and peace be upon him" said: "Use whatever causes blood to flow, and eat the animals if the name of Allah has been mentioned on slaughtering them. Do not slaughter with teeth or fingernails and that is because teeth are bones (which Cannot cut properly) and fingernails are the tools used by the Abyssinians (whom we should not imitate for they are infidels)."

[3] The Game Caught By A Dog

3207- It is narrated on the authority of Abu Tha'labah Al-Khushani: I came to the Messenger of Allah "Allah's blessing and peace be upon him" and said to him: "O Allah's Apostle! We are living in a land ruled by the people of the Scripture; can we take our meals in their utensils? In that land there is a plenty of game and I hunt the game with my bow and with my untamed and tamed hound. Then what is lawful for me to eat?" He said: "As for what you have mentioned about the people of the Scripture, if you can get utensils other than theirs, do not eat in theirs, but if you cannot get other than theirs, wash their utensils and eat in them. As for what you've mentioned that you live In land where there is a plenty of game, if you hunt an animal with your bow mention Allah's Name (on slaughtering it) and eat of it; and if you hunt something with your trained hound, mention Allah's Name (on slaughtering it) and eat of it, and if you hunt something with your untrained hound (and get it before it dies) and slaughter it, eat of it."

3208- It is narrated on the authority of Adi Ibn Hatim: I asked The Messenger of Allah "Allah's blessing and peace be upon him" saying: "We are people who hunt with these (trained) dogs, then (what should we do)?" He (The Prophet) said: "When you set off your trained dogs after having recited the name of Allah, then eat what they catch for you, even if it (the game) is killed, on the condition that (the hunting dog) has not eaten (any portion of the game). If it has eaten (the game), then don't eat it since I fear that it might have caught it for its own self; and do not eat if other dogs take part with your trained dogs."

I got one, roasted it, and brought to the Messenger of Allah "Allah's blessing and peace be upon him", who then took a leaf stalk therewith he started counting his fingers, and said: "From amongst the Israelites, there was a sect, who were transformed into (animals like) mastigures on earth, and I do not know, perhaps these (mastigures) might belong to them." I said to him: "The people roasted and ate them." Neither he ate, nor did he forbid that.

In our land, there is a plenty of mastigures: what do you see in (eating) mastigures?" he said: "I was informed that those belong to a sect (from amongst the sects of the Israelites) who were transformed (into animals)." He neither ordered (him to eat) it, nor did he forbid it.

3241- It is narrated on the authority of Ibn Abbas from Khalid Ibn Al-Walid: A roasted mastigure was brought to The Prophet "Allah's blessing and peace be upon him" who stretched his hand towards it to eat, but it was said to him: "O Messenger of Allah! old or very young. No doubt, I heard The Prophet "Allah's blessing and peace be upon him" saying: "(Treatment by) cupping before eating anything is much more appropriate, and there are blessing and cure in it. It improves one's mind, and increases the (faculty of one's) memory. Get yourselves cupped on Thursday, with Allah's blessing, and avoid being cupped on Wednesday, Friday, Saturday and Sunday. But you could get yourselves cupped particularly on Monday and Tuesday, for it was on this day that Allah Almighty relieved (the Prophet) Job of his distress; and it was on Wednesday that He afflicted him with it. Leprosy seems not to befall anyone except on Wednesday or on the night of Wednesday."

[38] Blowing While Reciting A Charm

3528- It is narrated on the authority of A'ishah that the Messenger of Allah "Allah's blessing and peace be upon him" used to blow while reciting a charm.

3529- It is narrated on the authority of A'ishah that she said: Whenever the Messenger of Allah "Allah's blessing and peace be upon him" got ill, he would recite both Surahs of seeking refuge (with Allah from evil) and blow (while reciting them). When his illness became aggravated, I recited them on him, rubbing his body with his hand, in expectation for his blessing.

[39] What About Applying Incantation

3530- It is narrated on the authority of Zainab, the wife of Abdullah Ibn Mas'ud that she said: An old woman used to visit us, and recite charm against erysipelas, and we had a bed of long sides; and whenever Abdullah intended to enter (the house), he would make voice (so that she should screen herself). One day he came in, and when she heard his voice, she screened herself from him. When he came and sat beside me, and touched my body, he detected a string (on my body), thereupon he asked: "What is that?" I said: "It is an incantation against erysipelas." He pulled it and cut it, and then he threw it away. He said: No doubt, the (members of the) family of Abdullah have become independent of paganism. I heard the Messenger of Allah "Allah's blessing and peace be upon him" having said: "Verily, charm, incantation and talisman are out of paganism." I said: One day, I set out, and so and so saw me, thereupon my eye which was facing him started shedding tears: every time I recited charm on it, the tears would stop, and whenever I left it, it would keep flowing with tears. He said: This is Satan: if you obey him, he will leave you; and if you disobey him, he will pierce his fingers into your eye; and if you do the same as the Messenger of Allah "Allah's blessing and peace be upon him" did, it would be much better for you, and more convenient to be cured. Sprinkle water in your eye and said: "Remove the trouble, O Lord of the people: cure me, You are the Curer, and there is no cure but Yours, a cure that leaves behind no ailment."

3531- It is narrated on the authority of Imran Ibn Al-Husain that he said: The Messenger of Allah "Allah's blessing and peace be upon him" saw a silver ring hung in the hand of a man, thereupon he asked him: "What is that?" he said: "I take it (to protect myself) from asthenia." On that the Messenger of Allah "Allah's blessing and peace be upon him" said: "Remove it, for it does but increases you in weakness."

قُلْتُ: فَإِنِّي خَرَجْتُ يَوْماً فَأَبْصَرَنِي فُلاَنٌ. فَدَمَعَتْ عَيْنِي الَّتِي تَلِيهِ. فَإِذَا رَقَيْتُهَا سَكَنَتْ دَمْعَتُهَا. وَإِذَا تَرَكْتُهَا دَمَعَتْ. قَالَ: ذٰاكِ الشَّيْطَانُ. إِذَا أَطَعْتِهِ تَرَكَكِ، وَإِذَا عَصَيْتِهِ طَعَنَ بِإِصْبَعِهِ فِي عَيْنِكِ. وَلٰكِنْ لَوْ فَعَلْتِ كَمَا فَعَلَ رَسُولُ اللَّهِ ﷺ، كَانَ خَيْراً لَكِ وَأَجْدَرَ أَنْ تَشْفِينَ. تَنْضَحِينَ فِي عَيْنِكِ الْمَاءَ وَتَقُولِينَ: أَذْهِبِ الْبَاسْ. رَبَّ النَّاسْ. اشْفِ، أَنْتَ الشَّافِي. لاَ شِفَاءَ إِلاَّ شِفَاؤُكَ، شِفَاءً لاَ يُغَادِرُ سَقَماً.

This is my son, and he is the only one to remain alive from amongst all of my family; and he is afflicted with dumbness." The Messenger of Allah "Allah's blessing and peace be upon him" said: "Bring me some water." Water was brought to him, therewith he washed his hand, rinsed his mouth, and he gave it to her and said: "Let him drink of that, and pour over his body from it, and ask Allah to cure him." I met the woman, and said to her: "Would that you grant me some of this (water)!" she said: "It is only for this distressed child." A year later, I met the woman once again, and asked her about the child, thereupon she said: "He recovered and has been endowed with mind, as sound as none of the people ever has."

3545- It is narrated on the authority of A'ishah: Magic was worked on The Prophet "Allah's blessing and peace be upon him" by a Jew belonging to Banu Zuraiq called Labid Ibn Al-A'sam. So, he began to envisage that he did a thing, which he did not actually do. One day when he was in my house, he invoked (Allah) for a long period and then said: "O A'ishah! I feel that Allah has inspired me as to such as I asked Him for (i.e. how to cure myself). Two persons came to me (in my dream) and sat, one by my head and the other by my feet. The one sitting by my head asked the one sitting by my feet, or the one sitting by my feet asked the one sitting by my head: "What is the ailment of this man?" The other replied: "He has been bewitched." The first asked: "Who has bewitched him?" The other replied: "Labid Ibn Al-A'sam." The first one asked: "What material has he used?" The other replied: "A comb, the hair gathered on it, and the outer skin of the pollen of the male date palm." The first asked: "Where is that?" The other replied: "It is in the well of Dharwan."" So, The Prophet "Allah's blessing and peace be upon him", along with some of his companions, went out towards the well and then returned and said to me on his return: "By Allah, O A'ishah! Its water is (as red) as the infusion of (the leaves of) Henna, and its date-palms (near the well) are like the heads of the devils." I asked: "Did you take out those things with which the magic was worked?" He said: "No, for I have been cured by Allah and I am afraid that this action may spread evil amongst the people." Later on, he ordered the well be filled up with earth.

He asked: "What led you to come?" I said: "O Messenger of Allah! something seemed to me in my prayer, that I did not know how much I would pray." He said: "This is Satan. Come closer to me." I came closer to him, and sat on my feet. He struck my chest with his hand, spat in (the direction of) my face, and said: "Get out O Allah's enemy!" he did the same thrice, and then he said to me: "Go back to your job." By my life, I do not think this has seemed to me once again.

3549- It is narrated on the authority of Abd Ar-Rahman Ibn Abu Laila from his father that he said: I was sitting with the Messenger of Allah "Allah's blessing and peace be upon him" when a Bedouin came to him and said: "I have a diseased brother." He asked: "What is the disease from which your brother is suffering?" he said: "He is possessed." He said: "Go and bring him to me." He went and came back with him. He made him sit in front of him (the Prophet). I heard him having sought refuge (with Allah from evil) on behalf of him with the Opening of the Book, four Holy Verses from the beginning of Al-Baqarah, two from the middle: "And your God is One God: there is no god but He, Most Gracious, Most Merciful" (163) the Holy Verse of the Throne, the concluding three Holy Verses (of Al-Baqarah), a Holy Verse from Al Imran, and I think it is: "Allah beareth witness, and so do his angels and those endued with knowledge, that there is no god but He, standing firm on justice. There is no god but He, the Exalted in Power, the Wise" (18), a Holy Verse from Al-A'raf: "Your Guardian-Lord is Allah, Who created the heavens and the earth in six Days, then He established Himself on the Throne (of authority): He draweth the

(32) THE BOOK OF CLOTHES

[1] The Clothes Of The Messenger Of Allah

3550- It is narrated on the authority of A'ishah: The Messenger of Allah "Allah's blessing and peace be upon him" prayed once in a garment having marks. Then he said: "The marks of this (garment) occupied me (during the prayer). Take it and give it to Abu Jahm and bring me his woollen garment."

3551- It is narrated on the authority of Abu Burdah that he said: I visited A'ishah, and she brought out for me (to see) a coarse lower garment of those made in Yemen, and a rough mantle of those known as Mulabbadah, and took an oath that the Messenger of Allah "Allah's blessing and peace be upon him" died in them.

3552- It is narrated on the authority of Ubadah Ibn As-Samit that once, the Messenger of Allah "Allah's blessing and peace be upon him" offered prayer while he was wearing a wrapper, which he was tying (lest it would fall down).

3553- It is narrated on the authority of Anas Ibn Malik that he said: I was with the Messenger of Allah "Allah's blessing and peace be upon him", and he was wearing a Najrani coarse-welted garment.

3554- It is narrated on the authority of A'ishah that she said: I've never seen the Messenger of Allah "Allah's blessing and peace be upon him" having abused anyone, nor have I seen him having (two garments, of which he would wear one and the other) garment would be folded (and reserved) for him.

3555- It is narrated on the authority of Sahl Ibn Sa'd As-Sa'idi that he said: A woman brought a woven Burdah (edged sheet) to The Messenger of Allah "Allah's blessing and peace be upon him". He asked: "What is Burdah?" he said: "It is a cloak." Then the woman said: "I have woven it with my own hands and I have brought it so that you may wear it." The Prophet "Allah's blessing and peace be upon him" accepted it, and at that time, he was in need of it. So, he came out wearing it as his waist-sheet. Then, so and so, son of so and so (and he named him at that time) said: " How nice it is! Will you give it to me? " The Prophet "Allah's blessing and peace be upon him" said: "Well." When he entered, he (took it off) folded it up and sent it to the man. The other people said: "You have not done the right thing as The Prophet "Allah's blessing and peace be upon him" is in need of it and you have asked for it when you know that he never turns

He said it thrice.

3558- It is narrated on the authority of Ibn Umar that once, the Messenger of Allah "Allah's blessing and peace be upon him" saw a white garment on Umar Ibn Al-Khattab thereupon he asked him: "Is (the pureness of) this garment of you because of washing or on account of its being new?" he said: "It is because of washing." On that the Messenger of Allah "Allah's blessing and peace be upon him" said to him: "Might you wear new (clothes), live as praiseworthy (in the world), and die as martyr."

On that he said to him: "Then, I'm going to tease you." Then, they came upon a people, to whom Suwaibit said: "Do you buy a slave from me?" they answered in the affirmative. He said: "Then, he is a talkative slave, and he will say to you: "I'm free person"; and if you are going to leave him once he says to you so, then, do not cause my slave to rise up against me." They said: "No, we will buy him from you." They bought him for ten she-camels. They then came to him (Nu'aiman) and placed a turban or a string in his neck (which portended slavery), thereupon Nu'aiman said to them: "This (Suwaibit) makes fun of you, and I'm a free person; and I'm not a slave." Abu Ishaq further said: Then, Al-Agharr said something which I did not understand. I asked Abu Ja'far about it, and he said: He, who is endowed with (the privilege of saying) them on death, the fire will not touch him.

3795- It is narrated on the authority of Su'da Al-Murriyyah that Umar came upon Talhah just after the death of the Messenger of Allah "Allah's blessing and peace be upon him", and he asked him: "Why do you seem to be sad? Are you disturbed by the caliphate of (Abu Bakr) your cousin?" he said: "No, but I heard the Messenger of Allah "Allah's blessing and peace be upon him" having said: "I know a statement, and no one says it on his death but that it will come to be a (source of) light for his document, and both his body and soul will find it (a source of) mercy and satisfaction on death", and indeed, I did not ask him about it until he died." On that Umar said: "I know it: it is the same which he wanted (Abu Talib) his paternal uncle to say, and indeed, had he known there was something more ready to deliver him (from the fire of Hell), surely, he would have ordered him to do it."

3796- It is narrated on the authority of Mu'adh Ibn Jabal that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "No soul dies and bears testimony (on death) that there is no god (to be worshipped) but Allah, and that I'm the Messenger of Allah "Allah's blessing and peace be upon him", out of certainty of faith, but that Allah will forgive (all sins) for it."

3797- It is narrated on the authority of Umm Hani' that she said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "There is no deed superior to (The testimony that) "There is no god (to be worshipped) but Allah" and no sin does it leave (but that it will be forgiven)."

[55] The Superiority Of Such As Praise Allah Almighty

3800- It is narrated on the authority of Jabir that he said: I heard the Messenger of Allah "Allah's blessing and peace be upon him" having said: "The best celebration (of Allah's Praises) is to say: "There is no god (to be worshipped) but Allah", and the best supplication is to say: "Praise be to Allah.""

3801- It is narrated on the authority of Qudamah Ibn Ibrahim Al-Jumahi that he used to visit Abdullah Ibn Umar Ibn Al-Khattab since he was a boy, having two garments dyed with yellowish discharge. Once, Abdullah related to them from the Messenger of Allah "Allah's blessing and peace be upon him" that one of Allah's servants said: "O Lord! Praise be to You as it should be fitting for the Majesty of Your Countenance and Great Sovereignty!" on that the two angels (appointed to write the deeds) were put to trouble, since they did not know how to write it. They ascended to the heaven and said: "O Lord! One of Your servants said a statement, which we did not know how to write it." He Almighty said, and He knows what His servants said: "What has My servant said?" they said: "O Lord! He said: "Praise be to You as it should be fitting for the Majesty of Your Countenance, and Great Sovereignty!"" on that Allah Almighty said:

[56] The Excellence Of Glorifying (Allah)

3806- It is narrated on the authority of Abu Hurairah: The Prophet "Allah's blessing and peace be upon him" said: "There are two words, and even though they are so much light (or easy) for one's tongue to say, they are so much heavy in weight of one's scale (of justice), so much dearer to (Allah) Most Gracious.. 3808- It is narrated on the authority of Ibn Abbas from Juwairiyah that the Messenger of Allah "Allah's blessing and peace be upon him" passed by her when or after he had offered the Morning prayer, and she was celebrating (the Praises of) Allah; and when the day rose high, or when it was midday, he returned and she was in the same state (of celebration). On that he said to her: "Since I left you (and returned), I said four statements thrice, which are graver and more weighty than what you were saying: they are: "Glorified be Allah as much as the number of His creation; Glorified be Allah as much as the Good Pleasure of His Own Self; Glorified be Allah as much as the weight of His Throne (of Authority); Glorified be Allah as much as the continuum of His Words!""

3809- It is narrated on the authority of An-Nu'man Ibn Bashir that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "It is out of the Majesty of Allah such Glorification, affirming monotheism (i.e. the statement "There is no god but Allah"), and praising (Allah), turn round the Throne (of Authority), sounding like the sounding of bees, making a mention of him who utters them: does one not like to have such as makes or keeps making a mention of him (in the Presence of Allah Almighty)?"

3810- It is narrated on the authority of Umm Hani' that she said: I went to the Messenger of Allah "Allah's blessing and peace be upon him" and said: "O Messenger of Allah! Guide me to a deed (which might be a source of benefit for me) for I've grown too old, weak and fat (to do more deeds)." On that he said: "To magnify Allah one hundred times, praise Allah one hundred times, and glorify Allah one hundred times is much better for you than to offer one hundred reined saddled horses in the Cause of Allah, to sacrifice one hundred camels and even (to emancipate) one hundred slaves."

3811- It is narrated on the authority of Samurah Ibn Jundub that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "Four statements are the best of speech, and there is no harm on you to start with whichever of them: "Glory be to Allah; praise be to Allah; there is no god (to be worshipped) but Allah; and Allah is Greater.""

O Lord! Make me thankful to You, celebrating (the Praises of) You, fearing of You, obedient to You, devout to You, submissive and ever-turning to You (in service). O Lord! Accept my repentance, and wash off my sin, answer my invocation, guide my heart (to the straight path), make good my tongue (in celebrating You), make firm my argument, and deprive my heart of resentment." 3838- It is narrated on the authority of A'ishah that she said: The Messenger of Allah "Allah's blessing and peace be upon him" used to supplicate (Allah) with those statements: "O Allah! I seek refuge with You from the affliction of the fire and from the punishment of the fire (of Hell); from the affliction of the grave and from the punishment of the grave; from the evil of the affliction of richness and from the evil of the affliction of poverty; and from the evil of the affliction of Al-Masih Ad-Dajjal (the Imposter of bulged out eye). O Allah! Wash (myself) of my mistakes with the water of snow and hailstones, and clean my heart from the mistakes in the same way as You've cleaned the white garment from filth; and keep me away from my mistakes as far as You've made the East from the West. O Allah! I seek refuge with You from laziness and old age, from committing sins and falling in debt."

3847- It is narrated on the authority of Abu Hurairah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" asked a man: "What do you say in the prayer?" he said: "I recite the testification (Tashahhud), and then ask Allah (to admit me to) the Garden, and seek refuge (with Him) from the fire (of Hell). By Allah, I'm not well-versed in such hidden words as you and Mu'adh say (therewith to invoke Allah)." On that the Messenger of Allah "Allah's blessing and peace be upon him" said: "Should we use hidden words pertaining to it (asking Allah for the Garden and seeking with Him from the fire of Hell)?"

[5] Invoking (Allah To Provide One) With Forgiveness And Health

3848- It is narrated on the authority of Anas Ibn Malik that a man came to the Messenger of Allah "Allah's blessing and peace be upon him" and said: "O Messenger of Allah! Which invocation is the best?" he said: "Invoke your Lord (to give you) both forgiveness and health in the world and the hereafter." Then, he came to him on the coming day and said: "O Messenger of Allah! Which invocation is the best?" he said: "Invoke your Lord (to give you) both forgiveness and health in the world and the hereafter." On the third day he came to him and said: "O Messenger of Allah! Which invocation is the best?" he said: "Invoke your Lord (to give you) both forgiveness and health in the world and the hereafter: if you are granted both forgiveness and health in the world and the hereafter, you've indeed become prosperous."

3849- It is narrated on the authority of Abu Bakr that just after the Messenger of Allah "Allah's blessing and peace be upon him" had died, he said: "Last year, the Messenger of Allah "Allah's blessing and peace be upon him" took this position of mine..." and then Abu Bakr went on weeping, after which he resumed: "I advise you to stick to telling the truth, for it is in the company of dutifulness (and piety), and both will (admit one) to the Garden; and I beware you of telling lies, for it is in the company of wickedness, and both will (admit one) to the fire (of Hell). You further should invoke Allah (to endow you with) power and health, for none has been given, after certainty (of faith) a thing better than power and health. You should not envy one another, nor should you show hatred to one another, nor should you sever the relation with one another, nor should you show desertion to one another, and rather be, Allah's servants, brothers (in the religion of Allah)!"

We seek refuge with You from the evil of that with which it has been sent"; and whenever it rained he would say: "O Allah! Let it be of advantage" twice or thrice; and whenever Allah Almighty removed it away without raining, he would praise Allah for that.

When A'ishah made a mention of what she noticed of him, he said: "What has made you know? It may be as the people of (the Prophet) Hud said when they saw the (Penalty in the shape of) a cloud traversing the sky, coming to meet their valleys: "This cloud will give us rain!" "Nay, it is the (calamity) you were asking to be hastened! A wind wherein is a Grievous Penalty!" (Al-Ahqaf 24)

3 ـ باب «الرُّؤْيَا ثَلاَثٌ»

3906 ـ حدّثنا أَبُو بَكْرِ بْنُ أَبِي شَيْبَةَ. حَدَّثَنَا هَوْذَةُ بْنُ خَلِيفَةَ. حَدَّثَنَا عَوْفٌ عَنْ مُحَمَّدِ بْنِ سِيرِينَ، عَنْ أَبِي هُرَيْرَةَ، عَنِ النَّبِيِّ ﷺ قَالَ: «**الرُّؤْيَا ثَلاَثٌ: فَبُشْرَىٰ مِنَ اللَّهِ، وَحَدِيثُ النَّفْسِ، وَتَخْوِيفٌ مِنَ الشَّيْطَانِ. فَإِذَا رَأَىٰ أَحَدُكُمْ رُؤْيَا تُعْجِبُهُ فَلْيَقُصَّ، إِنْ شَاءَ. وَإِنْ رَأَىٰ شَيْئاً يَكْرَهُهُ، فَلاَ يَقُصَّهُ عَلَى أَحَدٍ. وَلْيَقُمْ يُصَلِّي**».

3907 ـ حدّثنا هِشَامُ بْنُ عَمَّارٍ. حَدَّثَنَا يَحْيَىٰ بْنُ حَمْزَةَ. حَدَّثَنَا يَزِيدُ بْنُ عَبِيدَةَ. حَدَّثَنِي أَبُو عُبَيْدِ اللَّهِ مُسْلِمُ بْنُ مِشْكَمٍ، عَنْ عَوْفِ بْنِ مَالِكٍ، عَنْ رَسُولِ اللَّهِ ﷺ قَالَ: «**إِنَّ الرُّؤْيَا ثَلاَثٌ: مِنْهَا أَهَاوِيلُ مِنَ الشَّيْطَانِ لِيَحْزُنَ بِهَا ابْنَ آدَمَ. وَمِنْهَا مَا يَهُمُّ بِهِ الرَّجُلُ**

a result of what one does during his wakefulness, which he comes to see in his dream; and one of them is (in the form of glad tidings, and this is) one of forty-six parts of Prophethood." I (the sub-narrator) asked him: "Did you really hear it from the Messenger of Allah "Allah's blessing and peace be upon him"?" he said: "Yes, I heard it from the Messenger of Allah "Allah's blessing and peace be upon him"! I really heard it from the Messenger of Allah "Allah's blessing and peace be upon him"!"

[4] What About Such As Sees A Vision Which He Dislikes

3908- It is narrated on the authority of Jabir Ibn Abdullah that the Messenger of Allah "Allah's blessing and peace be upon him" said: "When anyone of you sees a vision which he dislikes, let him spit on his left side thrice, seek refuge with Allah from Satan thrice, and then turn from the side on which he was lying."

3909- It is narrated on the authority of Abu Qatadah that the Messenger of Allah "Allah's blessing and peace be upon him" said: "No doubt, the (good true) vision comes from Allah, and the (bad) dream comes from Satan. So, when anyone of you sees a vision which he dislikes, let him spit on his left side thrice, seek refuge with Allah from Satan the despised thrice, and then turn from the side on which he was lying."

3910- It is narrated on the authority of Abu Hurairah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "When anyone of you sees a vision which he dislikes, let him turn (from his side on which he was lying), and spit on his left side thrice; and let him ask Allah (to give him) of its good, and seek refuge with Him from its evil."

[5] When Satan Plays With Anyone In His Dream, Let Not Him Relate It To Others

3911- It is narrated on the authority of Abu Hurairah that he said: A man came to the Messenger of Allah "Allah's blessing and peace be upon him" and said: "I saw (in a dream as if) my head was struck, thereupon I saw it dragging (on the ground)." On that the Messenger of Allah "Allah's blessing and peace be upon him" said: "Satan aims at anyone of you (in his dream), with whom he plays, thereupon he comes in the morning to tell the people of it (even though it is not befitting for him to do so)."

3912- It is narrated on the authority of Jabir: While the Messenger of Allah "Allah's blessing and peace be upon him" was delivering a sermon, a man came to him and said: "O Messenger of Allah! I saw in a dream as if my head was chopped off, and it fell down, and I pursued it, and I (was able to) return it to its original place." On that the Messenger of Allah "Allah's

3913- It is narrated on the authority of Jabir that the Messenger of Allah "Allah's blessing and peace be upon him" said: "If anyone of you has a dream, let not him tell of Satan's playing with him in his dream."

[6] Since The Vision Proves True When It Is Interpreted, One Should Not Relate It But To An Intimate Lover

3914- It is narrated on the authority of Abu Razin that he heard the Messenger of Allah "Allah's blessing and peace be upon him" having said: "The vision (one sees in his dream) is (as unstable as it is hung) on a bird's leg; and if it is interpreted, it will prove true." He further said: "The vision is one of forty-six parts of Prophethood." He (the narrator) added: I think he (the Prophet) also said: "So, let not him relate it but to an intimate lover or one of sound mind."

[7] On Which Basis A Vision Is Interpreted

3915- It is narrated on the authority of Anas Ibn Malik that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "Interpret them (i.e. the dreams) in accordance with their names (one sees in them), and make use of the metonymies acquired from them; and the (interpretation of) a vision (one sees in his dream proves true once it is interpreted) by the first one to interpret it."

[8] What About Such As Claims A False Dream

3916- It is narrated on the authority of Ibn Abbas that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "He, who claims a false dream is required to make a knot between two (grains of) parley (even though it is impossible to do so), a torture in which he remains forever."

[9] The Truest Of Vision Is The Truest Of Them In Speech

3917- It is narrated on the authority of Abu Hurairah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "When it will be towards the end of the time, the vision of a faithful believer will almost never prove but true; and the truest of vision among them is the truest of speech; and the vision a faithful believer sees (in his dream) is one of forty-six parts of Prophethood."

3913 ـ **حدّثنا** مُحَمَّدُ بْنُ رُمْحٍ. أَنْبَأَنَا اللَّيْثُ بْنُ سَعْدٍ، عَنْ أَبِي الزُّبَيْرِ، عَنْ جَابِرٍ، عَنْ رَسُولِ اللَّهِ ﷺ قَالَ: «**إِذَا حَلَمَ أَحَدُكُمْ، فَلاَ يُخْبِرِ النَّاسَ بِتَلَعُّبِ الشَّيْطَانِ بِهِ فِي الْمَنَامِ**».

7 ـ بابٌ عَلامَ تُعْبَرُ به الرُّؤْيَا؟

9 ـ بابٌ «أَصْدَقُ النَّاسِ رُؤْيا أَصْدَقُهُمْ حَدِيثاً»

3917 ـ **حدّثنا** أَحْمَدُ بْنُ عَمْرِو بْنِ السَّرْحِ الْمِصْرِيُّ. حَدَّثَنَا بِشْرُ بْنُ بَكْرٍ. حَدَّثَنَا الأَوْزَاعِيُّ عَنِ ابْنِ سِيرِينَ، عَنْ أَبِي هُرَيْرَةَ؛ قَالَ: قَالَ رَسُولُ اللَّهِ ﷺ: «**إِذَا قَرُبَ الزَّمَانُ لَمْ تَكَدْ رُؤْيَا الْمُؤْمِنِ تَكْذِبُ. وَأَصْدَقُهُمْ رُؤْيَا أَصْدَقُهُمْ حَدِيثاً. وَرُؤْيَا الْمُؤْمِنِ جُزْءٌ مِنْ سِتَّةٍ وَأَرْبَعِينَ جُزْءاً مِنَ النُّبُوَّةِ**».

[10] The Interpretation Of Vision

3918- It is narrated on the authority of Ibn Abbas: A man came to Allah's Apostle "Allah's blessing and peace be upon him" on his return from Uhud and said: "I saw in a dream, a cloud having shade from which butter and honey were dropping, which I saw people gathering in their hands, some gathering much and some a little. Behold! There was a rope extending from the earth to the sky, which you (O Prophet) held, as I saw, and went up. Then another man held it and went up. Then another (third) held it and went up. Finally, another (fourth) man held it, but it broke and then got connected again." Abu Bakr said: "O Allah's Apostle! Allow me to interpret this dream." The Prophet "Allah's blessing and peace be upon him" said to him: "Interpret it." Abu Bakr said: "The cloud with shade symbolizes Islam, and the butter and honey dropping from it symbolizes the Qur'an, with its sweetness and charm dropping. Indeed, some people are learning much of the Qur'an and some a little. The rope extending to the sky is the Truth that you (O Prophet) are following. You follow it with the help of which you will rise up, then another man will follow it with the help of which he will rise up, then another person will follow it, with the help of which he will rise up, and then another man will follow it but it will break and then it will be connected for him with the help of which he will rise up." The Prophet "Allah's blessing and peace be upon him" replied: "You are right in some of it and wrong in some." Abu Bakr said: "O Allah's Prophet! By Allah, you must tell me in what I was wrong." The Prophet "Allah's blessing and peace be upon him" said: "Do not swear."

(...) It is narrated on the authority of Ibn Abbas that he said: Abu Hurairah related that a man came to the Messenger of Allah "Allah's blessing and peace be upon him" and said: "O Messenger of Allah! I saw (in a dream) a cloud between the sky and the earth dribbling butter and honey..." and the rest is the same.

3919- It is narrated on the authority of Ibn Umar: I was a young unmarried man during the lifetime of The Prophet "Allah's blessing and peace be upon him". I used to sleep in the mosque. Anyone having a dream, would narrate it to The Prophet "Allah's blessing and peace be upon him". I said: "O Allah! If there is any good for me with You, then show me a dream in order that The Messenger of Allah "Allah's blessing and peace be upon him" might interpret it for me." Then, I slept and saw (in a dream) that two angels came and took me along with them. Then they met another angel who said to me: "Be not afraid, you are a good man." They took me towards the Fire. Behold! It was built inside like a well, and therein I saw

3918 ـ حدّثنا يَعْقُوبُ بْنُ حُمَيْدِ بْنِ كَاسِبٍ الْمَدَنِيُّ. حَدَّثَنَا سُفْيَانُ بْنُ عُيَيْنَةَ عَنِ الزُّهْرِيِّ عَنْ عُبَيْدِ اللَّهِ بْنِ عَبْدِ اللَّهِ، عَنِ ابْنِ عَبَّاسٍ؛ قَالَ: أَتَى النَّبِيَّ ﷺ رَجُلٌ، مُنْصَرَفَهُ مِنْ أُحُدٍ. فَقَالَ: يَا رَسُولَ اللَّهِ إِنِّي رَأَيْتُ فِي الْمَنَامِ ظُلَّةً تَنْطِفُ سَمْناً وَعَسَلاً. وَرَأَيْتُ النَّاسَ يَتَكَفَّفُونَ مِنْهَا. فَالْمُسْتَكْثِرُ وَالْمُسْتَقِلُّ. وَرَأَيْتُ سَبَباً وَاصِلاً إِلَى السَّمَاءِ. رَأَيْتُكَ أَخَذْتَ بِهِ. فَعَلَوْتَ بِهِ. ثُمَّ أَخَذَ بِهِ رَجُلٌ بَعْدَكَ فَعَلاَ بِهِ. ثُمَّ أَخَذَ بِهِ رَجُلٌ بَعْدَهُ فَعَلاَ بِهِ. ثُمَّ أَخَذَ بِهِ رَجُلٌ بَعْدَهُ فَانْقَطَعَ بِهِ. ثُمَّ وُصِلَ لَهُ فَعَلاَ بِهِ. فَقَالَ أَبُو بَكْرٍ: دَعْنِي أَعْبُرْهَا، يَا رَسُولَ اللَّهِ! قَالَ: «**اعْبُرْهَا**» قَالَ: أَمَّا الظُّلَّةُ فَالإِسْلاَمُ. وَأَمَّا مَا يَنْطِفُ مِنْهَا مِنَ الْعَسَلِ وَالسَّمْنِ، فَهُوَ الْقُرْآنُ. حَلاَوَتُهُ وَلِينُهُ. وَأَمَّا مَا يَتَكَفَّفُ مِنْهُ النَّاسُ، فَالآخِذُ مِنَ الْقُرْآنِ كَثِيراً وَقَلِيلاً. وَأَمَّا السَّبَبُ الْوَاصِلُ إِلَى السَّمَاءِ، فَمَا أَنْتَ عَلَيْهِ مِنَ الْحَقِّ. أَخَذْتَ بِهِ فَعَلاَ بِكَ. ثُمَّ يَأْخُذُهُ رَجُلٌ مِنْ بَعْدِكَ فَيَعْلُو بِهِ. ثُمَّ آخَرُ، فَيَعْلُو بِهِ. ثُمَّ آخَرُ فَيَنْقَطِعُ بِهِ. ثُمَّ يُوَصَّلُ لَهُ فَيَعْلُو بِهِ. قَالَ: «**أَصبْتَ بعضاً، وَأَخطَأْتَ بعضاً**». قَالَ أَبُو بَكْرٍ: أَقْسَمْتُ عَلَيْكَ يَا رَسُولَ اللَّهِ لَتُخْبِرَنِّي بِالَّذِي أَصَبْتُ مِنَ الَّذِي أَخْطَأْتُ. فَقَالَ النَّبِيُّ ﷺ: «**لاَ تُقْسِمْ يَا أَبَا بَكْرٍ**».

حدّثنا مُحَمَّدُ بْنُ يَحْيَىٰ. حَدَّثَنَا عَبْدُ الرَّزَّاقِ. أَنْبَأَنَا مَعْمَرٌ عَنِ الزُّهْرِيِّ، عَنْ عُبَيْدِ اللَّهِ، عَنِ ابْنِ عَبَّاسٍ؛ قَالَ: كَانَ أَبُو هُرَيْرَةَ يُحَدِّثُ أَنَّ رَجُلاً أَتَى رَسُولَ اللَّهِ ﷺ فَقَالَ: يَا رَسُولَ اللَّهِ ﷺ رَأَيْتُ ظُلَّةً بَيْنَ السَّمَاءِ وَالأَرْضِ تَنْطِفُ سَمْناً وَعَسَلاً. فَذَكَرَ الْحَدِيثَ، نَحْوَهُ.

3919 ـ حدّثنا إِبْرَاهِيمُ بْنُ الْمُنْذِرِ الْحِزَامِيُّ. حَدَّثَنَا عَبْدُ اللَّهِ بْنُ مُعَاذٍ الصَّنْعَانِيُّ عَنْ مَعْمَرٍ، عَنِ الزُّهْرِيِّ، عَنْ سَالِمٍ، عَنِ ابْنِ عُمَرَ؛ قَالَ: كُنْتُ غُلاَماً، شَابًّا، عَزَباً، فِي عَهْدِ رَسُولِ اللَّهِ ﷺ. فَكُنْتُ أَبِيتُ فِي الْمَسْجِدِ. فَكَانَ مَنْ رَأَى مِنَّا رُؤْيَا، يَقُصُّهَا عَلَى النَّبِيِّ ﷺ. فَقُلْتُ: اللَّهُمَّ إِنْ كَانَ لِي عِنْدَكَ خَيْرٌ فَأَرِنِي رُؤْيَا يُعَبِّرُهَا لِي النَّبِيُّ ﷺ. فَنِمْتُ فَرَأَيْتُ مَلَكَيْنِ أَتَيَانِي فَانْطَلَقَا بِي. فَلَقِيَهُمَا مَلَكٌ آخَرُ. فَقَالَ: لَمْ تُرَعْ. فَانْطَلَقَا بِي إِلَى النَّارِ. فَإِذَا هِيَ مَطْوِيَّةٌ كَطَيِّ الْبِئْرِ. وَإِذَا فِيهَا نَاسٌ قَدْ عَرَفْتُ بَعْضَهُمْ.

people some of whom I recognized. Then the angels took me to the right side. In the morning, I mentioned that dream to Hafsah. Hafsah reported that she had mentioned it to The Prophet "Allah's blessing and peace be upon him" who said: "Abdullah is a righteous man if he only prays more at night." Since then, Abdullah used to pray more at night)

3920- It is narrated on the authority of Kharashah Ibn Al-Hurr that he said: I reached Medina, and sat in the company of some old men in the mosque of the Messenger of Allah "Allah's blessing and peace be upon him". Then, an old man came reclining against his stick, thereupon the people said: "He, who is pleased to see a man from the inhabitants of the Garden, let him look at that (person)!" he got up and offered a two-rak'ah prayer behind a pillar. I stood up and went to him and said: "One of the people said so and so (pertaining to you)." On that he said: "Praise be to Allah! No doubt, the Garden belongs to Allah, to which He admits whomever He wills. During the lifetime of the Messenger of Allah "Allah's blessing and peace be upon him", I saw a vision: I saw as if a man came to me and asked me to go with him. I went with him, and he followed a great highway with me, thereupon a path to my left side was shown to me; and when I intended to follow it, he said to me: "You are not of its denizens." Then, another path to my right side was shown to me, thereupon I followed it. When I reached a rocky mountain he took my hand and pushed me (away from its base), and behold! I came to be on its top, even though I could not stand constantly firm. Then, there was an iron pillar, on the top of which there was a gold ring. He took my hand and pulled me until I caught hold of the handhold, and he asked: "Have you firmly caught hold of it?" I answered in the affirmative. Then, he struck the pillar with his foot, and I kept catching the handhold." He further said: "When I related it to the Messenger of Allah "Allah's blessing and peace be upon him", he said: "You really saw good: as to the large highway, it symbolizes the mustering place (to which all the creatures will be gathered on the Day of Judgement); as to the path shown to you to your left side, it symbolizes the path of the denizens of the fire, and you are not one of its denizens; as to the path shown to your right side, it symbolizes the path of the inhabitants of the Garden; as to the rocky mountain, it symbolizes the station of martyrs; as to the handhold of which you caught hold, it is the handhold of Islam. So, you should keep catching hold of it until you die." For this reason, I hope to be one of the inhabitants of the Garden." Behold! This man was Abdullah Ibn Salam.

3921- It is narrated on the authority of Abu Musa that the Messenger of Allah "Allah's blessing and peace be upon him" said: "I saw in a dream as

فَأَخَذُوا بِي ذَاتَ الْيَمِينِ. فَلَمَّا أَصْبَحْتُ ذَكَرْتُ ذٰلِكَ لِحَفْصَةَ. فَزَعَمَتْ حَفْصَةُ أَنَّهَا قَصَّتْهَا عَلَى رَسُولِ اللَّهِ ﷺ. فَقَالَ: «**إِنَّ عَبْدَ اللَّهِ رَجُلٌ صَالِحٌ، لَوْ كَانَ يُكْثِرُ الصَّلَاةَ مِنَ اللَّيْلِ**».

قَالَ: فَكَانَ عَبْدُ اللَّهِ يُكْثِرُ الصَّلَاةَ مِنَ اللَّيْلِ.

3920 ـ حدّثنا أَبُو بَكْرِ بْنُ أَبِي شَيْبَةَ. حَدَّثَنَا الْحَسَنُ بْنُ مُوسَى الْأَشْيَبُ. حَدَّثَنَا حَمَّادُ بْنُ سَلَمَةَ عَنْ عَاصِمِ بْنِ بَهْدَلَةَ، عَنِ الْمُسَيَّبِ بْنِ رَافِعٍ، عَنْ خَرَشَةَ بْنِ الْحُرِّ؛ قَالَ: قَدِمْتُ الْمَدِينَةَ. فَجَلَسْتُ إِلَى شِيَخَةٍ فِي مَسْجِدِ النَّبِيِّ ﷺ. فَجَاءَ شَيْخٌ يَتَوَكَّأُ عَلَى عَصاً لَهُ. فَقَالَ الْقَوْمُ: مَنْ سَرَّهُ أَنْ يَنْظُرَ إِلَى رَجُلٍ مِنْ أَهْلِ الْجَنَّةِ فَلْيَنْظُرْ إِلَى هٰذَا. فَقَامَ خَلْفَ سَارِيَةٍ. فَصَلَّى رَكْعَتَيْنِ. فَقُمْتُ إِلَيْهِ، فَقُلْتُ لَهُ: قَالَ: بَعْضُ الْقَوْمِ كَذَا وَكَذَا. قَالَ: الْحَمْدُ لِلَّهِ. الْجَنَّةُ لِلَّهِ يُدْخِلُهَا مَنْ يَشَاءُ. وَإِنِّي رَأَيْتُ عَلَى عَهْدِ رَسُولِ اللَّهِ ﷺ رُؤْيَا. رَأَيْتُ كَأَنَّ رَجُلاً أَتَانِي فَقَالَ لِيَ: انْطَلِقْ. فَذَهَبْتُ مَعَهُ. فَسَلَكَ بِي فِي نَهْجٍ عَظِيمٍ. فَعُرِضَتْ عَلَيَّ طَرِيقٌ عَلَى يَسَارِي. فَأَرَدْتُ أَنْ أَسْلُكَهَا. فَقَالَ: إِنَّكَ لَسْتَ مِنْ أَهْلِهَا. ثُمَّ عُرِضَتْ عَلَيَّ طَرِيقٌ عَنْ يَمِينِي. فَسَلَكْتُهَا. حَتَّى إِذَا انْتَهَيْتُ إِلَى جَبَلٍ زَلَقٍ فَأَخَذَ بِيَدِي. فَزَجَّلَ بِي. فَإِذَا أَنَا عَلَى ذُرْوَتِهِ. فَلَمْ أَتَقَارَّ وَلَمْ أَتَمَاسَكْ. وَإِذَا عَمُودٌ مِنْ حَدِيدٍ، فِي ذُرْوَتِهِ حَلْقَةٌ مِنْ ذَهَبٍ. فَأَخَذَ بِيَدِي فَزَجَّلَ بِي. حَتَّى أَخَذْتُ بِالْعُرْوَةِ. فَقَالَ: اسْتَمْسَكْتَ؟ قُلْتُ: نَعَمْ. فَضَرَبَ الْعَمُودَ بِرِجْلِهِ. فَاسْتَمْسَكْتُ بِالْعُرْوَةِ.

فَقَالَ: قَصَصْتُهَا عَلَى النَّبِيِّ ﷺ قَالَ: «**رَأَيْتَ خَيْراً. أَمَّا الْمَنْهَجُ الْعَظِيمُ فَالْمَحْشَرُ. وَأَمَّا الطَّرِيقُ الَّتِي عُرِضَتْ عَنْ يَسَارِكَ، فَطَرِيقُ أَهْلِ النَّارِ. وَلَسْتَ مِنْ أَهْلِهَا. وَأَمَّا الطَّرِيقُ الَّتِي عُرِضَتْ عَنْ يَمِينِكَ، فَطَرِيقُ أَهْلِ الْجَنَّةِ. وَأَمَّا الْجَبَلُ الزَّلَقُ فَمَنْزِلُ الشُّهَدَاءِ. وَأَمَّا الْعُرْوَةُ الَّتِي اسْتَمْسَكْتَ بِهَا، فَعُرْوَةُ الإِسْلَامِ. فَاسْتَمْسِكْ بِهَا حَتَّى تَمُوتَ**».

if I was emigrating to a land full of date-palms, and it came to my mind that it was Yamamah or Hajar; and behold! It came to be Medina or Yathrib. I further saw in this vision of mine as if I shook a sword, with its blade broken; and it came to be (a symbol of) the faithful believers who were killed (as martyrs) on the day of (the holy battle of) Uhud. I shook it once again, and it returned to be much better than it was, and behold! It came to be the victory Allah bestowed (upon us) and the gathering of the faithful believers (on the truth). I also saw in it many cows, and by Allah, that is good. Behold! Those symbolized the faithful believers (who fell as victims) on the day of (the holy battle of) Uhud; and the blessing was the good brought by Allah, and the reward of the true faith with which Allah endowed us after the day of (the holy battle of) Badr."

3922- It is narrated on the authority of Abu Hurairah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "I saw (in my dream) two golden bracelets in my hand, which I blew off (and they flew). I interpreted them as symbols of those liars, Musailamah and Al-Ansi."

3923- It is narrated on the authority of Qabus that he said: Umm Al-Fadl said: "O Messenger of Allah! I saw (in my dream as if) I had a part of your body in my house." On that he said: "You saw good: Fatimah (my daughter) would give birth to a child, and you will give suck to him." She (Fatimah) gave birth to Husain or Hasan, and she (Umm Al-Fadl) gave suck to him from the milk of Qutham. She further said: Later, I brought him (the child) to the Messenger of Allah "Allah's blessing and peace be upon him" and placed him in his lap, and when he urinated I struck his shoulder, thereupon the Messenger of Allah "Allah's blessing and peace be upon him" said: "You've struck my child severely (stop) Allah's Mercy be upon you!"

3924- It is narrated on the authority of Salim from Ibn Umar that he reported, concerning the vision of The Prophet "Allah's blessing and peace be upon him": "I saw (in a dream) a black woman with unkempt hair going out of Medina and settling at Mahya'ah i.e. Al-Juhfah. I interpreted it as a symbol of epidemic of Medina being transferred to Al-Juhfah."

3925- It is narrated on the authority of Talhah Ibn Ubaidullah that two men came to the Messenger of Allah "Allah's blessing and peace be upon him", and both were Muslims, but one of them was more inclined to fighting than the other. The fighter among them took part in a holy battle, and he fell as a martyr. The other lived a year longer, and then he died. Talhah further said: I saw in a dream as if I was at the gate of the Garden

and behold! I saw them. A man came out of the Garden and admitted such of them as died later; and then, he came out once again, and admitted the one who fell as a martyr. He returned to me and said: "Return, since the time has not yet come for you (to be admitted to the Garden)." In the morning, Talhah related it to the people, who wondered at that. The news of that reached the Messenger of Allah "Allah's blessing and peace be upon him", and they related the story to him, thereupon he asked: "What is the reason for your astonishment?" they said: "O Messenger of Allah! One of them was more ready to fight (in the Cause of Allah), and furthermore, he fell as a martyr; and even though, the other (who died later) was admitted to the Garden before him." The Messenger of Allah "Allah's blessing and peace be upon him" said: "Is it not that he lived a year after him?" they said: "Yes." He said: "Is it not that he caught (the month of) Ramadan, thereupon he observed fasts and offered such and such prayers, with such and such rak'ahs during the year?" they said: "Yes." On that the Messenger of Allah "Allah's blessing and peace be upon him" said: "Then, they are more farther from one another than the heaven is from the earth."

3926- It is narrated on the authority of Abu Hurairah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "I dislike the shackle even though I love the fetter, which symbolizes firmness in the religion."

[1] Desisting From Harming Such As Bears Testimony That "There Is No God But Allah"

3927- It is narrated on the authority of Abu Hurairah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "I've been commanded (by Allah) to fight people until they say "There is no god (to be worshipped) but Allah": if they say that, they will save their blood and property from me, except lawfully, and their reckoning is with Allah Almighty."

3928- It is narrated on the authority of Jabir that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "I've been commanded (by Allah) to fight people until they say "There is no god (to be worshipped) but Allah": if they say "There is no god (to be worshipped) but Allah", they will save their blood and property from me, except lawfully, and their reckoning is with Allah."

3929- It is narrated on the authority of Aws that he said: While we were sitting with the Messenger of Allah "Allah's blessing and peace be upon him", who was narrating and admonishing us, a man came to him, and said something in secrecy to him, thereupon the Messenger of Allah "Allah's blessing and peace be upon him" said: "Go and kill him!" when the man turned away, the Messenger of Allah "Allah's blessing and peace be upon him" called him and said: "Do you bear testimony that there is no god (to be worshipped) but Allah?" He answered in the affirmative, thereupon the Messenger of Allah "Allah's blessing and peace be upon him" said: "Let him go! No doubt, I've been commanded (by Allah) to fight the people until they say "There is no god (to be worshipped) but Allah: if they say that, their blood and property become unlawful for me."

3930- It is narrated on the authority of Imran Ibn Al-Husain that Nafi' Ibn Al-Azraq came to him with his companions and said: "You've been ruined O Imran!" he said: "I have not been ruined." They said: "No: you've been ruined." Imran asked: "Then, what has ruined me?" they said: "Allah says: "And fight them on until there is no more tumult or oppression, and there prevail justice and faith in Allah." (Al-Anfal 39) on that Imran said: "No doubt, we fought them until we expelled them, and there prevailed both justice and faith in Allah. If you so like, I will relate to you a narration I heard from the Messenger of Allah "Allah's blessing and peace be upon him"." They asked: "Did you really hear it from the Messenger of Allah "Allah's blessing and peace be upon him"?" he said: "Yes: I was

attendant when the Messenger of Allah "Allah's blessing and peace be upon him" sent an army of Muslims to fight the pagans; and when they met them, they fought them so much fiercely that they (the pagans turned away and) gave them (the Muslims) their shoulders. A man from my fellows attacked with a spear another from the pagans, and when he caught up with him, he said: "I bear testimony that there is no god but Allah: I'm a Muslim." But he (the Muslim) stabbed him to death. Then, he came to the Messenger of Allah "Allah's blessing and peace be upon him" and said: "O Messenger of Allah! I've been ruined." He asked: "What have you done?" he said it once or twice after which the man told him of what he had done, thereupon the Messenger of Allah "Allah's blessing and peace be upon him" said: "Why have you not split open his belly in order to know what his heart contained?" he said: "O Messenger of Allah! Had I split open his belly, I would have come to be acquainted with what his heart contained." He said: "You neither accepted what he said, nor did you know what his heart contained." The Messenger of Allah "Allah's blessing and peace be upon him" kept silent and did not speak to him; and it was not after a long time that he died. We buried him, and in the morning, he was found lying on the surface of the earth, thereupon they said: "Perhaps an enemy might have dug (the grave and brought) him out." We buried him once again, and ordered our boys to safeguard him; and in the morning, he was found lying on the back of the earth, thereupon we said: "Perhaps, the boys might have been overtaken by slumber." We buried him (for the third time) and guarded him with ourselves; and in the morning, he was found lying on the back of the earth. Then, we threw his dead body in one of those defiles.

(...) It is narrated on the authority of Imran Ibn Al-Husain that he said: The Messenger of Allah "Allah's blessing and peace be upon him" sent us in a military expedition; and a man from the Muslims attacked another from the pagans...and the rest is the same with the following addition: The earth threw him away; and when the Messenger of Allah "Allah's blessing and peace be upon him" was told of that, he said: "No doubt, the earth admits such as worse than him; but, Allah liked to show you the great inviolability (of the blood and property of such as says) "There is no god (to be worshipped) but Allah.""

I asked Him not to invest an enemy from people other than them with authority (to ruin) them; and He gave it to me.

9 ـ بابُ ما يَكُونُ مِنَ الفِتَنِ

3951 ـ **حدّثنا** مُحَمَّدُ بْنُ عَبْدِ اللَّهِ بْنِ نُمَيْرٍ وَعَلِيُّ بْنُ مُحَمَّدٍ، قَالاَ: حَدَّثَنَا أَبُو مُعَاوِيَةَ عَنِ الأَعْمَشِ، عَنْ رَجَاءٍ الأَنْصَارِيِّ، عَنْ عَبْدِ اللَّهِ بْنِ شَدَّادِ بْنِ الْهَادِ، عَنْ مُعَاذِ بْنِ جَبَلٍ؛ قَالَ: صَلَّى رَسُولُ اللَّهِ ﷺ، يَوْماً، صَلاَةً، فَأَطَالَ فِيهَا. فَلَمَّا انْصَرَفَ قُلْنَا (أَوْ قَالُوا): يَا رَسُولَ اللَّهِ أَطَلْتَ، الْيَوْمَ، الصَّلاَةَ. قَالَ: «**إِنِّي صَلَّيْتُ صَلاَةَ رَغْبَةٍ وَرَهْبَةٍ. سَأَلْتُ اللَّهَ، عَزَّ وَجَلَّ، لأُمَّتِي ثَلاَثاً. فَأَعْطَانِي اثْنَتَيْنِ، وَرَدَّ عَلَيَّ وَاحِدَةً: سَأَلْتُهُ أَنْ لاَ يُسَلِّطَ عَلَيْهِمْ عَدُوًّا مِنْ غَيْرِهِمْ، فَأَعْطَانِيهَا. وَسَأَلْتُهُ أَنْ لاَ يُهْلِكَهُمْ غَرَقاً، فَأَعْطَانِيهَا. وَسَأَلْتُهُ أَنْ لاَ يَجْعَلَ بَأْسَهُمْ بَيْنَهُمْ، فَرَدَّهَا عَلَيَّ**».

I further asked Him not to destroy them by wholesale sinking; and He gave it to me. I also asked Him not to make their destruction by their mutual vengeance, each from the other; and He refused to give it to me."

3952- It is narrated on the authority of Thawban, the freed slave of the Messenger of Allah "Allah's blessing and peace be upon him" that the Messenger of Allah "Allah's blessing and peace be upon him" said: "Indeed, the (different ends of the) earth were made so much close to each other that I could see its Eastern and Western (sides), and I was given both the yellow (or red) and white treasures, i.e. both gold and silver, and it was said to me that the dominion of my (Muslim nation) will reach as far as what was rolled up of it for me (to see). I asked Allah Almighty (to give me) three things: not to destroy my nation with famine all at once, not to cover them with confusion in party strife, and not to let them taste the mutual vengeance each from the other. It was said to me: "If I issue a decree, never will it be cancelled. Indeed, I've given you (the privilege that) I will not destroy your nation by wholesale famine, and I will not invest an enemy from outside with authority to ruin them all at once until they themselves destroy each other, and kill each other" Verily, if the sword is unsheathed in my nation (and they start killing one another), it will not be sheathed until the Day of Resurrection. I fear for my nation most of the misleading imams (and rulers), and the fact that some tribes of my (Muslim) nation will come to worship idols, and some others will join the pagans. (A short time) before the (establishment of the) Hour, there will appear as much as thirty liar Imposters, each of whom will allege he is a Prophet. Furthermore, a group of my (Muslim) nation will keep sticking to the truth, with which they will be helped (against their enemies), and no harm will they receive from such as differ with them until the Command of Allah Almighty (i.e. the wind by which the soul of every faithful believer remaining on the earth will be taken up) will come." Abu Al-Hasan said: When Abu Abdullah finished from relating this narration, he said: "How serious it is!"

3953- It is narrated on the authority of Zainab Bint Jahsh that The Messenger of Allah "Allah's blessing and peace be upon him" got up from sleep with his face red (on account of anger) and said: "There is no god but Allah!; there is a destruction in store for Arabia because of turmoil which is at hand, the barrier of Gog and Magog has opened so much." He made a sign of ten with the help of his hand (in order to indicate the width of the gap) I said: "O Messenger of Allah! Would we be perished in spite of the fact that there would be good people amongst us?" He said: "Of course, but only when the evil predominates."

3954- It is narrated on the authority of Abu Umamah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "There will be afflictions (so much successively) that morning will enter upon one while being a believer; and it will not after evening (of the same day) that he will renegade to infidelity, barring such as Allah will give life by virtue of religious knowledge."

3955- It is narrated on the authority of Hudhaifah: Once We were sitting with Umar and he said: "Who amongst you remembers the statement of Allah's Apostle "Allah's blessing and peace be upon him" about the afflictions?" I said: "I know it as The Prophet "Allah's blessing and peace be upon him" had said it." Umar said: "No doubt you are bold." I said: "The afflictions caused for a man by his wife, money, children and neighbour are expiated by his prayers, fasts, charity and by enjoining (what is good) and forbidding (what is evil)." Umar said: "I did not mean that. But I asked about that affliction which will spread like the waves of the sea." I said: "O commander of the faithful believers! You need not be afraid of it, as there is a closed door between you and it." Umar asked: "Will it be broken or opened?" I replied: "It will be broken." Umar said: Then it will never be closed again."" The sub-narrator added: "we asked Hudhaifah whether Umar knew that door. He replied: "He knew it as well as one knows that there will be night before the tomorrow morning. I related to him a narration that was free from any misunderstanding." The sub-narrator said: we felt shy to ask Hudhaifah about the door. So, we urged Masruq to ask him. Hudhaifah said: "The door was Umar himself."

3956- It is narrated on the authority of Abd Ar-Rahman Ibn Abd Rabb Al-Ka'bah: I entered the mosque when Abdullah Ibn Amr Ibn Al-As was sitting in the shade of the Ka'bah and the people had gathered around him. I betook myself to them and sat near him. Then, Abdullah said: I accompanied The Messenger of Allah "Allah's blessing and peace be upon him" on a journey. We halted at a certain place. Some of us began to put up their tents, others began to compete with one another in archery, and others began to graze their animals, when a proclaimer of The Messenger of Allah "Allah's blessing and peace be upon him" announced that the people should gather for congregational prayer, so we gathered around The Messenger of Allah "Allah's blessing and peace be upon him". He said: "It was the duty of every Prophet before me to guide his followers to whatever good for them he knew and warn them against whatever evil for them he knew. Verily, this nation of yours has its days of peace and (security) in the beginning of its life, and in the last phase of its existence it will be afflicted with trials and with things disagreeable to you, when there will be trials one

after the other, each (being more tremendous that it is) making the previous one dwindle into insignificance. When they would be afflicted with a trial, the believer would say: This is going to bring about my destruction. When it would be over, they would be afflicted with another trial, and the believer would say: This surely is going to be my end. Whoever wishes to be moved from the fire and be admitted to the Garden should die with faith in Allah and the Last Day and should treat the people as he wishes to be treated by them. He who swears allegiance to a ruler should give him the pledge of his hand and the sincerity of his heart. He should obey him to the best of his capacity. If another man comes forward (in order to claim to be ruler) disputing his (the former's) authority, they (the Muslims) should behead the latter." I came close to him (Abdullah Ibn Amr) and said to him: I beseech you by Allah, did you hear it from The Messenger of Allah "Allah's blessing and peace be upon him"? He pointed with his hands to his ears and his heart and said: My ears heard it and my mind kept it.

[10] The Involvement In The Great Affliction

3957- It is narrated on the authority of Abdullah Ibn Amr that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "How would you be at a time, which is about to come, when the people will be sifted (with the result that the best of them will be taken away), and there will remain only the dregs (and the worst) of them, whose pledges and trusts will be wasted, and they then will become at odds as such" and he intertwined his fingers. They said: "Then, how would we do O Messenger of Allah when such (a time) will be?" he said: "Act upon (the truth) that you approve, and leave (the innovations and heresies) that you disapprove; and further, stick to those near to you (in kinship and service), and leave the affairs of the lowly among you."

3958- It is narrated on the authority of Abu Dharr that once, the Messenger of Allah "Allah's blessing and peace be upon him" asked: "O Abu Dharr! Tell me, if the people came to suffer from a severe (epidemic leading to) death, to the extent that one's house would become like the grave, what should you do?" he said: "(I will be) as Allah and His Messenger will guide me (or Allah and His Messenger know better)." He said: "You should keep patient." He further said: "O Abu Dharr! Tell me, if the people were befallen by a great hunger, so much that if you come to your mosque, you would not be able to return to your home, and you would become too weak to get up from your bed and go to your mosque, what would you do?" he said: "Allah and His Messenger know better (or I will do as Allah and His Messenger will guide me)." He said: "Then, you should

He said: "Should I not carry my sword and fight such as does so?" he said: "Then, you would share with them whatever (sins and errors) they would be in. but, enter your home (and close the gate upon you)." I said: "O Messenger of Allah! If my house is intruded (what should I do?)" He said: "If you fear the glitter of the sword might frighten you, put the end of your upper garment over your face, until the one (who intends to kill you) will draw upon himself your sin as well as his, and thus become from amongst the denizens of the fire (of Hell)."

3959- It is narrated on the authority of Abu Musa that the Messenger of Allah "Allah's blessing and peace be upon him" said: "(A short time) before the (establishment of the) Hour, there will be (a great amount of) tumult." I asked: "O Messenger of Allah! What is tumult?" he said: "It is the widespread killing (of one another)." One of the people said: "O Messenger of Allah! Now, we kill such and such a great number from amongst the pagans every year." On that the Messenger of Allah "Allah's blessing and peace be upon him" said: "I do not mean the killing of the pagans, but that's you would kill one another so much extensively that one might kill his neighbour, cousin and even the nearest of kin." One of the people said: "O Messenger of Allah! Shall we have our minds sound on those days?" The Messenger of Allah "Allah's blessing and peace be upon him" said: "The sound minds of the majority of the people of that time will be taken away, and replaced by people scattered about like dust, having no sound minds." Al-Ash'ari said: "By Allah! I think this (time) will come upon you and me. By Allah! Both you and I will have no way to flee from it if it comes upon us as far as what our Prophet "Allah's blessing and peace be upon him" commended us to do is concerned, but to come out of it in the same way as we will enter into it."

3960- It is narrated on the authority of Udaisah Bint Uhban that she said: When Ali Ibn Abu Talib came here to Basra, he visited my father and said to him: "O Abu Muslim! Should you not support me against those people (who are opposing me)?" he said: "Yes." He called a slave-girl of him and ordered her to bring out his sword. She brought it out, and he unsheathed as little as a span of it, and behold! It was made of wood! Then he said: No doubt, my bosom friend, and your paternal cousin (the Messenger of Allah

3961- It is narrated on the authority of Abu Musa that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "(A short time) before the (establishment of the) Hour, there will be afflictions, (as grievous) as the parts of the dark night, in which a man becomes a believer in the morning, and it is not after the evening enters upon him that he renegades to infidelity; and as evening enters upon him while being an infidel, it is not after morning enters upon him that he becomes a believer. The sitting one in those (afflictions) is much better than the standing one; and the standing one is much better than the walking one; and the waking one is much better than the running one. So, you should break your bows, cut the strings of your (arrows), and strike (nothing but) stones with your swords; and if anyone of you is attacked, let him be like the better one of both sons of Adam (i.e. who let his brother kill him in order to draw upon himself the sin of his crime)."

3962- It is narrated on the authority of Abu Burdah that he said: I came to visit Muhammad Ibn Maslamah who said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "There will be affliction, dispute and difference (among the Muslims). If it so happens, go with your sword to (the mountain of) Uhud, therewith to strike it until it (the sword) it is broken, and then sit in your house until a wrong hand will come (to kill you) or death will take you away." However, it really happened, and I did the same as the Messenger of Allah "Allah's blessing and peace be upon him" had said.

[11] When Two Muslims Fight With Their Swords

3963- It is narrated on the authority of Anas Ibn Malik that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "No two Muslims fight with their sword but that both the killer and the killed one will be admitted to the fire (of Hell)."

3964- It is narrated on the authority of Abu Musa that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "If two Muslims face one another with their swords, both the killer and the killed one will be admitted to the fire (of Hell)." They said: "O Messenger of Allah! This killer (deserves such a destiny): what is the matter with the killed one?" He said: "No doubt, he has the intention to kill the other."

3965- It is narrated on the authority of Abu Bakrah that the Messenger of Allah "Allah's blessing and peace be upon him" said: "If two Muslims carry the arms against one another they will come to be just at the verge of (entering the fire of) Hell; and if anyone of them kills the other, both will be admitted to it."

3966- It is narrated on the authority of Abu Umamah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "Such as has the worst position in the Sight of Allah amongst the people is him, who wastes (the good of) his hereafter by (taking) the world of another (i.e. by killing him with no just cause)."

[12] Stopping The Tongue (From Speaking Provocatively) During The Affliction

3967- It is narrated on the authority of Abdullah Ibn Amr that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "There will be affliction; and it will (extend to) comprehend all of the Arabs: its killed ones will be admitted to the fire (of Hell), during which the effect of the tongue (characteristic of provocative speech) is much stronger than the sword."

3968- It is narrated on the authority of Ibn Umar that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "Beware of the afflictions, during which the effect of the tongue is (as strong) as that of the sword."

3969- It is narrated on the authority of Alqamah Ibn Waqqas that an honourable man came upon him, to whom he said: You are of such kinship as gives you a right (upon me to advise you): I've seen you visiting those chiefs and speak in their presence with what Allah wills you to speak. I heard Bilal Ibn Al-Harith Al-Muzani, the companion of the Messenger of Allah "Allah's blessing and peace be upon him", having said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "Anyone of you might say a statement on account of which Allah's Good Pleasure is acquired, even though he does not think how far it would reach, by which Allah Almighty will keep writing His Good Pleasure for him until the Day of Judgement; and anyone of you might say a statement, which draws Allah's Anger upon him, even though he does not think how far it would reach, by which Allah Almighty will keep writing His Anger for him until the Day he will meet Him." Alqamah further said to him: So, consider, mercy be upon you, what you say, and with which you speak. Perhaps,

there are statements which I refrained from saying on account of what I heard from Bilal Ibn Al-Harith.

3970- It is narrated on the authority of Abu Hurairah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "A man might say a statement which draws Allah's Anger upon him, seeing no harm in it, by which he will keep falling in the fire of Hell for seventy autumns."

3971- It is narrated on the authority of Abu Hurairah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "He, who has faith in Allah and His Messenger, let him say what is good or (at least) let him keep silent."

3972- It is narrated on the authority of Sufyan Ibn Abdullah Ath-Thaqafi that he said: I said to the Messenger of Allah "Allah's blessing and peace be upon him": "O Messenger of Allah! Tell me of a thing by which I should hold fast." On that the Messenger of Allah "Allah's blessing and peace be upon him" said: "Say: "My Lord is Allah"; and then be straight (on the religion)." I asked: "O Messenger of Allah! Which thing do you fear for me most?" the Messenger of Allah "Allah's blessing and peace be upon him" beckoned to his tongue and said: "It is that (which I fear for you most)."

3973- It is narrated on the authority of on the authority of Mu'adh Ibn Jabal that he said: I was in the company of the Messenger of Allah "Allah's blessing and peace be upon him" on journey. One morning, I became close to him while we were proceeding, whereupon I said to him: "O Prophet of Allah! Tell me of a deed which causes me to be admitted to the Garden, and keep me far from the fire." On that he said: "No doubt, you've asked about a serious matter, which is easy but upon him for whom Allah has made it easy. It is to worship Allah Alone, and not join anything (in worship) with Him, to establish the regular prayers, to give the regular charity, to observe fasts during the month of Ramadan, and to offer Hajj to the House." Then, he said: "Should I not guide you to the gates of good? To be sure, fast is (to protect one from the fire as is) a shield (from swords), and the charity plots out the sin in the same way as the water extinguishes the fire, and (so does) a man's prayer in the middle of the night." Then, he recited: "Their limbs do forsake their beds of sleep, the while they call on their Lord, in Fear and Hope." Then, he said: "Should I not tell you of the head of the matter (of religion), its pillar and the peak of its hump?" I said: "Yes, O Messenger of Allah." He said: "(The head of the matter is Islam; its pillar is the prayer; and the peak of its hump is) the fight in the Cause of Allah."

3989 ـ حدّثنا حَرْمَلَةُ بْنُ يَحْيَىٰ. حَدَّثَنَا عَبْدُ اللَّهِ بْنُ وَهْبٍ. أَخْبَرَنِي ابْنُ لَهِيعَةَ عَنْ عِيسَىٰ بْنِ عَبْدِ الرَّحْمٰنِ، عَنْ زَيْدِ بْنِ أَسْلَمَ، عَنْ أَبِيهِ، عَنْ عُمَرَ بْنِ الْخَطَّابِ؛ أَنَّهُ خَرَجَ يَوْماً إِلَى مَسْجِدِ رَسُولِ اللَّهِ ﷺ، فَوَجَدَ مُعَاذَ بْنَ جَبَلٍ قَاعِداً عِنْدَ قَبْرِ النَّبِيِّ ﷺ يَبْكِي. فَقَالَ: مَا يُبْكِيكَ؟ قَالَ: يُبْكِينِي شَيْءٌ سَمِعْتُهُ مِنْ

things to Allah (in worship); and whoever takes an enemy one of Allah's devotees has, indeed, waged war against Allah. Verily, Allah loves the pious, righteous, and hidden (from the eyes of the people): if they are absent, none will miss them, and if they are present, they will not be invited (to the important events), nor will they be recognized: their hearts are (as bright as) lamps of guidance; and they come out of every dark land."

3990- It is narrated on the authority of Abdullah Ibn Umar that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "The (faithful believers among the) people are like one hundred camels, (all of which are weak that) you could hardly find a riding one in them."

[17] The Division Of Nations

3991- It is narrated on the authority of Abu Hurairah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "The Jews have divided into seventy-one parties; and my (Muslim) nation will divide into seventy-three parties."

3992- It is narrated on the authority of Awf Ibn Malik that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "The Jews have divided into seventy-one parties, only one of which will be admitted to the Garden, and the remaining seventy to the fire of Hell; and the Christians have divided into seventy-two parties, seventy-one of which will be admitted to the fire of Hell, and the remaining one to the Garden. By Him, in Whose Hand is the Soul of Muhammad, my nation will divide into seventy-three parties, only one of which will be admitted to the Garden, and the remaining seventy-two to the fire of Hell." It was said: "Who are those (that belong to this secure nation)?" he said: "Those are the group (of Muslims)."

3993- It is narrated on the authority of Anas Ibn Malik that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "The children of Israel have divided into seventy-one parties; and my nation will be divided into seventy-two parties, all of whom will be admitted to the fire of Hell barring one, i.e. that of the group (of Muslims)."

3994- It is narrated on the authority of Abu Hurairah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "Surely, you will follow the tradition of those who were before you, arm by arm, cubit by cubit and span by span, to the extent that even if they enter into the hole of a mastigure, you will also enter into it." They asked: "O Messenger of Allah! (Do you mean) the Jews and Christians?" he said: "Who else then?"

[18] The Affliction Caused By The Property

3995- It is narrated on the authority of Abu Sa'id Al-Khudri that he said: The Messenger of Allah "Allah's blessing and peace be upon him" got up and addressed the people saying: "Nothing worries me as to what will happen to you after me, except the temptation of worldly blessings which will be conferred on you." A man got up saying: "O Allah's Apostle! Can the good bring about evil?" The Prophet "Allah's blessing and peace be upon him" kept silent and then he asked: "what did you say?" he said: "I asked: "Can the good bring about evil?"" he said: "No doubt, good produces nothing but good. Indeed it is like what grows on the banks of a stream which either kills or nearly kills the grazing animals because of gluttony except the vegetation-eating animal which eats till both of its flanks are full (and it becomes satisfied). Then it stands in the sun, defecates, and urinates. So, whoever takes property legally will be blessed in it; and whoever takes property illegally, his example is like the example of such as eats but is never satisfied."

3996- It is narrated on the authority of Abdullah Ibn Amr Ibn Al-As that the Messenger of Allah "Allah's blessing and peace be upon him" said: "When the treasures of the Persians and the Romans are opened for you, which kind of people will you be?" Abd Ar-Rahman Ibn Awf said: "We will say as Allah has commanded us." The Messenger of Allah "Allah's blessing and peace be upon him" said: "Or something else: You will compete with one another, envy one another, desert one another, and hate one another, or something like that. Then, you will go to the houses of the Emigrants, and make some of them over others."

3997- It is narrated on the authority of Amr Ibn Awf Al-Ansari, who was an ally of Banu Amir Ibn Lu'ai and one of those who had taken part in (the holy battle of) Badr that the Messenger of Allah "Allah's blessing and peace be upon him" sent Abu Ubaidah Ibn Al-Jarrah to Bahrain to collect the Jizyah. The Messenger of Allah "Allah's blessing and peace be upon him" established peace with the people of Bahrain and appointed Al-Ala' Ibn Al-Hadrami as their governor. When Abu Ubaidah came from Bahrain with the money, the Ansar heard of Abu Ubaidah's arrival which coincided with the time of the morning prayer with The Prophet "Allah's blessing and peace be upon him". When The Messenger of Allah "Allah's blessing and peace be upon him" led them in the morning prayer and finished, the Ansar approached him, and he looked at them and smiled on seeing them and said: "I feel that you heard that Abu Ubaidah had brought something from Bahrain!" They said: "Yes, O Allah's Apostle!" He said: "Rejoice and hope

[19] The Affliction Caused By Women

3998- It is narrated on the authority of Usamah Ibn Zaid that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "I leave after me no affliction more harmful to men than women."

3999- It is narrated on the authority of Abu Sa'id that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "No morning comes but that two angels call: "Woe to men from women; and woe to women from men!""

4000- It is narrated on the authority of Abu Sa'id that the Messenger of Allah "Allah's blessing and peace be upon him" got up and addressed us saying: "No doubt, the world is green and sweet, and Allah has made you as vicegerents in it, and He is seeing what you will do: so, protect yourselves against (the evil delights of) world and safeguard yourselves from (the evil of the temptation of) women."

4001- It is narrated on the authority of A'ishah that she said: While the Messenger of Allah "Allah's blessing and peace be upon him" was sitting in the mosque, a woman from (the tribe of) Muzainah entered, and she was (dragging her garment on the ground by way of) strutting about in her adornment in the mosque. On that the Messenger of Allah "Allah's blessing and peace be upon him" said: "O people! Forbid your women to wear (clothes decorated with) adornment and strut about in the mosques, for the children of Israel received no curse before their women had worn adornment and strutted about in the places of worship."

4002- It is narrated on the authority of Abu Hurairah that he met a woman scented with perfume, and she intended to go to the mosque. He asked her: "O slave-girl of (Allah) Compeller! Where do you intend to go?" she said: "The mosque." he asked: "Have you applied perfume to your body for that?" she answered in the affirmative, thereupon he said: Verily, I heard the Messenger of Allah "Allah's blessing and peace be upon him" having said: "If any woman applies perfume to her body and then comes out to the mosque, no prayer will be accepted from her until she takes bath (and removes from her body the traces of perfume)."

4003- It is narrated on the authority of Abdullah Ibn Umar that the Messenger of Allah "Allah's blessing and peace be upon him" said: "O

I have not seen anyone, more deficient in brains and religion than you, who can lead a cautious wise man astray". She asked: "What is deficient in our brains and religion, O Messenger of Allah?" The Messenger of Allah "Allah's blessing and peace be upon him" answered: "As for the deficiency of brains, it is that the two women's witness is considered to be equal only to one man's witness; and that is the women's deficiency of brains. As for the deficiency of religion, the menstruating woman would spend many nights without offering even a single prayer, and she would not fast for many days in (the month of) Ramadan; and that is the shortage of religion."

[20] Enjoining What Is Good And Forbidding What Is Evil

4004- It is narrated on the authority of A'ishah that she said: I heard the Messenger of Allah "Allah's blessing and peace be upon him" having said: "Enjoin what is right and forbid what is evil before (the time will come when) you will invite (people to do good) even though your invitation will receive no answer."

4005- It is narrated on the authority of Qais Ibn Abu Hazim that he said: Abu Bakr got up (and delivered a sermon in which) he praised Allah and lauded Him. Then he said: "O people! You recite the following Holy Verse: "O you who believe! guard your own souls: if you follow (right) guidance, no hurt can come to you from those who stray" (Al-Ma'idah 105); and we heard the Messenger of Allah "Allah's blessing and peace be upon him" having said: "When (it is time that even though) the people see what is evil, they will not change it, Allah Almighty then will be about to comprehend them with His punishment."" Abu Usamah said: I also heard the Messenger of Allah "Allah's blessing and peace be upon him" having said (the same).

4006- It is narrated on the authority of Abu Ubaidah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "When the children of Israel fell into committing sins, one might see his brother having committed a sin, from which he would forbid him (even though he did not desist). Then, on the coming day, such (sin) as he saw him doing would not prevent him from sharing food and drink with him, and even sitting with him, until Allah made their hearts fall in dispute with one another. In connection with them the Qur'an was revealed: "Curses were pronounced on those among the Children of Israel who rejected Faith, on

(Al-Ma'idah 78 :81) The Messenger of Allah "Allah's blessing and peace be upon him" was reclining (against something when he said it) then, he sat and said: "No, by Him, in Whose Hand my soul is! (You should keep enjoining what is right and forbidding what is evil) until you force those (who do evil) to (return to) the truth."

(...) The same is narrated on the authority of Abdullah from the Messenger of Allah "Allah's blessing and peace be upon him", through another chain of transmitters.

4007- It is narrated on the authority of Abu Sa'id that the Messenger of Allah "Allah's blessing and peace be upon him" delivered a speech, in which he said: "Behold! Let not one's fear of men prevent him from telling the truth once he knows it." Then, Abu Sa'id wept and said: "By Allah! We have seen things and we feared (to tell the truth in regard to them)."

4008- It is narrated on the authority of Abu Sa'id that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "Let none of you put himself to shame!" they asked: "O Messenger of Allah! How does anyone of us put himself to shame?" he said: "It is to see a thing, which Allah Almighty disapproves, even though he says nothing in connection with it. On the Day of Judgement, Allah will ask him: "What prevented you from saying such and such in connection with that matter?" he will reply: "I feared the people." On that He will say: "I had more right upon you to fear."

4009- It is narrated on the authority of Ubaidullah Ibn Jarir from his father that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "There is no people, among whom the acts of disobedience are done, and even though they are much stronger than such as do that, they never change it, but that Allah will comprehend them with punishment."

4010- It is narrated on the authority of Jabir that he said: When the Emigrants (who went to Abyssinia by the way) of the sea returned to the Messenger of Allah "Allah's blessing and peace be upon him" he said to them: "Would you not tell me of the wonderful things you've seen in the territory of Abyssinia?" Some young men of them said: "Yes, O Messenger of Allah! While we were sitting, an old lady belonging to them came upon us, and she was carrying a bucket of water on her head. She passed by a

When she stood up she turned to him and said: "You will know, O treacherous one, when Allah will place the Throne (on the Day of Judgement), and gather both the foremost and the last (of His creatures), and the hands and legs (of the people) will speak with what they earned (in the world), you will know by then what He will decide pertaining to you and me in the future." On that the Messenger of Allah "Allah's blessing and peace be upon him" said: "She has told the truth! She has told the truth! How should Allah purify a people (of their sins and mistakes), since the right of the weak among them is not taken from the strong among them?"

4011- It is narrated on the authority of Abu Sa'id Al-Khudri that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "The best (deed of) Jihad is a word of justice to be said in the presence of an unfair one having authority (over others)."

4012- It is narrated on the authority of Abu Umamah that once, a man appeared to the Messenger of Allah "Allah's blessing and peace be upon him" at the first Jamrah, and asked him: "O Messenger of Allah! Which deed of Jihad is best?" he kept silent (and gave no reply). When he threw the second Jamrah, the man asked him, but he kept silent (and gave no reply). When he finished from throwing the Jamrah of Aqabah, and put his feet in the stirrup, he said: "Where is the asker?" the man said: "Here I'm O Messenger of Allah!" the Messenger of Allah "Allah's blessing and peace be upon him" said: "It is a word of truth to be said in the presence of an unfair one having authority (over the people)."

4013- It is narrated on the authority of Tariq Ibn Shihab that he said: It was Marwan (Ibn Al-Hakam) who brought the pulpit on the day of Id, and started with delivering the sermon before the prayer. A man stood up and said: "O Marwan! You've deviated from the right way (of the Prophet and his companions): you've brought out the pulpit, which was not to be brought out (on such a day), and you have started with delivering the speech before the prayer, and it was the habit (of the Prophet) not to start with it." Abu Sa'id said: "This man has done whatever (duty) is incumbent upon him. I heard Allah's Apostle "Allah's blessing and peace be upon him" having said: "Whoever amongst you sees something abominable and he is able to set it right with his hand let him do that with his hand; and if he has no enough power to do that, let him do it with his tongue; and if he has no enough power to do it with his tongue, then let him (deny it) from his heart, and that is the least degree of faith."

[21] Allah's Saying: "O You Who Believe! Guard Your Own Souls"

4014- It is narrated on the authority of Abu Umayyah Ash-Sha'bani that he said: I went to Abu Tha'labah Al-Khushni and said to him: "How do you do concerning that Holy Verse?" he said: "Which Holy Verse do you mean?" I said: "O you who believe! guard your own souls: if you follow (right) guidance, no hurt can come to you from those who stray." (Al-Ma'idah 105) he said: "No doubt, you've asked one who is well-acquainted with it. I asked the Messenger of Allah "Allah's blessing and peace be upon him" about it, and he said: "You should enjoin what is right among yourselves and forbid what is evil among yourselves, until when you see people adhering to niggardliness, sticking to their own lusts, favouring (the delights and pleasures of) this world, with everyone admiring his individual opinion (even though it might be wrong), and you see you have no power to forbid that, stick to your own self, for indeed, behind you there will come days of patience; and to hold fast by patience on them will be (as difficult) as to grasp pieces of fire, and such as does deeds on them will have the reward of as much as fifty ones who do the like of his deeds (at another time)."

4015- It is narrated on the authority of Anas that the Messenger of Allah "Allah's blessing and peace be upon him" was asked: "O Messenger of Allah! When should the matter of enjoining what is right and forbidding what is evil be left?" he said: "When there will appear among you the same as appeared among the nations before you." It was said to him: "O Messenger of Allah! What did appear among the nations before us?" he said: "The matter of ruling and authority will end up to the youngest among you, the adultery will be committed by the old ones among you, and the (religious) knowledge will be with the wicked evil persons among you."

4016- It is narrated on the authority of Hudhaifah that the Messenger of Allah "Allah's blessing and peace be upon him" said: "It is not befitting for a faithful believer to put himself to humiliation." They asked: "How does he put himself to humiliation O Messenger of Allah?" he said: "By laying upon himself as much trials as what is beyond his capacity."

4017- It is narrated on the authority of Abu Sa'id Al-Khudri that he said: I heard the Messenger of Allah "Allah's blessing and peace be upon him" having said: "On the Day of Judgement, Allah will ask the servant, until He will say to him: "What prevented you to reject what is evil?" if Allah dictates the argument to a servant, he will come to say: "O Lord! I've expected for Your (Mercy and Generosity) and (at the same time) I was afraid of the people."

[22] What About Punishment

4018- It is narrated on the authority of Abu Musa that he said: Allah's Apostle "Allah's blessing and peace be upon him" said: "Allah gives respite to the oppressor, but when He takes him over, He never releases him." Then he recited: "Such is the chastisement of your Lord when he chastises communities in the midst of their wrong: grievous, indeed, and severe is his chastisement." (Hud 102)

4019- It is narrated on the authority of Abdullah Ibn Umar that he said: The Messenger of Allah "Allah's blessing and peace be upon him" came to us and said: "O community of Emigrants! You should be careful of the following five things, if you are put to trial concerning them, and I seek refuge with Allah that you should catch up with them: the adultery never appears among a people who practice it publicly but that there will become widespread among them the plague and such ailments as never have gone away with the going of their ancestors; and they never make their weights and measures less than what is due but that they will be seized with famine years, shortage of provisions, and the oppression of rulers; and they never withhold the obligatory charity due upon their property but that rain will be forbidden from coming to them from the sky, and had it not been for the (existence of the) animals, they would have received no rain at all; and they never break the covenant of Allah and the covenant of His Messenger but that an enemy from outside will be invested by Allah Almighty with authority over them, to take some of what is in their possession; and their rulers never judge in accordance with the (laws and principles of) Allah's Book, and take from what has been revealed by Allah but that Allah will make their destruction by their mutual vengeance each from the other."

4020- It is narrated on the authority of Abu Malik Al-Ash'ari that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "Some people of my nation will drink wine, giving it a name other than its real one, in whose presence the musical instruments will be played: Allah Almighty will cause the earth to swallow them up, and He further will transform them into apes and swine."

4021- It is narrated on the authority of Al-Bara Ibn Azib that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "They will receive the Curse of Allah and the curse of such as send their curses." He further said: "Those are the beasts of the earth."

4022- It is narrated on the authority of Thawban that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said:

"Nothing barring kindness and dutifulness could make life longer; and nothing barring the invocation could repel the Divine Decree; and one might be forbidden sustenance on account of committing a sin."

[23] Keeping Patient On The Trial

4023- It is narrated on the authority of Sa'd Ibn Abu Waqqas that he said: I asked the Messenger of Allah "Allah's blessing and peace be upon him": "O Messenger of Allah! Who amongst the people has the power to receive the most grievous distress?" he said: "The Prophets, and then such as next (of strength and patience). A servant is put to trial according to (the strength of) his religion: the more he is strong in religion, the more the trial he receives is grave; and if he is weak in his religion, he will be put to trial in accordance with (the degree of weakness of) his religion; and the trial never leaves a servant until he lets him walk on the earth, free from mistakes (and sins)."

4024- It is narrated on the authority of Abu Sa'id Al-Khudri that he said: I visited the Messenger of Allah "Allah's blessing and peace be upon him" and he was suffering from fever. I put my hand on his body, and felt its heat in between my hands over the quilt. I said: "O Messenger of Allah! How severe it is upon you!" on that he said: "We (Prophets) have our distresses multiplied for us, as well as our reward will be multiplied." I asked: "O Messenger of Allah! Which amongst the people has the power to receive the most grievous distress?" he said: "The Prophets." I said: "Who is next?" he said: "The righteous men: anyone of them would be put to trial on account of poverty so much that he had nothing (to wear) but his mantle; and anyone of them would rejoice at (his being put to) trial, in the same way as anyone of you rejoices at (his being given to) prosperity."

4025- It is narrated on the authority of Abdullah that he said: It seems as if I was looking at the face of the Messenger of Allah "Allah's blessing and peace be upon him", while he was relating (the story of) one of the Prophets, when his people struck him and he was wiping the blood of his face, saying: "O Lord! Forgive for my nation for they know not."

4026- It is narrated on the authority of Abu Hurairah: Allah's Apostle "Allah's blessing and peace be upon him" said: " We are more apt to be in doubt than Abraham when he said: "my Lord! Show me how you give life to the dead. He said: do you not then believe? He said: yea! But to satisfy my own understanding." (Al-Baqarah 260) May Allah send His Mercy on Lut! He wished to have a powerful support. If I were to stay in

4027- It is narrated on the authority of Anas Ibn Malik that he said: When it was the day of (the holy battle of) Uhud, the canine tooth of the Messenger of Allah "Allah's blessing and peace be upon him" was broken, and his head was wounded, and the blood was flowing on his face. He started wiping the blood off his face and saying: "How should a people prosper, who caused the face of their Prophet to bleed, even though he calls them to (have faith in) Allah?" on that occasion Allah revealed: "Not for you, (but for Allah), is the decision: whether He turn in Mercy to them, or punish them; for they are indeed wrong-doers." (Al Imran 128)

4028- It is narrated on the authority of Anas that he said: One day, Gabriel "Peace be upon him" came to the Messenger of Allah "Allah's blessing and peace be upon him", and he was sitting in a state of sadness, and the blood was flowing on him since some of the inhabitants struck him. He asked him: {"What is wrong with you?" he said: "So and so did such and such (a thing) with me." He said to him: "Do you like that I should show to you a sign (so that it might relieve you)?" he answered in the affirmative. He looked at a tree from behind the valley, and then said to him: "Invite this tree." He invited it, and it came walking until it stood in front of him. He said to him: "Tell it to return." He told it to return and it did accordingly. On that the Messenger of Allah "Allah's blessing and peace be upon him" said: "This is sufficient for me."

4029- It is narrated on the authority of Hudhaifah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "Count for me everyone that has embraced Islam." We said: "O Messenger of Allah! Do you fear for us, even though we are as much as six hundred to seven hundred?" the Messenger of Allah "Allah's blessing and peace be upon him" said: "You do not know, perhaps you might be put to trial." However, we were put to such a trial that anyone of us was not able to offer prayer but in secrecy.

4030- It is narrated on the authority of Ubai Ibn Ka'b that on the Night Journey, the Messenger of Allah "Allah's blessing and peace be upon him" detected a good smell, thereupon he said: "O Gabriel! What is that good smell?" he said: "This is the smell of the grave of the combing woman, her two children and husband." The story was that Al-Khadir was one of the honourable men among the children of Israel, and he used to come upon a monk in his monastery. The monk used to see him, to instruct him in Islam.

When Al-Khadir attained the age of puberty, his father married him to a woman, whom Al-Khadir instructed (in religion), and took from her the pledge that she should not inform anyone of his state; and since he used not to approach women, he divorced her; and his father married him to another woman, whom he instructed (in religion), and took from her the pledge that she should not inform anyone of his state. One of those (two women) concealed (his state), and the other announced it publicly. The result was that he ran in flight until he came to an island in the middle of the sea, where two men engaged in cutting (and selling the bundles of) fire came to him: one of them concealed his state, and the other announced it publicly, saying: "I've seen Al-Khadir." It was said to him: "Who has seen him with you?" he said: "So and so." When he was asked, he concealed (that he had seen him). According to their religion, whoever told a lie should be killed. Then, the man who concealed (his state) got married to the concealing woman. While she was combing the hair of the daughter of Pharaoh, the comb fell down from her hand, and she said: "Let Pharaoh be given to perdition!" she told her father; and the combing woman had two children in addition to her husband. They were brought, and both the woman and her husband were seduced pressingly to leave their religion; but they refused. On that he said: "I'm going to kill you." They said: "It is out of your kindness to us that you should gather us in one house, if you have the desire to kill us." He did accordingly. When the Prophet "Allah's blessing and peace be upon him" was taken on the Night Journey, he detected a good smell, about which he asked Gabriel, and he told him of its reality.

4031- It is narrated on the authority of Anas Ibn Malik that the Messenger of Allah "Allah's blessing and peace be upon him" said: "The reward (one will receive) will be as great as the distress and trial to which he is put; and verily, if Allah loves a people, He will put them to trial (in order to examine their constant patience): whoever is pleased will acquire the good pleasure (of Allah), and whoever becomes angry will incur upon himself the anger (of Allah)."

4032- It is narrated on the authority of Ibn Umar that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "The faithful believer who mixes with the people and keeps patient against their harm is much better than the believer who does not mix with the people, nor does he keep patient against their harm."

4033- It is narrated on the authority of Anas Ibn Malik that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "There

are three characteristics, and whoever has them, will feel the taste (or the sweetness) of faith: he, who loves a person, and he does not love him but for the sake of Allah; he, to whom Allah and His Messenger are much dearer than anyone else; and he, for whom it is better to be thrown into the fire than to renegade to infidelity after Allah had rescued him from it."

4034- It is narrated on the authority of Abu Ad-Darda' that he said: My bosom friend (the Messenger of Allah "Allah's blessing and peace be upon him") recommended me: "not to associate anything with Allah (in worship) even though your body is cut off and burnt; not to leave an obligatory written prayer intentionally, and whoever leaves it intentionally, then, the covenant (of the Muslims) will become free from him; and not to drink wine, since it is the key of every kind of evil."

[24] The Severity Of Time

4035- It is narrated on the authority of Mu'awiyah that he said: I heard the Messenger of Allah "Allah's blessing and peace be upon him" having said: "Nothing remains out of this world (to come) but trials and afflictions."

4036- It is narrated on the authority of Abu Hurairah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "There will come upon the people many deceptive years, during which the liar will be trusted and the truthful will be belied; the betrayer will be made trustworthy, and the trustworthy will be accused of treachery; and the slightest among the people will speak (in the serious matters of the people)."

4037- It is narrated on the authority of Abu Hurairah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "By Him in Whose Hand is my soul! The world will not go away until a man will come upon the grave of another, on which he will roll his body and say: "Would that I was in the place of the man of that grave!" however, it is not the religion which will cause him to do that so much as it is the trial and distress (to which he will be put)."

4038- It is narrated on the authority of Abu Hurairah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "No doubt, the best ones of you will be chosen from amongst you in the same way as good dates are chosen from amongst the bad ones; and the best among you will go away, while the worst among you will survive: by then, (it is better for) you to die if you could!"

4039- It is narrated on the authority of Anas Ibn Malik that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "The matter (of sticking to the principles of the religion) will become but much harder, the world will become but more inclined to go away (with its pleasures and delights), and the people will become but more niggardly; and the Hour (of Judgement) will not be established but on the worst of people; and the rightly-guided one is expected but to be Jesus, son of Mary."

[25] The Portents Of The Hour (Of Judgement)

4040- It is narrated on the authority of Abu Hurairah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "I have been sent and the Hour (of Judgement) is (as close in time) as those fingers." He then gathered both his fingers.

4041- It is narrated on the authority of Hudhaifah Ibn Asid that he said: The Messenger of Allah "Allah's blessing and peace be upon him" looked at us from an upper room while we were discussing the matter of the Hour (of Judgement), thereupon he said: "The Hour will not be established until ten portents will appear: the Dajjal, the smoke, and the rising of the sun from its setting place."

4042- It is narrated on the authority of Awf Ibn Malik Al-Ashja'i that he said: I went to the Messenger of Allah "Allah's blessing and peace be upon him" during the holy battle of Tabuk, and he was sitting in a leather tent, and I sat near the tent. The Messenger of Allah "Allah's blessing and peace be upon him" said: "Come in O Awf!" I asked: "With the whole of my body O Messenger of Allah?" he said: "With the whole of your body." Then, he said: "O Awf! Retain in memory (from me) six portents to happen before the coming of the Hour (of Judgement), one of which will be my death." At that time, I was seriously grief-stricken; and he resumed: "Say this is one, followed by the conquest of Jerusalem; then an epidemic will appear among you, with which Allah Almighty will cause your offspring and (many of) you to become martyrs, and purify your deeds; then you will have property so much abundant that even though one might be given one hundred Dinars, he will become angry (regarding it as very insignificant); then an affliction will befall you, and there will be no house of a Muslim but that it will enter into it; and then there will be an armistice between you and Banu Al-Asfar (i.e. the Romans) who will prove treacherous and come towards you in eighty flags, under each of which there will be twelve thousand (fighters)."

4043- It is narrated on the authority of Hudhaifah Ibn Al-Yaman that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "The Hour (of Judgement) will not be established until you kill your ruler, kill each other with your swords, and the worst among you will inherit (the pleasures and delights of) your world."

4044- It is narrated on the authority of Abu Hurairah that he said: One day the Messenger of Allah "Allah's blessing and peace be upon him" was sitting among the people when a man came to him and asked him about the Hour (of Judgement). On that the Messenger of Allah "Allah's blessing and peace be upon him" said: "The one who is asked about it has no better knowledge than the questioner. But, let me tell you of its portents: when a slave-girl gives birth to her owner, this is one of its portents. When the barefooted naked persons become the chief of the people, this is one of its portents. When the shepherds of sheep compete in (constructing the huge and) long buildings, this is one of its portents. (The Hour) is one of the five (unseen events) which no one knows but Allah". Then he (The Messenger of Allah "Allah's blessing and peace be upon him") recited (Allah's saying): "Verily the knowledge of the Hour is with Allah (alone). It is He Who knows rain, and He Who knows what is in the wombs. Nor does any one know what it is that he will earn on the morrow: nor does any one know in what land he is to die. Verily with Allah is full knowledge and He is acquainted (with all things)". (Luqman 34)

4045- It is narrated on the authority of Anas Ibn Malik that he said: Should I not relate to you a narration I heard from the Messenger of Allah "Allah's blessing and peace be upon him", which none after me will relate to you? I heard Allah's Apostle "Allah's blessing and peace be upon him" saying: "From among the portents of the Hour are that: Religious knowledge will be taken away for the ignorance to prevail; adultery will become widespread; wine will be drunk; and women will increase and men will decrease in number so much that for each fifty women there will be only one man."

4046- It is narrated on the authority of Abu Hurairah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "The Hour (of Judgement) will not be established until the Euphrates will uncover a mountain of gold, on account of which people will be engaged in fight, with the result that nine will be killed from every ten (of them)."

4047- It is narrated on the authority of Abu Hurairah that he said: The Prophet "Allah's blessing and peace be upon him" said: "The Hour (of Judgement) will not be established until the property will become abundant,

[26] The Disappearance Of Both Qur'an And Knowledge

4048- It is narrated on the authority of Ziyad Ibn Labid that he said: The Messenger of Allah "Allah's blessing and peace be upon him" made a mention of something and said: "This will be at the time of the disappearance of knowledge." I said: "O Messenger of Allah! How shall knowledge disappear since we recite the Qur'an, teach it to our children to recite it, who will keep teaching it to their offspring to recite it to the Day of Judgement?" on that he said: "Let your mother be bereaved of you O Ziyad! I have thought you are one of such as has the best comprehension in religion in Medina. Is it not that those Jews and Christians recite both the Torah and Gospel, and do not act upon anything of what they contain?"

4049- It is narrated on the authority of Hudhaifah Ibn Al-Yaman that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "Islam will be lost in the same way as the engraving of a garment is, to the extent that it will not be known what is fasting, what is prayer, what is offering, what is charity, and it will not be acted upon (the principles of) the Book of Allah Almighty even on a single night, and No Verse will remain on the earth out of it; and there will survive groups of people, whose old men and women will say: "We have caught up with our fathers while saying this statement "There is no god (to be worshipped) but Allah", and thus we say it (as they have said it)." Silah (a sub-narrator) said to him: "What would (the statement) "There is no god (to be worshipped) but Allah" avail them since they will not know what prayer is, what fasting is, what offering is, and what charity is?" Hudhaifah turned back from him. He repeated it to him thrice, and every time Hudhaifah turned back from him, and in the third time he turned to him and said: "O Silah! It will deliver them from the fire (of Hell)!" (He said it) thrice.

4050- It is narrated on the authority of Abdullah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "(A short time) before the (establishment of the) Hour (of Judgement), there will come days, during which the (religious) knowledge will be taken away for ignorance to prevail, and the tumult will increase so much; and the tumult refers to the killing."

4051- It is narrated on the authority of Abu Musa that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "There

4052- It is narrated on the authority of Abu Hurairah, tracing it up to the Messenger of Allah "Allah's blessing and peace be upon him" that he said: "Time will pass rapidly, the (religious) knowledge will decrease, miserliness will be planted (in the hearts of the people), many afflictions will break up, and the tumult will be widespread." They asked: "What is the tumult?" He replied: "Murdering! Murdering!"

[27] The Loss Of Honesty

4053- It is narrated on the authority of Hudhaifah: Allah's Apostle "Allah's blessing and peace be upon him" told us two narrations, one of which I have seen (happening) and I am waiting for the other. He told that honesty was preserved in the roots of the hearts of men (in the beginning). Then, The Holy Qur'an was revealed, and we learnt it (honesty) from the Qur'an, and then we learnt it from the (Prophets) Sunnah. He also told us about its disappearance, saying: "A man will go to sleep whereupon honesty will be taken away from his heart, and only its trace will remain, resembling a faint mark. He then will sleep again whereupon the remainder of the honesty will also be taken away (from his heart) with its trace resembling a blister, as if you rolled down an ember on your foot, and it was vesicle; and in fact, you would see it as swelling, though it does not contain anything." Hudhaifah then picked up a pebble, which he rolled down over his leg. He told (that the Prophet resumed): "Then, the people will come to deal in business with each other but there will hardly be any trustworthy persons among them. Then it will be said that in such-and-such a tribe there is such-and-such a person who is honest. Though a man will be admired for his intelligence, good manners and strength, he, in fact, will not have belief equal to a mustard seed in his heart." The narrator added: "There came upon me a time when I did not mind dealing with anyone of you, for if he was a Muslim, his religion would prevent him from cheating; and if he was a Christian or a Jew, his Muslim ruler would prevent him from cheating. But today I cannot deal but with so-and-so and so-and-so."

4054- It is narrated on the authority of Ibn Umar that the Messenger of Allah "Allah's blessing and peace be upon him" said: "If Allah wants to ruin a servant, He will deprive him of shyness; and once He deprives him of shyness, you will not see him but vile and hateful (in the sight of others);

4052 ـ حدّثنا أَبُو بَكْرٍ. حَدَّثَنَا عَبْدُ الأَعْلَىٰ عَنْ مَعْمَرٍ، عَنِ الزُّهْرِيِّ، عَنْ سَعِيدِ بْنِ الْمُسَيَّبِ، عَنْ أَبِي هُرَيْرَةَ، يَرْفَعُهُ قَالَ: «يَتَقَارَبُ الزَّمَانُ، وَيَنْقُصُ الْعِلْمُ، وَيُلْقَىٰ الشُّحُّ، وَتَظْهَرُ الْفِتَنُ، وَيَكْثُرُ الْهَرْجُ» قَالُوا: يَا رَسُولَ اللَّهِ وَمَا الْهَرْجُ؟ قَالَ: «الْقَتْلُ».

27 ـ بابُ ذَهَابِ الأَمَانَةِ

4053 ـ حدّثنا عَلِيُّ بْنُ مُحَمَّدٍ. حَدَّثَنَا وَكِيعٌ عَنِ الأَعْمَشِ، عَنْ زَيْدِ بْنِ وَهْبٍ، عَنْ حُذَيْفَةَ؛ قَالَ: حَدَّثَنَا رَسُولُ اللَّهِ ﷺ حَدِيثَيْنِ: قَدْ رَأَيْتُ أَحَدَهُمَا وَأَنَا أَنْتَظِرُ الآخَرَ. حَدَّثَنَا: «أَنَّ الأَمَانَةَ نَزَلَتْ فِي جَذْرِ قُلُوبِ الرِّجَالِ» (قَالَ الطَّنَافِسِيُّ: يَعْنِي وَسْطَ قُلُوبِ الرِّجَالِ).

وَنَزَلَ الْقُرْآنُ. فَعَلِمْنَا مِنَ الْقُرْآنِ وَعَلِمْنَا مِنَ السُّنَّةِ.

ثُمَّ حَدَّثَنَا عَنْ رَفْعِهَا فَقَالَ: «يَنَامُ الرَّجُلُ النَّوْمَةَ، فَتُرْفَعُ الأَمَانَةُ مِنْ قَلْبِهِ. فَيَظَلُّ أَثَرُهَا كَأَثَرِ الْوَكْتِ. ثُمَّ يَنَامُ النَّوْمَةَ، فَتُنْزَعُ الأَمَانَةُ مِنْ قَلْبِهِ. فَيَظَلُّ أَثَرُهَا كَأَثَرِ الْمَجْلِ. كَجَمْرٍ دَحْرَجْتَهُ عَلَى رِجْلِكَ فَنَفِطَ، فَتَرَاهُ مُنْتَبِراً، وَلَيْسَ فِيهِ شَيْءٌ».

ثُمَّ أَخَذَ حُذَيْفَةُ كَفًّا مِنْ حَصًى، فَدَحْرَجَهُ عَلَى سَاقِهِ.

قَالَ: «فَيُصْبِحُ النَّاسُ يَتَبَايَعُونَ وَلاَ يَكَادُ أَحَدٌ يُؤَدِّي الأَمَانَةَ. حَتَّى يُقَالَ: إِنَّ فِي بَنِي فُلاَنٍ رَجُلاً أَمِيناً. وَحَتَّى يُقَالُ لِلرَّجُلِ: مَا أَعْقَلَهُ وَأَجْلَدَهُ وَأَظْرَفَهُ وَمَا فِي قَلْبِهِ حَبَّةُ خَرْدَلٍ مِنْ إِيمَانٍ».

[28] What About Signs

4055- It is narrated on the authority of Hudhaifah Ibn Asid Abu Sarihah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" looked at us from an upper apartment while we were discussing the Last Hour. Thereupon he said: "The Hour (of Judgement) will not be established until there will be ten signs before it: the rising of the sun from its setting place, Ad-Dajjal, the smoke, the beast, the Gog and Magog, the descent of Jesus son of Mary "Peace be upon him", land-sliding in three places, one in the east, one in the west and one in Arabia at the end of which fire would come out from the bottom of Aden, and would drive people to the place of their assembly. The fire would descend along with them where they would land and where they would take rest (during midday)."

4056- It is narrated on the authority of Anas Ibn Malik that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "Hasten to do (the good) deeds before the coming of six (portents of the Hour of Judgement): the rising of the sun from its setting place, the smoke, the land beast, the Dajjal (Imposter), the (death which is) unique to anyone of you, and (before you are occupied by) the matter of the public."

4057- It is narrated on the authority of Anas Ibn Malik that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "The (major) signs (which portend the Hour of Judgement) will come after the (appearance of the) two hundred (lesser signs)."

4058- It is narrated on the authority of Anas Ibn Malik that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "My nation will be of five generations: for forty years, they will be a people famous for piety and dutifulness; then such as follow them up to one hundred and twenty years, will be a people renowned for showing mercy towards one another, and keeping good relations with one another; then such as follow them up to one hundred and sixty years, will be a people

[29] The Land-Sliding

4059- It is narrated on the authority of Abdullah that the Messenger of Allah "Allah's blessing and peace be upon him" said: "(A short time) before the Hour (of Judgement) there will be metamorphosis (of some of the creatures), land-sliding, and throwing (with the help of the stones)."

4060- It is narrated on the authority of Sahl Ibn Sa'd that he heard the Messenger of Allah "Allah's blessing and peace be upon him" having said: "Towards the end of my nation, there will be land-sliding, transformation (of some of Allah's creatures), and throwing (with the help of the stones)."

4061- It is narrated on the authority of Nafi' that a man came to Ibn Umar and said: "So and So sends salutation to you." He said: "I've learnt that he had made religious innovations (which have no reference in the Qur'an and the sunnah): if he has done so, then, send no salutation from me to him. No doubt, I heard the Messenger of Allah "Allah's blessing and peace be upon him" having said: "In my nation, or in this nation, there will be transformation (of some of Allah's creatures), land-sliding, and throwing (with the help of the stones); and those will appear in particular among the people who reject the destiny."

4062- It is narrated on the authority of Abdullah Ibn Amr that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "In my nation, there will be land-sliding, metamorphosis (of some of the creatures), and throwing (with the help of the stones)."

[30] The Army Of Al-Baida

4063- It is narrated on the authority of Abdullah Ibn Safwan that he said: Hafsah told me that the Messenger of Allah "Allah's blessing and peace be upon him" said: "An army will take its direction towards this House, with the intention to invade it; and when it will come upon the plain ground

When the army of Al-Hajjaj came, we thought it was the same (of which the narration told, and when it was evident it was not the same) a man said: "I bear witness that you have not told lie about Hafsah, and that Hafsah has not told lie about the Messenger of Allah "Allah's blessing and peace be upon him"."

4064- It is narrated on the authority of Safiyyah that she said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "The people will not desist from (attempts to) invade this House, until an army will come to invade it; and when its members will reach Al-Baida or the plain ground, the earth will be made to swallow up the first and the last portions of it, and the middle portion will not be saved." I said: "But, if there are among those (of the army) such as forced to do so under compulsion (what will their destiny be?)" on that he said: "Allah will raise them in accordance with what they conceal in themselves."

4065- It is narrated on the authority of Umm Salamah that the Messenger of Allah "Allah's blessing and peace be upon him" made a mention of the army which the earth will be made to swallow up, thereupon she said: "O Messenger of Allah! Perhaps from amongst its members, there might be such as forced to come under compulsion." On that the Messenger of Allah "Allah's blessing and peace be upon him" said: "No doubt, they will be raised according to their real intentions."

[31] The Land Beast

4066- It is narrated on the authority of Abu Hurairah that the Messenger of Allah "Allah's blessing and peace be upon him" said: "The land beast will come having the ring of Solomon Ibn David and the stick of Moses Ibn Imran "Peace be upon both": it will make bright the face of the faithful believer with the stick, and strike the nose of the non-believer with the ring; and the inhabitants of the different dwelling places will gather (and call each other): this will say: "O faithful believer!" and that will say: "O non-believer!"

(...) The same is narrated on the authority of Hammad Ibn Salamah, through another chain of transmission.

4067- It is narrated on the authority of Abdullah Ibn Buraidah from his father that he said: The Messenger of Allah "Allah's blessing and peace be upon him" went with me to a place in the desert, near Mecca, and behold! It

[32] The Rising Of The Sun From Its Setting Place

4068- It is narrated on the authority of Abu Hurairah that he said: I heard The Messenger of Allah "Allah's blessing and peace be upon him" having said: "The Hour (of Judgement) will not be established until the sun will rise from its setting place; and once it rises and the people see it, all on it (the earth) will then come to believe; and this will be at the time it will be of no profit to a soul to believe, when it has not believed earlier."

4069- It is narrated on the authority of Abdullah Ibn Amr that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "The first sign (which portends the Hour of Judgement) to appear will be the rising of the sun from its setting place, followed by the coming out of the beast to the people in the forenoon." Abdullah said: Whichever of them will come first, the other will be close to it (in time). Abdullah further said: I do not think but that (the first is) the rising of the sun from its setting place.

4070- It is narrated on the authority of Safwan Ibn Assal that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "From the direction of the setting place of the sun, there is an opened gate, as large as (a distance to be covered in) seventy years; and that gate will be kept open for repentance until the sun will rise from its direction: when it will rise from its direction, it will be of no profit to a soul to believe, when it has not believed earlier, or earned good in its faith."

[33] The Affliction Of The Dajjal; The Coming Out Of Jesus; And The Appearance Of The Gog And Magog

4071- It is narrated on the authority of Hudhaifah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "The Dajjal is blind in his left eye, hairy, and he will have both garden and fire, even though his fire is garden, and his garden is fire."

4072- It is narrated on the authority of Abu Bakr As-Siddiq that he said: The Messenger of Allah "Allah's blessing and peace be upon him" told us that the Dajjal will come out from a territory in the East called Khurasan, followed by people, whose faces will be like leather shields.

4073- It is narrated on the authority of Al-Mughirah Ibn Shu'bah that he said: None has ever asked the Messenger of Allah "Allah's blessing and peace be upon him" about the Dajjal more than I've asked him (or none has ever been more pressing in asking him than me, according to the narration of Ibn Numair). He said to me: "Why do you ask about him (so much pressingly)?" I said: "Because they say he will have both food and drink." On that he said: "He is more insignificant in the Sight of Allah than that."

4074- It is narrated on the authority of Fatimah Bint Qais that she said: One day, the Messenger of Allah "Allah's blessing and peace be upon him" offered prayer and then ascended the pulpit, and before that, he never ascended the pulpit but on Fridays. The people were severely astonished: some of them were sitting and others standing, thereupon he beckoned to them to sit down, and said: "By Allah! I've never stood in this position of mine for a matter which might be of benefit for you, nor for desire or fear of something, but Tamim Ad-Dari came to me, and conveyed to me a news item, which prevented me from taking my siesta because of happiness and pleasure; and I loved to publicize the happiness of your Prophet among you. Behold! A paternal cousin of Tamim Ad-Dari told me that the wind caused them to take refuge to an island which they did not know, and they kept sitting in the boats belonging to the ship. When they came out they found a black female, of long eyelashes, to whom they said: "Who are you?" she said: "I'm a reconnoiterer." They asked her to tell them, and she said: "I'm not going to tell you anything, nor am I going to ask you about anything, but, look at this church: there is a man, who has a desire to know from you and tell you (if you so like)." They entered into him and behold! They saw a very old man in heavy bonds, and he was in a state of deep sad and pain. He asked them: "From where are you?" they said: "From Sham." He said: "What about the Arabs?" they said: "We belong to the Arabs: about which do you ask?" he said: "What about that man (i.e. the Prophet) who appeared among them?" They said: "Good: his people opposed him, and Allah made him victorious over them; and now, they unanimously agree on one thing: their god is one, and they belong to the same religion (of Islam)." He asked: "What about the spring of Zughar?" They said: "Good: they water their plants from it, and they further drink from it." He asked: "What about the date-palms in the area between Amman and Bisan?" they said: "They produce their fruits regularly every year." He further asked: "What about the lake of Tabariyya?" they said: "The water flows heavily from both its sides on account of its abundance." On that he took three breaths, and said: "If I could manage to set free from this bonds of mine, I will never let a territory but that I will trample with my feet, except for Taibah (i.e.

Medina), on which I have no way." Then, the Messenger of Allah "Allah's blessing and peace be upon him" said: "This is the reason for my happiness: this is Taibah! By Him in Whose hand is my soul, there is no street in it, however narrow or broad, nor valley nor mountain but that on it there is an angel stretching his weapon (to safeguard it) to the Day of Judgement."

4075- It is narrated on the authority of An-Nawwas Ibn Sam'an that The Messenger of Allah "Allah's blessing and peace be upon him" made a mention of Ad-Dajjal one day in the morning. He sometimes described him to be insignificant and sometimes described (his turmoil as) very significant and we felt as if he were in the cluster of the date-palm trees. When we went to him (the Prophet) in the evening and he read (the signs of fear) in our faces, he said: "What is the matter with you?" We said: "O Messenger of Allah, you made a mention of Ad-Dajjal in the morning (sometimes describing him) to be insignificant and sometimes very important, until we began to think as if he were present in some (near) part of the cluster of the date palm trees." Thereupon he said: "I harbor fear in regard to you in so many other things besides Ad-Dajjal. If he comes forth while I am among you, I shall contend with him on your behalf, but if he comes forth while I am not amongst you, a man must contend on his own behalf and Allah will take care of every Muslim on my behalf (and safeguard him against his evil). He (Ad-Dajjal) would be a young man with twisted, contracted hair, and a bulging out eye. I compare him to Abd Al-Uzza Ibn Qatan. He who amongst you would survive to see him should recite over him the opening verses of the Surah of the Cave. He would appear on the way between Syria and Iraq and would spread mischief right and left. O servants of Allah! adhere (to the path of Truth)." We said: "O Messenger of Allah, how long would he stay on the earth?" He said: "For forty days, one day like a year and one day like a month and one day like a week and the rest of the days would be like your days." We said: "O Messenger of Allah, would one day's prayers suffice for that day which would be as long as one year?" Thereupon he said: "No, but you should estimate its time (and then observe prayer)." We said: "O Messenger of Allah, how fast would he walk upon the earth?" Thereupon he said: "Like cloud driven by the wind. He would come to the people and invite them (to a wrong religion) and they would affirm their faith in him and respond to him. He would then give command to the sky and there would be rainfall upon the earth and it would cause crops to grow. Then in the evening, their posturing animals would come to them with their humps very high and their udders full of milk and their flanks stretched. He would then come to another people and invite them. But they would reject him and he would go away from them, with the result

that they would suffer from drought and nothing would be left with them in the form of wealth. He would then walk through the waste land and say to it: Bring forth your treasures, and the treasures would come out and collect (themselves) before him like the swarm of bees. He would then call a person brimming with youth and strike him with the sword and cut him into two pieces and (make these pieces lie at a distance which is generally) between the archer and his target. He would then call (that young man) and he will come forward laughing with his face gleaming (with happiness). At this very time, Allah would send Christ, son of Mary, and he will descend at the white minaret in the eastern side of Damascus wearing two garments lightly dyed with saffron and placing his palms on the wings of two Angels. When he would lower his head, it would dribble with beads of water, and when he would raise it up, beads like pearls would scatter from it. Every non-believer who would smell the odor of his breath would die and his breath would reach as far as he would be able to see. He would then search for him (Ad-Dajjal) until he would catch hold of him at the gate of Ludd and kill him.

Then a people whom Allah had protected would come to Jesus, son of Mary, and he would wipe their faces and would inform them of their ranks in Paradise and it would be under such conditions that Allah would reveal to Jesus these words: "I have brought forth from amongst My servants such people against whom none would be able to fight; you take these people safely to Tur." Then Allah would send Gog and Magog and they would swarm down from every hill. The first of them would come upon the lake of Tabariyya and drink out of it. And when the last of them would pass, he would say: There was once water there. Jesus and his companions would then be besieged here (at Tur, and they would be so much hard pressed) that the head of the ox would be dearer to them than one hundred Dinars and The Messenger of Allah "Allah's blessing and peace be upon him", Jesus, and his companions would supplicate Allah, Who would send to them insects (which would attack the necks of gog and magog) and in the morning they would perish like one single person. The Messenger of Allah "Allah's blessing and peace be upon him", Jesus, and his companions would then come down to the earth and they would not find in the earth as little space as even a single span not filled with their putrefaction and stench. The Messenger of Allah "Allah's blessing and peace be upon him", Jesus, and his companions would then again beseech Allah, Who would send birds whose necks would be like those of Bactrian camels and they would carry them and throw them where Allah wills. Then Allah would send rain which no house of clay or (the tent of) camels' hairs would keep

out and it would wash away the earth until it would seem as a mirror. Then the earth would be told to bring forth its fruits and restore its blessing and, as a result thereof, a group of persons would be able to eat from a single pomegranate (in view of its hugeness), and seek shelter under its skin, and the single milch cow would give a great quantity of milk, so much enough for a whole party to drink. Similarly, the milch camel would give such (a large quantity of) milk sufficient for the whole tribe to drink and the milch sheep would give so much milk that suffices the whole family to drink. At that time Allah would send a pleasant wind which would soothe (people) even under their armpits, and would take the life of every Muslim and only the wicked people would survive who would do grievous mischief as (grave as if they were) asses and upon whom the Last Hour would come."

4076- It is narrated on the authority of Nawwas Ibn Sam'an that he heard the Messenger of Allah "Allah's blessing and peace be upon him" having said: "The Muslims will keep kindling (their fire) from the (strings of the) bows, arrows and leather shields of the gog and magog (people) for seven years."

4077- It is narrated on the authority of Abu Umamah Al-Bahili that he said: The Messenger of Allah "Allah's blessing and peace be upon him" addressed us in a speech, the most part of which was about Ad-Dajjal, of whom he warned us, and he said from what he said: "Since Allah created the offspring of Adam, there has been no affliction more grievous than that of Ad-Dajjal; and Allah never sent a Prophet but that he warned his nation of Ad-Dajjal; and since I'm the Last Prophet, as well as you are the last nation, he then will inevitably come out to you: If he comes forth while I am among you, I shall contend with him on your behalf, but if he comes forth while I am not amongst you, a man must contend on his own behalf and Allah will take care of every Muslim on my behalf (and safeguard him against his evil). He will come out of a territory (of land) between Sham and Iraq causing mischief on both right and left (sides of the land). O servants of Allah, be constantly firm (on your faith); and I'm going to describe him to you with such characteristics as no Prophet before me had done. At first, he will say: "I'm a Prophet"; and it is well-known that there will be no Prophet (to be sent) after me. Then, he will say: "I'm your Lord"; and of course, you will not see your Lord until you die (and be raised on the Day of Judgement). Furthermore, he is one-eyed, and verily, your Lord is not so. Between his eyes (the word) "infidel" is written, which every faithful believer could read, no matter lettered or unlettered he might be. It is out of his affliction that he will have both garden and fire, even though (one's being admitted to) his fire will (lead him to be admitted to the)

Garden, and (one's being admitted to) his garden will (lead him to be admitted to the) fire. If anyone of you is put to trial as far as his fire is concerned, let him seek for Allah's relief, and recite the opening Holy Verses of the Surah of Al-Kahf, so that it would be (a source of) peace and cold upon him just as the fire had been upon Abraham.

It is out of his affliction that he will say to a Bedouin: "Tell me: if I raise both your parents from dead, do you bear witness that I'm your Lord?" he will answer in the affirmative, thereupon two Satans will appear to him in the form of his parents, and say to him: "O son! Follow him, for he is your Lord!" it is out of his affliction that he will be given authority over a man, whom he will kill and saw with the saw into two parts, and say: "Look at this servant of mine (whom I've killed): I'm going to raise him from dead now, even though he pretends he has a Lord else other than me." Allah will raise him, and the wicked will say to him: "Who is your Lord?" he will say: "My Lord is Allah, and you are the enemy of Allah: you are Ad-Dajjal. By Allah! I have had no deeper insight of you than I have now." Abu Sa'id reported that the Messenger of Allah "Allah's blessing and peace be upon him" said: "This man will be in the highest degree of the Garden among my nation." Abu Sa'id said: "By Allah! We have not thought but that man was Umar Ibn Al-Khattab until he (died and) went away."

It is out of his affliction that he will command the sky to send rain, and it will rain; and the earth to produce its yield, and it will do accordingly. It is out of his affliction that when he will come upon a district (of people) and they will give lie to him, there will be no grazing animal belonging to them but that it will be ruined; and it is out of his affliction that when he will come upon a district (of People) and they will trust him, he will command the sky to send rain, and it will rain, and the earth to produce its yield, and it will do accordingly, and in the evening, their posturing animals would come to them with their humps the highest, their udders full of the greatest quantity of milk and their flanks stretched to the utmost. There will remain no portion of the earth but that he will trample it, and have power over it, except Mecca and Medina: every time he will try to enter from one of their openings, the angels will appear to him with stretched sharp-edged swords, until he will descend at the red sandhill, near the plain ground, with the result that Medina will shake with its inhabitants thrice, and there will remain no hypocrite, be it male or female but that he will come out to him; and thus, it will remove the impurities from it in the same way as the fire removes the impurities from the iron. That day is called the Day of Salvation."

Umm Sharik Bint Abu Al-Akar said: "O Messenger of Allah! Where will the Arabs be by then?" he said: "By that time, they will be few in number, and the majority of them will be in Jerusalem; and their imam (ruler) will be a good pious man. While their imam was proceeding to lead them in the Morning prayer, Jesus, son of Mary will descend upon them in the morning, thereupon the imam will retreat, to give way to Jesus to lead the prayer. But Jesus will place his hand between his shoulders and say: "Proceed on and lead the prayer, for it has been established for you (to lead)." Then, their imam will lead them in the prayer. When he will finish (from the prayer) and turn away, Jesus will order them to open the gate, and it will be opened and behold! There will come Ad-Dajjal behind it, leading seventy thousand Jews, each of whom having a sword of local making, in addition to the pallium. When Ad-Dajjal will look at him (Jesus), he will dissolve in the same way as salt dissolves in the water, and then he will run in flight. But Jesus will say: "I'm doomed to give you a strike, and you will not go before I give it to you." He will catch up with him at the eastern gate of Ludd, and kill him. Thus, the Jews will be defeated by virtue of Allah, and there will remain nothing of Allah's creation behind which a Jew might be hidden but that Allah will cause it to speak: there will be no stone, nor tree, nor wall nor beast barring (the trees of) Gharqad, which never speak but that it will say: "O Muslim servant of Allah! This is a Jew (behind me): come to kill him!""

The Messenger of Allah "Allah's blessing and peace be upon him" further said: "(The time of) his stay (among the people) will be forty years: a year as six months, a year as only a month, and the month as short as a week; and the last of his days will be as short as a sparkle, on which the morning might come upon a man while being at the gate of Medina, and soon evening will come upon him even before he could reach its other gate." It was said: "O Messenger of Allah! How could we offer (the obligatory) prayers during those very short days?" he said: "You should estimate the (fixed times of the five obligatory) prayers as you do on those long days and then you could offer prayer."

The Messenger of Allah "Allah's blessing and peace be upon him" further said: "Jesus "Peace be upon him" will act as a just ruler and a fair imam in my nation: he will break the cross, kill the swine, cancel the Jizyah and put an end to the obligatory charity, and there will be none to seek for (taking as charity) a sheep or a camel. Moreover, the whole resentment and hatred will be removed, and the aggressive tendency of such as aggressive will be taken away to the extent that a child might put his hand into the mouth of (such harmful poisonous animals as) a snake, but it will cause no

The earth will be filled with peace and tranquility just as a vessel is filled with water. The word (of faith) will be only one, since none but Allah will be worshipped. The wars (among the people) will come to end, and the Quraish (people) will be deprived of their dominion, and the earth will come to be (as plain) as a table of silver, producing its yield regularly by Adam's pledge, to the extent that a group of people would join in a cluster of grapes, which will satisfy them, and a group of people would share in a single pomegranate of which they all will eat their fill. The ox will be sold by such and such a great deal of money, while the horse will be sold by such and such a few Dirhams." They said: "O Messenger of Allah! What will make the horse cheap as such?" he said: "It will never be ridden for war." They further said: "Then, what will make the ox so much expensive?" he said: "The whole of the earth will be ploughed (with the help of it), seeing that for three years before the appearance of Ad-Dajjal, there will be a great drought during which the people will suffer from a severe famine: in the first year, the sky will be ordered by Allah to withhold one-third its rain, and the earth one-third its yield; and in the second year, the sky will be ordered by Allah to withhold two-thirds its rain and the earth to withhold two-thirds its yield; and in the third year, the sky will be ordered by Allah to withhold its rain entirely, with no drop to be sent from it, and the earth to withhold its entire yield, with even no single green plant to be produced by it; and there will be no living animal but that it will be ruined except what Allah wills." They asked: "Then, what will sustain the people at that time?" he said: "Their testification that there is no god but Allah, their magnifying, glorifying, and praising (Allah); and this will act as food for them." Abu Abdullah (Ibn Majah) says: I heard Abu Al-Hasan At-Tanafisi having reported from Abd Ar-Rahman Al-Muharibi that he said: This narration should be given to the educator in order to teach it to the children in the nursery school.

come out upon the people as Allah Almighty describes them: "Until the Gog and Magog (people) are let through (their barrier), and they swiftly swarm from every hill." They then would overwhelm the people, and the Muslims would turn away from them to their cities and forts, joining their cattle and sheep to them. Those (gog and magog) would drink the whole (sweet) water of the earth, in such a way that one of them would pass by a certain river whose water he would drink entirely, leaving it dry (with no water in it at all), to the extent that if anyone comes after him upon that river, he would say: "No doubt, there was water there once upon a time." When there would be none of the people (to face them) except for those hidden inside their cities and forts, one of those (gog and magog) would say: "As to those inhabitants of the earth, we've finished from them. Let's then turn to those of the heaven!" one of them would shake his spear and then throw it up towards the sky, and it would return to him dyed with blood, by way of trial and test. Such being the case, Allah Almighty would sent unto them worms in their necks, just as larva coming out of the necks of locusts, causing them to die, with no sound to be heard of them. On the other hand, the Muslims (inside their forts and towns) would say to one another: "Is not there a man to sell his life (in the Cause of Allah and come out) so that he might detect what has happened to this enemy (of gog and magog)?" one of them would stand, expecting the reward of his deed from Allah Almighty, having the idea that he would inevitably be killed, and get out and see them dead, lying over one another. He then would cry: "O assembly of Muslims! Have the glad tidings that Allah Almighty has sufficed you against your enemy!" they would come out of their cities and forts, and release their cattle and sheep, which will have no fodder other than their meat, on which they will grow fat and huge to the best as they have never been on the plants."

4080- It is narrated on the authority of Abu Hurairah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "The gog and magog (people) dig everyday (to a great extent in their barrier) until when they are about to see the ray of the sun, their chief say to them: "It is enough: return, and let's dig tomorrow (to complete that)." But Allah restores it (to its original state) as strong as it was (before they dig). When their term appointed comes to an end, and Allah Almighty wills to send them to the people, they will dig until when they will be about to see the sun ray their chief will say to them: "Return, and you will dig it completely tomorrow Allah Willing." Thus, they will make restriction, with the result that when they will return to it, they will find it in the very state as they have left it (on the previous day). Then, they will dig it, and come out to the

They will throw their arrows up to the sky, and they will return with the blood on them, thereupon they will say: "No doubt, we've defeated the inhabitants of the earth, and emerged victorious over the inhabitants of the sky." All the animals on the earth will grow fat and huge on their meat."

4081- It is narrated on the authority of Ibn Mas'ud that when the Messenger of Allah "Allah's blessing and peace be upon him" was made to set out on the Night Journey, he met Abraham, Moses and Jesus. They discussed the matter of the Doomed Hour, and they referred it to Abraham (to give his opinion in regard to it), thereupon he said: "I've no knowledge of it." They returned it to Moses who said: "I've no knowledge of it." They referred it to Jesus who said: "Apart from its specific time, which none except for Allah knows, it is confided to me as far as the Dajjal is concerned…" and he made a mention of the appearance of the Dajjal, and resumed: "and I will descend and kill him, and then the people will return to their homelands and families. At this time, the gog and magog (people) will have come out, swiftly swarm from every hill, and no water they will pass by but that they will use it up entirely and nothing they will come upon but that they will ruin it,. Then, the people will complain to Allah of them; and I will invoke Allah against them, with the result that they will perish and be ruined by Him, to the extent that the ground will be filled with their stinky horrible smell. They (the people) will complain to Allah of them, thereupon I will invoke Allah against them, and then, Allah will cause rain to fall and sweep their (dead) bodies throwing them into the sea. Then, the mountains will be destroyed, and the earth will be stretched and become like the plain ground. According to what Allah has confided to me, if this occurs, the Doomed Hour then will come to (happen as near in time as) the full pregnant, whose family (expect, though they) do not know at which moment it will surprise them with its delivery." Al-Awwam said: The confirmation of that is found in Allah's saying: "Until the Gog and Magog (people) are let through (their barrier), and they swiftly swarm from every hill." (Al-Anbiya 96)

34 ـ بابُ خُرُوجِ المَهْدِيِّ

4082 ـ حدّثنا عُثْمَانُ بْنُ أَبِي شَيْبَةَ. حَدَّثَنَا مُعَاوِيَةُ بْنُ هِشَامٍ. حَدَّثَنَا عَلِيُّ بْنُ صَالِحٍ عَنْ يَزِيدَ بْنِ أَبِي زِيَادٍ، عَنْ إِبْرَاهِيمَ، عَنْ عَلْقَمَةَ، عَنْ عَبْدِ اللَّهِ؛ قَالَ: بَيْنَمَا نَحْنُ عِنْدَ رَسُولِ اللَّهِ ﷺ إِذْ أَقْبَلَ فِتْيَةٌ مِنْ بَنِي هَاشِمٍ. فَلَمَّا رَآهُمُ النَّبِيُّ ﷺ،

upon him", some young men belonging to the sons of Hashim came, and when the Messenger of Allah "Allah's blessing and peace be upon him" saw them, his eyes overflowed with tears, and the colour of his face changed, thereupon I said: "We still observe (the traces of sadness) that we do not like to see on your face (what is wrong with you?)" on that he said: "We are the family of a house, for whom Allah Almighty has favoured the hereafter to this world; and after me, the family of my house will be put to distress, and given to expulsion and dislodgment until some people will come from the direction of the East, having black flags, and they will ask for good (i.e. the right of ruling), which they will not be given. So, they will fight (for it), and they will be helped emerge victorious (over their enemies), and when they will be given what they have asked for (before fighting), they will not accept it until they give it (the ruling) to a man from the family of my house, who will fill it (the earth) with justice after they (the rulers from outside the family of the Prophet) had filled it with injustice. So, whoever of you catches up with that time, let him come to (help and support) them even though as crawling on the snow."

4083- It is narrated on the authority of Abu Sa'id that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "Al-Mahdi (rightly-guided ruler) will appear in my nation, (and the period of his ruling) will be at minimum of seven (years) otherwise, it will be nine. During that time, my nation will lead such a comfortable life as they have never experienced earlier: they will be given their sustenance, with nothing to save out of it. By that time, the wealth will be accumulated in heaps t the extent that if a man stands up and says: "O Mahdi! Give me!" he will say to him: "Take (as much as you like)!"

4084- It is narrated on the authority of Thawban that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "Three men, each a son of a caliph, will dispute (one another) at your dominion, which will not end up with anyone of them. Then, the black flags will rise from the direction of the East, (whose carriers) will kill you in such a way as no people have ever done earlier." Then, he (the Prophet) mentioned something which I failed to retain, after which he resumed: "If you see him (Al-Mahdi) come to give pledge to him (as your ruler) even if crawling on the snow; for he will be Allah's Vicegerent Al-Mahdi (rightly-guided ruler)."

4085- It is narrated on the authority of Ali that he said: The Prophet "Allah's blessing and peace be upon him" said: "Al-Mahdi (rightly-guided

4086- It is narrated on the authority of Sa'id Ibn Al-Musayyab that he said: While we were sitting in the house of Umm Salamah, discussing the matter of Al-Mahdi, she said: I heard the Messenger of Allah "Allah's blessing and peace be upon him" having said: "Al-Mahdi (rightly-guided ruler) will be from the offspring of Fatimah (daughter of the Prophet)."

4087- It is narrated on the authority of Anas Ibn Malik that he said: I heard the Messenger of Allah "Allah's blessing and peace be upon him" having said: "We, the offspring of Abd Al-Muttalib will be the chiefs of the inhabitants of the Garden: I, Hamzah, Ali, Ja'far, Al-Hasan, Al-Husain and Al-Mahdi."

[35] The Great Wars

4089- It is narrated on the authority of Hassan Ibn Atiyyah that he said: Makhul and Ibn Zakariyya went to Khalid Ibn Ma'dan, and I went with them, who related to us from Jubair Ibn Nufair: Jubair said to me: Go with me to Dhu-Mikhmar, one of the companions of the Messenger of Allah "Allah's blessing and peace be upon him"! I went with him, and he asked him about the armistice thereupon he said: I heard the Messenger of Allah "Allah's blessing and peace be upon him" having said: "The Romans will make peace with you, and then both you and they will fight an enemy of you, and emerge victorious with the result that you will take spoils, receiving no harm. Then, you will turn away, until when you will reach a meadow covered with dust and sand, a man belonging to the people of the cross (i.e. the Christians) will raise the cross and say: "The cross has become victorious!" one from amongst the Muslims will become angry, and he will stand and break it. By that time, the Romans will prove treacherous, and they will gather for the great battle (between you and they)."

(...) The same is narrated on the authority of Hassan Ibn Atiyyah with the same chain of transmission, with the following addition: "They will gather for the great battle, and they will come under eighty flags, each containing twelve thousand (fighters)."

[36] What About The Turks

4096- It is narrated on the authority of Abu Hurairah, tracing it up to the Messenger of Allah "Allah's blessing and peace be upon him" that he said: "The Hour (of Judgement) will not be established before you fight a people whose sandals are made of hair; and the Hour (of Judgement) will not be established before you fight a people of small eyes."

4097- It is narrated on the authority of Abu Hurairah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "The Hour (of Judgement) will not be established before you fight a people of small eyes and short noses, whose faces are (as big as the leather shields; and the Hour (of Judgement) will not be established before you fight a people whose sandals are made of hair."

4098- It is narrated on the authority of Amr Ibn Taghlib that he said: I heard the Messenger of Allah "Allah's blessing and peace be upon him" having said: "It is one of the portents of the Hour (of Judgement) that you will fight a people whose faces are as big as the leather shields; and it is one of the portents of the Hour (of Judgement) that you will fight a people who take their sandals of hair."

4099- It is narrated on the authority of Abu Sa'id Al-Khudri that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "The Hour (of Judgement) will not be established until you fight a people of small eyes and big faces, whose eyes are like those of the locusts, and whose faces are like the leather shields; and they take their sandals from hair, and they further use carriers and bind their horses to the date-palms."

(37) THE BOOK OF ABSTINENCE

[1] Abstention From The (Pleasures And Delights Of The) World

4100- It is narrated on the authority of Abu Dharr Al-Ghifari that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "The abstention from the world (pleasures) is not achieved by refraining from what is lawful (for one to do), nor by leaving the wealth (whatever legal it might be); but the abstention from the world is that you should not be more confident of what is in your possession than you should be of what is with Allah Almighty, and further you should be more desirous for the reward (you might receive from) the distress that befalls you than you are in whatever (property and wealth) it might save for you (in case it does not befall you)." Abu Idris Al-Khawlani said: The like of this narrations in relation to the other narrations is like the purest kind of gold in relation to its other kinds.

4101- It is narrated on the authority of Abu Khallad, and he had the honour of companionship (with the Messenger of Allah "Allah's blessing and peace be upon him") that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "If you find a man given (the privilege of) abstention from the (pleasures and delights of the) world, in addition to scarcity of speech, you should approach him (in order to pay attention to what he says) for indeed wisdom appears on his (tongue)."

4102- It is narrated on the authority of Sahl Ibn Sa'd As-Sa'idi that he said: A man came to the Messenger of Allah "Allah's blessing and peace be upon him" and said: "O Messenger of Allah! Guide me to a deed that, if I do it, Allah will love me, and so will do the people." On that the Messenger of Allah "Allah's blessing and peace be upon him" said: "Abstain from the (pleasures and delights of this) world so that Allah would love you, and abstain from what is in the possession of the people, so that they would love you."

4103- It is narrated on the authority of Samurah Ibn Sahm that he said: I halted (to visit) Abu Hashim Ibn Utbah, and he was very old, and then Mu'awiyah came to visit him (to enquire about his health), thereupon he wept. Mu'awiyah asked him: "What causes you to weep O my maternal uncle? Is it on account of pain which you are suffering, or for the world, whose delight has gone away (and left you)?" he said: "It is not because of any of both; but Allah's Apostle "Allah's blessing and peace be upon him" advised me with something, and I liked to have followed it. He said to me: "Perhaps, a time will come upon you with property to be distributed among

4104- It is narrated on the authority of Anas that he said: Salman became fatally ill, thereupon Sa'd came to visit him (and enquire about his health), and he saw him weeping. He asked him: "What causes you to weep O my brother? Is it not that you accompanied the Messenger of Allah "Allah's blessing and peace be upon him"? Is it not that such and such? Is it not that such and such?" He replied: "I'm not weeping for anyone of the following: I'm not weeping out of my love for the world, nor for my aversion towards the hereafter. But the Messenger of Allah "Allah's blessing and peace be upon him" had advised me with something, and I do not think but that I've transgressed it." He asked him: "With which had the Messenger of Allah "Allah's blessing and peace be upon him" advised you?" he said: "He told me that it is sufficient for anyone of you to have (as property no more than) the like of a rider provision; and I do not think but that I've transgressed that. As for You O Sa'd, you should fear Allah in your judgement when you judge, in your distribution (of property) when you distribute (among the people), and in your intention when you intend (to do anything)." Thabit said: I was reported that he left over twenty Dirhams as spending which he had (when he died).

[2] The Concern Of The World (Matters)

4105- It is narrated on the authority of Abd Ar-Rahman Ibn Aban Ibn Uthman Ibn Affan from his father that he said: Zaid Ibn Thabit came out of (the house of) Marwan at noon thereupon I said (to myself): "He (Marwan) has not sent to him at that time but for something to ask him about." When I asked him he said: "He asked us about things we heard from the Messenger of Allah "Allah's blessing and peace be upon him". No doubt, I heard the Messenger of Allah "Allah's blessing and peace be upon him" having said: "He, who has his main concern with the (material benefits of the) world, Allah will make dispersed all of his interests, his poverty in front of him, and he will receive nothing from the world more than what has been decreed for him; and he, who has his main concern with the hereafter, Allah will combine all of his affairs for him (into one concern), make his satisfaction (and feeling of richness) in his heart, and further the (pleasures and delights of this) world will come to him in willing submission."

4106- It is narrated on the authority of Abdullah that he said: I heard your Prophet "Allah's blessing and peace be upon him" having said: "He, who reduces all of his concerns to only one, i.e. the concern of his

4107- It is narrated on the authority of Abu Hurairah, and I do not know but that he traces it up (to the prophet) that Allah Almighty says: "O mankind! Devote yourself to My Service, so that I would fill your breast with richness, and further satisfy your poverty; and if you do not do, I will fill your breast with anxieties and further I will not satisfy your poverty."

[3] The Example Of This World

4108- It is narrated on the authority of Al-Mustawrid, the brother of Banu Fihr that he said: I heard the Messenger of Allah "Allah's blessing and peace be upon him" having said: "The example of this world (as far as its shortness is concerned) in relation to the hereafter is but like the example of one's dipping his finger into the river: let him see with which it will return (out of it)!"

4109- It is narrated on the authority of Abdullah Ibn Mas'ud that he said: Once, the Messenger of Allah "Allah's blessing and peace be upon him" laid his side on a mat straw, which left its marks on his skin, thereupon I said: "Let my father and mother be sacrificed for you O Messenger of Allah! Why have you not informed us (that you intended to sleep) so that we would spread something on it for you, so that it would save your body?" on that the Messenger of Allah "Allah's blessing and peace be upon him" said: "I and the world could not (gather together): my state in relation to that world is like a rider who has sought shade under a tree (for a while to take rest), and then, he will go and leave it."

4110- It is narrated on the authority of Sahl Ibn Sa'd that he said: We were with the Messenger of Allah "Allah's blessing and peace be upon him" when he saw a dead goat, raising its leg (because of being swollen on account of death), thereupon he said: "Do you see this (dead) goat insignificant in the sight of its owner? By Him in Whose Hand is my soul! The world is more insignificant in the Sight of Allah than this is in the sight of its owner; and had this world been equal in weight to even a mosquito's wing, surely, He would have ever given no drop out of it to an infidel."

[5] The Excellence Of The Poor People

4120- It is narrated on the authority of Sahl Ibn Sa'd As-Sa'idi that he said: A man came upon the Messenger of Allah "Allah's blessing and peace be upon him", thereupon the Messenger of Allah "Allah's blessing and peace be upon him" said: "What do you say about that man?" On that the Messenger of Allah "Allah's blessing and peace be upon him" kept silent. Then, another man came upon, and the Messenger of Allah "Allah's blessing and peace be upon him" said: "What do you say about that man?" they said: "We say, by Allah, O Messenger of Allah, that he is one of the poor people among the Muslims: he is of no such value as if he engages a girl, his proposal of marriage will be rejected; if he intercedes for anyone, his intercession will be refused; and if he says anything, no attention will be paid to his saying." On that the Messenger of Allah "Allah's blessing and peace be upon him" said: "No doubt, that (latter) is better than as much (men) like this (former in the Sight of Allah) as what the earth contains."

naught are they accountable for you, that you should turn them away, and thus be (one) of the unjust" (Al-An'am: 52) Both Al-Aqra' Ibn Habis At-Tamimi and Uyainah Ibn Hisn Al-Fazari came and found the Messenger of Allah "Allah's blessing and peace be upon him" sitting with Suhaib, Bilal, Ammar, Khabbab, and others from the weak (and poor) among the faithful believers. When they saw them sitting around the Messenger of Allah "Allah's blessing and peace be upon him", they looked down upon them and then they came and sat alone with him and said: "We would like that you should fix a private gathering for us, with which the Arabs come to know our superiority. Indeed, the Arab delegates always come to you, and we feel shy of the fact that the Arabs might see us sitting in the company of those (freed) slaves. So, when we come to you, drive them away from you, and when we finish (and turn away), you could sit with them if you like." He answered in the affirmative, thereupon they said to him: "Write a document for us in confirmation to that." He called for a blank document, and he called upon Ali to write that, and we were sitting in one side (of the gathering). Such being the case Gabriel "Peace be upon him" came to him and revealed to him (Allah's saying): "Send not away those who call on their Lord morning and evening, seeking His Face. In naught are you accountable for them, and in naught are they accountable for you, that you should turn them away, and thus be (one) of the unjust." (Al-An'am 52) in connection with Al-Aqra' Ibn Habis and Uyainah Ibn Hisn, He (Almighty) says: "Thus did We try some of them by comparison with others that they should say: "Is it these then that Allah has favoured from amongst us?" Does not Allah know best those who are grateful?" then He further says: "When those come to you who believe in Our Signs, say: "Peace be on you; your Lord has inscribed for Himself (the rule of) Mercy", thereupon we came so much nearer to him that we placed our knees on his. Henceforth, whenever the Messenger of Allah "Allah's blessing and peace be upon him" sat with us and then he wanted to go, he would get up and leave us, thereupon Allah Almighty revealed: "And keep your soul content with those who call on their Lord morning and evening, seeking His Face; and let not thine eyes pass beyond them, (nor devote yourself to the nobles among them) seeking the pomp and glitter of this Life; nor obey any whose heart We have permitted to neglect the remembrance of Us, (i.e. Uyainah and Al-Aqra') one who follows his own desires, whose case has gone beyond all bounds." (Al-Kahf 28) then, He sets forth for them the parable of two men and the parable of the life of this world. Khabbab further said: From this day forward, whenever we sat with the Messenger of Allah "Allah's blessing and peace be upon him" and then it was time for his

departure, we would get up and leave him, in order to enable him to get up (and go as he liked).

4128- It is narrated on the authority of Sa'd: This Holy Verse was revealed in connection with six persons: I, Ibn Mas'ud, Suhaib, Ammar, Al-Miqdad, and Bilal. The (chiefs of the) Quraish said to the Messenger of Allah "Allah's blessing and peace be upon him": "By no means shall we be pleased to be followers of those! Send away from you!" Something of such as Allah liked entered the heart of the Messenger of Allah "Allah's blessing and peace be upon him", thereupon Allah Almighty revealed: "Send not away those who call on their Lord morning and evening, seeking His Face. In naught are you accountable for them, and in naught are they accountable for you, that you should turn them away, and thus be (one) of the unjust." (Al-An'am 52)

[7] What About Such As Collects Property In Abundance

4129- It is narrated on the authority of Abu Sa'id Al-Khudri that the Messenger of Allah "Allah's blessing and peace be upon him" said: "Woe to such as collects property in abundance except the one who gives in charity out of his property as such, as such, as such, and as such, i.e. for times, on his right, on his left, in front of him, and behind him."

4130- It is narrated on the authority of Abu Dharr that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "Such as have the greatest portions of property (in the world) will be the lowest on the Day of Judgement, except him, who gives in charity out of it as such and as such, and earns it lawfully."

4131- It is narrated on the authority of Abu Hurairah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "Such as have the greatest amounts of wealth (in the world) will be the lowest (in the hereafter), barring him, who gives in charity out of it as such, as such, and as such, thrice."

4132- It is narrated on the authority of Abu Hurairah that the Messenger of Allah "Allah's blessing and peace be upon him" said: "I do not like to have as much gold as (the mountain of) Uhud (for three nights) and the third night comes upon me with anything remaining in my possession out of it except for something to be assigned to fulfill the debt."

4133- It is narrated on the authority of Amr Ibn Ghailan Ath-Thaqafi that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "O Allah! Whoever has faith in me, trusts me, and knows for certain that what I have brought is the truth from You, make little his property

4134- It is narrated on the authority of Nuqadah Al-Asadi that he said: The Messenger of Allah "Allah's blessing and peace be upon him" sent me to a man in order to grant him a she-camel (to utilize its milk for the indigent and needy among the Muslims), and he returned (me with failure). Then, he sent me to another man (with the same request), and he sent a she-camel with me. When the Messenger of Allah "Allah's blessing and peace be upon him" saw it, he said: "O Allah! Bless in it, and in him who has sent it." Nuqadah said: I said to the Messenger of Allah "Allah's blessing and peace be upon him": "And also in him who has brought it!" he said: "And (bless also) in him who has brought it." Then, he ordered that it should be milked, and it produced a great quantity of milk. On that the Messenger of Allah "Allah's blessing and peace be upon him" said: "O Allah! Make abundant the property of so and so (i.e. the former who returned the request with failure), and make (little) the sustenance of so and so (i.e. the latter who has sent the she-camel to be provided) only day by day (in order not to be put to trial because of property)."

4135- It is narrated on the authority of Abu Hurairah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "Let the slave of (such property as) the Dinar, the Dirham, the square garment, and the amaranth perish: if he is given (what he likes by the ruler) he will be pleased; and if he is not given (what he likes), he will not fulfill (his pledge of allegiance to him)."

4136- It is narrated on the authority of Abu Hurairah: The Prophet "Allah's blessing and peace be upon him" said: " Let the slave of Dinar, Dirham, and the garment perish as he will be pleased if these things are given to him, and if not, he will be displeased. Let such a person perish and relapse, and if he is stabbed with a thorn, let him find no one to take it out for him."

There was also an amount of parley, as little as (no more than) a Sa'; and in one side of the room, there was something used for tannage, and a (water-skin of) hide hung. On that my eye hastened to overflow with tears. He asked me: "What causes you to weep O Ibn Al-Khattab?" I said: "O Prophet of Allah! Why do I not weep, since this straw mat has left its traces in your side, and this is your store, in which I could see no more than (the handful of parley) that I see; and both Khosrau and Caesar are living in their fruits and rivers, and although you are Allah's Prophet and the best one He has ever chosen (from among all of His creatures), this is your store?" on that he said: "O Ibn Al-Khattab! Messenger of Allah "Allah's blessing and peace be upon him" gave me seven dates, one for each.

4158- It is narrated on the authority of Abdullah Ibn Az-Zubair Ibn Al-Awwam from his father that when it was revealed: "Then, shall you be questioned that Day about the joy (you indulged in) (At-Takathur 8) Az-Zubair said: "Which joy shall we be questioned about? (We have nothing) but the two black (things): dates and water." On that he (the Messenger of Allah "Allah's blessing and peace be upon him") said: "No doubt, there will be (such joy as you will be asked about)."

4159- It is narrated on the authority of Jabir Ibn Abdullah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" sent us (in a military expedition) and we were three hundred; and we were carrying our provisions on our necks (on account of being little in weight). Then, our provisions were about to be consumed that each man of us had no more than a single date (to sustain him for the whole day). It was said: O Abu Abdullah! What could a single date do with a man (for a whole day)? He said: No doubt, we came to know its significance when we lost it. Then, we came upon the sea, and behold! There was a big fish, ejected by the sea, from which we kept eating for eighteen days.

On that the Messenger of Allah "Allah's blessing and peace be upon him" said: "I do not think but that the matter (of death) will be sooner than that."

On that the Messenger of Allah "Allah's blessing and peace be upon him" said: "Every (part of) property becomes like this (i.e. is spent in what is unnecessary) will have an evil effect on his owner on the Day of Judgement." When that news reached the Ansari man, he put it down. Later on, the Messenger of Allah "Allah's blessing and peace be upon him" came upon and did not find it, thereupon he asked about it, and he was told: "He

4162- It is narrated on the authority of Ibn Umar that he said: I saw myself during the lifetime of the Messenger of Allah "Allah's blessing and peace be upon him", having built a house to save me from (the heat of) the sun, and screen me from rainfall, and none from amongst Allah's creation has helped me construct it.

4163- It is narrated on the authority of Harithah Ibn Mudarib that he said: We came to visit Khabbab (and enquire about his health), thereupon he said: "I've long been suffering, and had it not been for the fact that I heard the Messenger of Allah "Allah's blessing and peace be upon him" having said: "Do not hope for death", surely, I would have hoped for death." He further said: "No doubt, a servant receives a reward for his entire spending, except what is spent on (building with the help of) dust or he said on the construction (of buildings)."

[14] Putting One's Trust (In Allah) And Being Certain (Of His Help)

4164- It is narrated on the authority of Umar that he said: I heard the Messenger of Allah "Allah's blessing and peace be upon him" having said: "If you put your trust in Allah as it should be, surely, He will give you sustenance, just as He sustains the birds, which go in the morning as hungry (with their bellies empty), and return in the evening with their bellies filled."

4165- It is narrated on the authority of both Habbah and Sawa', sons of Khalid that they said: We visited the Messenger of Allah "Allah's blessing and peace be upon him", and he was mending something, on which we helped him. Then he said: "Do not lose hope for sustenance as long as your heads move (i.e. as long as you are living): a man is born by his mother as (naked and) red-complexioned, with no crust (or garment) to cover him, and then, Allah Almighty provides him with livelihood."

4166- It is narrated on the authority of Amr Ibn Al-As that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "The heart of mankind is attached to a branch (of concerns) from every valley (of desires): whoever has his heart follow each desire, Allah will not care in whichever valley He will ruin him; and he, who puts his trust in Allah, He (Almighty) then suffices him the divergence (of concerns)."

4167- It is narrated on the authority of Jabir that he said: I heard the Messenger of Allah "Allah's blessing and peace be upon him" having said:

"Let none of you die without thinking good of Allah (Almighty; and this is not achieved but by mending one's deeds)."

4168- It is narrated on the authority of Abu Hurairah, tracing it up to the Messenger of Allah "Allah's blessing and peace be upon him", that he said: "A strong believer (who has power to do the deeds of goodness and patiently persevere on whatever trials and distresses to which he might be put) is better and much dearer to Allah than a weak believer, and be careful not to fail; and if you are overpowered by anything, you should say: "This is out of Allah's Decree, and He does what He wills"; and beware of (saying) "if", for indeed, "if" always opens (the gate for) Satan to do."

[15] The Wisdom

4169- It is narrated on the authority of Abu Hurairah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "A word of wisdom acts as a lost thing sought after by a faithful believer; and once he finds it, he has more right to get it."

4170- It is narrated on the authority of Ibn Abbas that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "There are two (things, which might cause) pleasure, in which a lot of people are given to loss: the health and idleness."

4171- It is narrated on the authority of Abu Ayyub that he said: A man came to the Messenger of Allah "Allah's blessing and peace be upon him" and said: "O Messenger of Allah! Instruct me in something, and make it short (statement, having the widest meaning)." On that he said: "If you stand in your prayer, offer a prayer of such as is going to bid farewell (i.e. as if it is the last prayer to be offered before death); and do not say anything (as bad as to force you) to apologize for it; and do not look forward to have what is in the possession of the people."

4172- It is narrated on the authority of Abu Hurairah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "The example of such as heard wisdom (from a man), and did not relate from his companion but the worst of what he heard is like the example of such as went to a shepherd and says: "O shepherd! Give me one of your goats to slaughter." He said: "Go and catch hold of the ear of the best of them." But he went and caught hold of the ear of the dog of the sheep."

(...) The same is narrated on the authority of Hammad, through another chain of transmitters.

[16] The Freedom From Arrogance; And What About Humility

4173- It is narrated on the authority of Abdullah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "None shall enter the Garden, in whose heart there is even (as little as) the weight of a mustard seed of arrogance; and none shall enter the fire, in whose heart there is even (as little as) the weight of a mustard seed of faith."

4174- It is narrated on the authority of Abu Hurairah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: Allah Almighty says: "Glory is My Lower Garment, and Magnificence is My Upper Garment; and whoever disputes with Me over anyone of them, I shall throw him into (the fire of) Hell."

4175- It is narrated on the authority of Ibn Abbas that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: Allah Almighty says: "Glory is My Lower Garment, and Magnificence is My Upper Garment; and whoever disputes with Me over anyone of them, I shall throw him into (the fire of) Hell."

4176- It is narrated on the authority of Abu Sa'id that the Messenger of Allah "Allah's blessing and peace be upon him" said: "He, who behaves humbly and modestly even a degree for the Sake of Allah Almighty, Allah upgrades him a degree by it; and he, who shows pride a degree against Allah, Allah lowers him a degree by it until He makes him in the lowest bottom (of the fire of Hell)."

4177- It is narrated on the authority of Anas Ibn Malik that he said: It happened that a slave-girls from amongst the inhabitants of Medina would take the hand of the Messenger of Allah "Allah's blessing and peace be upon him", and he would not draw his hand from hers until she would go with him wherever she liked in (the sides of) Medina, in order to fulfill her need.

4178- It is narrated on the authority of Anas Ibn Malik that he said: The Messenger of Allah "Allah's blessing and peace be upon him" used to visit the patient (in order to enquire about his health), follow the funeral procession, answer the invitation of the slave (who was permitted to do by his master), and ride the donkey (out of his modesty and humbleness); and on the day of both Quraizhah and An-Nadir, he was riding a donkey; and on the day of (the holy battle of) Khaibar, he was riding a donkey, having a noseband of fiber, and he was sitting on a saddle of fiber.

[17] What About Shyness

4180- It is narrated on the authority of Abu Sa'id Al-Khudri that he said: The Messenger of Allah "Allah's blessing and peace be upon him" was more shy than even a virgin who is still screened; and whenever he disliked anything (the traces of) that would be visible on his face.

4181- It is narrated on the authority of Anas Ibn Malik that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "Every religion has a (fundamental) morality; and the (fundamental) morality by which Islam is characterized is shyness."

4184- It is narrated on the authority of Abu Bakrah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "No doubt, shyness is out of faith, and (the people of) faith will be in the Garden; and obscenity is out of harshness, and (the people of) harshness will be in the fire (of Hell)."

4185- It is narrated on the authority of Anas that the Messenger of Allah "Allah's blessing and peace be upon him" said: "Obscenity ever disfigures anything in which it exists; and shyness ever adorns anything in which it exists."

[18] What About Clemency

4186- It is narrated on the authority of Sahl Ibn Mu'adh Ibn Anas from his father that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "He, who has control over his anger, even though he has power to carry it out, Allah Almighty will call him in the presence of all the creatures on the Day of Judgement, to give him the freedom to choose such of beautiful women with big lustrious eyes as he likes."

خَطَبَهُمْ فَقَالَ: «**إِنَّ اللَّهَ عَزَّ وَجَلَّ أَوْحَىٰ إِلَيَّ: أَنْ تَوَاضَعُوا حَتَّى لاَ يَفْخَرَ أَحَدٌ عَلَى أَحَدٍ**».

Later on, he came and descended at a certain place, and made his mount kneel down, and put aside his garment. Then, he went to the Messenger of Allah "Allah's blessing and peace be upon him", thereupon the Messenger of Allah "Allah's blessing and peace be upon him" said to him: "O Ashajj! You have two good characteristics which Allah loves: both forbearance and deliberateness." He asked: "O Messenger of Allah! [19] What About Sadness And Weeping

4190- It is narrated on the authority of Abu Dharr that the Messenger of Allah "Allah's blessing and peace be upon him" said: "I see what you see not, and hear what you hear not. No doubt, the heaven has moaned, and it has the right to moan (on account of the heavy burden it carries), for there is no place (even as small as is sufficient) for four fingers but that there is an angel in it, putting his forehead in prostration before (the Majesty and Glory of) Allah. By Allah! If you know what I know (of Allah's Perfect Power to punish you all once it is His desire to do so), you would laugh little, and weep more, nor will you take pleasure from women on the beds; and rather, you will come out to the courtyards (of your houses), raising your voices in supplication to Allah." By Allah, would that I am a tree to be cut off.

4192- It is narrated on the authority of Amir Ibn Abdullah Ibn Az-Zubair from his father that he reported that there were but four years between their embracing Islam and the revelation of the following Holy Verse, in which Allah Almighty blames them: "Has not the time arrived for the Believers that their hearts in all humility should engage in the remembrance of Allah and of the Truth which has been revealed (to them), and that they should not become like those to whom was given Revelation aforetime, but long ages passed over them and their hearts grew hard? For many among them are rebellious transgressors." (Al-Hadid 16)

[20] Guarding The Deed Strictly

4198- It is narrated on the authority of A'ishah that she said: I said: "O Messenger of Allah! (Does the statement) "And those who dispense their Charity with their hearts full of fear" (Al-Mu'minun 60) refer to such as commits adultery and theft, and drinks the intoxicants?" he said: "No O daughter of Abu Bakr (or daughter of As-Siddiq)! But it refers to such as offers prayer, observes fasts, and gives in charity, even though he is afraid those (deeds) might not be accepted from him (by Allah)."

4199- It is narrated on the authority of Mu'awiyah Ibn Abu Sufyan that he said: I heard the Messenger of Allah "Allah's blessing and peace be upon him" having said: "Verily, the deeds are like a vessel (of fruits): if its lower part is good, then, its upper part will be good; and if its lower part is bad, then, its upper part will be bad."

4200- It is narrated on the authority of Abu Hurairah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "If a servant offers prayer perfectly, whether in public or in secrecy, Allah Almighty will say: "This is truly My servant (for he offers prayer perfectly out of sincerity and faithfulness and not by way of showing off)!"

saying: "You are about to be able to know (and distinguish) the inhabitants of the Garden from the denizens of the fire (of Hell)." They asked: "By which thing are we able to distinguish them) O Messenger of Allah?" he said: "By the commendation (you give to the good ones among them) and the condemnation (you give to the evil ones among them): no doubt, you are Allah's witnesses over one another (on earth)."

4222- It is narrated on the authority of Kulthum Al-Khuza'i that he said: A man came to the Messenger of Allah "Allah's blessing and peace be upon him" and said: "O Messenger of Allah! How do I know that I've done well if I really have done well, and that I've done evil if I really have done evil?" on that the Messenger of Allah "Allah's blessing and peace be upon him" said: "If your neighbours say that you have done well, you really have done well; and if they say that you have done evil, you really have done evil."

4223- It is narrated on the authority of Abdullah that he said: A man said to the Messenger of Allah "Allah's blessing and peace be upon him": "How do I know that I've done well, and that I've done evil?" on that the Messenger of Allah "Allah's blessing and peace be upon him" said: "If you hear your neighbours saying that you have done well, you really have done well; and if you hear them saying that you have done evil, you really have done evil."

4224- It is narrated on the authority of Ibn Abbas that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "(Such as of) the inhabitants of the Garden is the one whose ears Allah fills with the people's commendation of him and he is hearing that (during his lifetime); and (such as of) the denizens of the fire is the one, whose ears Allah fills with the people's condemnation of him, and he is hearing (during his lifetime)."

4225- It is narrated on the authority of Abu Dharr that he said: I said to the Messenger of Allah "Allah's blessing and peace be upon him": "What about such as does a deed therewith he seeks (the Countenance of) Allah, and even though the people love him for it?" on that he said: "That is the glad tidings the faithful believers receives in advance (in the world)."

4226- It is narrated on the authority of Abu Hurairah that he said: A man said to the Messenger of Allah "Allah's blessing and peace be upon him": "O Messenger of Allah! I do a deed (in secrecy), but it comes to be known publicly, and this might appeal me (since it motivates others to copy it)."

On that he said: "You will receive a double reward: that of (doing it in) secrecy and that of (its becoming known in) public."

[26] What About The Intention

4227- It is narrated on the authority of Umar Ibn Al-Khattab that he said while addressing the people: I heard the Messenger of Allah "Allah's blessing and peace be upon him" having said: "The (rewards of the) deeds depend upon the intentions. In this way, one has only what he intends. So, he, who immigrated to Allah and his Messenger, would have his immigration be to Allah and his Messenger; and he, who immigrated to a certain world (benefit) to gain, or a certain woman to marry, would have his emigration be only to what he left for."

4228- It is narrated on the authority of Abu Kabshah Al-Anmari that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "The example of (the people of) this nation is like the example of four persons: a man whom Allah gives both property and knowledge, upon which he acts in his property, which he spends on what is right; and a man whom Allah gives knowledge but He gives him no property, thereupon he says: "Had I been given the like of what so and so had been given, surely, I would have done in it (the property) the same as he does."" The Messenger of Allah "Allah's blessing and peace be upon him" said: "Both are equal in the reward; and a man whom Allah gives property, but He gives him no knowledge, and he misuses his property, which he spends on what is wrong; and a man whom Allah gives neither knowledge nor property, thereupon he says: "Had I been given the like of what so and so had been given, surely, I would have done in it (the property) the same as he does."" The Messenger of Allah "Allah's blessing and peace be upon him" said: "Both are equal in the sin."

(...) The same is narrated on the authority of Ibn Abu Kabshah from his father from the Messenger of Allah "Allah's blessing and peace be upon him", trough another chain of transmitters.

4229- It is narrated on the authority of Abu Hurairah that he said: "Surely, the people will be raised from dead according to their real intentions."

4230- It is narrated on the authority of Jabir that he said: "Verily, the people will be mustered (in the hereafter) according to their real intentions."

[27] What About The Hope And The Appointed Term

4231- It is narrated on the authority of Abdullah Ibn Mas'ud that he said: The Messenger of Allah "Allah's blessing and peace be upon him" drew a square, in the middle of which he drew a line, and many lines on both its sides, and a further line extending from the square, and then he asked: "Do you know what is that?" they said: "Allah and His Messenger have much more knowledge." On that he said: "This middle line is the man,, and those lines on both its sides are the different states and ailments which snatch him from all sides: if anyone fails to affect him, the other will surely afflict him; and the square line acts as the appointed term surrounding him; and the outside line acts as the hope (he has for having as long life as it could be)."

4232- It is narrated on the authority of Anas Ibn Malik that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "This is mankind, and this is his appointed term near his nape." He then stretched his hand in front of his nape and said: "How far then his hope is!"

4233- It is narrated on the authority of Abu Hurairah that the Messenger of Allah "Allah's blessing and peace be upon him" said: "The heart of the old one remains (as strongly willing as that of) a young man in love for two things: the love for a long life, and the love for much property."

4234- It is narrated on the authority of Anas that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "Mankind becomes very old, even though two of his characteristics remain young: his eagerness to have as much property (as it could be), and his yearning for having long life."

4235- It is narrated on the authority of Abu Hurairah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "If mankind has two valleys of gold, he will have a desire for a third to be added to them, and nothing barring dust fills his inside; and Allah turns in repentance to such as turns in repentance to Him."

4236- It is narrated on the authority of Abu Hurairah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "The average of lifetime of (the majority of the people of) my nation is between sixty and seventy; and only a few among them could go beyond that (scale)."

[28] Doing The Deeds Regularly

4237- It is narrated on the authority of Umm Salamah that she said: By Him Who has taken away the soul of the Messenger of Allah "Allah's

4238- It is narrated on the authority of A'ishah that she said: There was a woman with me when the Messenger of Allah "Allah's blessing and peace be upon him" entered upon me and asked: "Who is she?" I said: "She is so and so: she does not sleep (at night) on account of her (long standing for supererogatory) prayers, in which she celebrates (the Praises of) Allah." On that the Messenger of Allah "Allah's blessing and peace be upon him" said: "Keep silent (of praising her)! Do the deeds which are within your capacity (without overtaxing yourself): by Allah, Allah does not get tired (of giving rewards) but (surely) you will get tired (of doing deeds)." She further said: The (deed of) religion that was the dearest to him was that which one would do regularly.

Then, I stood up and came to my wife and children, and I went on laughing and playing (with them); and when I remembered the very state in which we were (with the Messenger of Allah "Allah's blessing and peace be upon him") I got up and came out, thereupon I met Abu Bakr and said to him: "I've proved hypocrite! I've proved hypocrite!" Abu Bakr said: "We all do that (which you've done, in which there is no hypocrisy." Then, Hanzalah went to the Messenger of Allah "Allah's blessing and peace be upon him", and made a mention of that, thereupon he said: "O Hanzalah! Had you remained in the very state in which you are when you are sitting with me, surely, the angels would have shaken hands with you on your beds or on your ways. O Hanzalah! Keep yourselves for an hour (in the presence of the assurance of both Garden and Hell), and another hour (in the state of absence of that)!"

[29] What About The Sins

4242- It is narrated on the authority of Abdullah that he said: We said: "O Messenger of Allah! Shall we be reckoned for whatever (sins) we did during the pre-Islamic period of ignorance?" the Messenger of Allah "Allah's blessing and peace be upon him" said: "Whoever does well in Islam will not be reckoned for whatever (sins) he did during the pre-Islamic period of ignorance; and whoever does evil will be reckoned for whatever (sins he did) earlier and later."

4243- It is narrated on the authority of A'ishah that the Messenger of Allah "Allah's blessing and peace be upon him" said: "O A'ishah! Beware of committing even the slightest sins for there is (an angel) assigned by Allah to (write them and) ask for (the punishment of) them."

4244- It is narrated on the authority of Abu Hurairah that the Messenger of Allah "Allah's blessing and peace be upon him" said: "If the faithful believer commits a sin, it turns to be a black point in his heart: if he repents, desist (from committing sins) and asks for (Allah's) forgiveness, his heart will be polished; and if he keeps committing more (sins), it will grow more, and this is the stain, which Allah Almighty mentions in His Book: "By no means! But on their hearts is the stain of the (ill) which they do!"" (Al-Mutaffifin 14)

4245- It is narrated on the authority of Thawban that the Messenger of Allah "Allah's blessing and peace be upon him" said: "I know people from amongst my nation, who will come on the Day of Judgement, with good deeds as much as the mountains of Tihamah, seemingly white, but Allah Almighty will turn them into dust scattered about." Thawban said: "O Messenger of Allah! Describe them to us! Show them to us lest we might be among them even though we know not." On that the Messenger of Allah "Allah's blessing and peace be upon him" said: "They are your brothers, from amongst your nation, and they take their portion of (standing for supererogatory prayers at) night as you do. But they are a people, of such a habit as if they find themselves alone with Allah's taboos, they will violate them."

4249- It is narrated on the authority of Abu Sa'id that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "Verily, Allah is more joyful of the repentance of His servant than one who loses his mount in the desert, and he goes in search for it but he fails to find it, and thus, he wraps himself in his garment (in expectation for death in his place); and such being the case, he hears the footsteps of his mount wherever he loses it, thereupon he lifts the garment from his face and behold! It is his mount."

4250- It is narrated on the authority of Abu Ubaidah Ibn Abdullah from his father that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "Such as repents from a sin (sincerely and faithfully, with the intention not to return to it once again) becomes (as free from sins) as one who is sinless."

[31] What About Death And Getting Ready For It

4258- It is narrated on the authority of Abu Hurairah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "Mention the destroyer of pleasures, i.e. death, so often!"

4259- It is narrated on the authority of Ibn Umar that he said: I was with the Messenger of Allah "Allah's blessing and peace be upon him" when a man came and saluted the Messenger of Allah "Allah's blessing and peace be upon him" with peace. Then, he asked him: "O Messenger of Allah! Who is the best amongst the faithful believers?" he said: "He, who has the best manners among them." He further asked: "Who among the faithful believers is the most intelligent?" he said: "He, who mentions death most among them, and is the best amongst them to get ready for the afterlife: such are the most intelligent ones."

4260- It is narrated on the authority of Abu Ya'li: Shaddad Ibn Aws that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "The intelligent one is him, who puts himself to humiliation (in religious service), and works for (the life) after death; and the powerless one is him who makes his self follow all of its own lusts and then expects for (both mercy and forgiveness of) Allah."

4261- It is narrated on the authority of Anas that he said: The Messenger of Allah "Allah's blessing and peace be upon him" entered upon a young man during his death agonies, thereupon he asked him: "How are you?" he said: "O Messenger of Allah! I expect for (both forgiveness and mercy of)

[32] What About The Grave

4266- It is narrated on the authority of Abu Hurairah that he said: The Prophet "Allah's blessing and peace be upon him" said: "Between the two blowing of the trumpet there will be forty." The people said: "O Abu Hurairah! Forty days?" I refused to reply. They said: "Forty years?" I refused to reply and added: "Everything of the human body will decay except the coccyx bone (of the tail) and from that bone Allah will reconstruct the whole body."

4267- It is narrated on the authority of Hani, the freed slave of Uthman Ibn Affan that he said: Whenever Uthman stood at a grave, he would go on weeping so much that his beard would be wetted (with tears). The Messenger of Allah "Allah's blessing and peace be upon him" further said: "I've never seen anything but that the grave is more grievous than it."

upon him", who has brought us the clear evidences from Allah, and we have trusted him." It will be said: "Have you seen Allah?" he will say: "It is not befitting for anyone to see Allah (in the world)." An opening will be made to him leading to the fire (of Hell), at which he will look, with its different parts destroying each other, and it will be said to him: "Look at that from which Allah has delivered you!" then, another opening will be made for him leading to the Garden, and he will see its affluence, and what it contains, and it will be said to him: "This is your seat (in the Garden)." It will be said to him: "You've been on certainty (of faith), on which you died, and on which you will be resurrected Allah Willing." On the other hand, the wicked evil one will be made to sit in his grave as frightened and scared, and it will be said to him: "In which (religion) have you been?" he will say: "I do not know." It will be said to him: "What (do you know) about that man (who has been sent to you)?" he will say: "I heard the people saying something (pertaining to him), and then I said the same." An opening will be made for him leading to the Garden, and he will see its affluence and what it contains, and then it will be said to him: "See that from which Allah has diverted you!" an opening will be made for him leading to the fire, at which he will look, with its different parts destroying each other, and it will be said to him: "This is your seat (in the fire of Hell): on suspicion you have been, on which you died, and on which you will be resurrected Allah Willing.""

4269- It is narrated on the authority of Al-Bara' Ibn Azib that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "(Allah's saying) "Allah will establish in strength those who believe, with the Word that stands firm, in this world and in the Hereafter" (Abraham 27) was revealed in connection with the punishment of the grave: it will be said to him: "Who is your Lord?" he will say: "My Lord is Allah, and my Prophet is Muhammad." This is the significance of His saying: "Allah will establish in strength those who believe, with the Word that stands firm, in this world and in the Hereafter.""

4270- It is narrated on the authority of Ibn Omar that the Messenger of Allah"Allah blessing and peace be upon him " said : when someone dies, he will be shown his seat (in Garden or in Hell), and will be informed that this is your seat until the Judment Day.

[33] What About The Resurrection

4273- It is narrated on the authority of Abu Sa'id that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "No doubt, the two holders of the trumpet have two horns in their hands, gazing their sights in expectation for the time when they will be ordered (to sound it)."

4274- It is narrated on the authority of Abu Hurairah that he said: A man from amongst the Jews in the market said loudly: "By Him, Who has favoured Moses above all the people!" a man from amongst the Ansar raised his hand and slapped him, saying: "Do you say that and (Muhammad) the Messenger of Allah "Allah's blessing and peace be upon him" is living among us?" a mention of that was made to the Messenger of Allah "Allah's blessing and peace be upon him", who said: "Allah Almighty says: "The Trumpet will (just) be sounded, when all that are in the heavens and on earth will swoon, except such as it will please Allah (to exempt). Then will a second one be sounded, when, behold, they will be standing and looking on!" (Az-Zumar 68) I will be the first to raise his head and behold! There will be Moses catching hold of one of the sides of the Throne! I do not know whether he will raise his head before me, or he will be of such as exempted by Allah Almighty. On the other hand, whoever says that I'm better than Jonah, son of Matta, has told a lie."

4275- It is narrated on the authority of Ibn Umar: I heard the Messenger of Allah "Allah's blessing and peace be upon him" while being on the pulpit having said: "(Allah) the Compeller will take up His heavens and earths with His Right Hand", then he drew his hand, and went on holding and spreading it, (and resumed) "saying: "I'm the Compeller! I'm the King: where are the compellers? Where are the supreme ones?" then, the Messenger of Allah "Allah's blessing and peace be upon him" inclined to his right and to his both, and I saw the pulpit moving from its lower portion, to the extent that I said (to myself): "Would it collapse with the Messenger of Allah "Allah's blessing and peace be upon him"?"

4276- It is narrated on the authority of A'ishah that she said: I asked the Messenger of Allah "Allah's blessing and peace be upon him": "O Messenger of Allah! How will the people be mustered on the Day of Judgement?" he said: "As barefooted and naked." I said: "And this will apply also to women?" he answered in the affirmative, thereupon he said:

4277- It is narrated on the authority of Abu Musa Al-Ash'ari that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "The people will have three displays (before Allah) on the Day of Judgement: (in the first) two of them, there will be much more arguments and excuses (offered by the sinful), and in the third, the documents (of deeds) will fly towards the hands (of the people), and some of them will receive theirs with their right (hands) and others with their left (hands)."

(Mary 71) on that he said: "Did you not hear Him saying after it: "But We shall save those who guarded against evil, and We shall leave the wrongdoers therein, (humbled) to their knees"?"

He then said: "Are you pleased to constitute one-third the inhabitants of the Garden?" we said: "Yes." He further said: "By Him in Whose Hand is my soul! I expect you will constitute half the inhabitants of the Garden; and that's because none but a Muslim soul will enter the Garden; and you are (in number) as compared with the pagans (from the other nations) but like a white hair in the skin of a black ox, or like a black hair in the skin of a red ox."

4297- It is narrated on the authority of Ibn Umar that he said: We were with the Messenger of Allah "Allah's blessing and peace be upon him" in a holy battle, thereupon he came upon a people, whom he asked about their identity, and they said: "We are the Muslims." There was a woman throwing (fire wood and sticks in) her oven, and she had her babe with her: whenever the heat of the oven escalated, she would move away with him from it. She went to the Messenger of Allah "Allah's blessing and peace be upon him" and said: "Are you Allah's Messenger?" he answered in the affirmative. She said: "Let my father and mother be sacrificed for you! Is not Allah the Most Merciful of those who are merciful?" he answered in the affirmative. She asked: "Is not Allah more merciful towards His servants that a mother towards her babe?" he answered in the affirmative. She said: "Then, a mother never throws hr babe in the fire!" on that the Messenger of Allah "Allah's blessing and peace be upon him" turned over and went on weeping, and then he raised his head and said to her: "Allah does not punish from amongst His servants but the wicked defiant rebel, who renounces allegiance to Allah, and rejects to bear testimony to the fact that there is no god (to be worshipped) but Allah."

Almighty says: "I'm most fitting to be feared in the sense that none should ascribe anything to Me (in worship); and I'm most ready to forgive for such as fears Me, and ascribes none to Me (in service)."

4300- It is narrated on the authority of Abdullah Ibn Amr that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "On the Day of Judgement, a man from my nation will be called loudly in the presence of all the creatures, and ninety-nine scrolls (of his evil deeds) will be spread for him, each as long as the sight could reach, and Allah Almighty will say to him: "Do you deny anything of those (deeds the scrolls contain)?" he will say: "No O my Lord!" he (Allah) will say: "Have My keeping scribes wronged you?" (He will in the negative.) he (Allah) will say: "Do you have any good deed (to suffice you) against that?" he will feel afraid and then say: "No." he (Allah) will say: "Nay! You have some good deeds with Us; and today, you should receive no injustice." Then, a card having (the testimony that) "I bear witness that there is No god (to be worshipped) but Allah, and that Muhammad is Allah's Messenger and servant" will be brought out for him, thereupon he will say: "O my Lord! What could this card do with those long scrolls?" he (Allah) will say: "You will not be wronged (even in the least)." The scrolls will be placed in one pan, and the card in the other, and then the scrolls will fly away, and the card will overweigh."

[36] What About The Fountain

4301- It is narrated on the authority of Abu Sa'id Al-Khudri that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "I have a Fountain, as long (and wide) as the distance between the Ka'bah and Jerusalim, (whose water) is as white as milk, and whose utensils are (as numerous as) the number of the stars; and on the Day of Judgement, I will have the greatest number of followers from amongst all the Prophets."

4302- It is narrated on the authority of Hudhaifah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "My Fountain is much greater (in length) than the distance between Ailah and Aden. By Him, in Whose Hand is my soul! Its utensils are more in number than the stars, (its water) is whiter than milk, sweeter than honey. By Him in Whose Hand is my soul! I will drive men (belonging to other nations) from it in the same way as a man drives away the strange camels from his tank." It was said: "O Messenger of Allah! Will you recognize us?" he said: "Yes, you will come to me as white, with parts of your body bright on account of the traces of the ablution: a characteristic which none has other than you."

قَالَ مُحَمَّدُ بْنُ يَحْيَىٰ: الْبِطَاقَةُ الرُّقْعَةُ. وَأَهْلُ مِصْرَ يَقُولُونَ لِلرُّقْعَةِ: بِطَاقَةٌ.

4302 ـ **حدّثنا** عُثْمَانُ بْنُ أَبِي شَيْبَةَ. حَدَّثَنَا عَلِيُّ بْنُ مُسْهِرٍ عَنْ أَبِي مَالِكٍ، سَعْدِ بْنِ طَارِقٍ، عَنْ رِبْعِيٍّ، عَنْ حُذَيْفَةَ؛ قَالَ: قَالَ رَسُولُ اللَّهِ ﷺ: «**إِنَّ حَوْضِي لأَبْعَدُ مِنْ أَيْلَةَ إِلَى عَدَنَ. وَالَّذِي نَفْسِي بِيَدِهِ لآنِيَتُهُ أَكْثَرُ مِنْ عَدَدِ النُّجُومِ. وَلَهُوَ أَشَدُّ بَيَاضاً مِنَ اللَّبَنِ، وَأَحْلَىٰ مِنَ الْعَسَلِ. وَالَّذِي نَفْسِي بِيَدِهِ إِنِّي لأَذُودُ عَنْهُ الرِّجَالَ كَمَا يَذُودُ الرَّجُلُ الإِبِلَ الْغَرِيبَةَ عَنْ حَوْضِهِ**» قِيلَ: يَا رَسُولَ اللَّهِ أَتَعْرِفُنَا؟ قَالَ: «**نَعَمْ. تَرِدُونَ عَلَيَّ غُرًّا مُحَجَّلِينَ مِنْ أَثَرِ الْوُضُوءِ. لَيْسَتْ لأَحَدٍ غَيْرِكُمْ**».

4303- It is narrated on the authority of Abu Salem Ad-Dimashqi that he said: Umar Ibn Abd Al-Aziz sent (some one to invite) me, and I went to him on (a mount of) mail, and (when he received me) he said: "No doubt, we've put you to difficulty O Abu Sallam in your riding!" I said: "Yes by Allah, O Commander of the Believers!" he said: "By Allah! I do not intend to put you to trouble! But there is a narration pertaining to the Fountain, and I was reported you relate it from Thawban, the freed slave of the Messenger of Allah "Allah's blessing and peace be upon him"; and I wanted to hear it direct from you." I said: Thawban, the freed slave of the Messenger of Allah "Allah's blessing and peace be upon him" told me that the Messenger of Allah "Allah's blessing and peace be upon him" said: "My Fountain will be (as long as the distance) between Aden and Ailah, (whose water is) whiter than milk and sweeter than honey, and whose cups are (as numerous) as the number of the stars. Whoever has even a sip of it will never become thirsty. The first to come upon me will be the poor Emigrants of untidy garments and unkempt hair, who never marry the blissful women, nor the closed gates (of rulers and chiefs) are opened to them." On that Umar went on weeping until his beard was wetted, and then he said: "But, I've married the blissful women, and the closed gates (of the rulers and chiefs) are opened to me. Anyway, I do not wash my garment which is on my body until it becomes dirty, nor do I oil (and comb) my hair until it becomes unkempt."

4304- It is narrated on the authority of Anas Ibn Malik that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "The (distance) between both ends of my Fountain is like (the distance) between San'a and Medina, or between Medina and Oman."

4305- It is narrated on the authority of Anas Ibn Malik that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "The jugs of gold and silver will be seen in it, as numerous as the number of the stars of the heaven."

4306- It is narrated on the authority of Abu Hurairah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" went to the graveyard and greeted with peace (the inhabitants of the) grave saying: "Peace be upon you, O the (inhabitants of) house of faithful believers! If Allah Almighty wills, we are going to join you (when we die)!" then, the Messenger of Allah "Allah's blessing and peace be upon him" further said: "Would that we have seen our brothers!" they said: "O Messenger of Allah! Are we not your brothers?" he said: "You are my companions, and my

[37] What About The Intercession

4307- It is narrated on the authority of Abu Hurairah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "Every Prophet has an invocation which is responded to (b Allah), and every Prophet hastened to get (the response to) his invocation (in the world), and I have saved my invocation to be intercession for my nation (on the Day of Judgement), and it will comprehend such of them as dies, ascribing nothing (in worship) to Allah Almighty."

4308- It is narrated on the authority of Abu Sa'id that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "I'm the chief of mankind, and there is no pride (of that); and I will be the first for whom the earth will split open (to come out), and there is no pride (of that); and I will be the first intercessor and the first to be given permission for intercession, and there is no pride (of that); and the banner of Praise will be in my hand on the Day of Judgement, and there is no pride (of that)."

4309- It is narrated on the authority of Abu Sa'id that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "As for the denizens of the fire, who are really its inhabitants (whose life there will be everlastingly eternal as described by the Holy Qur'an), they will never die in it, nor will they die. But, there are others, whom the fire will touch with their sins or mistakes, and cause them to die (for some time) until when they will turn into coal, the intercession pertaining to them will be permitted, thereupon they will be brought in groups, and spread on the different rivers of the Garden, and it will be said: "O inhabitants of the Garden! Pour over them (out of the water of the Garden)!" thus, they will grow just like a seed carried by the torrent grows." A man from amongst

37 ـ بابُ ذِكْرِ الشَّفَاعَةِ

4307 ـ حدّثنا أَبُو بَكْرِ بْنُ أَبِي شَيْبَةَ. حَدَّثَنَا أَبُو مُعَاوِيَةَ عَنِ الأَعْمَشِ، عَنْ أَبِي صَالِحٍ، عَنْ أَبِي هُرَيْرَةَ؛ قَالَ: قَالَ رَسُولُ اللَّهِ ﷺ: «لِكُلِّ نَبِيٍّ دَعْوَةٌ مُسْتَجَابَةٌ. فَتَعَجَّلَ كُلُّ نَبِيٍّ دَعْوَتَهُ. وَإِنِّي اخْتَبَأْتُ دَعْوَتِي شَفَاعَةً لِأُمَّتِي. فَهِيَ نَائِلَةٌ مَنْ مَاتَ مِنْهُمْ لاَ يُشْرِكُ بِاللَّهِ شَيْئاً».

4308 ـ حدّثنا مُجَاهِدُ بْنُ مُوسَىٰ وَأَبُو إِسْحَاقَ الْهَرَوِيُّ، إِبْرَاهِيمُ بْنُ عَبْدِ اللَّهِ بْنِ حَاتِمٍ؛ قَالاَ: حَدَّثَنَا هُشَيْمٌ. أَنْبَأَنَا عَلِيُّ بْنُ زَيْدِ بْنِ جُدْعَانَ عَنْ أَبِي نَضْرَةَ، عَنْ أَبِي سَعِيدٍ؛ قَالَ: قَالَ رَسُولُ اللَّهِ ﷺ: «أَنَا سَيِّدُ وَلَدِ آدَمَ وَلاَ فَخْرَ. وَأَنَا أَوَّلُ مَنْ تَنْشَقُّ الأَرْضُ عَنْهُ يَوْمَ الْقِيَامَةِ وَلاَ فَخْرَ. وَأَنَا أَوَّلُ شَافِعٍ وَأَوَّلُ مُشَفَّعٍ وَلاَ فَخْرَ. وَلِوَاءُ الْحَمْدِ بِيَدِي يَوْمَ الْقِيَامَةِ وَلاَ فَخْرَ».

4309 ـ حدّثنا نَصْرُ بْنُ عَلِيٍّ وَإِسْحَاقُ بْنُ إِبْرَاهِيمَ بْنِ حَبِيبٍ، قَالاَ: حَدَّثَنَا بِشْرُ بْنُ الْمُفَضَّلِ. حَدَّثَنَا سَعِيدُ بْنُ يَزِيدَ عَنْ أَبِي نَضْرَةَ، عَنْ أَبِي سَعِيدٍ؛ قَالَ: قَالَ رَسُولُ اللَّهِ ﷺ: «أَمَّا أَهْلُ النَّارِ، الَّذِينَ هُمْ أَهْلُهَا، فَلاَ يَمُوتُونَ فِيهَا وَلاَ يَحْيَوْنَ. وَلٰكِنْ نَاسٌ أَصَابَتْهُمْ نَارٌ بِذُنُوبِهِمْ أَوْ بِخَطَايَاهُمْ فَأَمَاتَتْهُمْ إِمَاتَةً. حَتَّى إِذَا كَانُوا فَحْماً أُذِنَ لَهُمْ فِي الشَّفَاعَةِ. فَجِيءَ بِهِمْ ضَبَائِرَ ضَبَائِرَ. فَبُثُّوا عَلَى أَنْهَارِ الْجَنَّةِ. فَقِيلَ: يَا أَهْلَ الْجَنَّةِ أَفِيضُوا عَلَيْهِمْ. فَيَنْبُتُونَ نَبَاتَ الْحِبَّةِ تَكُونُ فِي حَمِيلِ السَّيْلِ» قَالَ، فَقَالَ رَجُلٌ مِنَ الْقَوْمِ: كَأَنَّ رَسُولَ اللَّهِ ﷺ قَدْ كَانَ فِي الْبَادِيَةِ.

the (present) people said: "The Messenger of Allah "Allah's blessing and peace be upon him" seemed to have lived in the desert!"

4310- It is narrated on the authority of Jabir that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "My intercession on the Day of Judgement will comprehend even those of major sins from amongst my nation."

4311- It is narrated on the authority of Abu Musa Al-Ash'ari that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "I was given the freedom to choose either the (right of) intercession or to have half (the disobedient among) my nation enter the Garden; and I chose the (right of) intercession for it is more comprehensive and inclusive. Do you see it assigned to the righteous (among my nation)? No! it is applicable to the sinful, who ever do mistakes and are contaminated (by their crimes)."

4312- It is narrated on the authority of Anas Ibn Malik that he said: The Prophet "Allah's blessing and peace be upon him" said: "On the Day of Judgement, the faithful believers would gather and would be seriously concerned (with their difficult situation) (or they will be inspired to ask for intercession: the narrator is in doubt). They would say: "Let us ask somebody to intercede for us with our Lord, so that He might relieve us from this situation of ours." They will go to Adam and say: "You are Adam, the father of all the people. Allah created you with His Own Hand, and ordered the angels to prostrate to you; so please intercede for us with your Lord, in order that He may relieve us from this situation." Adam will say: "I am not fitting for this (intercession)." Then Adam will make a mention and complain to them of his sin and feel shy of his Lord. He will say: "Go to Noah, who was the first Messenger Allah sent to the inhabitants of the earth." They will go to him who will say: "I am not fitting for this task." He will make a mention of his (sin when he) asked (his Lord) what he knew not, and feel shy of his Lord. He will say: "Go to Abraham, The Bosom Friend of (Allah) Most Gracious", to whom They will go and he will say: "I am not fitting for this task, but go to Moses, the servant to whom Allah spoke (directly), and he gave him the Torah." They will go to him and he will say: "I am not fitting for this task." He will make a mention of his murdering a soul with no just cause, and feel shy of his Lord. He will say: "Go to Jesus, Allah's servant, His Messenger, and Allah's Word and a Spirit coming from Him." They will go to Jesus who will say: "I am not fitting for this job, go to Muhammad, the servant of Allah, whose earlier and later sins were

It is further narrated on the authority of Qatadah, following the previous Hadith, that Anas Ibn Malik said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "There will come out of the fire (of Hell) such as bears witness that "There is no god (to be worshipped) but Allah, and has (faith and) good in his heart (even as little as) the weight of a grain of parley; and there will come out of the fire (of Hell) such as bears testimony that "There is no god (to be worshipped) but Allah" and has (faith and) good in his heart (even as little as) the weight of a grain of

They said: "(Is he a man) other than you (O Messenger of Allah)?" he answered in the affirmative. I (a sub-narrator) asked: Did you really hear it from the Messenger of Allah "Allah's blessing and peace be upon him"? He answered in the affirmative.

4317- It is narrated on the authority of Awf Ibn Malik Al-Ashja'i that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "Do you know which freedom of choice my Lord has given me tonight?" [38] The Constitution Of The Fire (Of Hell)

4318- It is narrated on the authority of Anas Ibn Malik that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "This fire of yours (in the world) is (no more than) one portion of seventy portions of the fire of Hell, and had it not been extinguished by water twice, you would have made no profit from it, and it (the removed heat) invokes Allah Almighty not to return it into it (the fire) once again."

4319- It is narrated on the authority of Abu Hurairah that he said: The Prophet "Allah's blessing and peace be upon him" said: "The Hell-fire complained to its Lord saying: "O Lord! My parts are eating (destroying) one another. So Allah allowed it to take two breaths, one in the winter and the other in the summer. The breath in the summer is at the time when you feel the severest heat and the breath in the winter is at the time when you feel the severest cold."

4320- It is narrated on the authority of Abu Hurairah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "The fire (of Hell) was kindled for one thousand years until it turned into white. Then, it was kindled for one thousand years until it turned into red. Then, it was kindled for one thousand years until it turned into black; and it is as black as the dark night."

4321- It is narrated on the authority of Anas Ibn Malik that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "On the Day of Judgement, the most delighted from amongst the pagans in the world will be brought, and it will be said: "Dip him once in the fire (of Hell)!" he will be dipped in it, and then it will be said to him: "O so and so! Have you ever received any delight (in the world)?" he will say: "No, I've never received any (kind of) delight (in the world)." On the other hand, such as put to the most grievous trial and trouble from amongst the faithful believers in the world will be brought, and it will be said: "Dip him once in the (rivers of the) Garden!" he will be dipped in the (rivers of the) Garden, and then it will be said to him: "Have you ever received any difficulty or trouble (in the world)?" he will say: "No, I've never received any difficulty or trouble (in the world)."

4322- It is narrated on the authority of Abu Sa'id that the Messenger of Allah "Allah's blessing and peace be upon him" said: "No doubt, the infidel will (have his body in the fire of Hell so) huge that his molar tooth will become more huge than (the mountain of) Uhud; and of course, the superiority of hugeness of his body over his molar tooth is like the superiority of hugeness of the body of anyone of you over his molar tooth."

4323- It is narrated on the authority of Abdullah Ibn Qais that he said: I was in the house of Abu Burdah when Al-Harith Ibn Uqaish entered upon us and told us on this night that the Messenger of Allah "Allah's blessing and peace be upon him" said: "From amongst my nation, there will be such as by whose intercession, more than (the tribe of) Mudar will enter the Garden; and from amongst my nation, there will be such as has his body so much huge in the fire that he will become one of its corners."

4332- It is narrated on the authority of Usamah Ibn Zaid that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said one day to his companions: "Let's us seek earnestly for the Garden! Verily, the Garden has no rival: it is, by the Lord of the Ka'bah, a shining light, a moving basil, a well-established palace, a flowing river, ripe fruits in abundance, a beautiful good looking wife, a lot of ornaments in a permanent station in affluence and brightness, in high wonderful faultless houses." They said: "We are seeking earnestly for it O Messenger of Allah." He said: "You should say (by way of restriction): "Allah Willing."" Then, he made a mention of Jihad and exhorted them to do it.

4333- It is narrated on the authority of Abu Hurairah: The Messenger of Allah "Allah's blessing and peace be upon him" said: "The first group of people, who will enter Paradise, will be glittering like the full moon; and those who will follow them, will glitter like the most brilliant star in the sky. They will neither urinate, nor relieve nature, nor spit, nor have any nasal secretions. Their combs will be of gold, and their sweat will smell like musk. The aloe wood will be used in their censers. Their wives will be so much beautiful with big and lustrous eyes. All of them will look alike and will resemble their father Adam (in stature), as tall as sixty cubits."

4336- It is narrated on the authority of Sa'id Ibn Al-Musayyab that he met Abu Hurairah who said to him: "I invoke Allah to gather both you and me in the market of the Garden." Sa'id said: "Will there be a market in it?" he said: "Yes. The Messenger of Allah "Allah's blessing and peace be upon him" told me that when the inhabitants of the Garden will enter it, they will take their different positions in it by virtue of their deeds, and they will be given permission every (time as long as equal to seven) days of those of the world to visit Allah Almighty on Friday, and He will show His Throne (of Majesty) to them, and manifest His Glory to them in one of the meadows of the Garden; and pulpits of light, pulpits of pearl, pulpits of rubies, pulpits of aquamarine, pulpits of gold, and pulpits of silver will be placed for them; and the one of the least degree among them, even though there will be no one of low status among them, will sit on sandhills of musk and camphor, seeing not that those of thrones have better seats than him." I asked: "O Messenger of Allah! Shall we see our Lord?" he said: "Yes: do you have suspicion in seeing both the sun and the moon when it is a night of full moon?" we answered in the negative, thereupon he said: "So, you will have no suspicion in seeing your Lord Almighty, and there will be none in this gathering but that Allah Almighty will talk to him, to the extent that He will say to anyone of you: "Do you remember, O so and so, the day on which you did such and such a thing?" He thus reminds him of some of his evil deeds he commits in the world, and he will say: "O Lord! Have you not forgiven for me?" He will say: "Yes (I've forgiven for you): it is by the extension of My Forgiveness that you've attained this position of you!" such being the case, they will be covered up by a cloud above them, and it will rain over them such sweet perfume as they have never smelled. Then,

4334 ـ **حدّثنا** وَاصِلُ بْنُ عَبْدِ الأَعْلَىٰ، وَعَبْدُ اللَّهِ بْنُ سَعِيدٍ، وَعَلِيُّ بْنُ الْمُنْذِرِ؛ قَالُوا: حَدَّثَنَا مُحَمَّدُ بْنُ فُضَيْلٍ عَنْ عَطَاءِ بْنِ السَّائِبِ، عَنْ مُحَارِبِ بْنِ دِثَارٍ، عَنِ ابْنِ عُمَرَ؛ قَالَ: قَالَ رَسُولُ اللَّهِ ﷺ: «**الْكَوْثَرُ نَهَرٌ فِي الْجَنَّةِ. حَافَتَاهُ مِنْ ذَهَبٍ. مَجْرَاهُ عَلَى الْيَاقُوتِ وَالدُّرِّ. تُرْبَتُهُ أَطْيَبُ مِنَ الْمِسْكِ، وَمَاؤُهُ أَحْلَىٰ مِنَ الْعَسَلِ وَأَشَدُّ بَيَاضاً مِنَ الثَّلْجِ**».

4335 ـ **حدّثنا** أَبُو عُمَرَ الضَّرِيرُ. حَدَّثَنَا عَبْدُ الرَّحْمٰنِ بْنُ عُثْمَانَ عَنْ مُحَمَّدِ بْنِ عَمْرٍو، عَنْ أَبِي سَلَمَةَ، عَنْ أَبِي هُرَيْرَةَ؛ قَالَ: قَالَ رَسُولُ اللَّهِ ﷺ: «**إِنَّ فِي الْجَنَّةِ شَجَرَةً يَسِيرُ الرَّاكِبُ فِي ظِلِّهَا مِائَةَ سَنَةٍ، وَلاَ يَقْطَعُهَا**».

وَاقْرَأُوا إِنْ شِئْتُمْ: ﴿وَظِلٍّ مَّمْدُودٍ﴾ [الواقعة: 30].

4336 ـ **حدّثنا** هِشَامُ بْنُ عَمَّارٍ. حَدَّثَنَا عَبْدُ الْحَمِيدِ بْنُ حَبِيبِ بْنِ أَبِي الْعِشْرِينَ. حَدَّثَنِي عَبْدُ الرَّحْمٰنِ بْنُ عَمْرٍو الأَوْزَاعِيُّ. حَدَّثَنِي حَسَّانُ بْنُ عَطِيَّةَ. حَدَّثَنِي سَعِيدُ بْنُ الْمُسَيَّبِ؛ أَنَّهُ لَقِيَ أَبَا هُرَيْرَةَ فَقَالَ أَبُو هُرَيْرَةَ: أَسْأَلُ اللَّهَ أَنْ يَجْمَعَ بَيْنِي وَبَيْنَكَ فِي سُوقِ الْجَنَّةِ. قَالَ سَعِيدٌ: أَوَ فِيهَا سُوقٌ؟ قَالَ: نَعَمْ. أَخْبَرَنِي رَسُولُ اللَّهِ ﷺ أَنَّ أَهْلَ الْجَنَّةِ، إِذَا دَخَلُوهَا، نَزَلُوا فِيهَا بِفَضْلِ أَعْمَالِهِمْ. فَيُؤْذَنُ لَهُمْ فِي مِقْدَارِ يَوْمِ الْجُمُعَةِ مِنْ أَيَّامِ الدُّنْيَا. فَيَزُورُونَ اللَّهَ عَزَّ وَجَلَّ. وَيُبْرِزُ لَهُمْ عَرْشَهُ. وَيَتَبَدَّىٰ لَهُمْ فِي رَوْضَةٍ مِنْ رِيَاضِ الْجَنَّةِ. فَتُوضَعُ لَهُمْ مَنَابِرُ مِنْ نُورٍ. وَمَنَابِرُ مِنْ لُؤْلُؤٍ. وَمَنَابِرُ مِنْ يَاقُوتٍ. وَمَنَابِرُ مِنْ زَبَرْجَدٍ. وَمَنَابِرُ مِنْ ذَهَبٍ. وَمَنَابِرُ مِنْ فِضَّةٍ. وَيَجْلِسُ أَدْنَاهُمْ، (وَمَا فِيهِمْ دَنِيءٌ) عَلَى كُثْبَانِ الْمِسْكِ وَالْكَافُورِ. مَا يُرَوْنَ أَنَّ أَصْحَابَ الْكَرَاسِيِّ بِأَفْضَلَ مِنْهُمْ مَجْلِساً.

قَالَ أَبُو هُرَيْرَةَ: قُلْتُ: يَا رَسُولَ اللَّهِ هَلْ نَرَىٰ رَبَّنَا؟ قَالَ: «**نَعَمْ. هَلْ تَتَمَارَوْنَ فِي رُؤْيَةِ الشَّمْسِ وَالْقَمَرِ لَيْلَةَ الْبَدْرِ؟**» قُلْنَا: لاَ. قَالَ: «**كَذٰلِكَ. لاَ تَتَمَارَوْنَ فِي رُؤْيَةِ رَبِّكُمْ عَزَّ وَجَلَّ. وَلاَ يَبْقَىٰ فِي ذٰلِكَ الْمَجْلِسِ أَحَدٌ إِلاَّ حَاضَرَهُ اللَّهُ عَزَّ وَجَلَّ مُحَاضَرَةً. حَتَّى إِنَّهُ يَقُولُ لِلرَّجُلِ مِنْكُمْ: أَلاَ تَذْكُرُ، يَا فُلاَنُ يَوْمَ عَمِلْتَ كَذَا وَكَذَا؟ (يُذَكِّرُهُ بَعْضَ غَدَرَاتِهِ فِي الدُّنْيَا) فَيَقُولُ: يَا رَبِّ أَفَلَمْ تَغْفِرْ لِي؟ فَيَقُولُ: بَلَىٰ. فَبِسَعَةِ مَغْفِرَتِي بَلَغْتَ مَنْزِلَتَكَ هٰذِهِ. فَبَيْنَمَا هُمْ كَذٰلِكَ، غَشِيَتْهُمْ سَحَابَةٌ مِنْ فَوْقِهِمْ. فَأَمْطَرَتْ عَلَيْهِمْ طِيباً لَمْ يَجِدُوا مِثْلَ رِيحِهِ شَيْئاً قَطُّ. ثُمَّ يَقُولُ: قُومُوا إِلَى مَا أَعْدَدْتُ**

He will say to them: "Get up to whatever aspects of honour I've prepared for you, and take what you like." Then, we will go to a market, surrounded by angels, in which there will be such as the like of which no eyes have never seen, no ears have never heard of, and of which no mind has ever thought. What we like of it will be carried for us, but no transactions will be made in that (market). In that market, the inhabitants of the Garden will meet each other, in such a way as a man of the high position will come to meet him who is below him in degree, even though there will be no one of low status among them, and he will be astonished by whatever clothes he will see on him, and it will not be after the conclusion of his talk but that he will have on him clothes better than his (the one of the higher position), and that's because it is not befitting for anyone to feel sorry in it (the Garden). Then, we will return to our homes, whereupon our wives will meet us saying: "Welcome to you! You've come back as much more beautiful and perfumed than you were when you had left us." We will say: "Today, we sat with our Lord Almighty, the Supreme, and it is fitting for us to return with the same state with which we returned.""

4337- It is narrated on the authority of Abu Umamah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "There is no one, whom Allah will admit to the Garden but that He will give him in marriage seventy-two wives, two from the beautiful women with big lustrious eyes, and seventy as his heritage from the (men who are the) inhabitants of the fire, each of whom will have an appealing vagina, and he will have a penis a too strong to weaken." Hisham Ibn Khalid said: "As his heritage from the inhabitants of the fire" means from men who enter the fire, thereupon the people of the Garden will inherit their women in the same way as the wife of Pharaoh was inherited.

4338- It is narrated on the authority of Abu Sa'id that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "If a faithful believer has a desire for a child in the Garden, his pregnancy and birth will be within one hour just as he desires."

4339- It is narrated on the authority of Abdullah Ibn Mas'ud that he said: The Prophet "Allah's blessing and peace be upon him" said: "I know the last to come out of the (Hell) Fire, and the last to enter Paradise. He will be a man, coming out of the (Hell) Fire crawling, to whom Allah will say : "Go and enter Paradise." He will go to it, but he will imagine that it is full. Then he will return and say: "O Lord! I have found it full." Allah will say : "Go and enter Paradise." He will go to it, but he will imagine that it is full.

لَكُمْ مِنَ الْكَرَامَةِ. فَخُذُوا مَا اشْتَهَيْتُمْ. قَالَ: فَنَأْتِي سُوقاً قَدْ حُفَّتْ بِهِ الْمَلاَئِكَةُ. فِيهِ مَا لَمْ تَنْظُرِ الْعُيُونُ إِلَى مِثْلِهِ، وَلَمْ تَسْمَعِ الآذَانُ، وَلَمْ يَخْطُرْ عَلَى الْقُلُوبِ. قَالَ: فَيُحْمَلُ لَنَا مَا اشْتَهَيْنَا. لَيْسَ يُبَاعُ فِيهِ شَيْءٌ وَلاَ يُشْتَرَىٰ. وَفِي ذٰلِكَ السُّوقِ يَلْقَىٰ أَهْلُ الْجَنَّةِ بَعْضُهُمْ بَعْضاً. فَيُقْبِلُ الرَّجُلُ ذُو الْمَنْزِلَةِ الْمُرْتَفِعَةِ، فَيَلْقَىٰ مَنْ هُوَ دُونَهُ (وَمَا فِيهِمْ دَنِيءٌ) فَيَرُوعُهُ مَا يَرَىٰ عَلَيْهِ مِنَ اللِّبَاسِ. فَمَا يَنْقَضِي آخِرُ حَدِيثِهِ حَتَّى يَتَمَثَّلَ لَهُ عَلَيْهِ أَحْسَنُ مِنْهُ. وَذٰلِكَ أَنَّهُ لاَ يَنْبَغِي لأَحَدٍ أَنْ يَحْزَنَ فِيهَا».

قَالَ: «ثُمَّ نَنْصَرِفُ إِلَى مَنَازِلِنَا، فَتَلْقَانَا أَزْوَاجُنَا فَيَقُلْنَ: مَرْحَباً وَأَهْلاً. لَقَدْ جِئْتَ وَإِنَّ بِكَ مِنَ الْجَمَالِ وَالطِّيبِ أَفْضَلَ مِمَّا فَارَقْتَنَا عَلَيْهِ. فَنَقُولُ: إِنَّا جَالَسْنَا الْيَوْمَ رَبَّنَا الْجَبَّارَ عَزَّ وَجَلَّ. وَيَحِقُّنَا أَنْ نَنْقَلِبَ بِمِثْلِ مَا انْقَلَبْنَا».

4337 ـ حدّثنا هِشَامُ بْنُ خَالِدٍ الأَزْرَقُ، أَبُو مَرْوَانَ الدِّمَشْقِيُّ. حَدَّثَنَا خَالِدُ بْنُ يَزِيدَ بْنِ أَبِي مَالِكٍ عَنْ أَبِيهِ، عَنْ خَالِدِ بْنِ مَعْدَانَ، عَنْ أَبِي أُمَامَةَ؛ قَالَ: قَالَ رَسُولُ اللَّهِ ﷺ: «مَا مِنْ أَحَدٍ يُدْخِلُهُ اللَّهُ الْجَنَّةَ، إِلاَّ زَوَّجَهُ اللَّهُ عَزَّ وَجَلَّ ثِنْتَيْنِ وَسَبْعِينَ زَوْجَةً: ثِنْتَيْنِ مِنَ الْحُورِ الْعِينِ، وَسَبْعِينَ مِنْ مِيرَاثِهِ مِنْ أَهْلِ النَّارِ. مَا مِنْهُنَّ وَاحِدَةٌ إِلاَّ وَلَهَا قُبُلٌ شَهِيٌّ. وَلَهُ ذَكَرٌ لاَ يَنْثَنِي».

قَالَ هِشَامُ بْنُ خَالِدٍ: مِنْ مِيرَاثِهِ مِنْ أَهْلِ النَّارِ، يَعْنِي رِجَالاً دَخَلُوا النَّارَ. فَوَرِثَ أَهْلُ الْجَنَّةِ نِسَاءَهُمْ. كَمَا وُرِثَتِ امْرَأَةُ فِرْعَوْنَ.

4338 ـ حدّثنا مُحَمَّدُ بْنُ بَشَّارٍ. حَدَّثَنَا مُعَاذُ بْنُ هِشَامٍ. حَدَّثَنَا أَبِي عَنْ عَامِرٍ الأَحْوَلِ، عَنْ أَبِي الصِّدِّيقِ النَّاجِي، عَنْ أَبِي سَعِيدٍ الْخُدْرِيِّ؛ قَالَ: قَالَ رَسُولُ اللَّهِ ﷺ: «الْمُؤْمِنُ إِذَا اشْتَهَىٰ الْوَلَدَ فِي الْجَنَّةِ، كَانَ حَمْلُهُ وَوَضْعُهُ فِي سَاعَةٍ وَاحِدَةٍ، كَمَا يَشْتَهِي».

4339 ـ حدّثنا عُثْمَانُ بْنُ أَبِي شَيْبَةَ. حَدَّثَنَا جَرِيرٌ عَنْ مَنْصُورٍ عَنْ إِبْرَاهِيمَ، عَنْ عَبِيدَةَ، عَنْ عَبْدِ اللَّهِ بْنِ مَسْعُودٍ؛ قَالَ: قَالَ رَسُولُ اللَّهِ ﷺ: «إِنِّي لأَعْلَمُ آخِرَ أَهْلِ النَّارِ خُرُوجاً مِنْهَا. وَآخِرَ أَهْلِ الْجَنَّةِ دُخُولاً الْجَنَّةَ. رَجُلٌ يَخْرُجُ مِنَ النَّارِ حَبْواً. فَيُقَالُ لَهُ: اذْهَبْ فَادْخُلِ الْجَنَّةَ. فَيَأْتِيهَا فَيُخَيَّلُ إِلَيْهِ أَنَّهَا مَلأَىٰ فَيَرْجِعُ. فَيَقُولُ: يَا رَبِّ وَجَدْتُهَا مَلأَىٰ. فَيَقُولُ اللَّهُ: اذْهَبْ فَادْخُلِ الْجَنَّةَ. فَيَأْتِيهَا فَيُخَيَّلُ إِلَيْهِ أَنَّهَا مَلأَىٰ فَيَرْجِعُ فَيَقُولُ: يَا رَبِّ وَجَدْتُهَا مَلأَىٰ. فَيَقُولُ اللَّهُ سُبْحَانَهُ: اذْهَبْ فَادْخُلِ الْجَنَّةَ.

Then he will return and say: "O Lord! I have found it full." Allah will say : "Go and enter Paradise." He will go to it, but he will imagine that it is full. Then he will return and say: "O Lord! I have found it full." Allah will say: "Go and enter Paradise, and you will have as much as the like of the world and ten times more (or, you will have as much as ten times the like of the world)." Then the man will say: "Do you mock (or laugh) at me though You are the King?" I saw The Messenger of Allah "Allah's blessing and peace be upon him" (while saying that) smiling so much that his premolar teeth became visible. It is said that this will be the lowest in degree amongst the people of Paradise.

4340- It is narrated on the authority of Anas Ibn Malik that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "He, who asks to enter the Garden thrice, the Garden says: "O Allah! Admit him to the Garden!" and he, who seeks shelter from the fire (of Hell) thrice, the fire says: "O Allah! Deliver him from the fire (of Hell)!"

4341- It is narrated on the authority of Abu Hurairah that he said: The Messenger of Allah "Allah's blessing and peace be upon him" said: "There is none of you but he has two houses : one in the Garden and another in the fire. If he dies and enters the fire, the inhabitants of the Garden will inherit his house; and this is the significance of Allah's saying: "Such are the inheritors.""

فَيَأْتِيهَا فَيُخَيَّلُ إِلَيْهِ أَنَّهَا مَلأَىٰ. فَيَرْجِعُ فَيَقُولُ: يَا رَبِّ إِنَّهَا مَلأَىٰ. فَيَقُولُ اللَّهُ: اذْهَبْ فَادْخُلِ الْجَنَّةَ. فَإِنَّ لَكَ مِثْلَ الدُّنْيَا وَعَشَرَةَ أَمْثَالِهَا. (أَوْ إِنَّ لَكَ مِثْلَ عَشَرَةِ أَمْثَالِ الدُّنْيَا) فَيَقُولُ: أَتَسْخَرُ بِي (أَوْ أَتَضْحَكُ بِي) وَأَنْتَ الْمَلِكُ؟».

قَالَ: فَلَقَدْ رَأَيْتُ رَسُولَ اللَّهِ ﷺ ضَحِكَ حَتَّى بَدَتْ نَوَاجِذُهُ.

فَكَانَ يُقَالُ: هٰذَا أَدْنَىٰ أَهْلِ الْجَنَّةِ مَنْزِلاً.

4340 ـ حدّثنا هَنَّادُ بْنُ السَّرِيِّ. حَدَّثَنَا أَبُو الأَحْوَصِ عَنْ أَبِي إِسْحَاقَ، عَنْ زَيْدِ بْنِ أَبِي مَرْيَمَ، عَنْ أَنَسِ بْنِ مَالِكٍ؛ قَالَ: قَالَ رَسُولُ اللَّهِ ﷺ: **«مَنْ سَأَلَ الْجَنَّةَ، ثَلاَثَ مَرَّاتٍ، قَالَتِ الْجَنَّةُ: اللَّهُمَّ أَدْخِلْهُ الْجَنَّةَ. وَمَنِ اسْتَجَارَ مِنَ النَّارِ، ثَلاَثَ مَرَّاتٍ، قَالَتِ النَّارُ: اللَّهُمَّ أَجِرْهُ مِنَ النَّارِ»**.

4341 ـ حدثنا أَبُو بَكْرِ بْنُ أَبِي شَيْبَةَ، وَأَحْمَدُ بْنُ سِنَانٍ، قَالَا: ثَنا أَبُو مُعَاوِيَةَ عَنِ الْأَعْمَشِ، عَنْ أَبِي صَالِحٍ، عَنْ أَبِي هُرَيْرَةَ؛ قَالَ: قَالَ رَسُولُ الله ﷺ **«مَا مِنْكُمْ مِنْ أَحَدٍ إِلاَّ لَهُ مَنْزِلاَنِ: مَنْزِلٌ فِي الْجَنَّةِ، وَمَنْزِلٌ فِي النَّارِ. فَإِذَا مَاتَ، فَدَخَلَ النَّارَ، وَرِثَ أَهْلُ الْجَنَّةِ مَنْزِلَهُ، فَذٰلِكَ قَوْلُهُ تَعَالَى: ﴿أُوْلَٰٓئِكَ هُمُ ٱلْوَٰرِثُونَ﴾»** [المؤمنون: 10].
